

96TH ANNUAL MD 7 STATE CONVENTION
was held April 25-26, 2014,
at the Quality Inn in Harrison.

I've heard many favorable comments regarding our MD7 State Convention. Special thanks should be given to ID William "Bill" McKinney, Harrison Noon Lions Club, the host club, and the Convention Committee for all the work they put forth to make the convention a great success.

I find these meetings to be very uplifting experiences. Lions are great optimists, with an unshakable belief in the future of our organization.
