

DISTRICT 1A GOVERNOR RICHARD MOY'S MONTHLY NEWSLETTER

January 2026

Good afternoon Servant Heroes!

Happy New Year 2026 to you all!

Lion Edith and I hope you all enjoyed the wonderful holidays with your loved ones. To be together is a blessing and is always important to remind each other how we're missed and loved over the daily hustle and bustle of life and

servitude.

December resembled just that! Visiting clubs for their holiday celebrations and Governor Nights gave time and purpose to that reminder of family and fellowship. So, thank you for that.

I want to take a moment to talk about the state of our district at the halfway point of this Lions Year. Membership has taken a pretty hard hit. The drops have been heavily sporadic throughout these last 5 months. So as I look at the trends with our GAT (Global Action Team) we look to identify what's happening. I believe we have a very good handle on the where and whys which is a good thing. The next approach is implementing a plan to assist clubs in Retention, you will see that rolled out for January and February via the Zone and Region chairs while supported by the GAT. What my ask of you all is to start working together now on identifying those members that we're losing at an earlier time than last minute, ie when dues come out. This takes a team effort at all levels. We should all be actively seeing where one of our family members may not be actively involved, whether that's attendance to meetings, service projects or maybe just plain uncharacteristically quiet. I know we are all busy, but I can tell you from experience that sometimes a simple phone call or text message can remind someone

that they are valued not only as a Lion but as a friend. This simple gesture can easily turn it around for someone in need of that reminder that they are valued. I didn't want to be long written with this, but I truly care about our family deeply and never want to see anyone feel like the light of their Heart of Service has gone dim or burned out. So, I want you all to know that you have the help and support from everyone in District 1A, we can turn it around! Go Lions Go!

I want to thank the clubs for their wonderful Governor Night visits. Thank you to Chicago Global Lions, Franklin Park Manila Lions and Jose Rizal Lions. You all welcomed me with open arms, and we spent the evenings with laughs and very boisterous celebrations of your award recipients, new members and officers. Memories with my Lions family I won't ever forget. The holiday celebrations with Nurses for Diabetes and Windy City Lions were also so much fun. From the dancing, to listening to a great band, to the fellowship and a relaxing evening filled with holiday cheer, they all made for a wonderful time. The

District 1A Holiday party was so wonderful. I thoroughly enjoy these times because it gives us all a chance to catch up and see each other again. Thank you to all the clubs, leadership and guests in attendance. Thank you to PCT Dawn Grogan, PCC's Gail and Steve Anton for making this event happen for us all. Thank you PDG Joni McMillan for assisting with the service project collection for the Ronald McDonald House. I also want to give one last shout out to Second Vice Governor Karl "Cowboy" Shulz on having the most outstanding holiday outfit of the afternoon. Those members of our CUB Club thoroughly enjoyed the reindeer ring toss!

I also would like to congratulate THE Chicago Ridge Lions Club for their continued sponsorship of the Finley Junior High Leo Club on their returning and new member installation ceremony. Thank you to the leadership from around the district in attendance: District Leo

Coordinator Frank Kirar, PCC (Past Council Chair) Steve Anton, First Lady Lion Edith Rivera-Moy, PP (Past President) of Chicago Ridge Lion Bill Lammel, Club VP (Vice President) Terri McMaster, Club Secretary Bob McHugh and Superintendent Lion Adam Thorns.

GMT Coordinator Report:

PDG Tom Elsey

January 1, 2026

Mission 1.5

As stated on the international website "We're on a mission to grow. And social media is one of the best tools we have for spreading our message, sharing success stories, and inspiring fellow Lions to join the drive to reach 1.5 million members worldwide.

MISSION 1.5 starts with you. So, get active with other Lions on social media now! #MissionToGrow"

Let's see what we can do to help reach Lions International's 1.5MM member goal! We can reach and exceed our goal if every lion adds one or more new members.

As a district, we need to continue improving work on retaining our members and getting new members. International A. P. Singh attended the Council of Governors Meeting on Saturday, September 27 and encouraged MD-1 Illinois to continue working hard to help achieve our Mission 1.5 Goals as outlined in the Table below. He is passionate about the need for us to continue increasing membership, so we can continue serving those in need.

| 2025-2026 Mission 1.5 | New Clubs | Members from New Clubs | New Members in Existing Clubs | Members of Transfers and Re-Instates | Total Members in Existing Clubs | Dropped Members | Net Growth |
|-----------------------|-----------|------------------------|-------------------------------|--------------------------------------|---------------------------------|-----------------|------------|
| Goals | 3 | 75 | 225 | | 300 | 275 | 100 |
| Actual | 1 | 21 | 106 | 13 | 140 | 171 | -31 |

As you can see, we are behind our membership goals and we all need to continue working hard to show the world that District 1 A, MD-1 Illinois and Constitutional Area 1 that we have what it takes. Thank you for all that hard work you do!

The easiest way to gain members is to have your club visible and provide service to those in need. Visibility will help your prospective member make an easy choice in accepting your invitation to join your club.

Overview of Mission 1.5

Mission 1.5, Lions International's global membership growth initiative, set an ambitious target: to grow Lions Clubs International to 1.5 million members worldwide. The campaign focused on:

- Recruiting new members with passion and purpose.
- Strengthening club retention and engagement.
- Work to assist where needed to help clubs meet community needs or causes for service.

As GMT Coordinator, I will work closely with our district's leadership, Global Action Team, and clubs to align our efforts with Mission 1.5. While we've made significant gains in awareness and training, our year-end membership data reveals key challenges—particularly around retention and club vitality.

District 1-A lost 171 members so far this year with 24 clubs losing members. The top 2 reasons for the loss is due to Non Attendance (36) and Non-Payment of Dues(59) for a

total of 95 of those members. We need to work much harder on reducing losses in our district for the second half of the year.

Tips for Improving Membership in Your Clubs

Here are 10 ways to jumpstart your club's recruiting efforts.

This is taken from LCI's Mission 1.5 Website resources:

1. Do a member satisfaction check.

Before going out to recruit, take a look inside. How's your club doing? Are your members happy? Do you have a positive club culture? Happy members who enjoy being a Lion are more likely to successfully recruit friends, family and others to your club.

2. Connect your club membership and marketing chairpersons.

Does your club have a membership chairperson? How about a marketing chairperson? If not, you'll want to fill these roles because marketing and membership growth go hand in hand. If you already have these chairpersons in place, make sure they're working together to promote your club and recruit new members.

3. Get social.

Social media is one of the most powerful tools you have for recruiting members. The more you promote your club's incredible work, the more visible you'll be and the more opportunities you'll have to connect with people looking to serve. So, use social media to invite people to join your club for a service project or attend one of your events, and be sure everyone in your club is sharing, tagging and reposting stories about your club. Is your clubs

4. Don't forget traditional media.

Social media isn't the only way to get your club noticed. Local newspapers, magazines and newsletters are also great ways to promote your club. Make connections with your local media and other organizations and community groups to discover opportunities to get the word out.

5. Apply for the Lions International Marketing Award.

Marketing is critical for recruitment, but it's also a fun way to collaborate with your club and be creative. So why not embrace a little friendly competition by taking your shot at global recognition and great prizes? Your club can apply for the Lions International Marketing Award by creating a marketing campaign focused on member recruitment. Gather your team, plan your marketing campaign, and go out and get some new members.

6. Recruit while you serve.

One of the best ways to recruit is by doing what you do best — serving. So invite people to serve with you and see what it's like to be a Lion. Wear Lions-branded clothing to your service projects for visibility and bring promotional materials to hand out to people you meet while out in the community.

Tools for success: [Brand Advance Kit](#), [Lions Shop](#)

7. Host a member recruitment event.

Service is our focus, but bonding and having a good time is also a big part of the Lion experience — so don't be afraid to show off that side to potential members! Consider hosting a member recruitment event that's more of a social gathering. It could be a happy hour, picnic, ice cream social, game night or whatever works for your club. Promote the event on social media and encourage everyone in your club to invite at least five people.

8. Write and share your Lion stories.

Every Lion has a story to tell about their member experience. But is every Lion in your club ready to share theirs? Consider a club activity where everyone writes their story. It doesn't have to be long — it can be as simple as jotting down why you joined or why you love being a Lion. Once your stories are ready, find creative ways to share them on social media or your club's website. Or, simply use them while talking with prospective members.

Tools for success: Lions Get Social webinar, Lions Blog

9. Make connections in your community.

It's not always what you know, but who you know. Consider ways you can expand your network, like meeting local business owners or getting involved in community events. Participate in a golf outing, volunteer at a hospital or school, or even attend another group's pancake breakfast. The more you're out and about, the more people you'll meet — so think of creative ways to make new connections. These connections just may become new partners, supporters or even new members.

Tools for success: Developing Local Partnerships

10. Just Ask!

There are lots of different ways to find new members. But at the end of the day, one of the easiest and most effective ways to recruit is to simply ask people to join. Imagine if every Lion brought one new member to your club — think of how many more people you could serve. All it takes is asking one family member, friend or neighbor.

**Hello District, 1-A Lions,
Greetings from the VOICES
team, the Charitable Arm of
District 1-A.**

The VOICES family would like to extend Happy New Year greetings to each and everyone in the coming new year. Every year we (you) make a resolution to change yourself. This year, make a resolution to be yourself.

The VOICES team continued to be busy during the month of December.

There are currently 18 open requests for hearing aids which are in different steps of the process.

The "Can you Hear Me Now?" fundraiser was launched in mid-September. Our goal is to raise \$7,500. Currently, we have reached 70% of our goal. We are getting so close to our goal. Please help us reach our goal, so we can continue helping those in need.

Children's Vision testing:

December was a slower month for vision screenings due to the holidays. We screened 47 students in December for vision screenings. If you have a pre-school or a church group in your area that would like to have children's eyes screened or hearing test for adults just contact Lion Marlene Chaney at marchaney@sbcglobal.net and she will set the wheels in motion. We can screen children between the ages of 6 months to six years and give hearing tests to anyone over 10 years of age. All free of charge.

Raffle tickets for the **Presidents Raffle** are currently on sale for \$20 a ticket (Only 300 tickets will be sold). The

drawing will be held daily on Facebook live at 12 Noon. The drawing will begin on Thursday February 12th and end on Sunday February 22nd. On February 12th and 22nd there will be 2 winning tickets pulled for \$200.00 each. **VOICES** members have tickets available for sale soon. If you have any questions, please

Let's not forget our "Run for the Roses" fundraiser which will take place May 2, 2026, at Bourbon Street which is in Merrionette Park.

Stay warm and here's to great 2026 for **VOICES**!!

TOURNAMENT RULES

LIONS SANCTIONED:

1. This tournament is open to District 1-A Lions and their guests. Professional bowlers and/or employees of the bowling establishment may bowl, but may not participate in the prizes or awards. This includes the Pot Game awards.
2. Upon request, the Bowling Committee will attempt to supply bowlers, if available, to those Lion teams that are not complete, or allowed one blind score of 140 pins, therefore allowing them to compete for prizes. All substitute bowlers must pay the required entry fee to the team they bowl with. All Lions Club teams must contain a minimum of one (1) club member to be eligible to compete for team prizes.
3. All entry forms must be completed showing complete names & addresses of all members of the team.
4. No bowler is allowed to participate in the pot game more than once. The first three games bowled will be the games eligible for prizes.
5. No refunds within 72 hours of tournament play.
6. No averages are needed to participate in the tournament.
7. Handicaps will be based on 75% of the difference of 200 minus your drawn average. Maximum handicap is 60 pins per game per bowler.

Handicaps will be calculated after all teams have completed their games, and then the District Governor will draw a number by lot. The number drawn will be the game score used as the average for all entries.

Example: You bowl 145 (1st game), 185 (2nd game), & 175 (3rd game). Governor draws #1 and then 145 becomes your average.

8. Closing Entry Date – as determined annually but not less than 7 days prior to the event.
9. Prize ratio – at least one for every 10 teams. (Based on 60 team entries)
10. Special Pot Game: \$5.00 option – High Game Scratch – Minimum Cash Prizes: 1 in 20 entries. For Men and Women separately.
11. Team shall report 30 minutes prior to their assigned start time. Changes to the team make-up must be reported to the tournament manager at least 30 minutes prior to bowling. Substitutes may be used.
12. Protests: Any protest affecting the eligibility or general playing rules must be confirmed in writing to the District Chairman within 7 days of the closing of the tournament. If no protest is entered, the game or games shall stand as bowled. Obvious errors in calculation must be corrected within 48 hours.
13. No other raffles or merchandise permitted except those authorized by the District Bowling Chairman.
14. No outside food or beverages allowed.
15. All sign posting to be by permission of the committee chairman only.

The VOICES organization (Charitable Arm of District 1-A) is embarking on a new fundraising campaign titled **“Can You Hear Me Now”**. Over the last 15 months, VOICES has spent **\$12,500** on hearing aids for clients in the District 1-A Open Areas, which is within our District where there are no Lions Clubs available to those in need.

We have 8 additional requests under review. Each pair of hearing aids average cost is \$718. We work with your foundation (Lions of Illinois) to purchase the hearing aids and also with UIC (University of Chicago/LIERI (Lions Illinois Eye Research Institute) for when additional testing is needed.

All applicants are vetted to make sure they qualify for hearing aid assistance.

The requests have significantly increased due to government funding being cut, which causes people to look at other avenues for help.
