MUSINGS OF THE DISTRICT GOVERNOR

Why are you a Lion? Over the pass few months I have had people ask me this. Some were just curious about what Lions do. Others knew that I had served in various leadership positions at a bit of expense to myself. Then there were those I had asked to join me in serving as a Lion. Now each of these take a little different answer.

To those that were just curious about Lions the answer is simple. By being a Lion, I join with others in providing needed service to my local community as well as to those in need around the world. For those that I ask to join me in serving as a Lion, it is a bit of a different answer. As an individual one can only do so much to serve those around them but when we join together in an organization like Lions our efforts are greatly multiplied.

But what of the question on why take on the leadership roles. A simple answer is, "No one else stepped up." But the real answer is if we don't have those who are willing to lead, we will soon be a totally non-functioning organization. This goes for any non-profit or business enterprise. As to the cost. Well, I have found the cost is well out weighed by the return in seeing so many blessed by the service we provide. Yes, as Lions we pay to serve. Then again as David in the scriptures said, "I will not give that which coast me nothing."

I have written much to get to these questions. Why are you a Lion? What do you want to get out of being a Lion? How are you serving both your community and your local club? I don't ask these questions lightly. This has been a challenging year with the pandemic and other issues, but we are Lions. That means that we are here to help others in their time of need. And, yes, I have heard many reasons (excuses) this year. I see many who feel that they have given already. Yet, I have found no where we are told to ever stop helping others. Then those who say, "I have already served." This may be true but what have you done to encourage others to move up in the leadership after

Continued on Page 2

your service? Other have claimed their age or their health has prevented them from serving. Then I look at the list of those we have lost in death this year and I see their service right up till the last. Yes, I agree that there have been several challenges this year but we need to keep moving forward. We need to look at ways to pull together and increase our service to others.

Now, to change the topic a bit. On March 13th we will be holding our District Convention. At this convention we shall be electing a new District Governor, two Vice District Governors and several new trustees for the state projects. The convention will be held at the Heritage Hall at the Fair Grounds in Huntington. Registration will begin at 8:30 AM with the opening at 9 AM. There will be a choice of three different box lunches to choose from when you register. Those attending will have a choice of breakout sessions. ID Steve Thornton will be speaking at one of those and PDG Al Arnold will be presenting one on LCIF. Attendees are encouraged to bring an item for the silent auction. This a tie for us to come together and have fun while seeing what is happening in our District.

A reminder that this Lion year has several more months to go. So, here are some reminders of things that need to happen. First each club needs to submit its MMR monthly and report their activities when they occur. Secondly club level elections need to happen and be reported to LCI no later than May 26th. Also, club secretaries need to review your member's information at LCI and correct any and all addresses, e-mail addresses and phone numbers. This last will help the DGE to produce a district directory that will not have to have multiple corrections. Please note if you have officers that are repeating in their position, they still need to be reported for the Lion year 2021-2022.

DG Roger Cash

LCIF UPDATE

As of February 1, District 25B has donated \$5855 to LCIF. We are still running a little behind last year's donations. There have been donations made by eighteen individuals and fifteen clubs. We are still trying to get 75 Lions from District 25B to make an individual donation. Also, we would like to have donations from 100% of our clubs. Please consider a donation and make it prior to May 31 so proper credit can be given.

There will be a silent auction at the District Convention to raise money for LCIF. If a club would like to donate an item for the auction, please contact either PDG Al Arnold or PDG Terry Marker as to what you will donate. Clubs that donate an item will have the amount that item raises credited as a donation from that club.

The total raised world wide is \$191,418,158 towards the \$300 million dollar goal.

2021 INDIANA LIONS STATE CONVENTION

The Council of Governors gave a big "thumbs up" on continuing with the State Convention Committee's plans to hold an in-person State Convention to take place in Indianapolis from April 30th thru May 2nd. This will be the 100th State Convention – come join your fellow Lions in this centennial celebration!

All safety protocols and directives from the Marion County Public Health Department, the governing agency in Indianapolis, will strictly be followed and enforced by the hotel staff and committee volunteers. SAFETY is the priority. We are encouraged with the falling numbers of hospitalizations and the increasing availability of vaccinations and that conditions will be significantly closer to normal conditions than what we have experienced the past year.

A registration form for the convention as well as info on other areas where information can be found about it. Register now prior to the deadline – if conditions would change and it would need to be cancelled all money will be refunded.

We hope to see you there!

The Information and Technology Committee for the Indiana Lions is composed of a representative from each district. Regularly, the committee will provide information regarding all things technical that will help you remain safe, secure, and knowledgeable about the devices and platforms you use. Feel free to suggest subjects to your district chair that you would like covered in future newsletters.

PART #1 - WHAT IS A DOMAIN NAME AND WHY DOES MY CLUB/DISTRICT NEED ONE?

A domain name is an important component of any modern-day club/district, especially in this new digital age. A domain name is something used by a club/district to identify your website. Even if you have a FREE club/district website through Lions Clubs International, your custom domain name helps to identify your club/district AND (when chosen correctly) will be easy to use in your club/district marketing materials.

In order to obtain a domain name for your club/district, you must purchase your domain name from an authorized Domain Name Registrar. There are many companies out there but we strongly suggest using one of the popular and long-standing registrars: Domain.com (domain.com); GoDaddy (godaddy.com); Network Solutions (networksolutions.com).

Purchasing a domain name is an annual purchase (although many registrars offer a multi-year purchase option). The price of a domain name will vary slightly from registrar to registrar but on average the cost will be between \$7-15 per year. The best type of domain to purchase is always one with a .com extension but in the case of a Lions club/district, a .org extension is also a good selection.

Once your club/district has decided on which registrar to use and has selected a domain name that best fits your local club/district, it's time to set everything up properly. We'll cover these issues in Topic #2 of the series in a future newsletter.

ANGOLA LIONS CLUB

Lion Chet Pinkham called Lion Tim Crooks (treasurer, Angola Lions Club) to inquire if he knew of someone I could hire to remove about a foot of snow from my driveway. Instead he told me that he would be there in a few minutes with his snowblower. After he had cleared my driveway, I offered him a cup of coffee. He declined, as said he had two more driveways to clear. Below is a photo of Tim clearing my driveway

Due to the continuing concerns about the coronavirus (COVID-19) pandemic, the board of directors voted to transition the **2021 Montreal Lions Clubs International Convention to a virtual event that will be delivered totally online.** This decision was made with the health and safety of our Lions, staff and vendors in mind as limiting international travel and large gatherings is key to global containment strategies.

- The registration fee will be US\$50 until March 31, then US\$75 beginning April 1.
- The registration fee for Leos will be US\$30 regardless of date.
- The Convention is currently scheduled for June 25-29.
- Additional event and registration details will be provided soon

The Indiana Lions International Convention Committee will publish more information as it is released. Or you can check the LCICON tab at www.LionsClubs.org

And we are still selling our new Indiana Shirts, so that we will all look good in the Virtual International Parade.
