## District Governor's Message

Dear Fellow Lions,

As we start the new year I think about the Lions logo and its meaning:

***"Looking back with pride, looking forward with confidence"***

*As I look back with pride*, I remember my Lions journey and seeing what our club did for our community and wanting to be a part of it. When I went to my first District convention I began to realize the bigger impact that Lions have around northern Michigan. As I expanded my horizons and I went to my first Lions of Michigan Forum, state convention and then international convention I really began to understand how Lions from around the world working together can impact every one of our small communities. Here are some examples:

- KidSight screening equipment at no charge
- Eyeglass and hearing aid assistance
- Emergency relief after tornados, fires, floods and other emergencies
- Special camps for blind/visually impaired and deaf/hard of hearing
- Support and camps for children with cancer
- Veterans assistance
- Opportunities for band students to serve worldwide through music
- Leader Dogs and other assistance for blind/visually impaired
- Providing sight through cornea transplants

*As I look forward with confidence*, I see excitement and growth in our district. Most notably I am excited about the \$200,000 Lions International Foundation grant for the expansion of the Food Bank of Eastern Michigan in Gaylord. We've raised over \$35,000 of our \$50,000 matching requirement, and I'm confident we'll be able to raise the remaining amount because of Lions like YOU!

I hope that if your club isn't taking advantage of all the support that's available from the district, our state projects and our state and international foundations you'll be inspired to start using your resources to serve your communities even better. *The best way to learn about all this amazing support is to attend the District Convention on April 24-26, 2026 at Treetops in Gaylord!*

The convention is for all Lions young and old - it's sure to be a rip-roaring good time you won't want to miss! Visit the district website [lionsdistrict11e2.org](https://lionsdistrict11e2.org) for more information and registration.

Thank you for all you do. WE SERVE!  
*DG Marie*

Leader Dogs for the Blind – Lions Newsletter

Happy new year, Lions! Whether your resolution is to travel more, explore new shops and stops in your community, or recruit more members for your Lions Club, we support you and wish you an amazing year.

## Share Teen Programs With Your Community

At Leader Dog, we're already preparing for our summer programs for teens aged 16-17. High school-aged teens and their parents are beginning to plan for the summer, and we are ready to fill our halls. **Each summer, we offer two programs for teenagers who are blind, both free of charge including travel, room and board:**

**Teen Summer Camp** is a 1-week program in June. Up to 24 teenagers from across North America will come together for **a week of fun, leadership development, and community**. For many teens, our summer camp is their first opportunity to build friendships with other teenagers who are blind. While at Leader Dog, they will rock-climb at our local Lions Bear Lake Camp, practice safe night travel, enjoy bonfires, and even practice archery.

Applications for Teen Summer Camp are open now and will be accepted until April 3, 2026. Visit [LeaderDog.org](https://LeaderDog.org) and click 'Client Programs' to learn more and apply.

**Teen Orientation & Mobility** is a 1-week program offered in three sessions over the summer. **Teens will work one-on-one with a certified orientation and mobility specialist (COMS)** to learn the skills they need to map out walking routes in their community, independently cross the street, and thoughtfully problem-solve when they come across obstacles or route changes. **Each teen brings a support person, usually a parent, who spends the week learning how to best support their teen** and how to help them advocate for themselves as they grow into independent young adults.

Applications for Teen Orientation & Mobility are open now. Visit [LeaderDog.org](https://LeaderDog.org) and click 'Client Programs' to learn more and apply.

### Lions of Michigan – Lions Bear Lake Camper Sponsorship Challenge Challenge Dates: January 1, 2026 – May 1, 2026

Dear Lions Club Members, District Governors, and Chairs,

We are excited to launch the **Lions of Michigan – Lions Bear Lake Camp- Camper Sponsorship Challenge!** This is your club's opportunity to go above and beyond your annual giving and help make camp dreams come true for children across Michigan.

As a proud project of **Lions of Michigan MD11**, Lions Bear Lake Camp provides life-changing experiences to youth who are blind, visually impaired, deaf, or hard of hearing, and we need **YOUR** help to send campers to camp in 2026. It costs \$995 for a weeklong residential camp for one child; families only pay \$100 per camper, thanks to Camper Sponsorships and donations from Lions Clubs across Michigan. For our 3-day Visually Impaired/Blind and Deaf/Hard of Hearing family camps, the cost is \$500, with families charged only \$100.

#### Here's the Challenge:

We're asking every club and district in Michigan to:

Sponsor one or more campers at \$995 each or sponsor one family at \$500 each

**Reach out to local vision and hearing centers, eye doctors, and audiologists to help find additional sponsors**

Engage local businesses, civic groups, and individuals who would be willing to sponsor a child

#### Club & District Recognition:

To keep it fun and rewarding, we'll be recognizing:

- The club that brings in the most camper and family sponsorships
- The district with the highest percentage of club participation

Winners will be honored at the MD11 State Convention and featured in Lions Bear Lake Camp's communications and social media.

Let's show the power of Lions in action! Together, we can make sure no child is left behind from experiencing the leadership, independence, and joy that only camp can bring.

Thank you for your continued support of Lions Bear Lake Camp and our mission to serve all youth, regardless of ability.

In service,

# MICHIGAN LIONS FORUM

**LEAD TO SERVE < SERVICE TO LEAD**

**February 27-28, 2026**

## LIONS MICHIGAN FORUM SERVICE PROJECT HIGHLIGHT

**Forget Me Not Little Heroes** is an organization dedicated to supplying backpacks full of essential items to fostered, sheltered, and underprivileged children ages 3-12 years old. They have been selected as our Forum Service Project this year.

### Why Backpacks?

Most children arrive at foster homes and shelters with nothing but a garbage bag. When the organizers heard of this, they stepped up to make a change. Items are designed to fit in a backpack. It makes them feel special, keeps them organized and teaches them to care about their belongings.

### What Can You Do to Help?

Our goal is to fill 300 backpacks with color coordinated items in their very own backpack. **The cost for one backpack is \$40.00.** Through districts, clubs and grants, our goal is to raise \$12,000.00. Each club is being asked to donate as much as they can afford as part of a club service project, enabling us to provide many more of these special items for special kids. Please consider donating to this worthy cause!

Keynote speaker and author Kathleen Marcath's presentation, delivered in an **inspirational storytelling format**, shares the moving story of how one language—**American Sign Language**—opens hearts, minds, and possibilities. From the moment young *Alice Cogswell* learned her name for the first time at age nine, to children inspired by *My Monster Truck Goes Everywhere with Me*, the talk invites audiences to experience the power of connection and the importance of communication for every child—regardless of hearing, vision, or circumstance.

At its core, her message echoes the Lions' values through their service: compassion, inclusion, and community. ASL Picture Books exist to help children feel *seen, heard, and valued*—and to remind us all that **ASL is an untapped resource with limitless potential for our children.**

**Your \$40 donation helps every child experience the joy of simply being a kid.**

Get ready to **step into the Roaring 20's**-where energy, excitement, and service come alive! You are cordially invited to join us at the **District Convention**, a weekend filled with fellowship, inspiration, celebration, and the unmistakable roar of ALL Lions who are making a difference.

This year's theme, "**Roaring Through the 20's**" captures the spirit of both the historic 1920's and the bold new era we are entering together as Lions. Just as the original Roaring 20's were filled with innovation, courage, and community spirit, our convention will showcase the powerful impact Lions are making today.

***1920's Style - 2020's Purpose!!***

## What's Happening at the Convention?

- **Fun Friday Night Mixer & Service Project** - come in 1920's costume or come as you are! Bring your smile for photos with a fun themed backdrop and be ready to enjoy some roaring 20's fun, games and fellowship! The service project will be packing goodie bags for veterans going on the Honor Flight, or you can write personalized cards to thank a Vet for their service.
- **Saturday's Sessions** will include inspirational and informative messages from Leader Dogs for the Blind, Eversight, Ski for Light and our great Foundations that provide resources to help build our communities. We'll also have a Memorial to honor those Lions who have passed away in the past year, the pop tab challenge weigh-in, the raffle prize drawing and more!
- **Guest speakers** include Retired Major Johathan Turnbull for our lunch program, and International Director Lion Liz Crooke highlighting our dinner banquet, both very inspirational and energetic speakers!

## Why You Should Be There

- **Reconnect** with fellow Lions who share your passion for service
- **Learn, grow, and get inspired** through uplifting speakers and engaging workshops
- **Celebrate** the accomplishments of clubs and members across the district
- **Shape the future** of our district through meaningful conversations and collaboration
- **HAVE FUN!** Enjoy the fellowship, the theme, and the joy of being part of something bigger than ourselves

Whether you're a longtime Lion or newly inducted, your presence brings energy and strength to our district. We serve best when we come together-sharing ideas, building connections, and reigniting our collective ROAR.

## We Want YOU There!

Your voice matters. Your service matters. **You matter** to this district and to the communities we serve. Join us as we celebrate the past year, prepare for the future, and step boldly into a new Roaring 20's of Lionism.

We cannot wait to welcome you, celebrate with you, and roar forward together.

The names and photos will be played on a video slideshow at the memorial service. *Please be sure to include any Lions that may not have been a Lion when they passed away and therefore would not be included in the online reports.*

Furthermore, we ask that you honor them by attending the Memorial Service and taking a tree to plant in memory of them. The service will be held on Saturday after lunch.

## JANUARY 2026 — Resolutions & Gratitude

A new month, a new Year to try to accomplish the best we can. Many people begin the year with a resolution to do something to better themselves, or quit a unsatisfactory habbit, that they will continue to the next year. Regrettably, the majority of New Year's resolutions fail, though the exact percentage varies by study and how "failure" is defined.

The latest research (as of 2023–2024) indicates:

- About 65–80% of New Year's resolutions fail within the first month, according to behavioral science studies from institutions like the University of Scranton and the University of Stockholm.
- Roughly 8–20% of people maintain their resolutions for a full year.
- A study published in 2020 found that about 55% of participants considered themselves successful after one year when goals were phrased positively (e.g., "I will eat more vegetables" instead of "I will stop eating junk food").
- Most failures occur by mid-February, a phenomenon sometimes nicknamed the "Quitter's Day."
- Success improves when goals are specific, measured, and supported socially.

It's just normal for Humans to want better things in their lives. Life is full of circumstances, some that help, and some that are obstructions that have to be dealt with. For many of us, it's hard to be optimistic in these dark chaotic times.

One of the ways to get a good feeling in life is to experience gratitude. Gratitude is the feeling and practice of recognizing and appreciating the good things in life—whether they come from other people, circumstances, nature, or one's own efforts. It's not just saying "thank you," but an inner awareness that something valuable has been received.

How gratitude affects a person: It can bring out emotional well-being by increasing positive emotions like joy, contentment, and hope, reduces negative emotions such as envy, resentment, and regret, helps people cope better with stress and hardship.

It helps mental health, linked to lower levels of anxiety and depression, encourages a more optimistic and balanced mindset, shifts focus from what is lacking to what is meaningful.

Gratitude assists physical health, by being associated with better sleep and lower stress levels, can support healthier habits (exercise, self-care), reduced stress, can positively affect heart health and immunity.

It can help relationships, strengthening bonds by making people feel valued and acknowledged, encourages empathy, kindness, and forgiveness and improves communication and trust.

Gratitude also boosts personal growth, building resilience during difficult times, encourages humility and awareness of interdependence, and can increase motivation and life satisfaction

Gratitude shapes how people interpret their experiences. By regularly practicing gratitude—through reflection, journaling, or expressing thanks—people often experience greater happiness, stronger relationships, and a deeper sense of purpose.

Lions cannot exist without gratitude. When our fundraisers receive money from a donor, we appreciate their generosity and say "thank you" — and mean it, because it has been an act of kindness that makes us feel valued. When we donate to a cause or persons, they say "thank you", and we feel good that we have helped others. Gratitude is a shared act by both giver and receiver, with awareness of value and satisfaction for both. Keep on enjoying gratitude, it's good for everybody.

# PICTURES OF THE MONTH

## 2026 WINTER PICS

Up Left & Left: Snow covers trees on hiking trail. Winter beauty at it's best.

Up Right: Snow covers frozen Round Lake. Walk on the lake? Maybe, maybe not. Temperatures have been below and above 32 degrees. Not safe.

Below: This sign, along the bicycle and hiking trail by the Bear River in Petoskey, refers to the damage from last spring's Ice Hurricane Storm.

Right: Deer by the flowing Bear River. This park area inside Petoskey city borders protects deer, and they get used to people.

Right: This sign was just outside of the Munson Hospital, so it must be true. Haven't see it being used yet though.
