

# DISTRICT 1A GOVERNOR RICHARD MOY'S MONTHLY NEWSLETTER

October 2025

### **Good afternoon, lions!**

Roaring into
October for
Spooktacular
month of Service!

Let's read about

the amazing month of September. We kicked off the month with our Region 2 Meeting held at the Thai Buddhist Temple. Fellowship, Fun Success the Club and were highlights of the evening. The of clubs reporting enthusiasm current service and upcoming projects filled the with room

ovation! Keep up all the great

service Region 2!

Next up on our travels we headed to the Chicago Filipino American Governors Night and wow what a celebration! Congratulations on your well-deserved awards and celebration of incoming officers. Your inspiration of fellowship is always great to be a part of.

And then one of the best parts of the month of September is the CANDY DAY JAMBOREE! Thank you to our family from LIF (Lions or Illinois Foundation) in attendance,

Lions Trish and Ralph Fisher as well as our guest Keynote Speaker Kathleen Messmer. She spoke about how instrumental her father PDG Marvin Tench and his peers started Candy Day many Lion Moons ago which would eventually lead to being a major donating fundraiser for LIF that still leads by incredible example today. Thank you to all our Family and Lions Guests attendance. We had over 140 out to support our District 1A celebration of Candy Day.

As you all know, while having FUN we must conduct the business aka SHOP of the district. Thank you to GLT Gail Anton for leading our Region and Zone Chairs in the Lions Portal Training held at Lions Club International.

Heading to the last few weeks of the month we attended Oktoberfest held by a combined effort of three amazing clubs in Argo-Summit, Justice and Bridgeview Lions Club. This annual event showed how important it is to work together for a common goal. These three clubs truly embodied that lines in a map

don't divide us, we all work together as one family for the common goal. GREAT JOB!

Rounding out the month, our First Lady Lion Edith attended the District Service Project, Sunshine Baby Shower held at Willow Springs Community Center. Thank you to GST Joni McMillan for your efforts in the event and all the Lions support for coming out for a day of fellowship. Your donations and love go a long way.

As I made my way back in from my Meeting in Bloomington COG (Council of Governors), my son Cub Logan and I attended the Willow Springs Lions/Lioness Pancake Breakfast. This was very special as over the years I've unfortunately missed this great event due to our meetings, but this year we made it. We thoroughly enjoyed breakfast and shared pleasantries from our family in Lions.

LIONS!!! It's been a great month seeing many of you and as always, I enjoy celebrating your victories with you.

Our action items from last month continue into this month. So I want to make sure they are included again below.

We are making some great strides in reporting on our service and ensuring our members are trained. However, I will not have sugar coat the need to focus on Retention and Membership. The GAT Team (Global Action Team) is OUR team. These family members actively are working to ensure our District's efforts are plentiful. As I've always said, we are all one team. So, if you need help, just ask. And I'll lead the way by saying, call, email or text me. I'll be there for you every step of the way.

Governor Richard A. Moy Email: moyrick@me.com

Cell: (708) 504-9070

Retention: Work together to resolve conflicts. Engage in those members that have not attended a meeting in a few months or have been uncharacteristically quiet during meetings or get togethers. Identify why our brothers and sisters

in service may feel less empowered to be those servant leaders. Celebrate your rock star servant heroes! Always make sure they are recognized for their efforts and point out how they may have gone above and beyond during an event.

- Building Membership: When you're at your club meetings, always invite a friend or family member out to experience the fellowship you all share and invite them to partake in your projects. If you're having an event and you're sitting next to a non-Lion, ask them who and what brought them there to support our efforts. Make them feel welcome and recognized for their time.
- Cub Clubs: We were able to form our first two Cub Clubs at the end of the last Lions year for District 1A and that's outstanding as we have never had a Cub Club in our district. But we need MORE! We want to give time to our littles that can grow with our family to be Leos and Lions. As a parent myself, I recognize that if you give time to the children, you'll get time from the parents to serve. That SYNERGY is important to

sustaining our future. Get those families in our communities to be involved together.

I'd lastly like to introduce you to our new LCIF Coordinators, President of CHALC Lion Lea Agaton and PDG Lion Austin D'Souza. We will be working together to ensure our district's goals of support and contributions to LCIF (Lions Club International Foundation) are aligned with the best efforts and passion of District 1A.

# Hello District, 1-A Lions, Greetings from the VOICES team, the Charitable Arm of District 1A.

Happy Fall!

The VOICES team has been busy this past month. Unfortunately, Lion Tessie Zaretsky decided to resign as VOICES Director due to transportation issues. She will continue as a consultant and will be investigating additional Day Care Centers in her area. The team voted to elect Lion Cindy Meyer from the Chicago Ridge Lions Club to fill her director position for the 2025-26 addition. term. In PDG McMillan will complete SVDG Karl Schulz's 2025-26 term. They were both sworn in at our last meeting.

We continue to receive many hearings aid request for the open areas in District 1-A. In September we received 8, bringing our total to \$10,832.00 for 2 months (15-month total \$18.332).

That's why we find it necessary to launch our new fundraiser,

"Can you Hear Me Now?". Our goal is to raise \$7,500. Emails have been sent to all the clubs (Presidents & Secretaries) asking for a donation so that we can continue to provide hearing aids for those in need. Please note that when we receive requests for open areas, we do reach out to the clubs closest to the area for donations. We also receive donations throughout the year from Lions and Lions Clubs within District 1-A

When we received a request for eyeglasses in the open areas, we initially reached out to the closest club. Recently we received a request

near the Westchester Area. We reached out to the Westchester Lions Club and they along with the Bellwood Lions Club fulfilled this request. A big thank you to the Bellwood and Westchester Clubs for their help. This is a true example of Lions at their best working together.

Children Vision testing, we have a busy October for vision screenings.

#### **GOALS FOR 2025-2026**

The easiest way to gain members is to have your club visible and provide service to those in need. Visibility will help your prospective member make an easy choice in accepting your invitation to join your club.

#### **Overview of Mission 1.5**

Mission 1.5, Lions International's global membership growth initiative, set an ambitious target: to raise Lions Clubs International to **1.5 million members worldwide**. The campaign focused on:

- Recruiting new members with passion and purpose.
- Strengthening club retention and engagement.
- Work to assist where needed to help clubs meet community needs or causes for service.

As GMT Coordinator, I will work closely with our district's leadership, Global Action Team, and clubs to align our efforts with Mission 1.5. While we've made significant gains in awareness and training, our year-end membership data reveals key challenges—particularly around retention and club vitality.

Here are 10 ways to jumpstart your club's recruiting efforts.

This is taken from LCI's Mission 1.5 Website resources:

### 1. Do a member satisfaction check.

Before going out to recruit, look inside. How's your club doing? Are your members happy? Do you have a positive club culture? Happy members who enjoy being a Lion are more likely to successfully recruit friends, family and others to your club.

### Tools for success: Membership Satisfaction Guide

# 2. Connect your club membership and marketing chairpersons.

Does your club have membership chairperson? marketing about How a chairperson? If not, you'll fill these roles want to marketing because and membership growth go hand in hand. If you already have these chairpersons in place, make sure they're working together to promote your club and recruit new members.

Toolsforsuccess:MarketingMatterswebpage, ClubMembershipChairpersonwebpage

#### 3. Get social.

Social media is one of the most powerful tools you have for recruiting members. The more you promote your club's incredible work, the more visible you'll be and the opportunities you'll more have to connect with people looking to serve. So, use social media to invite people to join your club for a service project or attend one of your events, and be sure everyone in your club is sharing, tagging and reposting stories about your club. Is your clubs

Social media isn't the only way to get your club noticed. Local newspapers, magazines and newsletters are also great ways to promote your club. Make connections with your local media and other organizations and community groups to discover opportunities to get the word out.

**Tools for success:** <u>Lions Press</u> <u>Center, Brand Advance Kit</u>

# 5. Apply for the Lions International Marketing Award.

### 6. Recruit while you serve.

One of the best ways to recruit is by doing what you do best — serving. So, invite people to serve you and see what it's like to be a Lion. Wear Lions-branded clothing to your service projects for visibility and bring promotional materials to hand out to people you meet while out in the community.

**Tools for success:** <u>Brand Advance</u> <u>Kit</u>, <u>Lions Shop</u>

### 7. Host a member recruitment event.

Service is our focus, but bonding and having a good time is also a big part of the Lion experience — so don't be afraid to show off that side to potential members! Consider hosting a member recruitment event that's more of a social gathering. It could be a happy hour, picnic, ice cream social, game night or whatever works for your club. Promote the event on social media and encourage everyone in your club to invite at least five people.

**Tools for success:** <u>Social Media</u> <u>Kit, Brand Advance Kit</u>

### 8. Write and share your Lion stories.

Every Lion has a story to tell their about member experience. But is every Lion in your club ready to share theirs? Consider club а activity where everyone writes their story. It doesn't have to be long — it can be as simple as jotting down why you joined or why you love being a Lion. Once your stories are ready, find creative ways to share them on social media or your club's website. Or, simply use them while talking with prospective members.

**Tools for success:** <u>Lions Get Social</u> <u>webinar</u>, <u>Lions Blog</u>

### 9. Make connections in your community.

It's not always what you know, but who you know. Consider ways you can expand your network, like meeting local business owners or getting in community involved events. Participate in a golf outing, volunteer at a hospital or school, or even attend group's pancake another breakfast. The more you're out and about, the more people you'll meet — so think of creative ways to make new connections. These connections just may become new partners, supporters or even new members.

### Tools for success: <u>Developing</u> <u>Local Partnerships</u>

10. **Just** Ask! There are lots of different ways to find new members.

But at the end of the day, one of the easiest and most effective ways to recruit is to simply ask people to join. Imagine if every Lion brought one new member to your club — think of how many more people you could serve. All it takes is asking one family member, friend or neighbor.

Tools for success: Just Ask Guide

Take some time to look over some of the resources we have available to us that will help us serve more of our friends in need!

### LCI'S FIRST WEEK OF SERVICE IS MENTAL HEALTH & WELL-BEING OCTOBER 4 - 12, 2025 SO, LET'S SERVE OUR ACTIVE MILITARY

Lions of District 1-A.

Our next District Service Project is to help our "ACTIVE MILITARY". This is considered a "MENTAL HEALTH SERVICE ACTIVITY." If your club is going to submit a Club Excellence Award, you will have to participate in all of LCI's weeks of service.

I am asking the District 1-A Lions to donate any of the below items, or make a monetary donation (make checks payable to the Hometown VFW Post) by NOVEMBER 1, 2025. Monetary donations will help cover the costs for the boxes and postage for items to be sent anywhere in the world where our military is based.

I am working with KRUSE'S KREW. In 2001, Jim Kruse founded Kruse's Krew, a nonprofit dedicated to sending care packages to troops stationed overseas. What began as a modest operation in his basement grew into a community-wide effort. Kruse's Krew mission is to support American fighting men and women in harm's way. It is our honor and privilege to supply food, treats, toiletries and other means of support to our troops. "We send 40 to 41 packages a month, filled with cookies, socks, decorations, notes, etc" he said. "Some of these soldiers don't have families to send them anything. We want them to feel a little piece of home."

- SNACKS cookies, candy (no-chocolate), gum, chips (all kinds), Little Debbie's, Beef Jerkey, Summer Sausage, Crackers, Granola Bars, Energy Bars, Nuts, Pudding Cups, Salsa, Chex Mix, Popcorn\*\*, Brownie Mix\*\*,

- OTHER ITEMS Flea collars (for troops in the desert), Zip lock bags, pens, pencils, writing
  pads, small flashlights, Imodium, nasal spray, Q-Tips, Advil/Tylenol, antibacterial wipes, clothes
  pins, clothes line, fabric softener sheets, band-aids, gauze pads, packaged wet ones, sun screen,

All items/checks can be sent directly to my home (15230 Hamlin Avenue, Midlothian, IL 60445) by NOVEMBER 1, 2025. I will then transport all the items to the Hometown VFW, and will help Kruse's Krew to pack the items. I am hoping we can get these sent to our military by Veteran's Day.

Thank you, PDG Joni McMillan District 1-A Service Chairperson

### THE CHICAGO LIGHTHOUSE'S RISE TO SHINE RUN & WALK IS AN EVENT FOR EVERYONE

The 4th annual event on Sunday, October 19, prioritizes accessibility for all as it seeks to break down barriers for people with disabilities.

CHICAGO, September 15, 2025 – There are more than 26 million Americans living with a disability, according to the Centers for Disease Control, and when one of them is left behind we are all at a disadvantage. Now in its fourth year, The Chicago Lighthouse's Rise to Shine Run & Walk is an event designed to promote a world without where everyone – regardless of ability – can be and feel fully included in their communities.

Taking place on Sunday, October 19, 2025, in the Illinois Medical District, The Rise to Shine Run & Walk welcomes runners of all ages and abilities. The event raises funds for programs at The Chicago Lighthouse that build confidence and independence for people who are blind, visually impaired, disabled and Veterans.

"Accessibility is a right, yet too many areas of our often our physical and digital spaces are closed off to people with disabilities, cutting off opportunities for individuals to realize their full potential," said Janet P. Szlyk, Ph.D., President and CEO of The Chicago Lighthouse. "The Rise to Shine Run & Walk envisions a world without those barriers where everyone can thrive on their own terms."

Underscoring the Rise to Shine Run & Walk as a premier disability-focused event in the City of Chicago, Rachel Arfa, Commissioner for the Mayor's Office for People with Disabilities, will kick-off the event as the official race starter.

The Rise to Shine & Run and Walk is more than a race, it is a community event. The morning includes: A USATF-certified, chip-timed 10K/5K run and a 1M walk.

A Family Fun Fest, featuring a kids' dash, face-painting and other fun games and activities.

A Fitness Fest For All post-race celebration featuring information and resources for people with disabilities and other members of the community. The Fitness Fest for All is proudly presented by the Illinois Medical District.

An "Accessibility Avenue" featuring organizations that employ people with disabilities showcasing their products and programs.

The Rise to Shine Run & Walk will take place on Sunday, October 19, in the Illinois Medical District. Register now at <a href="https://www.RiseToShineRace.com">www.RiseToShineRace.com</a>.

July 28, 2025

Dear Lions Club President or Secretary,

It is time to think about the Peace Poster and Essay contest. This year's theme is "Together as One". I hope your club will consider sponsoring a contest. Also, know that contests do not necessarily have to be organized through schools. An organization such as the Boy or Girls Scouts can have a contest, or a youth organization or a church group.

If you are interested in sponsoring a contest, order a Peace Poster contest kit online from Lions International. With shipping, the cost is a little over \$24.00. Then, conduct your contest. The winner must be selected, and his or her poster be given to District Governor Richard by November 15. After that, Governor Richard will bring the poster to the State Contest. The contest is open to children who will be 11, 12, or 13 on November 15, 2024.

I hope your club will consider having a contest. If you have any questions, please feel free to contact me at 224-532-7366, or at historytennis@yahoo.com.

Yours in Lionism,

Rex D. Nyquist
