Lions, Leos, and Friends,

This is the last time I will write to you as the District Governor. Soon I will join the ranks of Past District Governor. This year, as with other years, the Lions and Leos of District 4-L4 have made the world a better place. Our district is strong, growing, and thriving. Our success is because of all of you. Thank you for allowing me to lead this great district. Thank you for making this a wonderfully memorable year.

This year I have strived to *lead*, to *inspire* and to *motivate* Lions in District 4-L4. I hope that I have been successful. Throughout the year, I have shared my belief that Lions make the world a better place as a result of our service. When we improve someone's sight at a California Lions Friends in Sight Clinic, we have made the world a better place for that person. When we feed families at the Ronal McDonald House, we have made the world a little better for the moment for them. When we plant a tree in the park we have made the world a better place for those who benefit from the tree's shade, oxygen, and beauty. When we are involved in disaster relief as we were earlier this year for the Philippines, we made the world a better place for those touched by the disaster. Time after time, here in District 4-L4 "We Serve" and "Make the World a Better Place".

As Helen Keller said, "Alone we can do so little, together we can so much." Fullerton Host, Huntington Beach Host, and Seal Beach Host all celebrated 75 years of service as Lions Clubs. These and other clubs in our great district have touched thousands upon thousands of lives through their service. We have exceeded our district goals for contributions to both the Student Speakers Foundation and LCIF. New Lions Clubs and new Leo Clubs (notice the plural form in both cases) were formed. More hands and hearts have been added to our Lions family.

Some new things were tried, too. In September, thanks to Mike Schaefer and Steve Christy, the Lions of District 4-L4 were welcomed in bright lights at Angels Stadium. The Angels even won the game for us!

My time leading this magnificent district will stand as a milestone in my life. At every club visitation I was greeted with incredible hospitality. My cabinet officers and committee appointees performed their duties with their own unique talents and skills – making me look good, which is no small task! The Governor's Fundraiser was a tangible display of support for me that left me with an indescribable warm and fuzzy feeling. I was overwhelmed by the absolutely **tremendous** convention that the convention committee put together.

Thank you seems such a small word to express my gratitude, yet what other words are adequate? From the bottom of my heart, I genuinely thank you for a truly wonderful year. Continue to follow your dream and make the world a better place.

*Sheila*

MORE FROM THE GOVERNOR.....

There are Lions who plod along, doing what they do with little or no recognition. We know they exist because without them, a great many things simply would not get done. They do not seek accolades, so they go unnoticed at “awards time”. Nonetheless, they deserve our praise and gratitude. They are the unsung hero in our clubs. At the convention, several people were recognized by their Lion family as an unsung hero. To all of the unsung heroes out there, thank you!

### The Unsung Hero

**Chris Barr – Tustin Host:** He has such a good nature and willing to help out with every request. He gets drug to every event and has such a happy laugh. He will be returning as president again for another term. Tustin is very lucky to have such a fun Lion!

**Cathy Waters – Harbor Mesa Lions:** She has been a fabulous president, and has brought our club to a great place. Always answering questions and informing all the members – she’s the best!

**Sue Seager – Harbor Mesa Lions:** She works hard at everything, never says no! Always volunteering and shows up at all our events. Her energy radiates and is truly an unsung hero. Her life has been dedicated to serving & helping those around her. She is a semi-retired teacher, tutor & Special Ed teacher. Involvement with Girl Scouts, Lions, Leos & other service organizations are her passion. She often takes in stray animals & people. She will give up her comfort & necessities for others at the drop of a hat. Her dedication to Lions is visible in her willingness to be at every meeting, event, & service project, working to help make it a success.

**Kathy Blake – Harbor Mesa Lions:** Kathy, although blind, participates where she can and has been the person behind our club being heavily involved with The Vision Walk.

**Diane Quinlan – Orange Lions:** She has overcome many obstacles as President but has still held strong to promote new activities & fundraisers. She always shows her appreciation & goes out of her way to acknowledge our members & their spouses for a job well done. She not only had her presidential duties but chaired the Youth Exchange, Blind Children’s Learning Center & Ronald McDonald House.

**Hank Lopez – Huntington Beach Host:** Past President twice, Past Secretary many times, always there at events, keeps club going. Also has held district zone chair several times. Great Lion and person.

**Sandi Schaefer – Harbor Mesa Lions:** Her creativity & planning make convention games fun & interactive. We all enjoy them!! I still have my “cow” beachball.

**George Schnitzer – Orange Lions:** He may be quiet but he is mighty and has the heart of a Lion. He does our photos, research, helps on committees. He never complains he just works. He also helps with Youth Exchange. He will be our incoming President and will be excellent. Go George!

**Peter Baron – Fullerton Host Lions:** Has a passion for chess and has chess programs in many schools. The Fullerton City Chess Championship next Friday evening is sponsored by our club – Pete does the work.

**Ellen Liebherr – Seal Beach Host Lions:** Ellen puts together our district newsletter, the FORUM. It is the best district newsletter I have seen. It is informative, attractive, and professional.

**Kate Hileman – Tustin Host Lions:** Although work responsibilities keep her busy during meetings, we can always rely on Kate to volunteer for every event & activity. She has been a past secretary and 2nd VP for our club. She has attended every convention for at least the past 6 years. Way to go!

**Teri Stoker – Harbor Mesa Lions:** Teri has been a member of our club and has always gotten involved and volunteered for every event, service project, and fundraiser. She’s a dependable Lion!

In the past, I have shared that I believe that there are Lions out there without a pride. Yes, it is true that for a great many people the day that they were inducted as a Lion is not always the same as the day they became a Lion. Often, the day that one becomes a Lion is after the day of induction as a Lion. But, I hold an alternate view. I happen to think that there are people out there became Lions before the day of induction as a Lion. Yes, I said “before”. These are the people who were Lions before they were Lions. These are the people with the servant’s heart.

I was sharing my view with one of my fellow Governors from up north, and he came up with the idea of creating a list – like that of Jeff Foxworthy’s “You might be a Redneck”.

At the last District Meeting I offered my humble attempt at that. Here it is again.

### YOU MIGHT BE A LION

- If you have an unexplained desire to make pancakes ... you just might be a Lion.
- If you have an urge to cook for large groups of people ... you just might be a Lion.
- If you have a need to make sure people around you have proper eye care ... you just might be a Lion.
- If you have ever built a wheelchair ramp for no financial reward ... you just might be a Lion.
- If you have ever helped someone find their way ... you just might be a Lion.
- If you have ever comforted someone who was frightened ... you just might be a Lion.
- If you have ever planted a bunch of tree just so there is more oxygen in the world ... you just might be a Lion.
- If you have ever been on a medical mission (or want to go on one) ... you just might be a Lion.
- If you commit random acts of kindness ... you just might be a Lion.
- If you have ever raised a puppy that later became a service dog ... you just might be a Lion.
- If you have ever asked yourself “how can I help” and meant it ... you just might be a Lion.

## District Governor Elect Gil Smith

What a **great District convention** in San Diego! The election of your new Governors team and approval of the constitution and bylaws amendments went through as expected – no real drama. We had a great time between the golf tournament, games, an outstanding visiting ID and his wife, hospitality suites, Governor Sheila's recognition of the many Lions who contributed to a successful year, the Governor's Ball and many opportunities to socialize.

I am really **looking forward to next year**. Governor Sheila has set the stage with two new clubs and overall growth in membership. I hope to build upon her successes and thank her for the support she has given and the enthusiasm she has generated.

As some of you may have noticed, **changes have been made** to the contest dates and Club of the Year form. These changes were made after being reviewed by your incoming cabinet and recent PDGs and cabinet secretaries. While there will always be some divergence of opinion, the objective is to make the process year round (rather than taking off the months of April – June) and to bring a better balance to the overall points process. Additionally, we are encouraging the clubs who do not want to fill in all the points to at least check the boxes on the COY/Monthly Club Report so the District leadership can better know what is going on within a club.

The **cabinet officers for next year** are listed below. This is a strong group that will work well as a team in planning for and implementing the membership and leadership goals and action plans this upcoming year.

- DG – Gil Smith (Pomona Host)
- 1VDG - Ken Myers (Upland Host)
- 2VDG - Bob Susaeta (Orange)
- Secretary - Marianne Allen (Harbor Mesa)

**My overriding objective is to bring value from the District to the clubs.** Clubs that are growing and taking on more community service projects should be commended. Clubs that are stable can always become better through proactive efforts on a number of fronts. For clubs that have declining membership and/or few community service projects, there are many resources available to you within the District. No club should be satisfied with the status quo. We should always be willing to improve and reinvent ourselves as needed. Your District officers are here to help.

Thank you for your support and encouragement. I am always available to listen to your thoughts. I don't do Twitter and am not proficient at texting (big thumbs), but I would love to hear from you by phone or email.

We have a very motivated and resourceful group of cabinet officers and committee members who have the talent and knowledge to help any club achieve its greatest potential.

# 1st Vice District Governor Elect Ken Myers

With a new year in Lions starting this July 1<sup>st</sup> 2014, it is a good time to take a closer look at our club's. The first step is to go through The Club Excellence Process (CEP) it is an interactive process that brings members together to look at what your club is today and what it will be tomorrow. It gives you the tools to strengthen your service, improve club effectiveness and enhance your membership experience. CEP is the perfect resource for any club that wants to achieve excellence!

CEP comes in two formats. CEP Pro is a facilitator guided workshop and CEP Lite is a self guided workshop which members of your club acting as the coordinator. CEP is divided into three main activities, Community Needs Assessment, How are your ratings and Develop an Action Plan.

Community Needs Assessment will let you know what kind of volunteer service your community needs. What projects and programs is need in the community. Also if you're current projects are still needed. And if other organizations are providing any services are projects in your area.

How are your ratings? LCI's "Membership Satisfaction Guide" is one tool that will help you determine your rating. This book is on-line at the LCI web site and copies can be ordered free of charge from LCI. The Membership Satisfaction Guide has two steps, 1- Define member satisfaction and 2-Create your clubs membership satisfaction plan.

By determining your member satisfaction you will have a better understanding of how your members feel about Lions and their input on how the club is doing and what if any needs to be done.

Create your club's membership satisfaction plan addresses five issues former Lions cited as reasons for leaving:

- Unproductive meetings
- Personal reasons
- Membership issues
- Club culture

Service  
Develop action plans are created in your CEP work shop.  
As your 2VDG thank all of you Lions for your support and input.

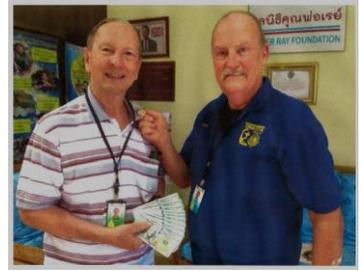

District 4L4 is the best.

## ORPHANAGES OF THAILAND

By Lion John Doogan

Many amazing and wonderful things have happened on my recent trip to Thailand thanks to the support of District 4-L4 Leos and Lions.

We were able to make a donation to Brother Denis Gervais, VP of the Father Ray Foundation. With this contribution, "The Father Ray Center for Children With Special Needs" building was able to start construction. It will be the only center of its type in South East Asia offering schooling, therapy and family support for poor families at no cost. There will be plaque in the front entrance recognizing the contributions of the "Orphanages of Thailand" Leos and Lions"

On Saturday May 10, we donated 100 scholarships to very needy students. The scholarships will help some stay in school and others with their advanced studies (AP Classes).

The "Orphanages of Thailand" is helping to build a Buddhist Temple ( Wat in Thai) on the land of the "Children's Shelter of Wat Bot". The temple will help bring many resources and volunteers to Help our kids.

About the temple, it name is 4 angels watching over children in English. The Temple is built with very special wood, from trees that can only be cut down to be used in constructing very select type of holy temples. The construction methods date back hundreds of years, using many hand carved wood panels, features and creatures.

This temple is unique. Most Wats are made of 90% cement! People are traveling from all over Thailand to experience this amazing work of spiritual art.

# CABINET SECRETARY

## JOAN PARKS

The convention is over and what a great one it was. The convention committee deserve a big thank you for their hard work and the wonderful party put on for DG Sheila Casteel.

As I have stated before it has been an honor to work for and with DG Sheila. I truly enjoyed my time. I have come to know and appreciate this lady for her many qualities and dedication to District 4-L4 and Lions in general. She is a terrific lady.

Each club secretary has done a great job this year and I want to commend and thank each one of you for your reporting and prompt responses when I needed them. I appreciate each and everyone one of you and the hard work you have put in this year. We are all volunteers and we all fully understand what we need to do to help our club and district, but more importantly the members of our community we serve.

It has been an honor to serve this wonderful District as your Cabinet Secretary this year, and to work alongside so many really great people. Thank you for the opportunity to get to know so many more of you.

I'll be around and get to spend time with many of you over the next Lions year, so until we meet again.....

Fellow Lions of District 4-L4,

As many of you may recall, this year the three governors (Sheila, Gil and Ken) announced that there would be some changes to contest dates for the current year and further changes that may occur during the upcoming year. Let me share with you with the time periods that will be used going forward. Further details will be forthcoming.

### Contests utilizing July 1 - March 31

- President of the Year
- Secretary of the Year

### Contests utilizing April 1 - March 31

- Lion of the Year
- Club of the Year (Divisions will be based upon the March 31 membership numbers)
- Membership Contest (based upon the March 31 membership numbers)
- Visitation Contest - new chair is Joan Parks. Minimum numbers for a qualifying visitation are as follows: Division A - 2, Division B - 4, Division C - 6, Division D - 8.
- Bulletin Contest - new chair is Dee (Chambers) Holte.
- Blood Bank Contest - will likely be discontinued.

### Awards utilizing July 1 - June 30

- LCI Club Excellence Award
- 4-L4 100% Secretary Award - rules are being revised to more effectively reflect what a club secretary has control over.

There also will be some revisions to the Club of the Year (COY) form, for which Joan Parks and Marianne Allen are anxiously awaiting. It will be a dual purpose form - COY for those who wish to be considered in the contest and a monthly club report with abbreviated reporting requirements for the rest of the clubs who did not wish to engage in the COY process. This year we did away with the duplication between the old VAD form and COY in an effort to reduce the amount of paperwork, but unfortunately we have not been receiving the level of information that was hoped for. The revised form will be out by the end of this week.

The changes discussed in this email have been reviewed by the three members of the incoming governors team for next year and other key Lions who will have to implement these processes. Thank you for your patience. As always, if you have any questions, concerns or recommendations, please feel free to call or email me.

DG Elect Gil Smith

# District 4-L4 Convention 2014

## Fantastic Foothill Region

By Foothill Region Chair  
Barbara Smith

Thank you everyone for your support and friendship throughout the year! I am so proud of all of you and what you have done for your communities. While I will not be on the cabinet next year, I will continue seeing all of you as I tag along with Gil to district functions. For that I am glad.

As I reflect on the concluding term, I find myself grateful for many things. I am especially grateful to Governor Sheila for bringing such bouncing enthusiasm to the Lions, to PDG Mike and Sandi Scheafer and their team for a fantastic convention, to all the people who helped with Gil's campaign and parade, and finally to PDG Ellen Liebherr for her incredible talent and time expended in making our District Forum the best district newsletter that I have seen. Thank you to all the district leaders and all the clubs who have made our district vibrant and alive this year!

Every club in the Foothill Region has submitted interesting information for this month's region report. Take time to read about the clubs and their activities and enjoy the photos. Let's begin the tour around our region, going alphabetically.

**Chino Valley Lions** – Submitted by Secretary Drew Sasser

We had ten people work at the Chino Air show, over 100 man hours. We did glasses for the kids in the school district, and two members attended Bingo sponsored by the Kiwanis Club. We had a Pieology fundraiser, and our Boy Scouts had 40 manhours of trail clean up in Chino Hills. Our Student Speaker made it to the district Level, but was beaten there and plans to come back next year

**CUCAMONGA DISTRICT HOST LIONS** – Submitted by President Andy Megaw

Cucamonga District Host Lions held their 10th Annual Blind Buddies Golf Challenge last month to promote athletics for sight-challenged people. Lions Tony and Nancy High, along with coordinator Bill Davis organized the event and raised money to bring 18 participants to Empire Lakes Golf Course in Rancho Cucamonga. Each participant had the opportunity to learn basic fundamentals of putting, chipping, and hitting balls on the driving range with instruction by PGA golf professional Mike Marcum. There was a closest-to-the-hole contest at the chipping and putting areas and a longest drive contest. Volunteers were on hand to assist and provide instructions to each participant. "This is always a great event for our Lions and our club. I want to thank all the Lions who came to help.

The participants had a tremendous time and appreciated us taking the time to put on this event. We couldn't be happier being able to put this event on. We will be back again next year!" said Lion Tony High. The awards luncheon after the tournament offered great food and fellowship. All participants were given awards and winners were given an additional trophy.

**ONTARIO HOST LIONS** – Submitted by Debi Nichols

The Ontario Host Lions Club has been busy preparing for their major fundraiser of the year, The Fourth Annual "We Serve" Golf Tournament. It will be held at Sierra Lakes on Thursday, June 19. Our goal is 140 golfers joining in a day of fun and fellowship, with many golfing activities including the \$10,000 hole in one and chipping contest. A dinner will follow with wine tasting and great raffle prizes. We would love to have all Clubs in the District represented as well as our District Officers, both past and present! *Please see the Golf Tournament flyer in this Forum.*

**ONTARIO UPLAND LIONS** – Submitted by Acting President PDG Elizabeth Warren

Besides doing all of our usual service to the community, the Ontario Upland Lions Club had a very successful Tea Party Fundraiser. It was well attended and IPDG PJ and 1st VDG Gil did a wonderful job serving champagne, while dressed in very elegant tuxedos! It is one of our major fundraisers.

The club is looking forward to the installation of new officers. The installing officer will be 1st VDG Elect Lion Ken Myers.

**POMONA HOST LIONS** – Submitted by Secretary Beverly Sugerman  
 Pomona Host Lions have been busy this spring. In early April, eight Lions participated in the City of Pomona Beautification Day, an annual clean up event. They helped paint railings at City Hall and weeded and mulched flowerbeds in front of City Hall. With another group of volunteers, they also cleaned the library parking lot. At the end of April, six Lions participated in the Pomona YMCA Healthy Kids health fair. Five of the Lions ran a beanbag toss game. Lion Carmen Morris, a hearing instrument specialist, brought her audiology equipment and performed 25 hearing screenings. In early May, the club once again participated in the Nancy McCracken Learning Expo at the Fairplex. Nine Lions worked at our booth. Our beanbag toss game was as popular as always. In addition, we had a continuous slide show running that highlighted Pomona Host Lions activities. Another of our Lions brought his collection of snakes and other animals and talked to the children about them. Our participation netted us a new member, also. In mid-May, several Lions helped our Golden Springs Leos at the school fundraiser. We also held our monthly PlarnFest. On May 20, with Lion Frank Guzman's planning, we held a Measles Initiative Fundraiser at JoJo's Pizza Restaurant in Chino Hills. We do not yet know how much money we raised, but we look forward to sending a check to LCIF. On May 28, Pomona Host Lions will field a team of three at the annual Trivia Bee, which is a fundraiser in support of the Pomona Public Library. The evening includes a buffet dinner and the contest. Last year, our team won with the final answer of Lady Gaga. The last Flag Day presentation will take place on May 30 for four classrooms at Arroyo Elementary School. The presentations will begin again in the fall around Veteran's Day.

**Upland Host Lions** – Submitted by Secretary Keith Krumwied  
 On Saturday May 10<sup>th</sup>, our Club, along with members of the Western University Lions conducted sight and hearing screening at the Upland Recreation Department Annual Health Fair. The Lions Sight and Hearing Van was manned from 10 AM to 2 PM and performed 62 screening exams. 27 of those exams were for children. There were six students from the Western University School of Optometry and six Upland Host Lions involved in this Health Fair. The Cooper Museum in Upland Held its annual Veterans Day Car Show on Saturday, May 17th and asked the Upland Host Lions help in staffing the event.

Five Lions from our Club volunteered. We performed various duties at the Car Show, as requested. At the District 4L-4 convention, Upland Host Lion Ken Myers (now 1st Vice District Governor) was presented with the International Presidents Leadership Award. This is the third highest award in Lionism.

As is our tradition, Upland Host Lions donated a \$75.00 scholarship award to two outstanding students at Upland Jr. High School and two outstanding students at Pioneer Jr. High School. The club is also hard at work, preparing for its annual Fish Bake.

**WALNUT DIAMOND BAR LIONS** - Submitted by Secretary Karen Hormuth

On May 19, 2014 at Walnut High School's Annual Awards Ceremony, the Walnut Diamond Bar Lions Club presented three \$1,000.00 scholarships to three graduating students. The club also collected 95 pairs of eyeglasses and three hearing aids during the month. In addition, the club continued its collecting, inventory and distribution of food from the Walnut Food Bank.

**WESTERNU LIONS** – Submitted by President Ken Van

We had three health fairs in the month of May.  
 May 4, 2014 - Nancy McCracken Expo - We performed Vision Screenings on 40 Pomona children and adults and made referrals to our clinic. We also provided an education booth about ocular diseases.

May 7, 2014 - PCHAT Clinic - We helped PCHAT (Pomona Community Health Action Team) perform sports physicals by checking the vision acuity and pupils of high school athletes. We also performed vision screenings on ten children and adults.

May 10, 2014 - Helping Upland Lions Club - We volunteered to help Upland Lions Club in a health fair by using its mobile clinic. We screened over 50 Upland family members on testing their hearing, looking for any type of ocular diseases, and performing vision screenings. We also educated patients on how they could improve their health.

# Three Southern California Clubs Combine Efforts to Fight Cancer

There was a fundraiser on May 9, and it was MURDER! In an outstanding example of inter-club cooperation, District 4L4 clubs Buena Park Noon, Harbor Mesa and Stanton pooled their efforts and resources to raise thousands for the American Cancer Society's Relay For Life®.

It all began last August when the Harbor Mesa Lions held a murder mystery fundraiser dinner. Member Carol Van Holt likes to write and her writing led to the initial fundraiser. Buena Park Noon Lions member Loreen Berlin attended that dinner and later suggested something similar for a fundraiser for the Buena Park club's Relay For Life team. Negotiations began. The Harbor Mesa Lions quickly came on board but the Noon Lions still needed a venue, and that venue needed to cost little or nothing in order for the event to succeed. After a bit of searching, the Stanton Lions agreed to donate their clubhouse. Once an agreeable date was found, the 'Killer in the Kitchen' was on!

The mystery centered on the murder of Papa GiGi, the owner of Papa GiGi's Ristorante Italiano, so the food had to be Italian. Lascari's, a local restaurant and catering company, had been instrumental in the success of prior Relay For Life® fundraisers, and they came through again. A menu of lasagna, salad, bread and dessert was planned. Now the event, the location and the menu were set. All that remained was to find people to attend. With no idea of how successful their efforts at this new idea would be, the Buena Park Noon Lions Relay chair set a sales goal of at least 100 tickets. It seemed ambitious in the beginning, but after more than two months of planning, publicity and sales efforts, 113 tickets were sold. A fourth District 4L4 club, the Anaheim Lions, helped by purchasing 18 tickets.

To supplement the ticket sales, the Buena Park club put together a silent auction that included tickets donated by local theme parks, Knott's Berry Farm and Disneyland, Buena Park attractions Medieval Times, Pirates, Titanic and Bodies, as well as items such as play tickets and gift baskets. Additional sources of cash were a 50/50 opportunity drawing and a cash wine bar.

In addition to the evening of the big event, the Stanton Lions made their clubhouse available for multiple rehearsals by the cast. Stanton Lion Sara Neal and her husband Dave set up and decorated the room, then Lion Sara served the lasagna while Dave directed parking and provided security. The Harbor Mesa Lions cast, under the direction of Lion Carol, along with honorary cast members from the Buena Park club and some audience participation, presented their play. There was a lot of laughter as the secrets (and potential motives) of the various players were revealed. The audience was then asked to make their guesses as to the identity of the murderer. Once dessert was served, the culprit was arrested and the successful guessers were rewarded with lottery scratcher tickets.

The event ended with the 50/50 drawing and silent auction sales. Everyone agreed the evening was a great success and there was much talk of subsequent events. There will very likely be more cooperative efforts in the future; meanwhile, the big winner was the Relay For Life®.

## Student Speaker Foundation

Thank-you District 4 L4 for your generous donations to the Student Speaker Foundation. Because of all your donations of money, used cell phones and ink cartridge our District surpassed the \$7,500 goal set for each District by MD4.

This month I want to Thank Laguna Niguel and Seal Beach Host Lions Club for their donations of Harry J Aslan's and other fellowships which they will bestow upon their members. At the District Convention DG Sheila awarded Diane and Scott Quinlan with Harry J Aslan Fellows because of their contribution to the District Student Speaker Contest and YEP Program. She also awarded Lions Lyle Sutton and Camille Romano with Al Ohrmund Fellowship Plates as President and Secretary of the Year.

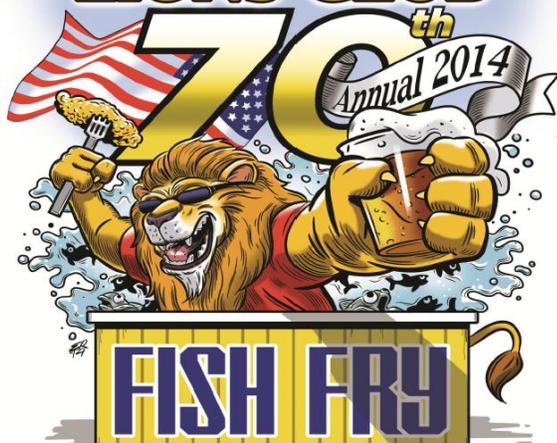

The District recognized DG Sheila also with an Al Ohrmund Fellowship Plate for her support this year of Student Speaker Foundation. Thank you again District 4 L4 you are all so generous. AS I've stated previously this enables the Foundation to continue to give away the Scholarships to these very deserving youth who compete in the Student Speaker Contests held at the District, Area and Final Contests. **The Final Contest is scheduled for June 7<sup>th</sup> in Pasadena.**

Please fill out the visitation forms and send them on via email to me at [joanrparks@hotmail.com](mailto:joanrparks@hotmail.com). I would prefer email over snail mail, but that doesn't mean I won't accept the snail mail paperwork. You can send them one at a time or a month at a time.

## END OF YEAR REPORT

From the foothills of Cucamonga to the shores of Seal Beach and San Clemente, the District Governor TEAM (DG, VDG's, and GMT & GLT) certainly helped make 4-L4 a better place in living up to the District Governor's motto "Make the World a Better Place."

Serving my third and final year as the District's first Global Membership Team Coordinator has been challenging, fun, and a rewarding experience. The District had a positive net growth 34 months out of 36 and consistently stayed in the top three in the Multiple and the top ten in North America. This year two new clubs and a Branch Club were formed. The new clubs are: Placentia-Linda and Chapman College Campus Club in Orange and the Branch Club is San Joaquin Community College in Ontario.

As of May 27th, the District is at 1,219 and when Chapman College is registered in two weeks with 22 that brings a total of 1,241 needing only 9 more new members to reach the infamous 1,250. This is the closest in ten years of reaching that goal. I encourage all clubs to bring in one new member by June 25. Unless deceased, do not drop members without a confidential exit interview by your Region or Zone Chairs or GMT. It may be possible to transfer that Lion or Lions to another club and save the member(s).

In closing, I can't encourage you enough to utilize the New Member Recruiting Pamphlet "Just Ask". If the plan is worked, it will reap positive results.

Your new GMT Coordinator is Lion Dave Hubbard and I will still be working with the team. Make sure your officers attend training on Saturday, June 14th at the Costa Mesa Community Center. This training will help you manage your clubs in an exemplary fashion. I am available any time for membership recruitment and CEP presentations.

Congratulations to all clubs for the outstanding work you do for your communities, district, multiple and Lions Clubs International.

Yours in Lionism,

PDG Norm MacKenzie

## HEARING & SPEECH ACTION NEWS

BY KEITH CAMPBELL

4-L4 Hearing & Speech Chairman

### ANIMALS and AUDIO

Pets enjoy a world of sound we can't appreciate by recognizing sounds far lower or higher than humans. Hearing range in humans is 20-20,000 Hz (Hertz); hearing range in dogs is 40-60,000 Hz. The "silent whistles" used in dog training emit sounds too high for our hearing, but can call a canine, no problem. However, puppies cannot hear until 21 days old – they rely on scent. (A European pet food commercial features high-pitched audio only dogs can hear).

A cat's hearing is extremely sensitive (55-79,000 Hz) it's among the best of any mammal. Cats don't hear very low sounds (is that why they ignore us?) But they can pick up and pounce on the 40,000 Hz calls of mice. Bad news: If you can hear a mouse squeak you've got more than one. Humans only hear the lower, long-distance communications of these pesky pets.

The range of many songbirds' hearing (50-12,000 Hz) is similar to ours. It's their ability to process sound that sends them soaring above human capabilities. While we can process sounds about 1/20 of a second long, birds can discriminate sound up to 1/200 of a second. They have perfect pitch – pigeons have been able to distinguish between the music of Bach and Stravinsky. Parrots, canaries and other birds can repeat the harmonics they hear. People often hear only a fraction of the total notes in bird songs. Researchers believe birds replay band "rehearse" songs in their sleep. And I really enjoy the unique songs of the seagulls roosting near my house.
