Qualified Recipients

The following are examples of organizations who qualify to receive a donation from Lions District A-2 Charities Inc.

- Registered Canadian Charities:
 - Lions Foundation of Canada
 - Canine Vision Canada
 - Canadian National Institute for the Blind
- Registered Canadian Amateur Athletic Associations
- Certain housing corporations resident in Canada exclusively to provide low cost housing for the aged

Guidelines

There are strict guidelines which must be followed when issuing a receipt for a donation. Usually an income tax receipt will be issued only when a gift or donation is made.

A gift is a voluntary transfer of property - Usually Cash - without valuable consideration. The transfer must be voluntary. Any legal obligation to the donor would cause the transfer to lose its status as a gift.
