DISTRICT GOVERNOR COLUMN

SERVICE: LIONS SERVE

With the new Lions year under way, I want to wish each Lions Club in 25B an amazing year. A lot of our Lions Clubs were limited as to what they could do, last year, especially with fundraising. The challenge is there, because we have a lot of catching up to help our Indiana Lions State Projects. Along with them, a lot of communities need Lions help to make them a better place in which to live. We also have many people who desperately need our help.

This brings up another thing, service. Lions International is really pushing service, which is different from a fundraiser. Anything a Lions Club or a Lions member do that involves money is not service. There are so many ways that we can be of service to someone.

We can carry in someone's groceries, mow their yard, play bingo at a nursing home, or make someone's day by sending a note or card. Many people need our help in one way or another. Most will not ask for help, but they really need our help. It will make your whole day when someone is thanking you so much for your help.

An example, we have an elderly doctor who lives around the corner from us. He has two partially broken off trees. As soon as I get caught up with all my Lions things that need to be done, I'm taking my chain saws over, cutting up those limbs, and hauling them away. I take after my parents. I really enjoy helping people.

This is one huge reason, I'm a LION. WE SERVE.

Then, remember to report your service on MyLion, so Lions International knows that you have helped someone.

Continued from page 1

Also, please send Lion Jean Howard all your events and what you have done. Thank you! While I am mentioning her, I want to give Lion Jean a huge thank you for all she does for 25B Lions and for me.

Yours In Lionism,

PCC/Gov. Jerry L. Zeigler

By: VDGE Sandy Zeigler

The Bluffton Lions Club members are collecting clean caps and lids as a service project. Donated caps and lids will be turned in to a local church who are wanting to add two benches to their parking lot for neighborhood families to rest during their children's bike rides. Acceptable caps include but are not limited to: Caps from medicine bottles, drink bottles, milk jugs, creamers, detergent, spout caps, flip top lids, caps from hair spray or spray paint, toothpaste, ointment, shampoo/and or conditioner caps.

We are also collecting clean lids from items such as: Cottage cheese, yogurt, Cool Whip, mayonnaise jars, coffee cans, peanut butter, ice cream buckets under 8", and spice container lids.

Bags of lids and caps can be dropped off on the porch at: Our Home, 1121 Ridgewood Lane, Bluffton.

HELPING OTHERS THROUGH SERVICE

District B Governor Jerry Zeigler from the Bluffton Lions Club shows service in action as he takes donations into a local thrift shop. The "Change Up for Men" and "Grace & Mercy" for women are both supported in part with funds generated from the "Change Up Thrift," thrift shop. Unlike some bargain stores, "Change Up Thrift" accepts gently used, clean clothing, dishes, houseware items, glassware, books, games, puzzles, knickknacks, and furniture. When sorting through and eliminating no longer wanted items, keep in mind that these items can help others twice.

First, for those who are on a limited budget, it is a help to have a place to shop. Secondly, these two resident homes in Wells County are benefited by money that comes from purchases at this thrift store, located at 112 N Marion Street, Bluffton, Indiana.

OFF TO THE STATE FAIR

We're off to the State Fair. We will be taking a van to the State Fair to work on Wednesday, August 11. Available jobs are ticket seller, ticket scanner, and kiosk supervisor. I have reserved 10 spots for that day so I need your help in filling them. We will leave Monroe from The Lighthouse Church (formerly Monroe UMC) at 8:30. We will leave the Kroger store at Dupont and Coldwater at 9:30 and stop at Exit 278 near Warren about 10:00. We will eat lunch prior to arriving at the fairgrounds. Our shift will last from 1:30 to 8:00. We should return to Ft. Wayne by 10:30. You will earn credits towards a W. P. Woods Fellowship by working the fair. There are over 800 spots to fill during the entire fair so maybe you want to go another time.

I will be going on July 31, August 5, and August 13. As of now I am by myself those days but would welcome someone to ride with me. I have signed up for all day on those days (7:30 – 8:00). If interested, please contact me at 260-216-1101 or email pamalarn@myfibersolution.com

INFORMATION & TECHNOLOGY MINUTES

Submitted by IPDG Roger Cash
Information and Technology Chair

Recently I was asked why Lions were trying to push everyone to be online to accomplish anything. The answer is simple, from the head quarter's view it is more cost effective.

Now let us look at some issues that have come up. One is there are many who's information is incorrect on the LCI site. The main cause is that their information was initially put in wrong or the club secretary has not gone in to update or correct those records. Once year the club secretary should review and update their members records. A good time to do so is when they report the club officers for the new year.

Another common issue is over clubs and districts developing web pages and face book pages. First LCI offer each club and district a free place to create, manage and post web sites. These come with their own domain names. For a club it is e-clubhouse.org and for districts it is e-district.org. The setup is almost painless.

Next month we will look at managing web site, e-mail list and face book post.

NEW HAVEN LIONS CLUB

At our June 28th meeting, the New Haven Lions Club presented a check for \$400 to the Freedom Riders Motorcycle Club from our June 5th BBQ. This money will be used to buy clothes for homeless Vets and First Responders. Presenting the check to the group is Lion President, Dennis Stoll

DG Roger Cash and his wife, Lion Gaye visited our Club on June 14th. DG Roger spoke to our club and installed our officers for 2021-2022.
