

A2 Friendship Convention 2025-New Communal Hospitality Room Option!

This year, we will be offering an additional option for Clubs to participate.

The previous option for Clubs to purchase individual Hospitality rooms will still be available.

The Communal Hospitality Room will be available both Friday and Saturday night and will be held adjacent to the large Convention Room. This space will be available to any club with wishes to participate.

The space will increase accessibility for all, shared fellowship, an open format, and reduced congestion in the hallways. This option will also reduce the financial burden for clubs to participate.

Each Club will be provided with a table. Your club will be responsible to provide and serve, your food, beverages; both alcoholic and non-alcoholic. Be sure to bring any other equipment you may need: serving items, cups, ice, crock-pots, and extension cords. You can get creative with a Club Theme! If you attended the MDA last year you will recall how the hospitality room was set up.

The only additional cost to the clubs; will be contribute to the **One time fee for a Special Occasional Permit (\$50) that will cover all the clubs in the space.**

Please note that you cannot take alcoholic beverages out of this shared space.

If your club would like to participate, please reach out to:

Chair Lion Fred Arbour

Or

Secretary Lion Louise Agnew
