Robyne's Nest

A Hand to Help Them Soar

Project Description

Robyne's Nest supports **at-risk and homeless students**—young adults with little to no parental support—by providing the resources they need to **finish high school and build a path toward self-sufficiency**.

Through a long-term, wrap-around approach, Robyne's Nest provides:

- ✓ Housing and basic needs support
- ✓ Mental health therapy and wellness services
- ✓ Life skills training and education support
- ✓ Transportation, scholarships, and stability

Students are referred through local school districts and are committed to staying alcohol and drug-free—choosing a better future despite difficult circumstances.

Why This Project Matters

These students are often **overlooked—but not without potential**.

- ♥ Without support, many face homelessness, crime, or exploitation
- ♥ With support, they gain stability, confidence, and opportunity
- ♥ Education becomes the turning point toward independence
- ♥ *Investing in these students is investing in the future of our communities.*
- ♥ *Lions help break cycles and create new beginnings.*
