DISTRICT GOVERNOR COLUMN

MY FELLOW AMAZING LIONS.

You all have heard what happened on August 14th when the earthquake struck Haiti. The 7.2 magnitude earthquake left more than 200 people dead and hundreds more were injured or missing. There was major devastation in several cities and then they were hit with the tropical storm. When a humanitarian crisis of this magnitude strikes, we as LIONS ARE READY TO HELP.

Lions International Foundation (LCIF) quickly responded and approved a \$100,000 in an Emergency Grant Funding to allow Lions in Haiti to respond to the urgent needs of the victims. LCIF's Campaign 100 is in it's last year of the \$300 million 3 year project. We have come a long way, but we have a way to go. Lions International has been pushing for each one of us Lions to make an individual donation. This will help reach our goal to have LCIF take on more global causes not only here, but all over the free world.

I will have Pledge Forms for all Campaign 100 donations with me, or you can go online to, donorassistance@lionsclubs.org Not only do you get credit, but so does our Lions Clubs and District 25B. It's a total win, win, so why not give something. It can be any amount that you would desire to give. It doesn't have to be a Lion either.

Yours In Lionism,
*PCC/Gov. Jerry L.
Zeigler*

BANNER NIGHT ACTIVITIES

FVDG Sandy Zeigler and DG Jerry Zeigler, on left, and IPDG Roger Cash

DG Jerry and Connie Brewer

Lion Carol Bittner was kind enough to invite Mo's wife Connie. This is the first time in 30 years since we seen each other. It was a beautiful reunion for the two of us. Lion Moe Brewer served as my District 25B Cabinet Secretary during my term as District 25B Governor in 1982/83. Lion Mo passed away a few years ago. Lion Moe was an awesome friend and Lion. He is missed, but he's not forgotten.

IPDG Roger Cash is turning over the District 25B gavel. Looking on from the left is PID Nick and absorbing from the right, is Cabinet Secretary, Lion Carol Bittner.

It was a very enjoyable evening and no one complained about being the first casual 25B Banner Night with the temps being close to the 90 degree mark.

GOALS

For those of you in business, industry, self-employed, teaching, even fitness, you know the thrust of goal setting. Deciding for oneself how to stretch beyond what had been. The old saying, "If you always do what you've always done, you'll always get what you've always got. Well, what we have done is not wrong, but as Lions can we be stretched? Can we do better? Can we reach more lives? I think we can, if we set goals.

Here Are My Goals:

(Will you make these your goals, too?)

To reach more people by telling them about our Indiana Lions Clubs.

To serve (Our motto is to serve.) more people in our communities through our Lion Clubs, and to report these service activities online.

To financially help more people through our Lion Clubs' support of local & state projects, as well as LCIF.

Then the How to:

Go to family, friends, neighbors, and other people you know.

Ask them what they know about Lions.

Tell them about Lions.

Yes, it is that simple: Go, ask, and tell.

I am excited to be a Lion, aren't you?

Share that excitement with others!

TRIVIA

INFORMATION AND TECHNOLOGY MINUTE

Before we talk about managing your website and or media sites let us address the use and need of them. A club can look at a website as their permanent presents in the virtual world. It is your place to show who and what you're are. A multi-media site such as Face Book is a snap shot of what is happening now. This lets the public know what the club is doing or will be doing in the near future. Once your club decides it wants a website, what do you put on it? You post the general information about what Lions do along with a calendar of events and how to contact leaders in the club. Brief news article along with pictures holds your reader's interest. Please note please up date the website at least monthly but preferably every two weeks. A BIG no no on a website is to post a link to your club roster.

If your club ops for a multiple media account these must be keep current with news and pictures. The sites should be up dated every couple of days to keep people coming back to the site. ON pictures they should show action with all the people identified. Please stay away from political comment.

Now how to manage you e-mail list. The club secretary along with the publicity chair should review the club's e-mail list on a quarterly basis and remove old e-mails and add any new one that they feel are needed. One way to decide who should be removed is those who e-mails keep bouncing back and those who appear to be spam. Also, this gives the secretary a chance to verify and up date the records at LCI.

CAUGHT IN ACTION

1VDG Sandy Zeigler

District B Governor Jerry L. Zeigler recently was caught in action at the Wells County Library, as he made summarizing comments to those who had attended the training session. Lions Club officers had been encouraged to participate in training for their 2020-2021 officer positions, with our Bluffton Library as one of the three on-site locations. Even if officers had been in that position for many years, they were encouraged to attend one of the three training sessions. Yes, we can all benefit from learning. Yes, even "older" lions can be taught new "tricks," as the expression goes. Those in charge of the events were pleased by the turnout. If you missed this training, officers, you are encouraged to go to MyLCI for your online training.

STATE FAIR TICKET BOOTH

FVDG Sandy was in one of the State Fair ticket booths with PDG Don Cooper, one of the head Lions. I was outside selling tickets and manning 4 ticket machines.

It was a great day at the fair and being able to help raise money for the Lions State Office Bld.

PICTURES FROM AROUND THE DISTRICT

The Land of Lakes Lions presented a WP Woods award to Lion Terry Wyatt.

"Area health professionals provided vision, dental, general physical, hearing, and immunization services to potential kindergartners in the East Noble School Corporation. Corporation staff and Kendallville Lions assisted with the screening. Here father and son are getting the kindergartner's vision checked."

On August 6th at Schnelker Park, the New Haven Lions Club sold hot dogs, chips and water. Although the crowd was slim, we were able to give an application for membership to an interested customer.

Lion Ralph Klinker and Lion Carolyn Klinker, members of the Monroeville Club, were honored as Grand Marshals of the Monroeville Harvest Festival Parade August 7th.

The New Haven Lions Club in the park on July 3rd.

REPRESENTATIVE FROM GIVEHEAR IS EXECUTIVE DIRECTOR MATT ROWAN.

We have worked with GiveHear for about five years. During that time, they have administered hearing tests and helped fit hearing aids for the Lions of Indiana Speech and Hearing Project. They have a sliding scale that they use to determine charges based on the person's income. They help primarily low income persons. We are very appreciative of the partnership we have developed with them.

BLUFFTON LIONS CLUB COLLECTING PLASTIC CAPS AND LIDS AS SERVICE PROJECT

By: VDG Sandy Zeigler

The Bluffton Lions Club members are collecting clean plastic caps and lids as a service project. Examples of accepted plastic caps include caps from medicine bottles, drink bottles, milk jugs, creamers, detergent, spout caps, flip top lids, caps from hair spray or spray paint, toothpaste, ointment, shampoo, and/or conditioner caps.

We are also collecting clean lids from items such as: Cottage cheese, yogurt, Cool Whip, mayonnaise jars, coffee cans, peanut butter, ice cream buckets under 8", and spice containers.

Bags of lids and caps can be dropped off on our porch: Our Home, 1121 Ridgewood Lane, Bluffton, IN.
