Greeting Lions, Leo's, Family and Friends

With February being the shortest month of the year, it seems like it's gone by to quickly. Our Clubs and Lions are gearing up for the last six months of our year with their fundraisers, pancake breakfasts, bunco events and so much more. This is a great opportunity for clubs to invite prospective new members into our great Lions organization. As of January, our District experienced a plus 19 in growth however we are still under the 1250 members for a complete District. We are so close to achieving this with only 46 new members needed. This is doable. I, as your District Governor would like to pass the baton to our incoming District Governor with 1250 members. Lets go get those new members.

February 6-10, 2013 found 22 Lions from District 4-L4 attending the MD-4 convention and Council of Governors meeting in Sacramento. A wealth of information was available and a good time was had by all. I'm so proud of our district. We did extremely well in the awards department. The Kay and Denise Fukushima Couple of the Year was given to PDG Jon and 1st Vice District Governor Sheila Castell. GLT and GMT Coordinators Gil Smith and Norm MacKenzie received honors. Western U Lions brought home a huge trophy for the most new members of 26. Newport Hawaiian and Costa Mesa Newport Harbor received membership growth awards. Lions Jack and Wanda Tanaka received an award for there scrapbook. Congratulations to all of our Lions that received awards at MD-4 convention. Please see the wonderful collage of pictures that our District Photographer Barbara Smith has put together for the Forum.

A picture or pictures are worth a thousand words. I believe we have all heard that saying before. I want to thank our great District Photographer Barbara Smith and Associate Photographer Beverly Sugeran for capturing those magical moments on film or electronically at all of the district events this year.

The Student Speakers Contests are well on there way with Zone getting ready to wrap up. I have attended several and WOW there some awesome speakers. The judges really have a tough job. We are all looking forward to the Region Meeting/Student Speakers Contests coming up on March 11, 2013 for Foothill Region, March12, 2013 for Orange Region and March13, 2013 for Saddleback Region. See the flyers in the Forum for times and locations. Lets support our Lions Clubs and students at these events. No one will be disappointed after hearing these great speakers. **Paddy Pass Alert!** There are three paddy pass for each lion that attends a Region Meeting. There are not to many more opportunities left to receive paddy passes for the stained glass window that will be given away on Sunday morning at our convention.

Word

Next week 22 Lions will be cruising down to Ensenada Mexico to meet and have lunch with our fellow Lions south of the border. This is the longest ongoing International Visitation in Lions history. This will be our 55th year and our 5th year of cruising. I also understand that several Lions and friends from Seal Beach Host Lions will be driving down to Ensenada and will be joining the Ensenada Llons and Lions cruisers for lunch. Looking forward to this great visitation. Please remember that gifts are preferable in US cash.

Yours in Lionism

1st Vice District
Governor

Sheila Casteel

At the beginning of this Lions year I committed to writing monthly articles about membership. I must confess that there have been times when I wish I had not made my commitment public. Sometimes finding a new way to talk about membership is harder than it seems. As I sat with a blank page in front of me, I did what any good student would do. I went shopping – online window shopping to be precise. After looking and not buying, I decided to do a search for “interesting facts about March”. I found out that March starts on the same day as November every year, that Grover Cleveland was born in March, and that the daffodil is the official flower for March.

Finally, learned something that was of real value! Did you know that March is National Reading Month? What a great conversation starter for promoting Lions Clubs! Talk about International President Wayne Madden’s Reading Action Program (RAP), Reading for L-4, or specifically what your club is doing to increase literacy in the community. Literacy is something that should concern all of us. Use that concern as a way to involve new and prospective members in the activities of the club.

Often we hear about the distinction between the dates that someone joined a Lions club and when that person became a Lion. The stories they share clearly illustrate this distinction. One the other hand, I believe that there are many undiscovered Lions in our communities who simply have not been asked to become members of a Lions club. Use National Reading Month and RAP to discover the undiscovered.

2nd Vice District
Governor

Gil Smith

District 4-L4 shined at the recent **MD4 Convention** in Sacramento. In the Academy Awards ceremony Saturday night PDG Jon and 1VDG Sheila Casteel were selected as the Kay and Denise Fukushima Lions Couple of the Year recognizing their long term support of Lions and hands-on community service – what an honor! Congratulations Jon and Sheila. At the business session on Saturday, PDG Norm MacKenzie was named the Outstanding MD4 District GMT Coordinator and 2VDG Gil Smith the Outstanding MD4 District GLT Coordinator. In the membership arena, three of our clubs were recognized for their membership growth in the first six months of this fiscal year. The clubs were WesternU Lions, Costa Mesa Newport Harbor Lions and the Newport Beach Hawaiian Lions. When you see these honorees and club presidents, give them an “at a boy.”

Your LCI Resources – LCI is a magnificent resource for information, assistance, training, etc. Just go to the LCI homepage and click on “Member Center” which has many of the resources you would be able to utilize. Then scroll through the pull-down menus to find more information. If it seems daunting to work your way through the LCI website, I have a ten-page easy-to-use summary of the programs, resources and points of contact at LCI for Activities, Extension, Leadership Development, Membership, Public Relations and Retention. If all else fails, give a call to the contact person at LCI as they are more than willing to help you.

Why WE walk:

So parents and grandparents have a temporary home away from home where they can come and be together. A place where they can rest, eat and shower. Where being so close to the hospital gives them time to spend with their child as every minute they are able to spend with their child is a gift.

So come out on April 7th and walk around the Honda center to help raise funds for families to stay in this wonderful home away from home.

Global Leadership Team (GLT)

District GLT Coordinator – Gil Smith
gilsmith@aol.com

I just had the opportunity to attend the LCI **Advanced (Senior) Lions Leadership Institute (ALLI)** in Chicago, IL. It was an outstanding three-day program crammed with ten intensive workshops (25 Lions in each section), two small group open-ended discussions with facilitators and two general sessions. Every instructor was enthusiastic, interactive with the groups and very capable in leading the discussion in the subject areas. Also of value was the interaction and sharing of ideas with other Lions. Subject areas covered in the three days included:

- Leadership Fundamentals
- Teamwork: Building Relationships
- Promoting Lionism
- Project Management
- Conflict Resolution
- Delegation
- LCI Programs & Resources
- Presentation Preparation
- LCIF
- Developing the Lions Leaders of Tomorrow

While I would encourage any Lion looking toward advancement in District 4-L4 to take in the ALLI, there are only 150 slots for the US and Canada, and generally they only allow one person each year from a district. An excellent precursor, and to some degree an alternative, is the **MD4 Lions Leadership Institute** held every January, which covers many of the same topics and has a very capable cadre of instructors.

The other major training opportunity is the annual **USA/Canada Lions Leadership Forum** held in September and is open to any Lion. The next one is in Overland Park, Kansas.

If you didn't get a chance to attend the 94th MD-4 convention, it was a "Barn Burner". Friday Lunch was a fantastic Food Fair sponsored by clubs in that area. Both Friday and Saturday nights down on hospitality row was electric with live music and singing. I have to say that C-5 had the best keyboard player and we covered most all of the "Beatles" tunes. It was to say the least a long trip for some of our Lions down south, but well worth it.

At the Governors ball Saturday night The 8th Annual MD-4 Academy awards of Lionism took place. I know of a few that went up to receive awards from 4L-4; Lion Couple of the Year was 1st VDG Sheila and PDG Jon Casteel, 2nd VDG Gil Smith was one of three nominated for Lion of Year and Gil did receive an award for GLT. La Habra Host was one of three finalists for their Corn Festival.

In the membership increase in clubs: Foothill Region; Western University, President Thomas Wong, Saddleback Region; Costa Mesa-Newport Harbor, President PDG Mike Scheafer, and Newport Beach Hawaiian, President Sally Nockold, nice job well done.

Sunday breakfast, our Motivation Speaker was Mr. Tom Sullivan, you might remember him from the series: "Highway to Heaven" or you can catch him on the next episode of "Dancing with the Stars" born sight impaired from Boston, Ma. By the time he was finished there wasn't a dry eye in the room.

Then finally the drawing for that beautiful Safire ring (drum roll) Lion Oscar of Orange Lions won the Safire nice gift for his wife on Valentines Day. With over 600 Lions from all over the state in attendance that finishes up a great weekend.

The Club and Zone Student Speaker Contests will be wrapped up. We move into the month of March which is going to be busy, first Ensenada, Mexico Visitation, then coming back into (3) Region Meetings which mark the Region Student Speaker Contest March 11, 12 and 13. Then finally March 31 ends the District Point Club of the year award, so get those reports in please. Our last District Meeting will be held on Saturday April 27th at the David L. Baker Golf and Country Club in Fountain Valley, fliers will be heading your way soon, again RSVP'S are important please have them in on time.

During the course of the year, I've tried to make my message interesting, so I can get the Lions out there to read it, if there is something else that I could do to spice it up let me know, this way I'll know how many read THIS one, Thank you Lion Dewey E. Linehan, Cabinet Secretary

FOOTHILL REPORT

Region Chairman Drew Sasser

WALNUT-DIAMOND BAR

The club volunteered over 20+ hours collecting and distributing food to needy families. The club is actively collecting eyeglasses and hearing aids at local schools - collections amounted to 25 for the month.

POMONA HOST LIONS

The Pomona Host Lions Club continued its fast-paced activities schedule in February. A featured project was its celebration of Presidents' Day with flag presentations to first graders at three elementary schools. Lions read The Flag We Love, gave each student a flag on a wooden base, and presented to the class the book and a stuffed lion with a patriotic scarf. The club's Mats for the Homeless project continues to expand as more community volunteers, churches, craft groups and organizations joined the Lions in making plarn and crocheting the plarn into sleeping mats.

The club has decided to make the PlarnFest a monthly event. Over 150 glasses were recycled. The club also enjoyed its Student Speaker Contest. The club ventured into zumba with a Saturday morning Zumbathon fundraiser for the operating budget. The next Zumbathon will be for the charities budget and open to the public. Pomona Host members are making the final preparations for its March 2nd Bowl-a-thon, its largest fundraiser of the year.

Two new members joined the club, and an orientation was held for new members and sponsors. During the month, club members participated in the cabinet meeting, the MD4 convention, and Teen Recognition. Member Gil Smith received MD4 Outstanding Global Leadership Team District Coordinator and was one of three finalists for MD4 Lion of the Year. The month concluded with a wonderful Charter Night Celebration for its new Golden Springs Leo Club.

WESTERNU LIONS

Congratulations to the WesternU Lions, who won the trophy for the best membership growth in MD4 at the state convention. The graduate university club continues to grow and currently is focusing on building an interprofessional network within the club, having Lions liaisons in each of the colleges at the Western University of Health Sciences. The WesternU club, in line with all clubs on campus, has January to January terms for officers. New officers are President Eddie Endo, Vice President Annie Williams, Secretary Angela Wang, Treasurer Daryl Lipsun and Membership Julia Chu. The installation of new officers and induction of new members will take place at the club's March 20th meeting.

Recently, the club members have continued to work at health screenings, and they are actively recruiting teams to bowl at their sponsoring chapter Pomona Host Lions' Bowl-a-thon. The club is busily getting ready for its very large Lions interprofessional health fair on April 13th. SADDLEBACK REPORT

Region Chairman

MARK SNIDER

Two months down, 10 to go...What a count down. Club Student Speakers contests are over and Zones likely to be finished with Regional contests around the corner.

I listened with great interest to four students at our Club (Laguna Niguel Lions) contest. I learned one thing: these contests are better for the students in the evening cause they can have family, friends and speech coaches present to support them.

It never ceases to amaze me the quality of students we get into these events. Outstanding in research and some of the ideas and concepts they come up with are truly inspiring. With the timely subject of "How Do We Create and Keep Jobs in America?" we got some very interesting and sound ideas. All of which makes me wonder, if High school kids can come up with simple, intelligent and effective solutions that will work, why can't our legislators do it?

And NOW, what you are all waiting for...Club News
First, the race to collect eye glasses: Top 5 Regional contenders---

- 1st Place- Mission Viejo has an impressive total of 2,990 pair
- 2nd Place- not far behind is Hunting Beach Host with 2,704
- 3rd Place- Tustin Host with 1,660
- 4th Place- Laguna Niguel with 1,500
- 5th Place- Harbor Mesa- 1,375

They received \$4000 from the City of Tustin for the clubs participation in Tustin Tiller Days.

The Laguna Niguel Lions is having their Second Annual Wine Tasting Fund Raiser on April 21st. I am showing my dedication to my club by taking my wife to the even for her Birthday!. MD4 Convention

The Spirit of Aloha

The "Spirit of Aloha" filled the MD4 convention in Sacramento from February 8th to 10th. Our District 4-L4 was represented by PCC Ed and Jackie Bordenkircher, PDG Jon and 1VDG Sheila Casteel, Dave and Gail Hubbard, Dewey and Carol Linehan, PDG Norm and Jo MacKenzie, Joan Parks, PDG Mike and Sandi Scheafer, IPDG Ken and Marilyne Sherwood, 2VDG Gil and Barbara Smith, DG PJ and Georgia Smith and LCI Lions of the Year Jack and Wanda Tanaka.

The Council of Governors session and MD4 committee meetings immediately preceded the convention on Wednesday and Thursday. On Friday, attendees enjoyed training seminars, such as Leadership Training, Zone/Region/Secretary/Treasurer training, project management, Guiding Lions. At lunch was an outstanding international food fair hosted by Sacramento-area clubs, and Friday night was a delightful Hawaiian dinner and dance, followed by partying on Hospitality Row.

Saturday began with the poignant and beautiful Opening Flag Ceremony. After that were the morning business session, a touching memorial service, lunch with PIP Sid Scruggs speaking, district caucuses, and more training/information seminars. That night was the spectacular Governor's Gala Banquet and Academy Awards Ceremony, followed by more time on Hospitality Row. Sunday morning concluded with breakfast, motivational speaker Tom Sullivan, and the final session.

Our district Lions were bursting with pride as our members won some impressive awards. Most exciting was when PDG Jon and 1VDG Sheila Casteel won the MD4 Kay and Denise Fukushima Couple of the Year Award. Wow! That is an impressive win. Also, the La Habra Host Lions made the Academy Awards final three for its Corn Festival, and 2VDG Gil Smith was one of the three finalists for MD4 Lion of the Year. Other honored individuals from the district were PDG Norm MacKenzie who won Outstanding MD4 District GMT Coordinator and 2VDG Gil who won Outstanding MD4 District GLT Coordinator. Congratulations go to the WesternU Lions Club who won a large 1st place trophy for membership increase. Costa Mesa Newport Harbor and Newport Beach Hawaiian were honored for being among the top 20 clubs in the state in membership growth.

The memory of PIP Kay Fukushima was omnipresent throughout the convention. PIP Kay had been the convention chair before his recent death, and his attention to fine details was evident even though the final execution of the convention was done by others from his notes.

After the convention was over, everyone agreed that we all had lots of fun, had learned much, and once again proved that 4-L4 is one of the best districts in the state!

LCIF GRANT EMPHASIZES THE NEEDS OF THE DISABLED AT TERESITA PINES

The Lions Camp at Teresita Pines was very fortunate to have been awarded a \$75,000 matching grant by LCIF which allows for the installation of a handicap trails system. This new set of trails will enable those with visual impairments or confined to a wheelchair to more easily access the different areas of camping.

They are looking to spread the word to organizations dealing with disabilities. If you know of such an organization looking for a camping location contact the Lions Camp Office at 800.855.3245 or terestiapines@hughes.net

HEARING & SPEECH ACTION NEWS

DID YOU KNOW – MUSIC IS ALSO NOISE?

Recent studies show decrease in hearing ability among youth. Implicated as a contributing factor is the high level exposure to music in various entertainment venues and through iPod and other personal listening devices. This is especially a concern for students in music programs. In addition to their leisure-time music exposure, they are subject to exposure during rehearsals, personal practice and performances. Furthermore, their future livelihood depends on a particularly intact auditory system. Measured sound levels for 40 music students showed that 48% were exposed to levels exceeding the allowable dose from a single average session in a practice room. And a measurement of 329 college student musicians found 45 % demonstrating a hearing loss typical of music-induced hearing loss. Also found was a lack of systematic use of ear protection, with limited understanding of the need for it.

As for industrial noise, research has found 22 million workers exposed to hazardous noise. Currently, noise protection devices such as SoundCure and DefendEar, as well as simple earplugs, are available, but much remains to be done to increase awareness and make protection widely available.
