DISTRICT GOVERNOR COLUMN

WELCOME LIONS TO 2022

I'm excited about 2022 and what we Lions can do to help people, our communities, towns, to make it a better place in which to live. Not only that but a lot of other places that need our help very much. Kentucky is one of them. If you or your Lions Club wants to help the Lions and people down there, you can do that. Here's how you do that, send your check made out to LCIF Disaster Relief Fund to PDG Richard Hill at 17611 DeVall RD., Spencerville, IN, 46788. The big thing you have to do is, put a note with your money and explain that this money is to go to the Kentucky Relief for their storm damage. I cant even begin to imagine what it looks like down there.

I went down to Gulf Port for the Katrina Hurricane two years in a row with the church to build homes. There was so much destruction there for 20 mile in shore. But down in Kentucky whole towns are gone. They desperately need our help. So please consider helping yourself or through your Lions Clubs, sending it to PDG Richard Hill with your note to go to the Kentucky relief. Thank you very much.

Indiana Lions are collecting items that can be used and they are as follows: socks, gloves, t shirts, underwear, hygiene items, water, tarps, nonperishable food. This is not a complete list, more items will be added as more information comes out. The Governors and other Lions will be going down. They applied for a Disaster Grant, which are already down there.

I thank you for all your time, and all that do for the Lions, and more importantly your community.

WE LIONS DO MAKE A DIFFERENCE. TOGETHER WE SERVE.

Yours In Lionism,
PCC/Gov. Jerry L. Zeigler

LCIF HOLIDAY FUND RAISER

The 25 B District LCIF HOLIDAY FUND RAISER is rapidly approaching and it would be great if each club could send a representative and a gift to LCIF. The fund raiser is coming to an end and the goal is attainable if each club and each member would do their part.

It is more than needed right now especially pledges to disaster response. We have all seen the devastation in the south. Many other places around the world will need help in the coming year too. Plus there are the other project to support: Vision, Youth Quest, Environment, Hunger, Childhood Cancer, Diabetes, Humanitarian Effort, and Disaster Relief

We as Lion have a motto "We Serve." Let us live up to it by serving our district and our organization.

Join us at the 25 B District Holiday dinner fund raiser and have a little fun and enjoy each other's company as we support our Foundation.

NEW HAVEN LIONS CLUB

On Monday, Dec. 6th, PDG, Pres. Don Cooper presented two W. P. Woods Awards to deserving New Haven Lions Club Members. Receiving awards and pictured below are Lion Terry Elser (top) and Lion Vice Pres. Aaron Nedd (bottom).

NOMINATIONS AND ELECTIONS

Just a quick reminder that those who wish to stand for election at the **District Convention on March 19, 2022 need to send a letter of intent to run along with their club's endorsement to the chair of the Nomination and Election committee no later than February 15, 2022.** For those standing for election as District Governor or Vice District Governor must also submit the appropriate Bio form from LCI. If you need a copy of the bio form, please let PDG Roger Cash know and he will provide you with one.

Please note that with the current change in the LCI Constitution Past District Governors may not stand for re-election at the convention. If a vacancy exists after the election, then a Past District Governor may be selected to fill the vacant position. **The minimum qualifications for 2VDG are the candidate must have served as a club president, then as a zone chair or as the district secretary or treasure and have the endorsement of their club.**

Currently the open positions are 2VDG, 1VDG and DG along with the 3 year trustee for each of the State Projects. The 1VDG/DGE should be standing for election as DG.

A note to all clubs in the district your club should hold your election of officers by the 1st of May and reported to LCI no later than May 15, 2022. This will facilitate the DGE in completing the District Directory in a timely manner.

PDG Roger Cash, Committee Chair

DISTRICT MEMBERSHIP CHAIR

The year is half over and our membership number are not looking great. Although there are some clubs that are working hard at getting new members. Keep up the great work. Others are not doing so great. Remember many people are waiting to be asked.

So far this year we have lost 1 club. Our total membership is 1061. We have added 47 members and drop 43 members for a net growth of 4 members. I would expect to see a loss when I get the December report because many clubs drop inactive members in December. Instead of dropping them let us try to re-energize them and keep them active.

There is still a great need for people to serve. What a better way than asking them to serve with us.

LCIF UPDATE

Campaign 100 is starting to wind down. As of this writing, over 230 million has been donated world-wide towards our goal of 300 million. In District 25B, 20 or 47 clubs have made a donation and 23 of 1062 Lions have given an individual contribution. Our district goal is to have 6% of Lions give an individual donation and 100% club participation. Across the US, only about 3% of Lions give individual donations. If you have not yet given a donation, you have an excellent opportunity to do so by attending the District Social and LCIF "Fun"raiser on January 15 at the Community Center in New Haven. The cost is \$25 and \$15 of that will be an individual donation to LCIF in your name. Advance registrations are required. Registration forms have been sent to your club president, secretary, or both. Or email me that you need one, and I will send it. Email: pamalarn@myfibersolution.com

SCHOOL SIGHT UPDATE

We have finished vision screening for grades 1,3,5,and 8 for this year. We screened 9369 students in 56 school buildings. Of those, over 1000 were referred for further testing. Hopefully those that need help will get it. We had several new people help screen this year but we still need more. We traveled all the way to Westview School Corporation (Shipshewana/Topeka area). Next year we are trying to get into Lakeland and West Noble schools. It would be nice if we could get Lions Clubs in those areas involved next year. It would save some driving for some of us. If you are interested in helping screen or “herd” students, please let me know and we can put you to work. Most screenings are in the morning and done by noon. Many times we go eat out afterward for fellowship. Please contact me at pamalarn@myfibersolution.com or 260-216-1101 for more information.

HOWE LIONS CLUB

The overhead Christmas lights went up in Howe on [Saturday, December 4](#). For many years now the REMC Electric Co. of LaGrange County has helped the Howe Lions Club put these lights up. The REMC employees in the buckets are Lee McNall and Gerald Young. Thank you REMC for another successful lighting of the town of Howe.
