Hello fellow Lions, Leo's, Family and Friends

The month of August started with your Governor, 1st and 2nd VD governors attending the Council of Governors meeting in San Diego. At the COG meeting, Student Speaker Foundation Trustee Lion Carol Linehan presented the COG with 8 topics for the student speakers contest which had been narrowed from 80 potential topics. The topic selected by your COG was "HOW DO WE CREATE AND KEEP JOBS IN AMERICA". I'm looking forward to our students making their presentations on this great topic. The student speaker packets can be requested from the MD-4 Office. The packets will not be mailed to clubs that are behind in their dues. While I'm on the subject of dues, it's also the DG responsibility to assure that our District is financially sound. Last month when I checked the financial statements from International, there were many clubs that were fast approaching the past sixty day notice. Our District depends on these monies to operate within our budget. Presidents and Treasurers please see that your dues are paid on time.

August has been extremely busy time for your cabinet. We have started our District Governors Visitation and have visited sixteen Lions Clubs this month. The reception and support has been overwhelming and we can see that our clubs truly live up to our motto "We Serve". The visits are a great experience to be with Lions and friends that you normally don't get a chance to see. The showering of gifts, songs and decorations for the DG and cabinet have been over the top. Although the gifts are not necessary, they are greatly appreciated. Your DG and Cabinet are looking forward to visiting the rest of our clubs which will continue into mid November.

Our International President Wayne Madden has made reading and literacy a priority this year. At our first District Cabinet, READING FOR 4-L4, Getting on the District 4-L4 Reading/ Literacy Train was adopted as a District endorsed project. PDG Barbara Hayward will chair the project. At our first Region Meetings in September, we will have flyers and information to distribute so we can become involved in our district project to "**Become part of the Solution**" in promoting literacy.

Paddy Pass Alert !!! Three paddy passes can be earned for attending our Region Meetings coming up in September and seven for attending the DG Fundraiser. After some serious conversation with First Lady Georgia, I have removed the stipulation that you have to be present at convention on Sunday morning to win the stained glass window. It would not be fair for Lions who supported me throughout the year and for some unforeseen reason, they couldn't attend convention and win if their name was picked.

On Saturday the 18th, I had the opportunity to help with the Mobile Screening Unit at the Orange County Veterans Stand down in Costa Mesa with many other Lions who spent the day helping our Veterans that have served our great nation. These men and woman were extremely appreciative and couldn't thank us enough. Our Lions truly live up to our motto and mine of "We Serve" and "Service from the Heart"

Dear Lions and Friends - I truly appreciate all of the e-mails, cards, phone contacts and well wishes extended both to me and PJ during my recent, surprise heart attack and recovery. The analysis of my angiogram showed no heart or tissue damage with no blockage. So, I've just added 3 pills to my regular daily routine and am getting back to feeling like myself. Having been the one used to sending cards, I've had to learn how to receive them - a very different and humbling experience and so gratefully appreciated. Thank you all again - First Lady Georgia

1st Vice District Governor

Sheila Casteel

Membership is on the mind of just about every District Governor in Lions Clubs International. Our district and our governor are no different. During his club visits, District Governor PJ has shared his goal of starting 2 traditional clubs and 1 campus club. It seems that membership is a topic that is discussed over and over and over again, year after year after year. That's because membership is so important.

Helen Keller said, "The world is moved along, not only by the mighty shoves of its heroes, but also by the aggregate of the tiny pushes of each honest worker." Lions are the honest workers of the world. Every dollar raised for someone in need, every book read to a child, every pair of pajamas given to a child, every cataract surgery we help fund, everything we do as Lions are the tiny pushes that move the world along. And that, my friends, is why membership is so important.

One of the ways to help our District Governor accomplish his goal of starting new clubs is to participate in the Extension Workshop Program. District 4-L4 will be doing just that. A consultant from LCI will be conducting a Level 2 Extension Workshop for us on November 17, 2012 at the Brea Lions Scout Center.

District Governor PJ needs your support and your commitment to make this program a success. Please help recruit more Lions so that our organization will have more hearts from which to serve.

Lions Are Champions of Change

On October 2, Lions Clubs International will participate in a special event at the White House in Washington, D.C. Members who have been selected to represent Lions as "Champions of Change" will be recognized at the event and participate in a panel discussion. Other highlights of the day include a tour of the White House East Wing and a White House Community Leaders Briefing, during which Lions can discuss with government administrators and agencies topics such as reading and literacy, health services and more. The event will be streamed live online. For more information, visit the [LCI Web site](http://LCI_Web_site). For questions, contact GovernmentRelations@lionsclubs.org.

WOULD YOU LIKE TO GIVE OUR DISTRICT GOVERNOR A TRULY UNIQUE BIRTHDAY PRESENT?

Help him achieve his goal of starting 3 new Lions Clubs!

Please join him
on his BIRTHDAY

for
The Level 2 Extension Workshop

at
the Brea Lions Scout Center

on
November 17, 2012

Level 2 Workshops are directed at new club organizers who will
commit to form one new club close to their area.

This one day training will cover:

- ✂ IDENTIFYING A GOOD LOCATION FOR A NEW CLUB ✂
- ✂ DISTINGUISHING THE DIFFERENT TYPES OF CLUBS TO FORM ✂
- ✂ IDENTIFYING A GOOD SPONSORING CLUB AND GUIDING LIONS ✂
- ✂ DEVELOPING AN EXTENSION TEAM ✂
- ✂ HOW TO ORGANIZE A NEW CLUB ✂

DONATE PLASTIC BAGS FOR GROUND MATS FOR THE HOMELESS

Chairs Chad Dominguez
and Kris Georgeson of
the Pomona Host Lions
request that you donate
your plastic bags so they

can be cut into strips and crocheted into ground mats
for the homeless. The bags can be of any size, type or
color. This is part of the Lions environmental
program.

At any region or district meeting, give your bags to a
Pomona Host Lion, e.g., Chad or Kris, Gil or Barbara
Smith, Richard or Beverly Sugerman, Jo Fulton, Anne
Henderson, etc.

2nd Vice District
Governor

Gil Smith

One part of Governor PJ's message at his club visitations is the value of teamwork coupled with utilizing the wealth of LCI resources available to all clubs. Work with your zone and region chairs because they know your club and can help guide and support you in a number of areas. The Global Membership Team and Global Leadership Team are also available to help. As a result of the recent Governor's team visitations three additional clubs are exploring either engaging in the CEP or a membership workshop.

Some clubs are even lending a helping hand to their fellow Lions clubs in need of assistance. Currently the Seal Beach Host Lions and a district leadership team are working with the Santa Ana Host Lions club.

It is good to see that a number of zone meetings have been conducted. Developing camaraderie between the clubs plus sharing the challenges they encounter and ideas on how to succeed is always valuable.

There may be a degree of confusion in some clubs between Club Excellence Process (CEP) and the Club Excellence Award. CEP is the four-hour four-step process by which a club seeks to improve itself. The Club Excellence Award is an annual award for clubs who meet specific LCI criteria.

We're off to a good start this year. Let your district officers know how we can help your club.

Cabinet
Secretary

Dewey Linehan

What a great turnout at our **First District Meeting, Combined Regions**. With all said and done we had 137 + and guests in attendance. Want to thank all the Region and Zone chairs with their help with the check-in and Raffle. A lot of thanks go out to the clubs with their **"On time"** RSVP, this really helped a lot with the check-in process.

Our induction of Cabinet Officers went without a hitch with PDG Dan Mayer at the helm. We all knew that the computer wouldn't work, but the way he swore us in was just as funny, the same oath you take when you enlist in the Army. As the program rolled along, we introduced visiting 1st VDG Napoleon White from 4L-6, and 2nd VDG Sonja Menor and Husband Bill from 4L-3.

1st VDG Sheila Casteel introduced the **"First Timers"** to a District meeting, now I'm not sure, but this might be a record, she introduced **(16)** first timers representing all regions in our District. There were (12) visiting exchange students from Italy, France, Germany and Netherlands they were introduced, then sped way to San Diego for a fun time.

PDG Ken Sherwood passed out the awards to Lions Carol Linehan, MD-4 Excellence Award and Mike Smith, Secretary of the year. Our District voted to take on a Literacy project in **Reading** PDG Barbara Hayward will head and chair this project.

A quick reminder that our first set of **Region Meetings** will be coming up this month, September 18 Foothill, 19 Orange Region, 20 Saddleback Region. I don't have to labor on the importance of **RSVP** the fliers should be blasting your way soon please get them in on time so that the Region Chairs can plan their evening. The first month of the Lion year was rough with the **"On Time"** reports. I received a **"Mixed Bag"** of reasons why they would not be sent. One was: We don't participate in the District point system, it doesn't matter if you do or don't, we need to view the progress of how the clubs are doing in the District **Membership** as well as **Activities** the only way we know is through you. Please (and I'm running out of **Please**), take the time to send them in,

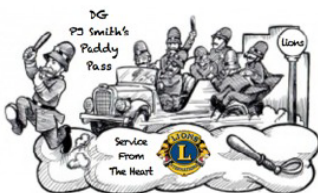

I realize the first month for the new Secretaries was a little touchy at first but you now have your tools to do your job. I was called lots of times on how to send the **WMMR** and we got over that hurdle.

Just a few announcements: September 29th is the **Governor's Fundraiser** at Pete's Ponderosa in Yorba Linda, that flier is out. Our next District Meeting will be Foothill Region November 10, 2012, and finally **Melvin Jones Dinner** January 5, 2013. That about does it for this message remember Governor PJ's motto **"Service from the Heart"** see you all at a Region/District meeting.

TALES FROM DISTRICT 4-L4 YOUTH EXCHANGE 2012 ADVENTURES

The Youth Exchange got off to a great start in July with eight students arriving for a two weeks visit. We met the students Marian from Austria, Susanna and Paula from Finland, Wasim and Tal from Israel, Marjolein from the Netherlands, Camilla from Italy and Silvia from Denmark at the Norco Lions Club House on July 21. They were welcome into the homes of PDG Judy & George Schnitzer, Lions Diane & Scott Quinlan, Lions Dan & Brenda Donahue from Orange Lions, Lion Sue Seager from Harbor Mesa Lions, Lion Martha Hebert from Ontario Upland Lions, Elena & Jim De Stefano and Veronica & Veronica & Kevin Irwin friends from Riverside.

On Sunday, the students were given time with their host family to get acquainted and learn about their new family. I took Susanna to Palm Springs for breakfast so she could see the desert, since Finland doesn't have deserts. We returned that afternoon to help ADONAI (Non-profit Organization) with the annual backpack giveaway for cancer kids at the Rancho Cucamonga Fire Station.

On Monday we packed our gear and headed for Big Bear Lake for a few days. Diane took a couple of students to Universal Studios and joined us later in the day. The students spent the afternoon getting acquainted with The Village and lake while the adults went shopping for groceries. After a spaghetti dinner, that night was spent watching movies, talking and playing games.

On Tuesday morning George prepared a big pancake breakfast before we headed out for a three hour personal tour of the lake with Bear from the Big Bear Lions Club. The students learned about the lake and how it began, saw home of famous people, and other interesting spots.

After a picnic lunch the students enjoyed the Alpine slide and more shopping in The Village. After Diane's special Taco dinner, the students headed to the movie theater. The adults enjoyed a quiet evening at the cabin.

On Wednesday we packed up, cleaned the cabin and headed home after the students made another trip to The Village.

The hardest part for the students was not having internet connections in the mountains, so three days without outside communication as an adjustment. One student told Diane that she should go purchase internet for them.

You too could join the fun next year - watch for more about our adventures in the Forum.

Club Excellence Process (CEP) Facilitator Training and Certified Guiding Lion Training will be conducted October 6th at the Garden Grove Host Lions clubhouse.

The CEP Facilitator training will take place from 9:00 a.m. to 12:00 noon.

The Certified Guiding Lion training will take place from 1:00 – 4:30 p.m. Governor PJ requests that all Zone and Region Chairs attend the Certified Guiding Lion training in the afternoon as it is geared to starting new clubs and rebuilding existing clubs. Additionally, if you plan on attending the LCI Extension Workshop on November 17th, you need to first be trained as a Guiding Lion. A flyer appearing in this Forum has the details.

Club Excellence Process is taking off. One club has completed it and two more are engaged in it. Let your GLT Coordinator, any CEP facilitator or any District officer know if your club is interested.

Leadership Training is available for you from a variety of sources in Lions.

District Leadership Academy held before each cabinet meeting will address timely topics. In November we will discuss ideas for Membership Recruitment, Activation and Retention, and in January the topic will be Conflict Resolution. All club membership chairs, club presidents and district Zone and Region chairs are encouraged to attend the November academy for some valuable membership ideas to share with your clubs.

MD4 Leadership Institute at Harris Ranch in mid January is an excellent three days of training for all current Lions club presidents and Lions who aspire to become a club president or district officer. More detailed information can be found on the MD4 web site.

USA/Canada Forum is being held this month, and a number of 4-L4 Lions will be attending.

New Member Orientations - If you have brought in two or more new Lions to your club within the past 12 months, and they have not been oriented yet, please contact Charlotte McNamara (714) 287-4509 and your Zone Chair. Several clubs have requested a club-wide orientation since it has been some time since they held one.

Take advantage of these opportunities to improve your club. Please contact me if I can be of any assistance.

By Larry Williams
Co-Chairman District 4L4 Friends in Sight Project

California Lions Friends in Sight have gotten off to a fast start this Lion fiscal year. They have already completed 4 vision screenings, San Jacinto, Big Bear, Tecate, Mexico and Riverside. During these vision screenings 893 people have had their vision improved. There have been 177 volunteers working with CLFIS during these screenings. For more details on participating in the vision screenings and /or seeing the upcoming schedule go to the website: californialionsfriendsinsight.org. There is always a need for volunteers to help during the screenings.

The 2012/13 District 4L4 Lions in Sight/Friends in Sight used eyeglass monthly collection reports will have some modifications this fiscal year. The counts from the monthly VAD, MMR and Service Reports remain the primary source of eyeglass collection counts. This year all collections of used eyeglasses at Cabinet, Region or Zone meetings that are "marked with the club name and how many are in the boxes" that club will receive credit on the monthly collection report when they are turned over to Larry Williams. However, to receive credit on #21 (eyeglasses donated) for the District 4L4 Lions Club of the year contest the individual club secretary must report the eyeglass collections on the monthly VAD reports according to the rules set forth in the current 2012/13 District 4L4 Directory.

Congratulations go out to Renee Schulte and her Orange Region Team who swept the 2011/12 collection reports in all categories, Region, Zone and Club. It looks like Mark Snider and his Saddleback Region team is out to take first place this year. They took both Zone and Region this first reporting period. Saddleback Zone C reported collections of 2,051 and for the total Saddleback Region a grand total of 3,961 eyeglasses collected. The Orange Club collected 2,000 to take the club count. The grand total for District 4L4 was 9,058 eyeglasses collected and turned over to Lions in Sight and California Lions Friends in Sight for use in their vision screening programs.

A big **Thank You** again to all the Lions Clubs who continue their financial and volunteer support of these California Lions Friends in Sight vision screenings.

I am the Club Visitation Contest Chairperson for the 2012-13 year. Please send all reports to me at sarahcait@sbcglobal.net or mail them to me at P.O. Box 487, Garden Grove, CA 92842.

If you should have any questions, please contact me at 714-658-2232, Cell or 714-534-3791 home.

Orange County 2nd Annual Vets Stand Down August 17, 18, 19th 2012

Lions Gina Stansbury and Joan Parks
Harbor Mesa Lions Club

This project was to help homeless veterans here in Orange County with as many facilities as possible to help these worthy men and women. The goal is to try to get some of the vets into housing and into programs to help facilitate them getting work, insurance, VA benefits, medical, dental and legal help.

Harbor Mesa Lions got involved to participate with sight and hearing screenings. With the help of several clubs and lions in the district we helped screen 92 veterans over the two day period, Friday the 17th and Saturday the 18th. Along with the VA Hospital staff on hand, these vets were urged to go on for further testing through the VA.

Many thanks to Governor PJ Smith, Orange Lions Club, Diamond Bar Lions Club and the Huntington Beach Host Lions Club.

Many Lions worked so hard on this project. We want to give appreciation to Harbor Mesa Lions Hedy Carnett, Debi Karlson, President Eileen Jensen, Mary Marsh, Marian Allen, Carol Proctor, Carol Bernstein, Carol Van Holt, Barbara Hayward, Orange Lions Lori Solomons, George Schnitz Brenda and Don Donahew, President Diane Quinlan, Scott Quinlan, and Val and Rick Bedel, Huntington Beach Host Lions Harvey Marklinger, Keith Campbell and President Steve Christy (for driving the van), and Diamond Bar Lions Jack and Wanda Tanaka. Also thanks to Ron Haward for driving the van for us also.

HEARING & SPEECH ACTION NEWS

TELEPHONE ACCESS ISSUES

Most of us are aware of the fact that captioned phones are available in California at no cost (www.californiaphones.org). But there have been snags in this plan when companies such as Wells Fargo, which as a matter of policy would not accept relay calls. They would refer the caller to a TTY line, but with the advent of captioned phones almost no one has a TTY phone. So many individuals have been prevented from doing business with Wells Fargo.

While the Wells Fargo situation is apparently rectified by a settlement with the Department of Justice, we live in a world where telephone communication is the rule rather than the exception. People have been told that re-negotiation of a mortgage could only be done over the phone. This is just as discriminatory as a business refusing to permit individuals in wheelchairs from entering the business. When JC Penny failed to deliver a gift certificate ordered on-line they responded to an e-mail inquiry, saying they had cancelled the order because they were unable to reach the buyer by phone. The buyer is unable to do business by phone and doesn't even have voice mail because it is useless to him.

It is maddening and frustrating that businesses won't allow people to take advantage of on-line communication technology. The phone companies have superseded the TTY system, which requires a live operator to repeat a typed message verbally and then type out the response. Should it require action by the Department of Justice to permit conversations by people with hearing loss?

Get on the District 4-L4 Reading/Literacy Train

Join in a new District Project in the following ways:

1. **Donate Books** (new and very gently used) at the Cabinet Meeting. These books will be distributed to Libraries, Schools, Shelters serving children and adults, Boys and Girls Clubs as well as YMCA'S/YWCA'S or other entities that may be in need of reading materials.
2. **Get Involved (clubs and individuals)** by volunteering to read at the very same places as outlined above.
3. **Participate** in President Madden's Reading Action Program (RAP) by:
 - ◆ Developing after school reading programs.
 - ◆ Reading to children at local libraries.
 - ◆ Contacting local schools, asking how you can help.
 - ◆ Donating books and/or computers to a school or library.
 - ◆ Volunteering as tutors through a local school.
 - ◆ Working with local literacy experts and agencies.
 - ◆ Working to promote Braille literacy.

International President Wayne Madden has made Reading and Literacy a priority this year. As there are more than one billion illiterate people worldwide (24 million in the United States), we need to become proactive to bring children and adults that we serve, the tools that will help them with their independence and education.
