Lions Camps at Teresita Pines & Wrightwood

Where Nature Meets Purpose. Where Every Camper Belongs.

♥ Project Description

Nestled in the beautiful **Angeles National Forest at 6,000 feet**, Lions Camps at Teresita Pines and Wrightwood provide a year-round mountain retreat designed with purpose.

These camps offer:

- ✓ Summer camp experiences for individuals who are blind or disabled
- ✓ Accessible outdoor recreation and life-enriching activities
- ✓ Facilities for Lions clubs, youth groups, retreats, and community gatherings
- ✓ A welcoming environment supported by dedicated staff and full-service amenities

At the heart of it all is a simple mission:

To provide a place where individuals of all abilities can experience the joy of nature, connection, and independence.

♥ Why This Project Matters

For many individuals with disabilities, opportunities to explore nature and participate in traditional camp experiences are limited.

Lions Camps change that.

- ♥ *They create spaces where ability is celebrated, confidence grows, and memories are made.*
- ♥ *They provide freedom, inclusion, and joy—things every person deserves.*

This is more than a camp—

it's a life-changing experience powered by Lions.
