Greetings Fellow Lions, Leo's, Family and Friends

As I write my final column for the Forum, as your District Governor, many wonderful thoughts enter my mind. WOW!! I can't believe this year is coming to a close and how quickly it has gone by. This has been an exciting year for our district and myself as your governor. I can truly say I have been honored and proud to have served as your District Governor for 2012-13. The incredible success that the district has experienced this year was only made possible through the diligent and hard work from every lion in District 4-L4. Every member made our district shine and stand out in every thing we did and accomplished. From membership (plus 41 as of May), many service projects, implementing President Maddens Literacy programs, Youth Exchange, Student Speakers, Peace Poster, Leo's LCIF disaster relief assistance, MJF, and the list goes on and on. Having a fantastic team and when I say team I'm referring to every member in our district that has brought the year to such an enormous success.

Thank You, Thank You and Thank You.

First Lady Georgia and I are still on cloud 9 from convention two weeks ago. This was undoubtedly the best convention we have every attended. A big thank you to our convention team for the many hours and effort put into making our convention so much fun. I want to thank our convention committee members, PDG Barbara Hayward, Lion Joanne Waltman, PDG Dan Mayer, Lion Lori Mayer, Lion Marianne Allen, Lion Ron Finseth and Terri Finseth, PDG Elizabeth Warren Lion Sandi Scheafer and everyone who worked behind the curtains. We had the exciting opportunity to have ID Marvin and Lion Lynne Chambers from Canada as our guests. These are friendships that will be cherished forever. Congratulations to all the awards winners - see the complete list of all award winners. Our District Photograph Lion Barbara Smith took over 1400 pictures and has put together many pages in the Forum of those special moments at convention. Thank you Barbara.

This last weekend in May, we attended the Council Of Governors Meeting in Torrance. Our District was number two in the Multiple for membership growth. The other earth shattering news was that monies were found that no one knew about. Maybe there will be no dues increase in the near future.

The leadership of our district is in great hands. DGE Sheila Casteel, 1st VDGE Gil Smith and 2nd VDGE Ken Myers will lead our district to excellence and success in 2013-14. I look forward to helping the A Team in any way possible.

From the bottom of my Heart and our First Lady Georgia, we want to thank everyone for this wonderful year that will always be remembered. Every Lion in Our district definitely lived up to the Lion Motto "We Serve" and my motto "Service From the Heart".

Your in Lionism For Ever

If you did not attend the District Convention, you sure missed a great weekend. The convention committee, led by PDG Barbara Hayward, planned and executed a fabulous celebration for District Governor PJ, First Lady Georgia, and Lions & friends of District 4-L4. District Photographer Barbara Smith took a plethora of pictures! Look for them within the pages of this edition of the FORUM.

This has been a great year. As Lions, we have done so much! The activities and financial contributions of our clubs continue to put me in awe. Be proud of being a Lion. Share that pride. Invite someone to be a part of what we do.

As this year draws to a close and another begins, consider what has been successful and what could have gone better. Use these reflections to help guide the planning for a new Lions year. Get ready to follow your dream and make the world a better place.

What an outstanding journey this year. Not only did I have the opportunity to meet and share ideas with so many great Lions, but equally important is the lasting relationships that were built.

We have a great group of Lions in 4-L4. I am always amazed at the tremendous community service our District provides to so many – both financial and hands-on. Just look at the Forum for ideas and partners in our quest to serve. The Region Chair articles can be especially important to know what others are doing. The monthly reports also give the elected District officers a window into how the clubs are doing and ideas that can be shared.

We have a tremendous number of resources available to us whether it be the LCI web site, training at all levels (see the GLT articles), your pool of District officers and other District clubs. Every Lions member and club is encouraged to seize the opportunities to lead, grow and serve.

As stated before, now is the time to plan for the upcoming year and kick it off right. Presidents should:

- Encourage all their new officers to attend the new officer training June 15th.
- Hold a board/club strategic planning session and conduct a SWOT Analysis.
- Conduct an updated Community Needs Assessment, if not done within the past three years.
- Form active committees to address membership, community service and fundraising.
- Call upon the District officers to assist and bring additional resources to your club.

Thanks again for all your support this past year.

Global Leadership Team (GLT)

District GLT Coordinator – Gil Smith
gilsmith@aol.com
H: 909-860-6477 C: 909-802-9915

Let me express my deepest appreciation to all who directly supported the Global Leadership function this year and those who participated in the training opportunities. Here's a brief **summary of what we accomplished:**

- Region & Zone training was given twice by Dan Mayer.
- New Club Officer training led by PDG Mike Scheafer had the largest turnout we have seen in a number of years.
- District Leadership Academy held three sessions before cabinet meetings on How to Run an Effective Meeting, Membership and Conflict Resolution. Attendance has averaged around 25-30 Lions per session. The facilitators leading the sessions included PDG Dan Mayer (chair), GMT Coordinator & PDG Norm MacKenzie, 1VDG Sheila Casteel and 2VDG Gil Smith.
- Club Excellence Process (CEP) was conducted in three clubs led by PDG Norm MacKenzie, PDG Mike Scheafer, PDG Jon Casteel, 1VDG Sheila Casteel, 2VDG Gil Smith, PRC Ken Henderson and Barbara Smith.
- Close to 85 Lions in Districts 4-L1 through 4-L6 were trained as CEP Facilitators by 1VDG Sheila Casteel, 2VDG Gil Smith and Barbara Smith. District 4-L4 now has 24 trained facilitators.
- A total of 28 Certified Guiding Lions were trained from Districts 4-L1 through 4-L6 by IPDG Ken Sherwood, 1VDG Sheila Casteel and 2VDG Gil Smith.
- New Member Orientations were conducted for three clubs.
- Future Leaders Identification is an ongoing process.

I look forward to passing the baton to **IPDG Ken Sherwood who will be the GLT Coordinator for 2013 – 2014**. I know Ken plans on having some Region wide orientation programs and has several topics for the Leadership Academy at upcoming Cabinet meetings. Ken will do an excellent job, but no promises on the use of poppers.

Don't forget about the **New Officer Training** that will take place on **June 15th at the Brea Lions Scout Center**. Please register in advance with 1VDG Sheila Casteel, 2VDG Gil Smith, incoming Cabinet Secretary Joan Parks, and incoming Treasurer Carol Linehan. Separate training sessions will be provided as follows:

- Club presidents, vice presidents, directors and other present or future officers
- Club secretaries
- Club treasurers
- Club membership chairs
- Region and Zone chairs

Cabinet Secretary

Dewey Linehan

What a convention, started out with an active crime scene, whereas someone stole the Governor's underwear. Sifting through all kinds of clues and evidence, we found the suspect in the end. One of the hottest Golf tournaments this year (104) degrees in the shade, a couple of nights of rocking music and the dancing queen as well, a lot of awards = a great convention. I hope you all had a good time.

It has been a pleasure and an Honor to serve under the Leadership of Governor PJ Smith for Lions year 2012-13. I've learned a lot during my year as Cabinet Secretary, but yet one of the things I learned really stood out above all others, and that was, if you apply yourself to whatever task you take on you will accomplish your goal. I proved to myself as well as to others that I could take on the responsibility of helping our Cabinet and all the Lions in our District achieve the expectations of our Governor.

Together we did what we were asked to do in the beginning of our Lion year, we put together projects and also in place a District approved Reading Project to help young and old with literacy problems. Yes, we should be proud to be part of **"The Racing Team"** we came in first because we worked together. In all the years that I've been a Lion, this year will be long remembered. Governor P.J did what President Wayne Madden asked us to do, he saved fuel to finish the race, and carried the torch to the end, and he kept his promise, and stood by his motto: **"Service from the Heart"**.

There will be many more years to come with other great Governors to keep carrying the Torch and to help move our District into excellence, Thank you for letting me serve, your Cabinet Secretary Dewey Linehan 2012-13

The training schedule is somewhat different this year due to the integration of the RC/ZC training on the same day:

- Registration 8:00 -9:00 a.m.
- General session 9:00 – 9:30 a.m.
- Club officer training 9:30 – 11:30 a.m.
- General session 11:30 – 12:00 noon

Region and Zone chair training will be a total of four hours in segments from 8:00 – 9:00 a.m., 9:30 – 11:30 a.m., and 12:00 noon – 1:00 p.m. (Note – all Cabinet officers for 2013 - 2014 are expected to participate in the RC/ZC training segments from 8:00 – 9:00 a.m. and 12:00 noon – 1:00 p.m.)

I encourage every club in the District to consider using the **Club Excellence Process** in whole or in part. Feel free to unbundle it as different parts meet your needs.

Again, thanks to all the great Lions in District 4-L4 who have helped bring training opportunities to our clubs this year.

LATE BREAKING NEWS

EXTRA, EXTRA, READ ALL ABOUT IT

Lions District 4-L4 held their convention in Palm Springs, California from May 16-19, 2013. During the convention, between many business sessions and having fun, a heinous, reprehensible crime occurred. The crime committed was a Class 1 Felony consisting of a major theft from the District Governor's hotel room. The loss was many of District Governor, PJ Smith's briefs.

Attending the convention was Chief of Defectives Dan Mayer and Assistant Deputy of Defectives Sandi Scheafer of the Bunco Squad. Chief of Defectives Mayer immediately organized a major task force to apprehend the perp and recover the loss of District Governor, PJ's briefs. The perp left many clues during the weekend of activities. With all of the notoriety generated by this crime, the task force dubbed this the BBB, AKA (Bikini Brief Bandit Case).

With the help of many defectives and clues, the crime was solved on Sunday morning. The loss was recovered and the perp was apprehended and placed into protective custody. Unfortunately, we found that there was major corruption within the District Cabinet. The perp was identified as District Governor Elect Sheila Casteel. The perp is now awaiting her Preliminary Hearing and is under house arrest with an ankle bracelet. Chief of Defectives Mayer indicated that the case would be presented to the Honorable Judge BOOM BOOM Hayward in several days.

When the District Governor arrived home Sunday, he had an email indicating that additional evidence was recovered and that they would be photographed and returned to the District Governor.

See attachment of final evidence recovered.

Chief of Defective's Mayer related to the press that we were very fortunate and did not have to bring in the Harbor Mesa Swat Team.

A big thank you to the Chief of Defectives Mayer, Assistant Deputy of Defectives Scheafer and the task force that made the arrest and recovered the loss. In most cases the defectives follow "Just the Facts Ma'am".

Guilty, case solved.

Seal Beach Lions Sponsor Braille Leo's Club Beepball Tournament

The third annual Beepball exhibition took place in Seal Beach on May 18th. Visually impaired Leos from the Braille Institute in Anaheim took on the best players at Seal Beach Pony Baseball. The game is a variation of softball using special balls and bases that have an audible beep. Players are all blindfolded including the visually impaired kids from Braille. Batters who are blindfolded will hit the ball off of a tee and attempt to run to the audible base before fielders find the hit beeping ball and place it over their head.

The 45 minute game ended with the Braille Institute Leos scoring 9 runs to Pony Baseball's 5 runs. Both teams shook hands, received certificates from Mayor Gary Miller (in Braille), and then posed for a group picture. At the conclusion, Seal Beach Pony Baseball donated \$300 to the Braille Leo Club in support of their athletic programs. Seal Beach Lion Chairman Todd Stegan noted the crowds seem to get bigger each year as more and more people come out to cheer the kids on. Seal Beach Lions and Leos helped work the bases, assisted players and cooked food for all who attended.

The Leo Club of Braille Institute is now sponsored by the Seal Beach Lions Club and works regularly with the Braille kids on various projects.

On the weekend of August 16th thru 18th over 100,000 beach goers will have the chance to revel in enjoyment of professionally prepared BBQ treats, craft beers and ice cold watermelon in Huntington Beach.

American Family Housing (AFH) a **District 4L4 approved project** will be hosting their 2nd annual Ribs, Pigs and Watermelon Professional BBQ competition and Beer festival at the Huntington State Beach parking area of Pacific Coast Hwy and Beach Blvd. This is a KCBS (Kansas City BBQ Society) sanctioned event and competing for the \$10,000.00 purse will be the top west coast and some nationally ranked BBQ teams.

Under the main tent there will be free watermelon for all with watermelon carving demonstrations, watermelon eating contest, seed spitting for distance contest, and other interesting watermelon activities. On stage will be a virtually constant stream of professional entertainers enlivening the festivities with Rock, County and Jazz music, something for everyone. Ribs, Pigs and Watermelon Professional BBQ competition and Beer festival this year will feature over a dozen flavors of small lot craft beers from local and national suppliers for you to enjoy along with the flavorful BBQ meat under the hot August Sun.

This fantastic fun event is being held to help raise the needed funding to continue the work of the "Homeless to Hope to Home" shelter programs of American Family Housing. American Family Housing is a 27 year old non-profit specializing in the care of homeless families and individuals. AFH is one of the largest homeless service providers in the County. In combination with the affordable housing programs, AFH shelters over 1300 people per night. Our shelter programs provide a comprehensive wrap around service that includes, besides housing; counseling, job coaching, motivational classes, finance management, and 3 kids programs for pre-school, school aged and teenagers. The majority of the persons in our programs are under the age of 18, these are kids of the families who have found themselves homeless for a variety of reasons.

Please come and join in the fun at the Beach, and help our families go from "Homeless to Hope to Home".

We need volunteers to work this event. I would like to come speak to your club about the opportunity to serve the community through working at a fun event. Call me to schedule a meeting to present the work of the shelter and this event opportunity.

LCI and LCIF Respond to Oklahoma, USA Disaster

Posted by Lions Clubs International on Tuesday, May 21, 2013 · 2 Comments

Dear 4-L4 Lions,

Once again we have a natural disaster to which LCIF has immediately responded. In the attached memo, you can see what has already been done. I am asking you to look to see if you have any funds available that could be used to donate to LCIF, preferably before the end of the current Lion year.

Such donations are Melvin Jones Fellowship eligible and would be added to your club, or individual, account. The donation should specify Disaster Relief.

Thanking you in advance for your care and generosity.

PDG Elizabeth
LCIF Coordinator District
4-L4

We are very saddened by the tragic tornado disaster in Moore, Oklahoma. Rest assured, the Lions are doing their part with the recovery efforts and will be there as members of the community for the long-term rebuilding efforts.

There are several thousand Lions in eastern Oklahoma, and the Lions of the world will be there to support them in this time of great need.

Right now, we are sending a Major Catastrophe Grant of US\$100,000 from LCIF's disaster relief fund. This grant will support Lions in affected areas to immediately begin providing aid to those in need, such as food, water, clothing and medical supplies. We are also providing emergency grants to assist with other destructive storms that have impacted parts of the USA in recent days.

The community of Moore, and all the Lions Club members in the area, need our support today to help their neighbors.

You can help by contributing to the disaster relief fund of Lions Clubs International Foundation. [Donations to this fund are Melvin Jones Fellowship eligible and help Lions.](#)

We will keep you updated as needs are more fully known, now and for as long as it takes.

Sincerely,

Wayne A. Madden
