

Our District Governor and First Lady have asked me to set up our first District Service Project by helping our Homeless Veterans.

The Junior Auxiliary of the Marris Meyer Post 991 American Legion in Worth, Illinois is collecting **NEW bathroom and kitchen items** to equip newly housed Veterans with household essentials. They will pack a "WELCOME HOME" kit for the Jesse Brown VA Homeless Program.

Lions, let's do our part to help the Junior Auxiliary help end Veteran Homelessness in America! They would like to include the following items in each kit. Items can either be brought to the Cabinet Meeting on July 30th, sent to my home, or Governor Tony's home. I have also set up an AMAZON Wish List:

<https://smile.amazon.com/hz/wishlist/ls/RL45N374GX9W>

- | | | |
