Dear Fellow Lions, Leos, Family and Friends

It's incredible how fast time slips by. We are one month into our year with many things happening around our district. I started out a little slow, only because of the jet lag from returning from Korea. It took me almost two weeks to get back on track.

The District Cabinet met and discussed the upcoming Cabinet Meeting and many topics which will be effecting our district in the coming months. I can report to all our members that we have a very dedicated and motivated cabinet ready to bring District 4-L4 to a level of excellence. At the pre-cabinet meeting, Lion Carol Van Holt surprised all of us with the governor's new song. We are all looking forward to performing it at the first cabinet meeting. Great job Carol!

District Governor's visitations will start the first week in August and continue throughout November. PR Chair, Carol Van Holt will notify the clubs as to when the Governor and team will be visiting. Visitation schedules will also be posted in the Forum.

Membership is always a grave concern for any district governor. Traditional in June, all of our clubs clean house and their books. This is where we take the biggest hit and this year is no different. We lost 26 members in June through house cleaning. The good news is we gained 5 new members. On July 17th, I inducted 3 new member for Costa Mesa Newport Harbor. At the close of June our total membership was 1164. With the leadership and motivation of all our Lions, we will continue to grow beyond expectation.

As your District Governor I'm very committed to making personal appearances to club events and fundraisers. My schedule is extremely busy so please give me ample notification for club events. I had the opportunity to attend the Seal Beach Host Lions Lion Fish Fry. If you have never attended, it's a must on your bucket list. The food and entertainment was outrageous, not to mention a good time was had by all.

Our International President, Wayne Madden has asked all Lions to focus this year on Literacy. PDG Barbara Hayward will be making a presentation at our first cabinet meeting for possible programs we can become involved with in our district as clubs or as individual lions. We will keep everyone updated regarding the literacy programs.

The Governor's District Directory will be available at our first cabinet meeting. All club presidents and secretaries will receive one free directory. Cabinet members and PDG's will also received a copy. Additional district directories will be available for \$5.00 each.

The forum is an excellent opportunity to see and read about what is happening with our clubs and district for many upcoming events. Please share the great things that are occurring in our district with family and friends. You never know, there might even be a potential new member on the horizon when they see the great things we do as lions not to mention all the fun we have. To all 4-L4 Lions, may your paddy passes be abundant.

Yours in Lionism
PJ Smith. DG4-L4

Membership is almost always a high priority for the Governor and the Governor Team. This year is no different. As a district, 4-L4 has been on a positive membership roll for an amazing stretch. Let's keep the extraordinary momentum going.

Part of my job as 1st Vice District Governor is to help you be successful in growing your club. I plan to use my monthly FORUM articles to highlight different helpful resources. Last month I mentioned CEP, the Lions Mentoring Program, and PR tools as a way to help your club grow and thrive. This month I would like to point you to the following information found on the LCI website.

Young adult members bring new energy and diverse skills into your club and ensure your club will be in existence in 40 years. By recruiting young adults into your club, you can:

- Gain fresh ideas for service projects and activities
- Increase hands to do more service
- Promote membership that better reflects the community
- Mirror current times
- Breathe life into your club
- Sustain your club

Contrary to popular belief, young adults want to volunteer and are volunteering at a higher rate than normal. We've made it easier to get them involved by providing you with the tools you need.

Tools for Recruiting Young Adults:

The **Young Adult Recruiting Guide** and **Young Adult Recruiting Guide PowerPoint** teach existing clubs why young adults want to volunteer and provide ideas to revitalize how the club operates in order to attract young adults.

The **Be Part of Something that Matters** brochure targets young adults for membership and is useful when inviting young members.

The **Become Involved Become a Lion** Video highlights young adults speaking about why they became a Lion, the benefits of membership and what types of service projects their club is involved in.

As I said last month, your dues pay for the tools LCI creates for you. Take advantage of them.

Wow where did this month go? Just a few words about the great turn out at our June 30th training, we had a good attendance of 85 new Presidents, Secretaries, and Treasurers, and the people who feed the Treasurers, the tail twisters. Lion PDG Mike Scheafer put on a strong and professional program for the Presidents. Lion Marianne Allen put the final touches on the Secretaries. Lion Bill Hall took care of the tail twisters. PDG Dan Mayer did the make up for the Region & Zone chairs. I over heard some were repeaters because his program was so good. Finally, Lion Gina Stansbury taught the Treasurers how to "Debit the bread and Credit the Wine. What a full day.

Just in case you didn't see the communication from MD-4, you can now order your **Student Speaker** packets on line, from MD-4 www.admin@md4office.org this is just for clubs. Zone, Region, District and Area chairs will automatically receive theirs. Keep in mind the date of the club level contest must be completed by; **Saturday, February 23, 2013**, its never too early to start planning your contest, club level is the most important it gets things moving to the Zone level.

Next, as we move into August the first series of Region meetings will be coming up in September. These Region meetings are going to be on the 17, 18 and 19 of September place **TBA**, please watch for the fliers and get your **RSVP in** as soon as you can.

Now I can feel the **WMMR'S** on their way to me through the beautiful science of the internet. Please have these in on time as well as your **VAP** reports to the District, we want to know about your fundraisers and service projects that you're involved in. Remember, copies of the **WMMR'S** go to **LCI, Governor PJ, 1st, 2nd VDG, Cabinet Secretary, Region and Zone Chairs**. The **VAP** reports just to the aforementioned District Officers.

Lastly, to date it looks like we are going to have a full house at our 1st District Meeting. I hope this message arrives to all of you before that date, because I would like to thank all the clubs out there for a prompt response on the **RSVP'S**, it made my job a lot easier, and the caterer was happy as well. In the future keep doing what you are doing and what a year we'll have.

Remember the Governor's motto: **"Service from the Heart"** see you all at the District meeting, at a service project or a visitation, have a nice summer. Dewey E. Linehan, Cabinet Secretary

2nd Vice District Governor

Gil Smith

We have an exciting year ahead of us and an outstanding group of district officers to help achieve what you want for your club. I am especially pleased with the quality of our Region and Zone Chairs who are so vital to our success. Let me share with you how their active participation will make this a banner year.

Zone Chair Meetings in 2012 - 2013

One key objective is to have frequent and effective Zone level meetings that bring clubs together for sharing ideas and solutions to our challenges. Each Zone chair will schedule three-to-four meetings with one each in August, October, February/March (student speaker competition), and April/May. 1VDG Sheila Casteel will maintain a master calendar for these meetings, so please insure she receives the necessary information (date, time, location).

Expanded Role of Region and Zone Chairs

Another key objective this year is to bring value from the district to the clubs as we strive to be their partners in becoming stronger and more active. To help accomplish this the Region and Zone Chairs will be:

- Developing a thorough profile on each of their clubs. This will help the district leadership to evaluate where to apply our resources. The Zone Chairs have been asked to complete the club profiles by August 15th.
- Promoting club membership growth, New Member Orientations, Club Excellence Process and the District Leadership Academy.
- Identifying and conducting Membership Workshops in clubs who could benefit, with the help of the GMT.
- Identifying future leaders in each club, with the help of the GLT.
- Meeting with their clubs board of directors to identify district resources from which they can benefit.

Keep an eye out for your Region and Zone Chairs – they will be leading the charge this year.

Sale of Rose Parade Float Merchandise

In recent years this responsibility has fallen to the 2nd Vice District Governor. Because of my retaining the position of District Global Leadership Team Coordinator, in addition to being 2nd Vice District Governor, PDG Elizabeth Warren has graciously agreed to be in charge of all Rose Parade merchandise sales this year. Please contact her directly with any questions or requests for float merchandise.

We have a great district that will continue to grow and prosper with your enthusiasm and involvement in Lions programs available to you. Please let me know how your district officers can help and bring support to your club

The Pomona Host Lions Club has been collecting non-perishable food for the Hope Partners Food Bank and used eyeglasses every week at the Pomona Band Concerts. One week, the club sponsored the concert and held a club picnic beforehand.

The club held two "One Shot, One Life" LCI Measles Initiative fundraisers, netting \$1,210. At the club's 92nd Installation and Awards Ceremony, Kris Georgeson and her brother Chad Dominguez received Governor's Certificates of Appreciation and Governor's Appreciation Medals from Ken Sherwood for Chad's recycling project of using plastic bags to make ground mats for the homeless. The club's visitation schedule is in full swing once again, and eyeglasses for both Lions in Sight and Friends in Sight are actively being collected from 12 sites in the Pomona Valley.

State Assemblyman Curt Hagman was recently proud to introduce to the California State Assembly in Sacramento, **Charles "Chuck" Morse** as his 60th District Veteran of the Year. Each year the Assembly selects a veteran who resides in the district and has had a distinguished military career or has significantly contributed to the community. Mr. Morse currently resides in La Habra.

Chuck Morse served in the US Army (Sp3) from July, 1954 through September of 1956. He received the European Occupation, Good Conduct and Sharpshooter medals. Chuck was a member of the 7888 Special Troops, G-2 Intelligence stationed in Heidelberg, Germany.

Since being discharged, Chuck moved from his hometown of San Bernardino to the City of La Habra over fifty years ago. He is the former Executive Director of the La Habra Community Foundation and very active in **the La Habra Host Lions Club**, the La Habra Business Connection, and several North County Chambers of Commerce. Presently he is organizing a committee to bring the traveling Vietnam Wall to La Habra in 2013. He is a member of American Legion Post 267 in La Habra. Chuck also stepped up to serve Orange County as a member of the 2006-07 Grand Jury. Professionally, he worked as a project engineer for North American Rockwell on Apollo Missions 9, 10 and 11.

His passion for the snow led him to Vail, Colorado and Utah's Snowbird Ski Resort as marketing VP; a former Executive Director of the Far West Ski Association, a Division of the United States Ski Association/US Ski Team and the Winter Olympics. Chuck is a co-founder of the Mountain High Ski Resort in Wrightwood, California.

The Morse family tree has established deep roots (four children, six grandchildren) in La Habra. He has been married for 59 years to his wife Elaine.

One of his proudest accomplishments is the news coverage and viewers he receives each Memorial and Veterans Day at his La Habra home with his display of the "Gathering of the Crosses" honoring the men and women from Orange County who have died in the conflicts in Iraq and Afghanistan. This year there were 70 crosses on his front lawn, each containing a short bio and photo of the deceased. Chuck states, "I really hope I don't have to make any more".

Assemblyman Hagman stated, "Veterans like Chuck have made the sacrifice for each American family. This award is given to him this year, but the honor symbolizes all those that have served, and continue to serve, our great nation."

Leadership Training is available for you from a variety of sources in Lions.

District Leadership Academy held before each cabinet meeting will address timely topics. The first topic at the cabinet meeting July 28th was on conducting effective meetings. In November we will discuss ideas for Membership Recruitment, Activation and Retention. In January the topic will be Conflict Resolution.

MD4 Leadership Institute at Harris Ranch in mid January is an excellent three days of training for all current Lions club presidents and Lions who aspire to become a club president or district officer. More detailed information can be found on the MD4 web site.

USA/Canada Forum held every September is another excellent three day training opportunity. The forum covers a broad range of topics and is recommended for any Lion currently in or looking forward to being in a leadership position within their club, district or beyond. The USA/Canada Forum web site has all the information.

LCI Web Site has more than you can possibly read in a month on leadership and your role in the different positions within Lions.

Club Excellence Process (CEP) is off and running. Two clubs are engaged in it and a third has requested CEP. Let your GLT Coordinator, any CEP facilitator or any District officer know if your club is interested.

CEP and Certified Guiding Lion Training should be conducted in September or October.

New Member Orientations will be coordinated by Charlotte McNamara of Harbor Mesa (714) 287-4509. If you have brought in two or more new Lions to your club within the past 12 months and they have not been oriented, please contact Charlotte and your Zone Chair. Several clubs have requested a club-wide orientation since it has been some time since they held one. For clubs with only one new member needing an orientation, this may be addressed at a Zone level meeting. The Zone Chairs will be responsible for implementing the orientations at their respective clubs.

Identify, Develop and Mentor Future Leaders in District 4-L4 is a new initiative this year under IPDG Ken Sherwood. While the process has informally been going on for years, our objective is to identify and help guide our future leaders into training opportunities that will prepare them for their future in Lions.

Take advantage of these opportunities to improve your club. Please contact me if I can be of any assistance

Changes and More Changes

Your District Budget and Finance Committee brought some recommended By-Laws changes to the Constitution and By-Laws Committee that were approved at the recent District 4-L4 convention . The changes are now effective so we want you to know about them.

The By-Laws have always provided that some of the District's officers have a fidelity bond. This requirement is now worded to say that all Lions that all signers on District accounts or have other access to District funds be covered by a fidelity bond. The Budget and Finance Committee will soon be giving the necessary forms to such responsible 2012-2013 officers and committee members to begin the bonding process.

Another change to the By-Laws is to bring in uniform accountability for the receipt and disbursement of District funds. This also helps bring together in a timely fashion the information needed to file reports with the IRS and the state. District committees and individuals with financial accounts shall now make a detailed report to the Budget & Finance Committee and the District's Certified Public Accountant. The report should include the cash on hand and in the bank on July 1 of the start of the administrative year, the receipts during the year summarized by category, disbursements made during the year also summarized by category, and the cash on hand and in the bank on the following June 30. These reports shall be submitted within 30 days after June 30 of the administrative year just ended. The District Treasurer's report as just described will be due in 90 days after June 30.

Our By-Laws have stated that the Treasurer and Governor must each sign checks. In addition, from now on all committees with custody of District funds shall have two persons sign checks.

Finally, in order to assure that a financial professional have an involvement in the District's financial reporting, there is now a requirement that the Budget and Finance Committee arrange for the engagement of a Certified Public Accountant to provide the District with an annual financial statement or other report at such level of professional service as agreed upon by the Committee, with the approval of the District Governor.

This replaces an audit requirement that if ever implemented would be very expensive.

Changing the audit requirement then leads to a name change for the Budget and Audit Committee, which is now called the Budget & Finance Committee.

These changes represent normal business practices and are meant to be for the protection of those responsible for managing District funds and to safeguard the District's hard earned money. Please call me or one of the other Budget & Finance Committee members if you have any questions.

Yours in Lionism,

Matt Hunyadi

ORANGE COUNTY STAND DOWN FOR VETERANS

AUGUST 17, 18, 19, 2012

Harbor Mesa Lions have gotten involved with this year's Stand Down. We have arranged for District 4L4's Sight and Hearing Van to be at this event for the three days. We are now in the process of staffing the van with optometrists to do the screenings and volunteers to man the audiometers. We ask that your club consider putting in a few hours in the van. We really need your help getting some doctors to volunteer their time to this wonderful project. Please take the time to read below to find out more about the Stand Down, and visit the web site to learn even more. We will be in touch with each club in the next few weeks with schedules. Or, please call either of us to get more information or give us any help you can.

2ND Annual Orange County Stand Down

Stand Downs are one part of the Department of Veterans Affairs' efforts to provide services to homeless veterans. Stand Downs are typically one to three day events providing services to homeless Veterans such as food, shelter, clothing, health screenings, VA and Social Security benefits counseling, and referrals to a variety of other necessary services, such as housing, employment and substance abuse treatment. Stand Downs are collaborative events, coordinated between local VAs, other government agencies, and community agencies who serve the homeless.

The Orange County Stand Down will be a 3-day event, set up like a military camp in which homeless and at risk veterans as well as their families will be able to come in off of the streets and receive basic social services from a variety of community and government agencies.

The location for the Second Annual Orange County Stand Down will be at the Army Reserve Center in Costa Mesa. The Army Reserve Center is located off the 55 Freeway near the Orange County Fairgrounds. The organizers of the annual Orange County Stand Down have been hard at work planning for this year's Orange County Stand Down. The event this year will be 3 days, August 17-19 at the Army Reserve Center in Costa Mesa, CA. www.ocstanddown.org/

LA HABRA LION'S TRIBUTE TO PAST DISTRICT GOVERNOR CHUCK OVERBEY

Like all great men, Lion Chuck knew how to make you laugh and smile. His enthusiasm was contagious. He used to call me his Armenian princess and I loved it. As all great leaders, he led by example. I am proud to have served with Lion Chuck and especially proud to have him as my mentor and sponsor. I will miss him greatly and I am dedicated in continuing his good works.

Lion Mariam Dagdigian

Fortune is not just measured monetarily. More importantly it's the friends we gain on our journey through life that gauge our luck. Chuck was a friend to the community as a whole and I will always appreciate his devotion to support community need. He truly believed in The Gary Center and was instrumental in promoting awareness of our programs and services to others. Chuck was always active in gathering raffle prizes and inviting guests to attend our events. It was an automatic action with Chuck to show his friends a good time and support charity at the same time. He loved to give. Chuck was a rare individual and will be missed tremendously. I extend my sympathy to the Overbey Family and hope they know how much I appreciated his friendship and will honor his legacy. He was "TERRIFIC!"

Lion Martha Lester

Chuck has been a friend of our family since the Overbey Transmissions days. Overbey Transmissions was always the place to go to get it done right. Chuck has been a mentor, friend, advisor and supporter. He is who talked my husband Carrol into joining Lions and he is the one who encouraged Carrol to join the line for the Presidency. When Carrol passed away from lung cancer, Chuck is the one who was there for us. Talk about a friend in need - He always was. Then he mentored and supported me as I became Lions Club President. I always knew that Chuck would stand behind me and would be there for me. I treasure the Christmas I spent with Chuck and his family. RIP my dear friend. You were indeed "TERRIFIC". My thoughts and prayers are with his beloved family.

Lion Vanna Sharp

Lion Chuck Overbey was the epitome of Lionism, 'he served.'
Thank God, for Chuck Overbey.

Lion Mark Sturdevant

Chuck was quite frankly the poster child of the Lions Club. I affectionately would call him "LION KING" because there has been nobody more dedicated to the Lions Club organization than Lion Chuck Overbey. My wife Brenda first met Lion Chuck at Sonora High School in the mid 80's. Lion Chuck was on campus to conduct mock job interviews with students. Brenda remembers how inspiring, kind, and caring Lion Chuck was. He encouraged her to stay in school, attend college and not to give up on her dreams in life. I have been married to Brenda 25 years and for years she has told me what an impact those words of encouragement had in her life. On May 21st the La Habra City council adjourned in Memory of Chuck Overbey "THE LION KING"

Lion James Gomez As far as a few words for Chuck: I will always remember him every day @ 12:00 PM with the sound of the train whistle, he and I work together on that project and I think we lost a big icon for the Lions Club. He carried big weight and a respectful volunteer. **Lion Luis Ornelas**

Lion Chuck was a friend, a mentor and a great human being. When I wanted to become a Lion, Chuck was the first person I talk to. He got me involve real quick and got me to my sponsor Lion Ted. There is little that may not be said about chuck, but his kindness, friendly attitude and willing to serve his fellow man is forever written in posterity. Rest in peace.

My deepest sincere condolences to Chuck Overbey's family. He will be a great loss to us and the community. Chuck I will miss you. God bless his soul, rest in peace.

Lion Mac Loganda

Lion Chuck became President of our club the year after I joined Lions. I was asked to step into the chairs to become President at this time and was elected to be President for 1991-92. Before this came about Lion Chuck began holding meetings at his Overbey Transmission office, which were attended by a few members each time, such as Lion Garry Lozaun, Lion George Farias and I, among others. At this time our club had fewer than 50 members and Lions Clubs International was pushing towards having women become regular members of Lions clubs. Many in our club were not in favor of this happening, feeling that it would hurt the "fellowship and camaraderie" of our club. Lion Chuck felt it would be a very good thing for our club and many of us agreed with him. Chuck devised a plan to bring three ladies into our club at the same time during the beginning of my term as President. The three ladies were Maureen Wagner (later to become Mrs. Thom Fleury), Carolyn Northrup (later to become Mrs. Roger Shafer), and Veda Franklin. Because 2 of these ladies had been members of our Lioness Club for years, it was really impossible for the dissenting members to raise any objections to their membership. Chuck had a way of seeing simple solutions to potentially difficult problems. Of course, since that time 20 years ago, women have become wonderful members and leaders in our club and are the main reason our membership stays around 100 members now. Additionally, Lion Chuck sponsored many of our current and past members and I am sure there are very few members now who were not sponsored by Chuck or by one of his cubs.

Lion Gary Bird

We all knew Chuck wasn't well, but he always fought off his health issues with determination and would spring back, as we knew he would. This time despite valiant efforts, Chuck passed on to a better place. Although he would never admit it, his work was done here on earth. It was now time to be with his God to rest. I knew Chuck for only a short time, about fifteen years. But in that time I had found a friend, a mentor, and a man whose drive and ambition knew no limits. A devout religious man, Chuck served his country, his community, his Lions club as well as Lions International, and his uncountable friends. And those of us who count ourselves amongst those friends have all come away that much richer for it. Not long ago I was faced with a personal tragedy in my life. Before our Tuesday Lions meeting Chuck and I walked outside and Chuck put his hand on my shoulder. "Just know that God is right there with you and so am I friend" He said. "And I'll say a special prayer for you and your daughter tonight instead of my regular one". And when it's my turn to leave, when I'm standing at the Golden Gate, St Peter is going to say "Ahh, another engineer, welcome Dick, report to Chuck our chief engineer, He's been waiting for you. Goodbye old friend, I'm going to miss you. **Lion Dick Prescott**

Brutally honest! That's what I admired most about Chuck. I loved him for his visionary, positive, strong willed and no nonsense traits. It bonded us. He was not afraid to be himself and God love him for that. Gaining approval from him was important for me. I've lost another dad and mentor. You were a community icon like no other. I miss you Chuck. Who will teach me now? Thank you to the Overbey Family for sharing Chuck so I could be a part of his dash.

Lion Liz Steves

A rare legacy. Lion Chuck was a visionary and an exceptional engineer. Chuck was the "Noon Time Whistle" If you are in La Habra at noon Monday- Saturday, take a moment to listen and think of our friend Chuck.

BUBBLES, BUBBLES—BLOWN AND FLOWN

By Beverly Sugerman
Pomona Host Lions Bulletin Editor

For the second year in a row, members of the Pomona Host Lions Club participated in Pomona's Great Campout at Fairplex (the Los Angeles County Fairgrounds). The Great Campout is a Friday evening to Saturday morning event for Pomona children ages 9 through 12 and is organized by members of the Pomona Police Department and the Community Engagement Group. This year the club sponsored a Bubble Booth. No little bottles of bubble liquid and tiny wands for us! We went all out for the big bubbles made of liquid dish detergent, glycerin, and water. Naturally, the Lions had to test the mixture before the children arrived so that the recipe could be tweaked for best results. We had as much fun as the children did making the bubbles. Participating at the Bubble Booth were Lions Jo Fulton, Anne Henderson, Steve King, Fernando Meza, Barbara and Gil Smith, Beverly and Richard Sugerman, and Dave Wallace.

Reading for L-4

Get on the District 4-L4 Reading/Literacy Train

Join in a new District Project in the following ways:

1. **Donate Books** (new and very gently used) at the Cabinet Meeting. These books will be distributed to Libraries, Schools, Shelters serving children and adults, Boys and Girls Clubs as well as YMCA'S/YWCA'S or other entities that may be in need of reading materials.
2. **Get Involved** (clubs and individuals) by volunteering to read at the very same places as outlined above.
3. **Participate** in President Madden's Reading Action Program (RAP) by:
 - ◆ Developing after school reading programs.
 - ◆ Reading to children at local libraries.
 - ◆ Contacting local schools, asking how you can help.
 - ◆ Donating books and/or computers to a school or library.
 - ◆ Volunteering as tutors through a local school.
 - ◆ Working with local literacy experts and agencies.
 - ◆ Working to promote Braille literacy.

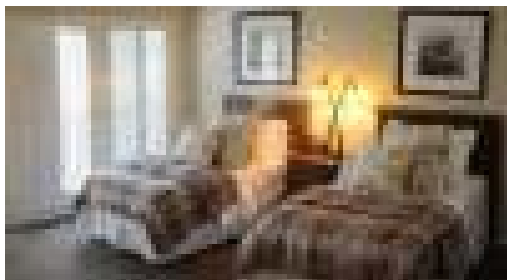

International President Wayne Madden has made Reading and Literacy a priority this year. As there are more than one billion illiterate people worldwide (24 million in the United States), we need to become proactive to bring children and adults that we serve, the tools that will help them with their independence and education.

RONALD MC DONALD HOUSE RENOVATES GUEST ROOMS

Families who stay at the Orange County Ronald McDonald House will be able to stay in new beautifully decorated guest rooms. Each of the 20 guest rooms recently underwent a major renovation, including new flooring, bedding, artwork, and paint. Each room now has a Tempur-pedic bed generously donated by the company. We were able to also replace the dressers and night stands, which were more than 23-years old. The entire project was under the direction of interior designer, Yuri Bast.

The project took just two weeks to complete, but could not have been possible without the support of many generous supporters who donated their time and products to the room renovation. We would like to thank everyone who worked on this project.
