

DISTRICT 1A GOVERNOR RICHARD MOY'S MONTHLY NEWSLETTER

May 2026

Good afternoon Servant Heroes!

I hope you are all doing well and enjoying the ups and downs of our April weather. Mother Nature has certainly thrown a wrench in putting away winter clothes and keeping our warmer weather clothes at bay from coming out. 😂

April celebrated another

opportunity for our clubs to participate in Weeks of Service. This month heralded Environment. It's been wonderful to see many of our clubs out in the field taking care of cleanups at parks to collect sneakers for LIF (Lions of Illinois Foundation) and planting trees or flowers. Your recognition of the needs in our environment has been impeccable so please give yourselves a nice round of applies and high fives for your efforts.

Membership has continued to be a thorn in our sides. As we head into

the remaining months of this Lions year, it's paramount that we spend time with our members in empowering their hearts of service. Support them with what they need to be great Lions. Listen to their journey to date. Ask what may be missing from them. Having casual open-ended conversations with our family can help to identify what's missing and what should be celebrated. Membership and Retention are very important metrics that we all should be mindful of. We have had great success over this last year; we brought in over 200 new hearts of service to our family. That's an incredible foot for your sponsors, your clubs and our district. Now we need to take that door stopper out and close it with our members leaving our great association. I know we can do this together.

This month we also participated in Worldwide Induction Day. A very first for our District and MD. It was a great day to have our newest members and their sponsors celebrated by a special induction

presided over by our International President, Lion AP Singh and his partner in service PID (Past International Director) Sangeeta Jatia. I want to welcome and congratulate the following new members and their sponsors that were in attendance on this special day.

Congratulations to all our newest lions' family and their sponsors. We also want to recognize our new Lions and their sponsors that have joined our association throughout this year.

Lastly, I want to thank all our Lions and volunteers that helped make our annual Helen Keller 5K Run/Walk event a very successful and fun event. Thank you to Lion Chris Coleman and Frank Kirar, the chairs of this great event every year. Thank you to LIF (Lions of Illinois Foundation) for providing the bus to test vision and hearing for all our guests as well as our vendors that assisted in making this a great event. We will see you all next year!

As we move forward into the month of May, we are heading towards the final convention for all our MD1 (Multiple District). This year's theme is Honk Kong Lights in MD1. The planning committee has done a remarkable job to ensure the state of Illinois is well represented and will enjoy a weekend of fun. And if you aren't aware already, but our guest

speaker for the weekend is PIP (Past International President) Lion Brian Sheehan or “Just Brian” and his lovely wife Lions Lori Sheehan. Let me tell you that Brian truly BRINGS IT. His energy and enthusiasm is always monumental and memorable. I look forward to seeing all my family there to support our incoming Governor and Governor Elects, Lion Ben Zoleta, Lion Karl Schulz and Leo Valencia. These gentlemen are the continued heartbeat of our District. Please recognize and support them as they enter the Lions Thunderdome. 🤗

Have a great start to your month of May and I’ll see you all soon.

Yours in Love and Service -

Dear Fellow Lions,

Warm greetings.

We respectfully invite you to support a meaningful initiative that advances both our local impact and our global mission through Lions Clubs International Foundation (LCIF). This raffle offers participants a special opportunity to win the **Melvin Jones Fellow Award**, one of the highest honors in Lionism, which recognizes dedication to humanitarian service.

We kindly ask for your participation:

- **Select a raffle number of your choice**
- **Please let us know the number you have selected**
- **Send your \$10 contribution via Zelle to:
Lea Agaton – (847) 912-3354. Please send me a private message

Tips for Improving Membership in Your Clubs

Here are 10 ways to jumpstart your club's recruiting efforts.

This is taken from LCI's Mission 1.5 Website resources:

1. **Do a member satisfaction check.**

Before going out to recruit, look inside. How's your club doing? Are your members happy? Do you have a positive club culture? Happy members who enjoy being a Lion are more likely to successfully recruit friends, family and others to your club.

Tools for success: [Membership Satisfaction Guide](#)

2. **Connect your club membership and marketing chairpersons.**

Does your club have a membership chairperson? How about a marketing chairperson? If not, you'll want to fill these roles because marketing and membership growth go hand in hand. If you already have these chairpersons in place, make sure they're working together to promote your club and recruit new members.

Tools for success: [Marketing Matters webpage](#), [Club Membership Chairperson webpage](#)

3. **Get social.**

social media is one of the most powerful tools you have for recruiting members. The more you promote your club's incredible work, the more visible you'll be and the more opportunities you'll have to connect with people looking to serve. So, use social media to invite people to join your club for a service project or attend one of your events, and be sure everyone in your club is sharing, tagging and reposting stories about your club.

Tools for success: [Social Media Kit](#)

4. Don't forget traditional media.

Social media isn't the only way to get your club noticed. Local newspapers, magazines and newsletters are also great ways to promote your club. Make connections with your local media and other organizations and community groups to discover opportunities to get the word out.

Tools for success: [Lions Press Center](#), [Brand Advance Kit](#)

5. Apply for the Lions International Marketing Award.

Marketing is critical for recruitment, but it's also a fun way to collaborate with your club and be creative. So why not embrace a little friendly competition by taking your shot at global recognition and great prizes? Your club can apply for the Lions International Marketing Award by creating a marketing campaign focused on member recruitment. Gather your team, plan your marketing campaign, and go out and get some new members.

Tools for success: [Lions International Marketing Award webpage](#), [Marketing Matters webpage](#)

6. Recruit while you serve.

One of the best ways to recruit is by doing what you do best — serving. So invite people to serve you and see what it's like to be a Lion. Wear Lions-branded clothing to your service projects for visibility and bring promotional materials to hand out to people you meet while out in the community.

Tools for success: [Brand Advance Kit](#), [Lions Shop](#)

7. Host a member recruitment event.

Service is our focus, but bonding and having a good time is also a big part of the Lion experience — so don't be afraid to show off that

side to potential members! Consider hosting a member recruitment event that's more of a social gathering. It could be a happy hour, picnic, ice cream social, game night or whatever works for your club. Promote the event on social media and encourage everyone in your club to invite at least five people.

Tools for success: [Social Media Kit](#), [Brand Advance Kit](#)

8. **Write and share your Lion stories.**

Every Lion has a story to tell about their member experience. But is every Lion in your club ready to share theirs? Consider a club activity where everyone writes their story. It doesn't have to be long — it can be as simple as jotting down why you joined or why you love being a Lion. Once your stories are ready, find creative ways to share them on social media or your club's website. Or simply use them while talking with prospective members.

Tools for success: [Lions Get Social webinar](#), [Lions Blog](#)

9. **Make connections in your community.**

It's not always what you know, but who you know. Consider ways you can expand your network, like meeting local business owners or getting involved in community events. Participate in a golf outing, volunteer at a hospital or school, or even attend another group's pancake breakfast. The more you're out and about, the more people you'll meet — so think of creative ways to make new connections. These connections just may become new partners, supporters or even new members.

Tools for success: [Developing Local Partnerships](#)

10. **Just Ask!**

There are lots of different ways to find new members. But at the end

of the day, one of the easiest and most effective ways to recruit is to simply ask people to join. Imagine if every Lion brought one new member to your club — think of how many more people you could serve. All it takes is asking one family member, friend or neighbor.

Tools for success: [Just Ask Guide](#)

Application for Membership

An application for membership can be downloaded using the link shown below. It is a fillable pdf file that can be either printed to be given to prospective new members or sent electronically for a new member to fill-in online and email back to you.

The file can be accessed using the following link:

Pre-printed Applications are available from Lions International.

If your club would like some assistance with getting new members or updating your social media platforms, please do not hesitate to reach out for assistance

Going Forward

A detailed program to help revive/reinvigorate clubs struggling is available to all clubs willing to commit to evaluating and attempting to improve those clubs with retention issues and attracting new members.

The program attempts to evaluate the current clubs, mission, demographics, opportunities, and impediments in its path to improving the club. We also have a rejuvenation plan utilizing Asset Based Community Planning as discussed at the last Growth Workshop Series held recently.

We would like to help any club in our district by scheduling a meeting to discuss how we might be able to help your club. Our GAT team would love to help you out.

Respectfully Submitted,

Westchester Lions Club

Hello District 1-A Lions,

Greetings from the **VOICES** team, the Charitable Arm of District 1-A.

We have elected our new directors at the District Convention in March. They will be installed at our Installation of Officers on June 7, 2026

Our new 2026-2027 Directors are as follows:

IPDG Brenda Stevens – Chicago Philippine Lions Club, Lion Cindy Meyer – Chicago Ridge Lions Club, PDG Joan McMillan – Oak Lawn Lions Club, PCC Gail Anton – Orland Park Lions Club

Each director brings a great tool kit of Lions skills to keep our Foundation moving forward. I am excited to work with these wonderful Lions.

Sadly, the Run for the Roses fundraiser has been cancelled due to extremely poor advanced ticket sales which were below our expectations. The team will reevaluate our future fundraisers and move forward. All monies collected by VOICES is 100% used to help those in need in our open areas for hearing aids and glasses.

VOICES is looking for committee members to help us find more Day Cay Centers so that we can do vision testing. Especially on the north side of our District. If interested, please reach out to me for more information.

We currently have 9 hearing requests in our queue, of which four are waiting for their first appointment to hear aid fittings.

We continue to help those in need in the "OPEN AREAS" community with hearing aids and glasses with the support of our Clubs and Donors. We cannot do it without your help. Please accept sincere thanks from our Directors and Consultants for your continued support.

Happy May!

PCC Gail Anton, VOICES President

RESOLUTION

TO AMEND THE LIONS OF ILLINOIS CONSTITUTION & BY-LAWS CONSTITUTION – ARTICLE XII, STATE REVENUE, Section 1

Subject: *This proposed amendment would place a \$500 limit on expense reimbursement for each out-going District Governor attending the International Convention at, or near, the end of their term. It would also add the out-going Council Chairperson and out-going International Convention Chairperson with the same \$500 expense reimbursement.*

WHEREAS, very few Multiple Districts within the USA and Canada provide any reimbursement to its out-going District Governors attending the International Convention at, or near, the end of their term; and,

WHEREAS, the current language in the MD-1 Constitution describing the International Convention Fund is vague in what expenses are reimbursable; and,

WHEREAS, MD-1 does not currently have any protocols on how much reimbursement can be given out-going District Governors for their attendance at the International Convention; and,

WHEREAS, because of the lack of reimbursement protocols, MD-1 in recent years, has been over-spending in the International Convention Fund; and,

WHEREAS, this amendment would result in an improved fiscal responsibility MD-1 would have to the Lions of Illinois in managing reimbursement of the out-going District Governors attending the International Convention,

NOW, THEREFORE, BE IT RESOLVED THAT Section 1, paragraph 3 of Article XII of the MD-1 Constitution, regarding the International Convention Fund, be adopted as shown below, effective at the close of the 2026 State Convention.

MD-1 Constitution, ARTICLE XII, STATE REVENUE, Section 1.

One Dollar and Fifty Cents (\$1.50) per capita of said fund shall be **allocated toward the available for use for this State's participation in the International Convention.** Expenses of each out-going District Governor, **out-going Council Chairperson and the out-going International Convention Chairperson** ~~in connection with his/her~~ attending the International Convention at or near the conclusion of his/her term of office shall be considered a proper charge against this International Convention Fund. Reimbursement **out of this fund** for said expenses of such outgoing District Governors, **out-going Council Chairperson and out-going International Convention Chairperson** ~~out of this fund~~ **attending the International Convention** shall be made upon receipt by the state secretary treasurer of an MD-1 Expense Claim form and receipts for said covered expenses, with a maximum limit of \$500 per each outgoing District Governor, the out-going Council Chairperson and the out-going International Convention Chairperson attending the International Convention. ~~according to the General Rules of Reimbursement as adopted by the Council of Governors each year.~~ **In addition, expenses incurred by the State's participation in the International Convention for the parade, hospitality room food and rental, and Plenary Session, previously approved by the Council of Governors, shall also be considered proper charges against this International Convention Fund, provided that all aforementioned expenses do not surpass the annual per capita tax of the International Convention Fund.**

**RESOLUTION TO ADOPT PROPOSED AMENDMENT
TO THE MD-1 CONSTITUTION & BY-LAWS**

Subject: This proposed amendment would allow the newly elected District Governors to hold their first meeting either at the site of the International Convention or at a site in MD-1, either which should be held within thirty (30) days after the conclusion of the International Convention.

Whereas, it is becoming more and more costly and difficult to secure a location at the International Convention to hold this meeting and,

Whereas, many incoming District Governors do not or can not travel to an out of country International Convention and,

Whereas, a meeting held in MD-1 after the International Convention would give all newly elected District Governors the opportunity to attend and represent their sub-districts respectively and,

Whereas, this proposed amendment would possibly save the Multiple District money for not having to pay for a location at the International Convention, could allow all District Governors to attend and could be held in person or via electronically,

Now, therefore, be it resolved that Article VII, section 8, of the MD-1 Constitution, regarding first meeting of the newly elected District Governors, be amended as follows, and take effect at the conclusion of the 2026 Multiple District Convention.

Article VII, section 8: ~~At the meeting to be held during the International Convention following their election, the newly elected District Governors in attendance shall fix a time and place for the next meeting of the State Council, which meeting shall be held not more than sixty (60) days following the adjournment of that Convention.~~ Following their election at the International Convention, the newly elected District Governors shall call their first meeting no less than thirty (30) days after the adjournment of that Convention. This meeting may be held at the site of the Convention, at a site in MD-1 and may held electronically or in person. Subsequent meetings shall be held at such times and places as may be fixed by the action of the Council. Special meetings may be called either by the Chairperson, as deemed necessary and advisable, or by the individual requests of any three members of the Council made either to the Council chairperson or the State Secretary-Treasurer. Upon receipt of the third such request, the Council chairperson or

State Secretary-Treasurer shall, without delay, give written notification (postal or electronic) to all members of the Council of the time and place such special meeting, stating the purpose for which it is being called, with said notice given at least fourteen (14) days prior to such special meeting. The Council Parliamentarian and State Secretary-Treasurer shall also be given said notice.

NOW, THEREFORE, BE IT RESOLVED THAT, Sections 1,2 and 3 of Article XII of the MD-1 Constitution be amended as follows, effective at the close of the 2026 State Convention.

MD-1 Constitution, ARTICLE XII, STATE REVENUE, Section 1

Constitution & By-Laws Report

PCC Eric Fenton

The Constitution & By-Laws Committee has 5 resolutions to present at the State Convention this May in Bloomington. There are 2 other resolutions that, if the proper approvals are made at the February Council of Governor's meeting, will be added to the others for presentation.

All of the resolutions will be printed in the state magazine prior to the State Convention.

Each District should receive copies so they can be presented to the District for discussion at Conventions or caucuses.

A quick review of what will be on the ballot is:

Resolution to eliminate the Magazine tax of \$1.00 as the magazine is electronic now and add the \$1.00 back into the State Administrative and Convention Fund.

Resolution to reduce the amount of State reimbursement for District Governors traveling to the International Convention at the end of their year as Governor.

Resolution to add the State Global Extension Chairperson position to the Constitution with a full description of duties and responsibilities.

Resolution to allow the incoming Governors to have their first Council Meeting at either the site of the International Convention where they are sworn in or at a site in MD-1 within 30 days of the end of the International Convention. If the meeting is in MD-1, it may be an in person or electronic (i.e. Zoom or other means) meeting.

Resolution to clarify when the official audit of the Council is to be printed in the State Magazine for the Lions of Illinois.

The above resolutions were approved by the Council of Governors and will be on the ballot at the State Convention in May.

Two additional resolutions may be added depending on action of the Council with regard to updates for the MD-1 Policy Manual. If the updates are approved, they will be as follows:

A resolution will be presented that specifies and defines what allocations are made from the State Administrative Fund.

A resolution will be presented to define the allocation of funds for an International Officer Candidate (International Director or 3rd Vice President) from the Promotion Fund.

Any State Constitution & By-Laws Committee member should be able to address any questions that may arise in their Districts.

All resolutions should also be presented to all of the delegates attending the State Convention during one of the plenary sessions.

Thank you,

Chicago Healthcare Alliance Lions Club (CHALC):

Elevating Service, Leadership, and Legacy at the 2026 District 1A Convention

From March 20-22, 2026, Lions across the district gathered at the prestigious **Wyston Chicago Northwest** in Itasca, Illinois, for the annual District 1A Convention, a dynamic celebration of service, leadership, and fellowship. Among the distinguished clubs in attendance, the **Chicago Healthcare Alliance Lions Club (CHALC)** emerged as a powerful example of what it means to lead with purpose and serve with impact.

A defining moment of the convention was the warm welcome extended to guest speaker **PD Justice Christopher Shea Nickell** of Paducah, Kentucky, USA, who attended alongside his wife, **Lion Carolyn S. Watson, MD**. Their presence inspired attendees and reinforced the enduring global mission of Lions: to serve humanity with compassion, integrity, and dedication.

At the center of CHALC's achievements was its President, **Lea Agaton**, who was honored with the highly esteemed **Lion of the Year Award**. Each year, the District Governor undertakes a rigorous and thoughtful selection process to identify a Lion whose service stands above the rest. Candidates are evaluated through a comprehensive point system that measures participation, attendance, service initiatives, leadership involvement, and overall contributions to the community. The final decision, guided by a panel of judges and confirmed by the District Governor, ensures that the award reflects true excellence in service. **Lion Lea Agaton's** recognition is a testament to her visionary leadership, tireless commitment, and measurable impact in advancing the mission of Lions.

In addition to this distinguished honor, **Lion Lea Agaton** was also awarded the **Progressive Melvin Jones Fellow 1 Diamond (PMJF-1 Diamond)** which is a prestigious recognition presented by the **Lions Clubs International Foundation (LCIF)**. The Melvin Jones Fellowship is one of the highest forms of acknowledgment within Lions Clubs International, honoring individuals who significantly support humanitarian efforts worldwide. Achieving a progressive level reflects sustained dedication and a profound commitment to making a difference in the lives of others.

CHALC's success was not limited to individual accolades; it was a collective triumph that showcased the club's creativity, unity, and spirit of excellence. The club proudly received the **Unique and Creative Gift Basket Award**, a reflection of innovation and teamwork, skillfully crafted by Assistant Treasurer **Marie Joy Carino**. Adding to the celebration, Assistant Secretary **Edith Pallarca** brought excitement to the delegation by winning a brand-new 55" TCL TV during the LCIF raffle draw.

Demonstrating leadership at the district level, **Lion Lea Agaton**, serving as District 1A LCIF Coordinator, presented a comprehensive report highlighting the district's achievements and continued commitment to humanitarian service. Together with PDG **Lion Austin D'Souza**, LCIF Co-Coordinator, she also led the presentation of Melvin Jones Fellow awards, recognizing individuals whose generosity fuels meaningful global impact.

A particularly proud and significant milestone for CHALC during the convention was the induction of three new members, further strengthening the club's mission and reach:

- **Lion Manjoo Thakkar** (Sponsor: Lea Agaton)
- **Lion Habibi Mohiuddin** (Sponsor: Manjoo Thakkar)
- **Lion Spiro Encina** (Sponsor: Louella Marie Encina)

Their induction symbolizes CHALC's continued growth and its commitment to cultivating leaders dedicated to service.

True to the spirit of District 1A, the convention offered not only recognition and education but also meaningful fellowship. The hospitality rooms became vibrant spaces where camaraderie flourished among representatives from 69 clubs, reinforcing the bonds that unite Lions to a shared mission of service.

The success of this remarkable convention is credited to the leadership of District 1A Governor **Richard Moy** and First Lady **Edith Moy**, along with the dedicated efforts of the organizing team. Their commitment ensured a seamless, inspiring, and impactful gathering for all.

The Chicago Healthcare Alliance Lions Club's achievements at the 2026 District 1A Convention stand as a compelling testament to its dedication, leadership, and unwavering commitment to service. The value of CHALC's presence at the convention was clearly reflected through its delegates, who represented the club with dignity, enthusiasm, and a deep sense of pride, reinforcing CHALC's reputation as a leader in service and community impact. CHALC continues to inspire, lead, and transform communities which is setting a standard of excellence for Lionsism in action.

With great pride, we affirm: We Lead to Serve, and Serve to Lead.

The VOICES organization (Charitable Arm of District 1-A) is embarking on a new fundraising campaign titled “**Can You Hear Me Now**” Over the last 15 months, VOICES has spent **\$12,500** on hearing aids for clients in the District 1-A Open Areas, which is within our District where there are no Lions Clubs available to those in need.

We have 8 additional requests under review. Each pair of hearing aids average cost is \$718. We work with your foundation (Lions of Illinois) to purchase the hearing aids and also with UIC (University of Chicago/LIERI (Lions Illinois Eye Research Institute) for when additional testing is needed.

All applicants are vetted to make sure they qualify for hearing aid assistance.

The requests have significantly increased due to government funding being cut, which causes people to look at other avenues for help.

Student Low Vision Program

Dear Lions Members & Friends,

The Lions of Illinois Foundation partners with Spectrios Institute for Low Vision, the Illinois College of Optometry, and the Chicago Lighthouse for the Blind to provide a FREE comprehensive visual evaluation to Illinois students in grades K-12.

Students are referred by special education staff employed by the Illinois Board of Education. The exams are performed by licensed optometrists that travel to the different screening locations throughout the state.

The LIF **Student Low Vision Program** provides a child who has low vision with the optical tools and training necessary to help prevent further vision loss or even blindness. But more importantly, these are the children we have promised to help by preserving what sight they have left. Their future is in our hands.

Since 1976, Lions have honored a pledge to the children of Illinois.
We Believe that No Child Needs to Face Blindness as their Future.
Please help to preserve that pledge with your donation.

**SPRING FLOWER
& BULB SALE**

Thru May 15th

Spring

Our club is doing the fundraiser we did last year. I am looking to my friends, relatives & Lions to plant some pretty flowers and help our club.

This is a very easy fundraiser. Pick flowers that you would like to purchase. **See link below.** Order directly from the website, not us, and there is a flat shipping fee for all orders. Chicago Northwest Lions will get 40% of the sales for the first \$500; if \$500 is hit the percentage becomes 50%.

The sales are thru May 15th, and anyone in the US can order for that flatate shipping.

You get beautiful flowers and the club gets necessary funds to help the community and our charitable endeavors.

Lions of Illinois Foundation DIABETES AWARENESS CAMPAIGN

The Lions of Illinois Foundation Diabetes Awareness Campaign's mission is to inform the public of the hidden dangers of Diabetes.

From March 1st to May 31st

Lions will be seen in communities throughout Illinois passing out what we call "Risk Strips." These paper slips contain a list of the warning signs of diabetes and related referral information.

Thank You for Your Support on Bringing Awareness to the Silent Risk of Blindness From Diabetes.

According to the Center for Disease Control, 38.4 million people in the United States have Diabetes and 1 in 5 are unaware they have it. Help us raise awareness and bring this valuable information to those at risk.

Early Detection is Key to the Prevention and Treatment of Diabetes.

Your Contribution also supports:

- **FREE Retinal Screenings, to detect Diabetic Retinopathy and Macular Degeneration, performed through our Mobile Screening Unit**
- **FREE Children's Vision Screenings**
- **LIF Support of ADA Specialized Programs**

Enclosed is our check/money order to contribute towards Diabetes Awareness.

Adopt-A-Camper

Please Note Updated Donation

Children and adults who are deaf/hard of hearing, or blind/partially sighted, share in the fun of swimming, boating, nature walks, archery, crafts, music, campfires, and more fun camp activities with friends at Camp Lions.

In 69 years, one thing that has *never* changed at Camp Lions is the idea of providing a safe, positive place for youth and adults to enjoy summer camp with their peers. This philosophy has given thousands of campers a chance to grow self-confidence, build lasting friendships and enjoy all the fun this safe and enriching program provides each summer.

Please Adopt a Camper to attend Camp Lions this Summer!

By adopting a camper you ensure that all deserving children and adults can experience what Camp Lions can offer them. Your Lions of Illinois Foundation is asking every Lion and Leo Club to help by "adopting" at least one camper to attend Camp Lions with a **Donation of \$550 or more.**

These donations will help to defer some of the total costs associated with our Camp Lions program including lodging, food, and qualified staff, including a nurse, to care for and inspire the attending campers.

A Thank You note with a picture of your camper, will be sent to your club along with our gratitude.
