## ***LIONS CODE OF ETHICS***

**TO SHOW my faith in the worthiness of my vocation by  
industrious application to the end that I may merit a  
Reputation for quality of service.**

**TO SEEK success and to demand all fair remuneration or  
profit as my just due, but to accept no profit or success at the  
price of my own self-respect lost because of unfair advantage  
taken or because of questionable acts on my part.**

**TO REMEMBER that in building up my business it is not  
necessary to tear down another's; to be loyal to my  
clients or customers and true to myself.**

**WHENEVER a doubt arises as to the right or ethics of  
My position or action towards others, to resolve such  
Doubt against myself.**

**TO HOLD friendship as an end and not a means. To hold that  
true friendship exists not on account of the service performed  
by one to another, but that true friendship demands nothing,  
but accepts service in the spirit in which it is given.**

**ALWAYS bear in mind my obligations as a citizen to my  
nation, my state and my community, and to give them my  
unswerving loyalty in word, act and deed. To give them freely  
of my time, labor and means.**

**TO AID others by giving my sympathy to those in  
Distress, my aid to the weak, and my substance to the  
needy.**

**TO BE CAREFUL with my criticism and liberal with my  
praise; to build up and not destroy.**
