As I write this column, I'm looking out my 29th floor window in the Marriott Hotel taking in the awesome evening view of the infamous Sydney Harbor Bridge and skyline. I left California on Thursday and arrived here on Saturday the 19th of June at 7:30 a.m., lost Friday in cyberspace someplace. It's now Monday evening and time for me to meet the Forum's deadline for articles.

As the new District Lions year begins, I want to share with you the Action Plan for 2010-2011 that I feel the new Cabinet and Club leadership can achieve based on the achievements of last year. This plan has been presented to the Cabinet at their training and to Club Membership Directors at Officers' Training June 12th.

Membership Growth Goal Statements

- Promote formation of three University Clubs
- Promote formation of two traditional clubs
- Arrange GMT (Global Membership Team) Extension Workshop by October 2011
- Have a net gain of a least 50-72 members per year for 2 years = minimum net of 100 by 2012
- Encourage clubs to attain a net 2 by June 2011 = minimum gain of 72 per year
- Encourage each club to promote and implement one new community service project by June 2011
- Promote the recruitment of 100 people District-wide by December 2010
- Encourage clubs to tell the Lions story
- Encourage clubs to be more visible in their community
- Recommend clubs have Membership Growth Plan in Annual Club Strategic Plan
- Increase Retention by reducing average number of dropped members per club from 7 to 3 by June 2011
- Encourage frequent Orientation Programs
- Encourage frequent recognition at Club, Zone, Region and District Meetings
- Insure all members are participating on a community service project
- Encourage clubs to complete a community assessment by June 2011
- Improve Club Management
- Encourage Club Assistance

New Clubs Action Plan - Start three University Clubs

- Southern California School of Optometry (Fullerton)
- Western University Medical College (Pomona)
- University of La Verne

Start two new Traditional Clubs

- Rancho Santa Margarita
- San Dimas

4. Have more Orientations

- Use Power Point provided by District
- Orientation of new members should be done ASAP
- Each club should have presentation at least once a year

5. Increase Management Skills

- All Club Officers should attend District Officers Training
- Club Officers & members should attend Zone, Region, and District Networking Meetings
- Insure reports submitted by 25th of month and dues are paid on time
- Insure meetings start & end on time – keep within one hour
- Do an annual analysis of your operations

6. Club Assistance

- The District Governor Team & MERLO Team are available to help you – use us!!!!
- Take advantage of District Resources more often
- Smaller clubs should seek assistance from larger clubs when manpower is needed for fundraisers or service activities
- Use District approved projects for programs

Retention's Key Element

Recognition is a behavior deeply rooted in Lionism, but it is also a tradition that could become obsolete unless members commit to implementing it regularly... keeping it fresh and relevant... And making it a part of their lives.

1ST VICE DISTRICT GOVERNOR REPORT

KEN SHERWOOD

The last "second opinion" is written during a whirlwind of Lions activity. June is a particularly busy month in District 4-L4 and all Lions Districts in the world. As I attend and participate in many installations of officers, I think about similar festivities occurring all over Lionism.

As one club meets in Mission Viejo or Rancho Cucamonga, so does a club in Milwaukee, Seattle, Kobe, New Delhi, Shanghai, Nice, Wiesbaden, and a HUGE celebration in Sydney. Old friends meeting to install new officers full of hope and plans and enthusiasm. New friends meeting to install returning guides of Lionism with continuing sustainable projects and fundraisers to bring necessities and caring love to those less fortunate.

I think of anyone not in Lions as less fortunate and in need; not in need of food, clothes, shelter, but in need of enlightenment and charitable hearts. The gift of being able to help others, not just at Christmas and Thanksgiving but year round, is a gift we give to ourselves of ourselves. Enrichment of the soul and filling our hearts is better than filling our pockets.

Give the gift of Lionism to a friend, neighbor, or relative and let more people feel the love and the satisfaction of helping others.

There are many Lions activities this summer for entertainment and education. Take friends and show how much you care about them by including them in the fun.

I'm off to another installation, so that's my opinion for now.

Don't refuse!

2ND VICE DISTRICT GOVERNOR REPORT

P.J. SMITH

Wow!!! I can't believe that it's been four month since I started on the campaign trail and finished visiting Thirty five of the clubs in our district. What a fantastic journey. I met so many great Lions and have seen and heard many spectacular things that all of our clubs are doing in our 4-L4 district. Keep doing the great job and things that make our District shine. I now get to start all over again, visiting our clubs. Our District Governor Norm will be returning from International Convention soon and we will be making our club visitation starting towards the end of July.

This is a new chapter in my life as a Lion and I'm looking forward to working with our new leadership team and continuing to do the great thing that we do. A big thank you goes to our convention team. We all had a delightful time at the convention celebrating Governor Judy's year as Governor and welcoming the newly elected leadership team.

It was so refreshing to see so many Lions at the Officers Training Day on Saturday June 12. For all those Lions attending, this time spent will make your year a lot easier and more successful.

PDG'S Ed Bordenkircher and Dan Mayer made a very informative Orientation presentation on June 15 in Ontario. Several Lions attended but we could have had many more for this great program.

I'm looking forward to my first assignment as Rose Parade Float merchandise salesman. I will be contacting Club Presidents in the very near future to let you know what's available to sell at our Governor's visitation. I'm looking forward to working together with all the Lions Clubs.

Thank you for honoring me as your 2nd Vice Governor, PJ

SADDLEBACK REGION REPORT

JEFF CARROLL

Well, we're kicking off a new year and I am pleased to accept the position of Saddleback Region Chair. I would like to take this opportunity to introduce myself and the Zone Chairs I am so pleased to have helping me.

I have been a Lion for 3 years and am a founding member and the Charter President of the UC Irvine Lions Club. I served as President for 2 years, Treasurer for 2 years and Zone Chair last year. I also founded the Lions Hearing Clinic and Research Center Foundation and serve as Co-Chair. I have served on the District Sight and Hearing Foundation for the last 2 years. I am looking forward to this next year and hope that I can live up to the incredibly high standard set before me.

In Zone A, I would like to introduce Zone Chair Hank Lopez of the Huntington Beach Host Lions. Hank has been a Lion since 1982, and performed all the positions in his club such as VP, Secretary, Treasurer, etc. plus president twice. He has been on a few District committees through out the years, such as the Sight & Hearing Foundation and Teen recognition, as well as currently holding the position of treasurer of Project Look. He is professionally retired from NCR for the last couple of years.

In Zone B, I would like introduce Zone Chair Diane Quinlan. I would like to offer a special thanks to Diane. Her position in the Huntington Beach Host Lions puts her in Zone A, but due to the number of small clubs in Zone B, a suitable Zone Chair candidate was not available and Diane stepped up to volunteer. Diane joined Lions in 2009 and served as Secretary in 2009/2010 and again in 2010/2011. She was honored as Lion of the year in 2009-2010. She serves as chair of Ronald McDonald House for her club where she serves dinner monthly, is active with the new Leos club, and walked with her husband and the blind drill team along with a group of Leos in the 2010 Rose Parade. While Diane is a short time Lion, she is dedicated to becoming a long term Lion who believes with all her heart in the motto "WE SERVE".

In Zone C, I would like to introduce Zone Chair Mark Snider. Mark joined Lions within a year of graduating from College in 1978. He was a member of 4 clubs in Houston, including serving as Charter President of one club before moving to Yorba Linda in 1987. He joined Placentia Yorba Linda and held various offices including Zone Chairman. He closed down P/YL in about 1995 and took a break before rejoining Laguna Niguel Lions in 2006. Mark is currently the 1st VP into 2010-11. He has been married for 5 Years to his wife Helene and has 3 Grandkids. He is in his 14th year with Indoff, Inc. (www.socalindoff.com) as well as serving as President of Capri HOA, Chairman Laguna Niguel Chamber of Commerce, Governmental Affairs Committee, and

Dear Lions Club Leader,

We are excited to share with you – a leader in our community - that CHOC Children's is committed to making Orange County one of the medically safest and healthiest places for children in the nation. We have embarked on a transformative journey to become one of the nation's top children's hospitals, and continue to nurture, advance and protect the health and well-being of our children – for generations to come. We are grateful that the Orange County community has embraced and supported CHOC since 1964, when we first opened our doors. We'd appreciate you sharing information about our "Change CHOC, Change the World" campaign with your members.

Secondly, as part of our commitment to the community and in response to an increasing number of requests for guest speakers, CHOC Children's is proud to announce the establishment of a Speaker's Bureau program. The Speaker's Bureau is a free community service that provides interested audiences with speakers on various topics related to children and healthcare such as:

- "Change CHOC, Change the World" campaign
- General information about CHOC Children's
- Children's health and wellness
- Pediatric specialties
- Healthcare industry

A CHOC speaker will provide your organization with valuable information regarding the topics above. If interested, we can send you a Speaker Request form that provides additional details. You may contact Monica Garcia, from CHOC Public Relations, at 714-289-4183 or email pr@chocchildrens.org to request this form, or if you have any questions.

CHOC Children's is exclusively committed to the health and well-being of children through clinical expertise, advocacy, outreach and research that brings advanced treatment to pediatric patients. Affiliated with the University of California, Irvine, CHOC's regional healthcare network includes two state-of-the-art hospitals in Orange and Mission Viejo, several primary and specialty care clinics, a pediatric residency program, and four centers of excellence - The CHOC Children's Heart, Cancer, Neuroscience, and Orthopaedic Institutes.

CHOC is one of only eight children's hospitals in the nation named a "2009 Leapfrog Top Hospital." CHOC earned the Silver Level CAPE Award from the California Council of Excellence, the only children's hospital in California to ever earn this distinction, and was awarded Magnet designation, the highest honor bestowed to hospitals for nursing excellence. Recognized for extraordinary commitment to high-quality critical care standards, CHOC is the first children's hospital in the United States to earn the Beacon Award for Critical Care Excellence.

CHOC Children's announces the "Change CHOC, Change the World" campaign, signifying the hospital's transformative journey to become a world-class pediatric institution. The comprehensive campaign will transform CHOC and, with it, the delivery of pediatric healthcare in the region by building a state-of-the-art tower; building a substantial endowment to support recruiting more of the world's top pediatric experts, while continuing to foster an environment of innovation and discovery; and building upon the academic and research affiliation with UC Irvine and its School of Medicine. The CHOC Children's Foundation is committed to raising \$125 million for the campaign by June 30, 2013.

The keystone of the campaign is the seven-story tower, set to open on CHOC's Orange campus in Spring 2013. In the new tower, CHOC will continue to expand and provide innovative tertiary and quaternary pediatric care. To promote a serene, healing environment for children and their families, the tower will feature leading design and safety principles; private rooms and enhanced family amenities; open, colorful spaces; a spacious new lobby; an outdoor space and cafe; as well as areas for work, study, play and reflection.

The tower will also include new and advanced pediatric emergency department, operating rooms and related services, laboratory, pathology, imaging and radiology services.

"CHOC is now responsible for the lives of more children than the entire child population in any one of 39 states—two million kids.

Market and mission demands are pushing us to grow and pulling us toward our destiny—to perform in the ranks of our nation's premiere children's hospitals. There's no room for ambiguity about where we are and where we must go."

Kimberly C. Cripe, President and Chief Executive Officer, CHOC Children's
