

Lions of District 4-L4 Endorsed Service

California Lions Friends in Sight

Restoring Vision. Changing Lives.

♥ Project Description

California Lions Friends in Sight delivers **free vision screenings and recycled eyeglasses** to underserved individuals across Southern California and Northern Mexico.

Through doctor-led clinics, Lions help:

- ✓ Detect vision problems early
- ✓ Provide corrective eyeglasses
- ✓ Identify serious eye health conditions
- ✓ Educate communities on vision care

With over **100,000 people served** and **600+ screenings since 2010**, this program is a powerful example of Lions leading the fight against preventable vision loss.

♥ Why This Project Matters

Clear vision impacts everything—education, employment, independence, and quality of life.

When someone can't see, they can't fully participate in the world around them. **Lions step in to change that.**

♥ *This is vision service at its core—immediate, life-changing, and deeply human.*
