Notable Quote: "Always remember that you are absolutely unique. Just like everyone else." — Margaret Mead

District Governor's Message

As I sit here reflecting how different this year has been so far compared to the 2008 - 2009, I realized that what is happening is that in 2009, when my year ended, we had 1326 members to draw from, and most had many years of service to both the clubs and the District. We now have 807 members and we are shrinking.

It is my feeling that right now leadership is one of the most important ways to stop our clubs from disbanding and our membership from shrinking, and I encourage clubs to think about sending members to both the Leadership Institutes held at Higgins Lake November 8th - 10th . This Institute will not only help you with Lions, but in all you do in your life.

Also think about sending a group to the Michigan Forum to be held at the Holiday Inn Grand Blanc on February 22nd 2020. There you will also have the opportunity to attend various sessions on Lions. This one day Forum is considered by LCI to be one of the best in the Country.

We need to stop losing members and we need to start asking others to join us so that we can serve our communities.

Please give me a call and schedule with me when you would like me to visit. I am looking forward to coming to each and every club.

LCI President's Message

Dr. Jung-Yul Choi

And

LCIF Chairperson — Gudrun Yngvadottir

Dear Lions,

Disasters can devastate lives in an instant.

Hurricane Dorian struck the Bahamas this weekend with 130 mile-per-hour winds and heavy rain, destroying homes, flooding communities and impacting countless families. The threat continues as it heads towards the east coast of the United States. This is a time when many people have nowhere to turn. That's why we are Lions.

Lions Clubs International Foundation (LCIF) is working with Lions to provide immediate relief to the families who are struggling get back on their feet as this devastating hurricane continues.

You can help them. Your generous donation to LCIF will help us respond to Hurricane Dorian and wherever we're needed around the world.

I want to help now

Together, we can rebuild lives when disaster strikes.

Regards,

Dr. Jung-Yul Choi, International President

Gudrun Yngvadottir, LCIF Chairperson

We Serve

Dear Lions,

We may have not met personally, but I believe I know who you are: You are a motivated person who wants to make a difference in the lives of people who are less fortunate. This is who we are, it's what Lions do. But every now and then, we need something to spark our imagination. Inspiration!

This newsletter is packed with inspiration. I am especially excited for you to watch our new videos, showcasing stories about LCIF's real impact in communities. As you will see, Lions' service means both *doing* and *giving*. The power of a donation is palpable. You will see the pride children feel when they learn to manage diabetes on their own. You will see the relief of a hurricane victim receiving much-needed food and water. You will see children run and play, safe and worry-free, outside their newly renovated school.

As I watched these real-life beneficiaries embrace the changes LCIF has made possible, I found myself wanting to do more. I want to be a part of a project. I want to give. I want to motivate others to give. I am inspired!

This newsletter also brings you a new way to share stories. You know I believe in the power of storytelling. This is *your* opportunity to inspire others. Tell us about *your* projects that have been funded by an LCIF grant. Share how an LCIF-funded project has personally touched you or someone you know. Become a storyteller. All around the world, your fellow Lions and friends want to know about the incredible work Lions and LCIF are doing together.

Whatever captures your attention or stirs you to tell *your* story, I hope you feel inspired.

In friendship,

Gudrun Yngvadottir, Chairperson

— PDG Barb

Dear District Governor,

Congratulations! Your district has qualified to participate in the District and Club Community Impact Grant (DCG) program. DCGs are provided by Lions Clubs International Foundation (LCIF) to clubs and districts to empower their service and extend the impact of their partnership with LCIF.

Your district qualifies for the program based on cumulative donations of US\$12,893 to LCIF during fiscal year, 2018-2019. This amount does not include any donations from qualifying clubs in your district that may have already opted to utilize their qualifying 15% at the club level. This means at any time during Lion year 2019-2020, you can apply for a DCG to support humanitarian activities in your community in an amount up to, but not exceeding, US\$1,933.95. This second figure includes funds that your club may have earned from previous years of eligible donations.

Your district's DCG funds achieved in a given fiscal year will be available for up to 15 years. After 15 years, the opportunity to apply for those funds will expire. To learn more about this exciting new grant program and to apply, visit our website: www.lionsclubs.org/DCG

Questions regarding donations or a district's balance of available funds should be directed to Donor Services at donorassistance@lionsclubs.org. Applications and grant inquiries should be submitted to New & Emerging Initiatives at LCIFdistrictandclub@lionsclubs.org. Frequently asked questions about the program are located on the LCIF website.

Thank you for your support of our Foundation. Together, we can empower Lions to make an impact in communities near and far.

Sincerely,

Lions Clubs International Foundation

LIONS GRADUATE INSTITUTE

R.A. MacMullan Center
Higgins Lake, Michigan

November 8-10, 2019

Lions Graduate Institute

Training equips Lions with the motivation, knowledge and skills to ensure that a high level of service is provided. It develops more leaders, and more leaders translates into greater service. Training makes Lions more effective.

Class activity directly involves participants in the learning process. Challenging activities encourage communication and problem solving, and enable participants to experience the concepts presented.

Training Benefits

Training is vital to the growth, health and future of the Lions organization. Yes, "We Serve," but the quality of our service depends upon the quality of training.

Training can also influence membership. Through sharing ideas, success stories, and humanitarian endeavors, training unites Lions and solidifies their commitment to service. Today's volunteers view opportunities for personal and professional growth as a primary motive for volunteering. Organizations that provide training enhance the volunteer experience by meeting the needs of the community and the member simultaneously. Training is just one more way Lions Clubs can enrich the lives of members.

Through training, individual Lions can grow personally and professionally, expand their knowledge and skill base, and enhance leadership and organizational skills.

Presentation Skills

Training involves more than "stand up" delivery skills, but those skills are extremely important in conveying your message. Learn critical delivery skills for effective trainers including:

- Eye contact and movement
- Tone, pace, and expression
- Movement and posture
- Appropriate language usage

Leadership Skills

Leadership is a key skill for all Lions. Being an effective leader means taking initiative, being open to diverse opinions and encouraging creativity and innovation.

Lionistic Skills

Part of being an effective leader is knowing how to talk about the Lions organization. Learn how to communicate who Lions are, what they do and how their services enrich lives.

Selection Process

Because of space limitations and the anticipated high number of applications to be received, acceptance into the institute is not guaranteed. After screening the applications, the Institute Planning Committee will notify you of your acceptance.

This total is made up of \$21,197.58 of administrative funds and \$9,300.66 of convention funds. The projects account had a beginning balance of \$35,748.97, income of \$12,753.25 and expenses of \$11,222.15, leaving an ending balance of \$37,280.07 as of 6/30/19. It was moved by 1VDG Leathers, supported by 2VDG Gaines that the reports be accepted. Motion carried. The books will be delivered to the auditor for review and tax prep shortly. The proposed budget for next year was then presented. It showed income of \$18,301, expenses of \$19,092, with a projected decrease in fund balance of \$791. It was moved by ZC Brew, supported by 1VDG Leathers that the budget be adopted. Motion carried.

The financials for 2019-20 were presented showing a beginning balance in the administrative account of \$30,498.24, income of \$5,338.50 and expenses of \$8,517.97, leaving an ending balance as of 8/16/19 of \$27,318.77. There were no transactions in the projects account. It was moved by GLT Tasior, supported by 2VDG Gaines that the report be accepted as presented. Motion carried.

The dues summary was included in the packets for the cabinet. As a today 1 clubs have not paid their 1st half dues. Second requests have been sent out. In another week or so CST Durflinger will let ZC's know if there are still outstanding dues so they can contact clubs.

Old Business- Defense Against Diabetes Grant- IPDG Harris reported that 17 clubs made contributions toward the grant, but only two have expended funds. Any clubs who wish to participate may still send in a contribution toward the 3:1 matching grant. Clubs should begin working on their projects as we only have until 5/1/20 to complete activities. IPDG Harris noted that the state chair has scheduled several events in our area without contacting the local clubs or asking for their support. He will be contacting him to discuss this problem. We have several banners to display at your club events for this program. IPDG Harris has the one for the west side of the district, and CST Durflinger for the east side. Let us know when you have an event scheduled and we will get them to you.

New Business- Adoption of Policy Manual- The executive committee met previously to discuss needed updates to the policy manual. Proposed changes were sent out to cabinet, members for their review. They primarily consist of removal of reference to the Lionesses in the convention section, with a few other housekeeping items. It was moved by 2VDG Gaines, supported by 1VDG Leathers that the policy manual as revised be adopted. Motion carried. Up-to-date copies will be sent out to the cabinet and to club Presidents and Secretaries for their records.

Memorial for PDG Shiemke- It is customary for the district to make a contribution to a state project in memory of deceased PDG's. It was moved by GLT Tasior, supported by ZC Gocha that we make a contribution of \$100 in memory to PDG Shiemke to the Lions of MI All State Band. Motion carried.

Recap from Council of Governor's Meeting-DG Zeller reported that PCC Justin Farber was elected as International Director at the Intl convention in Milan, joining a distinguished group of Michigan ID's. He reported that financially the state is in good shape, but the state level is also dependent on dues, and the decreasing Michigan membership may lead to a future problem.

The state IT chair, Ray Robbins, has helped make arrangements for most meetings now to be able to take place using Zoom so that we don't always have to travel to Lansing for meetings.

He reminded everyone that the Leadership Institute is coming up at Higgins Lake on Nov 8-10. He encouraged clubs to consider paying for one of their members to attend.

There are students who wish to come to the US, but have no place to stay. If you are interested in participating in Youth Exchange, let DG Zeller know.

The MD-11 convention will be held in Holland at the Doubletree on May 15-16

The Michigan Forum will be held on 2/21 in Grand Blanc. There will be a service project on Friday night. It is a great opportunity for learning and camaraderie with fellow Lions.

GMT Report- GMT Tasior turned in a written report. He added that clubs should go to the Intl website and do an annual survey to make sure they are serving their members and their community. Mike Smydra of the MC Lions commented that dues are often a barrier to membership and wondered if the district could pay a member's first year dues. ZC Brew noted that their club already pays the initiation fee, and that the district does not have the funds to pay member dues. It was also pointed out that in the past a Lion paid the dues for members of 6 new clubs, and within two years all of them had failed.

Zone Chair Reports - ZC Gocha turned in a written report. ZC Brew reported that he had visited two clubs so far. ZC Murch has been in touch with clubs and is scheduling visits. 2VDG (acting R2,Z1 chair) Gaines has visited two clubs. PDG Gingerich volunteered to fill the vacant chair for Region 2, Zone 2..

Committee Reports

Written Reports were provided by the following Committees:

All State Band - Lion Les Jackson, **Bear Lake Camp** - IPDG Harris, **Constitution and By-Laws** - DG Zeller, **District Editor** - Lion Zimmer, **District Peace Poster** - PDG Stenback, **Environmental** - PDG Bodem, **Eversight** - PDG Richardson, **LCIF** - PDG Durflinger, **Liaison** - DG Zeller, **Lioness Liaison** - Lion Carole Schultz, **Lions of Michigan Foundation** - PDG Durflinger, **Medical Assistance** - Lion Clairene Jorella, **Michigan Forum** - DG Zeller, **Pediatric Cancer** - 1VDG Leathers, **Project Kidsight** - Lion Slezak, **Strategic Planning** - DG Zeller, **USA/Canada Forum** - DG Zeller, **Website/IT** - Lion Marie Leathers

Oral Reports- District Convention- 2019 - DG Zeller reported that the 2019 convention was a success. There were 130 attendees, and a profit of \$1435.42 was returned to the convention fund. Next year's convention will be held in West Branch from 4/24-4/26, hosted by the Rose City Lions Club. DG Zeller commented that hosting the convention is a tremendous amount of work for a club, and he feels that they should be rewarded with a portion of the profits from the convention.

After some discussion it was moved by ZC Brew, supported by ZC Gingerich that profits over \$500 be returned to the host club, but only if the convention fund has a balance of over \$5000. Motion carried CST Durflinger will make the necessary changes to the policy manual and send the revised copy to the Cabinet for review prior to releasing it to club presidents and secretaries.

Eversight - PDG Richardson reported that this year there were 37 corneal transplants in our district. We were the second highest district in giving to Eversight, with a total of \$15,550. Eversight's new headquarters building is now open. Donate Life Day is in April. Clubs are encouraged to participate in the effort to raise our donor base from 70% to 80%. DG Zeller commented that clubs can set up tables at other community events to pass out information. It is not necessary to wait until April. PDG Richardson is available to make presentations at zone or club meetings.

Kidsight trailer - PDG Durflinger reported that the trailer would be more usable at screening events with an attached awning, and it could use some storage cabinets. We have almost \$4,600 in the Kidsight fund, so there is plenty of money available. It was moved by ZC Brew supported by IPDG Harris that we spend up to \$2,000 for a canopy and cabinets. Motion carried. PDG Durflinger will get quotes for the canopy, and Kidsight Co-Chair Linda Harris will investigate cabinets.

Website/ IT - Lion Marie Leathers reported that she is working on getting more information on the district website. She would like us to purchase the domain name lionsdistrict11e2.org. It can be set up to forward users to the existing website. The current cost is \$11.80/year. It was moved by ZC Brew, supported by ZC Gingerich that we purchase the domain name. Motion carried. She reminded everyone that we also have a Facebook page.

Announcements/Audience Comments - Central Lake Lion Cal Shooks announced their golf scramble on 9/30. All golfers are welcome. For those participating in the Labor Day Bridge Walk, the Mackinaw City Lions will again be parking cars. PDG Durflinger announced she has Hillman Lions Club rifle raffle tickets for sale.

VDG Comments - VDG Leathers reported on his recent trip to Leader Dog. He noted that it costs \$42,000 to raise and train each dog. Currently Leader Dog serves 1000 active clients. There are 1.2 million visually impaired people, with 75,000 more added to this number every year. There was a great testimonial during his visit, which reminded him that all it takes is one Lion to make a life changing difference for someone. We should all remember that we might be that one person.

2VDG Gaines noted that the letter requesting nominations for the District Melvin Jones Fellowship will be going out by the 1st of November. He encouraged clubs to look at their members and nominate someone with DISTRICT LEVEL service for the Fellowship.

DG Comments - DG Zeller reminded clubs to turn in their activities to Lion Zimmer for the newsletter. Event dates, zone meetings, etc. should all be going into the newsletter. He also noted that if anyone has comments or complaints they should contact him.

With no further business to conduct, the meeting was adjourned at noon. The next meeting will be at 10 AM October 19 at the Central Lake Veterans Center.

Respectfully submitted,
PDG Barb Durflinger
Cabinet Secretary/Treasurer

Note: Due to space limitations only the Cabinet Minutes are printed here. Future issues will contain some of the reports from the meeting.

Don't Pollute Decals in Place

Boyne Valley Lions and partner(s) chose a beautiful day to get out and get decals placed by the city sewers. All decals should have been placed by the end of August.

There are some decals that still need placing. Anyone having trouble getting out and getting it done, let King Lion John or Secretary Larry know and we'll find some helpers. Leftover decals or glue are to be returned to King Lion John Cool so it can be returned or used by those who were short.

Thanks to all who participated and great job Lions!

Rallying Around Woofstock

This was BVLs first time serving at Woofstock, an annual Humane Society Fundraiser held at the Mackinac Trail Winery and Brewery. The day was plenty warm but the views from the winery's pavilion were spectacular and everyone seemed to be having a great time.

From furry friends digging through sandy pools to kids on hay rides and adults sampling sips of the winery's fruity best there was something for everyone, and when man or beast was tired and hungry the Boyne Valley Lions were there to serve. While business wasn't as brisk as we would have hoped, it was a positive experience and the well oiled and organized group had a chance to try out some new best practices for future use.

Petoskey Lions

August

The Petoskey Lions, borrowing the District Trailer, screened young children for vision and hearing problems on Friday, August 16, at the Petoskey Festival By the Bay.

Despite a few glitches with the technical instruments, starting with setup problems and a wireless keyboard that failed to work, we managed to screen a range of young children. Lion Julie Haase brought hearing equipment to evaluate young children, and some parents who asked to have their hearing checked.

Results from the Screenings:

- **31** children Vision Screened, **2** referrals.
- **32** children Hearing Screened, **8** referrals
- **6** adult Hearing Screened, **6** referrals

Thanks to Lions Julie Haase, Ray Johnson, Hubert Hayes, and David Zimmer, and to volunteering family members Aaliyah (Julie's niece), Rose Ross, and Lynne Zimmer, and to Don Haase for driving his truck to pull the District Trailer to and from the event.

Editor's Notes

by Lion David J. Zimmer

September

— Summer slipped by like a meteor, a momentary streak of light, a blink of the eye. And now September brings us to the end of Summer and the beginning of Autumn, a.k.a. Fall. (In fact, Autumn is the only season with 2 designations - Winter is Winter, Spring is Spring, and Summer is Summer, but Autumn is called "Autumn" or "Fall" in the U.S. and some other countries.)

The term "Fall" accurately describes the leaves that, after turning their brilliant colors, fall from their branches to the ground. Fall is also when: students go back to school, Nature's bounty is harvested, football returns, many bird species (and human "snowbirds") congregate to begin their migration south to warmer locations, shorts are replaced with long pants, and the Autumnal Equinox shifts us into months when nights are longer than days

The annual season of transition from Summer to Winter, begins as typical Summer weather and ends with the first arrival of Winter's snow and ice. Some may lament this transition, but it is not without its good points. Besides the aforementioned leaf colors on display, there are fewer insects to bug us on our outdoor forays, and nearly zero sweltering hot days that require air conditioning for survival. In Northern Michigan, at least, we don't have a "peak Hurricane" season. Many cite September as their favorite month of the year. Hopefully we'll have pleasant September weather patterns of mild temperatures and rain less than half of the days of the month. Like every good thing, enjoy it while we can!

Newsletter — I'm closing in on reaching my first year doing this newsletter for District 11-E2. It's been a year of learning and struggling to get past the glitches and technical obstacles that inevitably pop up.

Perhaps the most important thing I've learned is the wide scope of Lionism. Since I became a Lion in 2002, I only experienced Lions from the perspective of my local Petoskey Lions Club. I was aware of the Lions Clubs International, the LCI Foundation and other Lion organizations from reading about them, but they were just concepts, not "real" factors in my Lion life. We had visits from District Governors and other leaders over the years, but that didn't really connect me to the awareness of all that was out in the world of Lionism. I participated if possible, in all our local events and fundraisers, did the Petoskey Club newsletter, volunteered, helping people in our community and beyond - that was what I knew about being a Lion.

Since I accepted the post of District 11-E2 Newsletter Editor I've been exposed to a much wider view of the Lions world. I am totally blown away by the incredible scope of Lionism, the creativity, the hard work, and the commitment to volunteerism for helping others shown by the Clubs that exist in this District and around the world. I see Clubs in our District doing wonderful things, building things, donating large sums to people and groups that need help. I see how committed our District and International Leaders are to carrying out the Lions Mission despite all obstacles. I had no inkling of what was going on "out there" a year ago, but boy, have my eyes been opened!

Which brings me to this point. The purpose of this newsletter is communication, to connect all of us to each other. I include articles from the LCI, the higher organizations and their leadership at the International level, from our District leadership, and from Clubs, to provide a spectrum of ideas and events that make up Lionism. You've heard from the leadership, but Communication is a 2-way process. I'd like to hear from ANY Lions Club members, no matter at what level - your ideas, your stories of something special you've experienced as a Lion, ways to do better, anything inspiring or significant. There is so much out there that needs to be shared for the awareness of all. You are doing marvelous and important things for others, share this with the rest of us. — David Zimmer, District 11-E2 Newsletter Editor
