

Lions of District 4-L4 Endorsed Service

Lions Project for Scleroderma Cure (LPSC)

Support – Education – Research

Project Description

Adopted by District 4-L4 in 2003, the **Lions Project for Scleroderma Cure (LPSC)** is dedicated to advancing awareness, supporting patients, and funding research in the fight against scleroderma.

Scleroderma—meaning “hard skin”—is a serious autoimmune disease that can affect not only the skin but also vital organs such as the heart, lungs, kidneys, and digestive system. While often unseen, its impact can be devastating.

Through LPSC, Lions help:

- ✓ Fund critical research toward a cure
- ✓ Provide support to those living with the disease
- ✓ Raise awareness of a condition many have never heard of

Why This Project Matters

Scleroderma is a rare and often misunderstood disease—but for those affected, it is life-changing.

-  It impacts **hundreds of thousands of Americans**
-  80% of those diagnosed are women, often between ages 18–45
-  There is currently **no known cause and no cure**

 *Lions step in where awareness is low and hope is needed most.*

 *This is service that gives a voice to the unseen and strength to those fighting every day.*

How the Public Can Get Involved

You can help bring awareness and hope to those affected:

-  Support fundraising efforts for research and patient care
-  Attend or help promote awareness events
-  Share educational information within your community
-  Partner with Lions to expand outreach

💙 *Awareness leads to understanding. Support leads to progress. Together, we move closer to a cure.*

🦁 **CALL TO ACTION – LIONS CLUBS OF DISTRICT 4-L4**

Adopt. Advocate. Make a Difference.

Lions Clubs are encouraged to **adopt LPSC as a meaningful service project:**

- ✓ Host awareness and fundraising events
- ✓ Invite speakers to educate your community
- ✓ Partner with healthcare and advocacy organizations
- ✓ Share stories and promote awareness through your platforms
- ✓ Support ongoing research efforts

💙 *Because: Service + Marketing = New Members*

💙 *Be the Reason Someone Thrives*

Join Lions. Help More People. Support the Search for a Cure.
