Funding Service. Expanding Impact. Helping More People.

Project Description

The **California Lions Foundation (CLF)** is a 501(c)(3) nonprofit dedicated to **amplifying Lions service across California** by providing **matching grants to Lions Clubs**.

CLF helps turn ideas into action by offering:

- ✓ Matching grants from **\$500–\$5,000**
- ✓ Funding for projects that may not qualify elsewhere
- ✓ Support for preapproved, designated community initiatives
- ✓ A streamlined and accessible grant process

CLF works alongside Lions Clubs International Foundation and other partners—**filling the gap to ensure more service projects become reality.**

Why This Project Matters

-  It turns local needs into funded, visible service
-  *When Lions have resources, communities receive results.*
-  *This is service made possible—faster, stronger, and more impactful.*
