

The Grimsby & District Lions Club Lend a Hand

The 'GBF' is a community services non-profit organization in Grimsby Ontario that provides assistance to members of the community by providing compassionate support and material assistance. Here is an example of a Lions Club "making a difference in the community".

The Grimsby & District Lions Club annual holiday tradition is to lend GBF a hand having some fun while assembling 250 personal hygiene kits (in record time). The kits are one part of Christmas Hampers provided to Grimsby residents in need.
