DISTRICT GOVERNOR COLUMN

It's hard to believe that Thanksgiving is coming up so fast. Hopefully, your Lions Club is getting back in gear after a year of not being able to do what our Lions Clubs usually do each year.

Our District 25B is doing a great job getting back in the swing of things. A lot of fund raisers have already taken place and many more are coming up.

I have had the opportunity to make my official visit to several of our Lions Clubs and many more are already set up. If your club has not booked the Governor's Official Visit, please contact me, so we can get your club's visit on the Lions Calendar. Thank you.

Along that line, please reach out to our Lions State and District Project Trustees and invite them to speak to your Lions Club to bring you up to date with our projects. We have a lot of good Lions who can tell you about: Cancer Control, Leader Dogs, VISIONFIRST, and Indiana School for the Blind & Vision Impaired.

You can also bring in representatives from your local organizations who your club help or who you would be interested in assisting. This aids in sharing what Lions are all about, and it is also a great way to get new Lions Club members into your club.

The second District 25B Cabinet Meeting is coming up on November 13th. It will be at the Seminary United Methodist Church in Roanoke. Sign-in is at 8:00 A.M.

Yours In Lionism,

PCC/Gov. Jerry L. Zeigler

HOLIDAY GATHERING

It's beginning to feel a lot like Christmas. Well maybe I'm rushing it a little bit, but I want to talk a little bit about the holiday time and what we have planned here in District 25B.

So get out your calendars and mark down January 15, 2022. We will have a holiday get together for the District. It will be at the New Haven Parks and Recreation Center.

PDG Terry Marker

tmrkr@yahoo.com

260-636-0165

7. Jamaica
8. Laying blocks in building construction
9. Mississippi
10. Katrina Hurricane

NOMINATIONS AND ELECTIONS

Just a quick reminder that those who wish to stand for election at the District Convention in March 2022 need to send a letter of intent to run along with their club's endorsement to the chair of the Nomination and Election committee no later than February 15, 2022. For those standing for election as District Governor or Vice District Governor must also submit the appropriate Bio form from LCI. If you need a copy of the bio form, please let the committee know and they will provide you with one.

Please note that with the current change in the LCI Constitution Past District Governors may not stand for re-election at the convention. If a vacancy exists after the election, then a Past District Governor may be selected to fill the vacant position. The minimum qualifications for 2VDG are the candidate must have served as a club president, then as a zone chair or as the district secretary or treasure and have the endorsement of their club.

To All Veterans

Whether At Home Or Abroad
Active Duty ~ Reserves ~ Retired

All Americans Say:

THANK YOU!

RECOVERY

By FVDG Sandy Zeigler

People have been wondering how I am doing. Before the pandemic, I struggled with severe pain and numbness in my right arm.

Then, I found a new pain management doctor who headed me in the right direction.

With first X-rays, then an MRI, it confirmed that my pain was being caused by severe stenosis and spurs on my neck that were infringing on my nerves, hence the numbness that I had been feeling.

I was referred to a neurosurgeon, who performed my surgery on September 20th.

My throat was horizontally slit. Dr. Qureshi removed the disc between C6 and C5 and also the disc between C5 and C4. In the space where the discs were two cages were surgically inserted. Afterwards, I had had problems swallowing. My neck's swelling is lessening.

My muscles will heal faster from where they were slit in my surgery; but I have been told it may take 6 to 8 months to a year for the nerves to heal. My neurosurgeon has told me that they might not heal.

Please remember if you see me out & about if I'm not smiling that I am still in a lot of pain.

FROM YOUR DISTRICT MEMBERSHIP CHAIR

As we enter the holiday season I know many of you have activities. It is a great time to ask your new members to help, but also a great time to ask members of your community to help. Show them what Lions do.

If you are looking for ideas to attract new members look no further than this issue of the Hoosier Lions. MD 25 PR Chair Lion Carlyle B. Edwards wrote an article titled: **(Almost) 100 ways to recruit new Members. It is thought provoking.**

Another place you might look if the Global Membership Approach for CA1 and CA2, which is found on Facebook.

The LCI Website as lots of ideas to.. But is all comes down to JUST ASK!

District Membership Chair

INFORMATION AND TECHNOLOGY MINUTE

As we look at the role of the Information and Technology Committee, we need to realize that other committees are impacted. For example, the Protocol Committee. This is because there are certain protocols and educates that are involved in sending and receiving e-mails. One of those is that we don't send e-mails in all capitals as this is considered shouting. Also, if there are multiple recipients to the message and you should only reply to the author and not to all unless your comment adds to the message.

Another protocol in receiving an e-mail is to check your e-mails at least once a day. This allows for timely discussions of the matter contained in the e-mail. Also, the body of the e-mail should be kept short. If more information is necessary then use an attachment. Those attachments need to be in one of four easily opened formats. Those formats are (in order of preference), PDF, word document, excel and jpg.

A basic rule of thumb on deciding to send an e-mail is to ask a couple of questions. The first is would a phone call be more effective? The second is how urgent of a reply is needed? And thirdly is this the most effective means of getting the information to the recipients?

Now a brief word to club secretaries and club presidents. Please take a few moments and review the information on your club and your members as listed in LCI. Often there are changes in e-mail addresses and meeting location that do not get up dated thus causing members not to get information from the club, the district or LCI.

PICTURES FROM AROUND THE DISTRICT

Had a great Official Visit to the Stroh Lions Club.

Pictured from the left, President Ken Hensch, DG Jerry, treasurer John Wylie, and secretary Steve Hamilton.

The Stroh Lions Club does wonders in their small community.

From left: Kendallville Lions Club president Ken Lash, sponsor Tony Blomeke, and new inductee member Ryan Eakins. The recent Club meeting also included preparations for the annual turkey dinner [October 25](#) at the Community Learning Center. Takeout meals can be picked up at door 13 on the north side of the building.

Zone Ch Lion James Bush had his first zone meeting at the Zanesville Lions building.

Lion Melba Edwards and the Zanesville Lions hosted and fed the Lions.

Z Ch Jim had Pastor Rusty Strickler from the First Baptist Church in Warren.

He was a pastor at the Crow Indian Nation for several years. It was very interesting hearing about being there for them. Just like, We Serve. □
