# The Lion Portal

This session will provide information:

- On the changing of the log in to the LCI portal
- Why make the adjustments?
- What will be new once you log in.

## Five products. Five user experiences. Five places to store data.

## Even with the current portal, many other interactions are completely disconnected

October 2022

5

## The Lion Portal

- MyLCI, MyLion, Insights and other tools
- It will be in a unified experience called: the **Lion Portal**
- Various functions will be direct from the main portal page

## The Lion Portal

- This new portal will centralize all data and tools
- Managing club rosters and accessing reports
- LCIF donation and Members Services Center FAQs
- It **will not** affect the required reporting

## The Lion Portal

- It is the portal entry (initial login) that is changing and a different looking reporting script
- 5 different storage areas presently being used coming into one access point
- Specific data and tools availability will be based on any of the Lion position(s) you hold

## The Lion Portal

- Your current account is encrypted
- LCI can not transfer your present information
- You will be prompted to upgrade your credentials
- That is: your Username and Password

## The Lion Portal

- All Lions members are permitted to register and use the current and new portal
- Emails used now and listed on MyLCI must be the same
- Phone numbers are not supported as a username

## The Lion Portal

- To convert phone number to email username you are required to call Lions International, as they are the only ones who can change it
- 1- 630-468-6900 or [mylionsupport@lionsclubs.org](mailto:mylionsupport@lionsclubs.org)
- An email address is required at that time

## The Lion Portal

- **Shared email addresses are not permitted**
- **Unique to you**
- This is a privacy issue
- Data information is specific to the member's designation

## The Lion Portal

- No drastic changes in reporting guidelines
- It is the interface and the security with privacy upgrades behind the scenes
- Upgrades are to comply with data privacy regulations
- The new system is accessible by all devices, mobile, tablet, etc.

## The Lion Portal

- The initial conversion is focused on the existing users
- To make sure Incoming Officers/Leaders they have access in order to continue
- There will be data for individual members to use/view that they could not do before

## The Lion Portal
