DISTRICT GOVERNOR COLUMN

Lions we are approaching the end of another year with Christmas just around the corner. With the approach of 2022 year we have a lot to do. There's so many people and communities that need our help. We can do so much more as Lions than we can ever do by ourselves.

A Service Project is one example of doing a service for someone that could be done by ourselves. Like visiting a Veteran at a VA Hospital or just sending a Christmas card. There are far more Service Projects that we can do as a Lions Club. It could be helping an elderly couple by raking their leaves and then hauling them away. Cleaning up a roadside, or painting something in your town. Most of our communities could use some help that your Lions Club could do.

Our Lions International Vision is to be a global leader in your community and humanitarian service. The Mission is to empower volunteers to serve their communities, meet humanitarian needs, encourage peace and promote international understanding through Lions Clubs.

Another thing we need to be doing is rejuvenating our Lions Clubs with

1. What opportunities exist to expand membership?
2. What is your membership recruitment plan? Do you have a membership chairperson?
3. Does your club conduct meaningful inductions and provide effective orientation?
4. Are members encouraged to sponsor new members? Are they recognized?

My FVDG Sandy and myself want to wish you a very Merry Christmas and a Great Lions New Year. God Bless

Yours In Lionism,
PCC/Gov. Jerry L. Zeigler
