2015-2016 Lions Foundation of Canada Dog Guides

Lions Foundation of Canada is a federally incorporated charitable foundation created and operated by the Lions of Canada. Its mission is to provide service to Canadians who are physically challenged in the areas of mobility, safety, and independence; and to cooperate with other charitable endeavors as appropriate.

The facility, located in Oakville, Ontario, is proud to be the only dog guide school to provide three categories of dog guides; for the visually impaired, for the hearing impaired, and for individuals with special needs. It remains the only school of its kind in North America to offer bilingual services for its dog guide teams. Clients receive their dog guide teams free of charge, as the costs are borne by funds raised by Lions and Lioness clubs throughout Canada.

THOSE WHO HAVE GONE BEFORE

Lions Club Prayer

Almighty God, whose great commandment is that we shall love our neighbors as ourselves, and who has taught us that we should do to others as we would have them do to us, we ask that you bless the work of this Lions Club.

As our purpose is to help our fellow man and to promote all that is good in the life of the Community, we pray that you will strengthen our hands in all our undertakings, and that our work and your Spirit may bring goodwill to all people everywhere.

MINUTES OF THE BUSINESS SESSION
96th ANNUAL CONVENTION
MULTIPLE DISTRICT 5M LIONS CLUBS INTERNATIONAL

AIRPORT MARRIOTT HOTEL
BLOOMINGTON, MN
SATURDAY APRIL 18, 2015

CC Earl Orvik, 5M1

Good Morning, it is a great day to be a Lion, Lioness or a Leo and to be a member in this great Multiple, MD5M. Welcome to our business session. By the way, did you know that MD5M is the second largest Multiple in North America?

With that I would like to convene our business meeting. Protocol was established yesterday and will be continued throughout the weekend. I would now like to say the Pledge to the US flag. The Pledge to the US flag was let by DG Jim Dunlop, 5M1. The Canadian Pledge was led by DG Dennis Olsen 5M11.

The invocation was led by PDG Robert Vokes, 5M5

Introduction of the head table. PDG Robert Vokes (Parliamentarian), Bob Harms (Executive Secretary), PDG Wayne Swanson (Legal Consultant) and our honored guest for the weekend Past International President, Lion Al Brandel.

It is great to see such a wonderful turnout for our business meeting. For general voting today we will be using our yellow delegate cards.

At this time I would like to ask for a motion to approve the minutes of the 95th annual MD5M convention that was held in Morton, MN as published in the directory.

M/S/P PDG Lynn Farley, 5M6/DGE Ted Peterson, 5M8 to approve the minutes of last year's business meeting.

Sergeant of Arms Report – IPDG Don Hendrickx, 5M9: The Sergeant of Arms are at the door and will keep order. If anyone has any cell phones, you better turn them off because the first one is \$5.00 after that they will be confiscated. We will also help out with the election.

2016 Convention Committee Report –PID Maynard Rucks, 5M2 & 2nd VDGE Nancy Mathwig, 5M2: 2nd VDGE Nancy – We want to encourage you to sign up this weekend because our special price of \$90.00 will go up to \$100.00 after tomorrow. We are using the same hotels that we used in 2011. The Hilton Garden Inn is directly across the street from the convention center and attached by a skyway. We have the City Center Hotel which is about a 2 block walk and also attached by a skyway. We have a couple of overflow hotels as well. PID Maynard – Our international guest will be Bob Corlew, who will be 1st Vice President at that time. We will have a great time with him. At this time a short video was shown.

2017 Convention report – Lion Wayne Tieman, 5M10: We are honored to host the 2017 MD5M convention which will be held during the 100th anniversary of Lions. Most of you have received a postcard which has the dates of the convention on the back, April 21 – 23, 2017. It will be held at the Sanford Center. A representative of the Sanford Center gave a presentation on the Center.

Convention City Report – PID Maynard Rucks, 5M2: The Convention City Committee met via e-mail. We have received only one bid and that would be from Winnipeg. The Committee feels that we will have a great time up there.

2018 Convention presentation – PDG Dave Holyoake and PDG Doug Weins, PDG Chris Barnard: A short video was shown. The dates of the convention will be April 13-15, 2018. The food is good, the hotel is attractive and only 3 minutes from the airport. The hospitality package will be in the neighborhood of \$110.00 US dollars. If you are able to come a few days early or stay a few days afterwards we will have some interesting tour packages to offer you. It was in 1999 the last time the convention was in Winnipeg and it is about time to return.

CC Earl – The Council voted in March to support the selection of Winnipeg, MB as a location of the 2018 Convention. I would entertain a motion to go to Winnipeg for this convention.

M/S/P DGE Norby, 5M9/PDG Dave Jensen, 5M4 to approve holding the 2018 MD5M Multiple Convention in Winnipeg, MB.

Elections Committee – PDG Jack Krage, 5M1. We will have a person on the end of each isle. You will be given a ballot and your delegate card will be punched. After voting, please return to your seat.

Nominations Committee – PCC Deborah Harms, 5M4. The Nominating Committee met via e-mail and it worked very well. We have found that PCC Bruce Beck has met all of the requirements for International Director. On behalf of the committee we move that the delegates vote to endorse PCC Bruce Beck as a candidate for International Director.

M/S/P Nominations Committee/Delegates to approve placing the name of Bruce Beck on the ballot for International Director.

M/S/P PCC Deborah Harms, 5M4/PDG Chris Bernard, 5M11 to close the nominations.

International Director Nomination – PCC Judy Loken. I am honored to place Lion Bruce Beck's name in nomination for International Director. 1-2-3- Taking action in Service, Leadership, and Fun. We know that Lion Bruce loves to serve, weather it is at the club level, district level or Multiple. He helps with Strides walk for diabetes, walking for diabetes and many other things. Lion Bruce started with the Lions in 1984. He is a charter member of his club and has been active for 25 years. At the district level he has served on the MERLO Team, Zone Chair, District Governor and GLT Coordinator. At the Multiple level he has District Governor, Council Chair, LRP Chair, and GLT Coordinator. He has attended the Regional Leadership Institute, Lions Faculty Development Institute, and several others. He is currently on the Multiple Global Leadership Team and assists with the training of our Vice District Governors and our District Governors Elect. Because of his dedicated service to Lions he has been honored with a Melvin Jones, Helen Keller, Diabetes Dream Catcher, three Presidential Certificates of Appreciation, LCI's Extension Medal and the International Presidents Medal. Lion Bruce is dedicated to excellence in training and excellence in everything he

does. He believes that membership should be properly trained and motivated for a job so that they can do the best job possible for Lions. Lion Bruce has been married to his lovely bride Erin for 31 years and they have two daughters. I move for this nomination.

International Director Nomination Second – PCC Bert Nelson. I get the privilege of seconding it. You would think that Bruce would know better than asking me to do that! I wanted to give you a different perspective on Bruce. His Lions club gave me a lot of really nice stuff, but I knew there was more dirt out there on him, so I called all the people that he has worked with. They are easy to find because there are in specific spots in the State of Minnesota, but they couldn't come out and see me. They didn't have much to say, but they wanted his address and phone number. Then I called his work and some of the deputies that he worked with said that he is a perfect Lion. He is dedicated, works hard and puts his shoulder to the grindstone. Over there by Palisade, there is a nudist colony and someone discovered a hole in the wall. Bruce being the deputy that he was went there and checked it out. He is a true leader and called in all his buddies and said "Can you come check this out with me?" He stayed there for a whole week looking for evidence. He finally caught the culprit. There was a Lookinen and a Peekinen! Bruce is truly a great Lion and I am very proud to say that he is from 5M9 and will do a great job for our Multiple and represent us very well. It is my privilege to second his nomination.

Committee Reports

GLT – PCC Bruce Beck, 5M9. PCC Bruce asked all of the Lions Leadership Institute graduates to stand and said as I look out all I see is a field of qualified top shelf leaders and this is just awesome. All those that previously taught at a Lions Leadership Institute were asked to stand and be recognized. This year's instructors were then recognized by an International Presidents Certificate of Appreciation. Past International President Al Brandel presented the certificates to: PDG Joan Blank, Lion Bob Harms, PCC Deborah Harms, PCC Bob Jechoreck, PDG Dennis Kelley, PDG Cheryl McKittrick, PDG Chris Barnard, and PCC Bert Nelson.

Public Relations – Lion Erin Beck, 5M9. Newsletter and Public Relations chairs were recognized for exceptional service. 5M1-Lion Jim Schmeichel, 5M3-Lion Cheri Appel and Carrie Shofner, 5M4-Lion Anne O'Flynn, 5M5-PDG Jan and Dean Cariveau, 5M5-PDG David Reach, 5M6-Lion Mark Moen and Lion Marlene Haymen, 5M7-Lion Becky Anderson, 5M8-Lion Donna Orstead, 5M9-Lion Rose Puckett and Lion Tracey Buhl, 5M10-Lion Barb Oswell, 5M11-Lion Stacy Kleinwachter, 5M13-Lion Lorraine Houston, PDG Bill McKittrick and Lion Margaret Martin. Please give all of these folks a great hand!

Project New Hope – PDG Dale Johansen. Project New Hope is doing well, but we need Veterans to come and help spend the money that your clubs have generously given. If any of you know of Veterans that have been to combat and are having problems, let us know. Talk to their wives or their clergy and see if there is anyone that you can find to come to Project New Hope. If you go directly to a Veteran and tell them that you have a program for them, they will probably not be interested. I encourage you to help us find the Veterans for us. I will be in the display area. Thank You.

CC Earl, I would now entertain a motion to accept all of the committee reports.

M/S/P Lion Deb Bielke, 5M8 / Lion Laura Maki, 5M2 to accept the committee reports.

Next, it is my opportunity to introduce to you Lion Dr. Maureen Murphy. She is going to have as much time as she wants to give us her words of wisdom. I am so glad to have Dr. Murphy speak to us.

Lion Dr. Maureen Murphy – I am not a PDG so I will not be nearly as long as some of you. I am married to a Past International President so I know firsthand. Al relinquished his time to me and asked me if I would like to speak instead of him since you will hear from him tonight. He will talk more about the serious stuff and I will share some of the fun stuff. First I would like to say hello to many of our friends that we have met over the years and many of the new friends that we have and are about to meet this weekend. Our journey at an International level started back in 1993 we got married in June and in July Al was elected as an International Director here in Minneapolis. In 2009 Al was International President and he had his convention here in Minneapolis. We had a fabulous Board meeting here in Minneapolis prior to the International convention. My heartfelt thanks to out to PDG Jack Hines and PCC Bob who helped as the host committee as they did an unbelievable job. We also had the Beach Boys! Thank you all of the Lions of 5M.

I am going to tell you some stories about what it is like to be an International President. You get to stay in these great hotels, ride in limos and fly first class. **NOT!** Once we drove up to a hotel in (I won't tell you where) The advertisement was "Clean Room" but first of all there was a fly swatter in the top drawer and when Al asked for a wakeup call at 5:00 they said "Oh, we don't get in until 6:00" It didn't matter because the 5:15 train went directly past our hotel room!

Lions always try to give us their best, so when we were in a small town in Texas the Lions gave us the best room they had. The one with the bathtub. The sign over the bathtub said "Please do not clean fish in the bathtub".

We have been picked up in a Limo, in the back of a sedan, in back of a pick-up truck, literally. In India the Lions try so hard to put their best foot forward and give you whatever can make your visit the most memorable. This one was memorable. In a little town in India, we were asked to get in a cart. They told us to be careful because there was a nail. So we step up and get on the cart lined with beautiful red velvet. However, I was wearing white and it was raining. Then they put a leigh of fresh flowers around our necks. Remember it was raining and I was wearing white!

We were asked to help the President of the United States, George Bush welcome the Queen to the White House. We didn't realize that there would be 7,000 other people doing it also, but anyway it is so cool to say that we helped welcome the Queen to the White House.

We went to the Para Olympics in Hong Kong and the lighting of the torch was by a paraplegic Olympian that was strapped into his wheelchair and the torch was in a holder. They had him lifted up to the top of the arena and you could see the beads of sweat dripping from his forehead. He lifted the torch and lit the Olympic Torch. What we learned was it was not about disability, but about a special ability. We were reinforced with that when we went to the Special Olympics, the International games in Idaho and they brought us to the figure skating completion. Al and I were sitting in the audience and I was watching this young girl skating. She was skating backwards. I thought that she was practicing, but she was competing. She was doing her best, and that was a life changing experience for me to recognize that. That is when you think that one individual can make a difference.

Another young man that competed in track and field. He always came in second. Not first, not third, not fifth, but always second until he attended a Lions program called “Opening Eyes” and he got glasses. The very next race he ran, he came in first. He always had to follow someone because he couldn’t see. That young person’s life was changed by the person that started opening eyes.

Each of us as Lions do what we can to make a difference and here in MD5M you do. Project New Hope, the Hearing Clinic, the Vision Foundation and the Eye Clinic, and the incredible relationship that you have with the University of Minnesota.

We make a difference and you make a difference. If you close your eyes for a second and imagine the world without the Lions and MD5M. You do make a difference and we are proud to make that difference with you. Thank you for your support throughout the years and thank you for all you do in the name of Lions. And thank you for having us back to MD5M.

CC Earl – Wasn’t that wonderful! Thank you Lion Maureen. Thank you for sharing your trips that you have been on and your memories of such wonderful stories of help that Lions have provided and of course we do like a little humor in our Multiple, so thank you very much.

96th MD5M Convention Committee Report – PDG Dave Moen, 5M6: Things are going well, we are doing free screening for eyes, hearing and diabetes. We have already gotten rid of a truckload of glasses and have another 12 boxes in the room to go to the recycling center. With 525 guests we are peaking out on capacity on a couple of rooms. This afternoon we have some wonderful speakers so we have cameras set up and an overflow room to handle the larger crowd. Thank you all for attending. I think everyone had a good time last night, at least people were still singing and dancing when I crashed. Enjoy the rest of the day and thank you again.

CC Earl – Thanks PDG Dave. We will hear from him again tomorrow with the final report on our convention. This year’s District Governors were asked to stand and be recognized with a round of applause. As I mentioned yesterday we are the 2nd largest Multiple in North America and we are very proud of that. As I reported yesterday at this juncture we are plus 16 for the year for the Multiple. We now have 21,622 members and with the two more applications that went up this morning we will be at 21,624. We are proud to be gaining on Texas and must be careful of California because they are only about 1,000 members behind us and they are gaining on us as well.

Two days ago we received information that our \$10,000 Membership Grant was approved. This will help bolster the membership in Districts 3, 10, and 13. Both 3 and 13 surpassed that magical number of 1250 last year so that we know that they are very close and have the potential to get past that number again this year. District 10 has a plus 29 membership this year and as we can see they can continue to grow and with this grant we hope that all three Districts can stabilize and exceed that number of 1250 that is required for a District.

We also approved a Leadership Forum for our Multiple. It will be modeled after the USA/Canada Forum and it is scheduled for the 2nd weekend of November of 2016.

Lastly I would like to thank all the members of our great Multiple and all of the clubs for the great humanitarian work that you have done so far this year. Remember we still have two and one half months to achieve even more.

With that I would like to recess the meeting until tomorrow, Sunday Brunch. Have a great day!

The District with the most registered delegates this year is District 5M6 with 45 delegates representing 20 clubs. Congratulations!!! The Districts with the most number of Clubs registered is District 5M6 with 20 clubs.

I move for the adoption of this report.

M/S/P Credentials Committee to adopt the report of the Credentials Committee.

2015 Convention Committee Report – PDGs Dave Moen and Lynn Farley – 5M6. We had 525 registrants. For the meals, we had over 400 at lunch and about 350 this morning. We hope you had a great time. PDG Lynn – It has been a pleasure working with all of you. We had a great time and we hope you did as well.

CC Earl – Our Lions Moto, “We Serve” certainly exemplifies the two gentlemen behind me. They took on a lot of responsibility by putting on this convention. In addition to this very large responsibility, these two men serve Lions and humanity in many other capacities. Both of these men carry the initials PDG in front of their names. PDG’s Dave Moen and Lynn Farley had a vision that the 5M6 Past District Governors Association could host the Multiple convention that you are enjoying this weekend. Beginning even before 2012 these Lions with the help of the PDG association put together a convention bid. Once the bid was formulated these co-chairs presented their findings to the Council of Governors asking for their approval. The approval came with much excitement and the realization that we really needed to get going. This pair of Lions have been extremely busy the entire time, but the past year they have met monthly with the committee and the Council Chair to get the job done. Besides attending all the Mid-Winter conventions in our Multiple and the long hours of communication and attention to details has brought us to this point. Isn’t it impressive that long after serving as District Governors these men still find the time, energy and dedication to have the passion to take on the responsibility of co-chairing a project that would impact our entire Multiple.

It is with great pleasure that today Past International President Al Brandel will present Presidential Certificates of Appreciation to these two co-chairs.

I have one more Presidential Certificate that I would like to read. This person is responsible for saving lives. Both as Past District Governor and Past Council Chair this recipient has served both on the Hearing and Diabetes Foundations. The recipient of this year’s President Certificate of Appreciation is PCC Judy Loken. PCC Judy has the distinction of bringing the Diabetes Foundation to one of the three major Foundations that our Multiple supports. With her guidance the Foundation has become a major force in education and research. After stepping up to finish the duties of the previous Foundation chair, Lion Judy has led the Diabetes Foundation to new heights. With this accomplishment, the Diabetes Foundation in conjunction with the University of

Minnesota is leading the nation in islet lab research. With the Foundation status of only seven years, the Foundation is really the “new kid on the block”. Lion Judy was extremely instrumental in the reorganization of a fractional group supporting diabetes efforts. Lion Judy is doing a fantastic job of Chairperson of the Diabetes Foundation. As a leading cause of death in our nation we have much to be grateful for, for the Diabetes Foundation and especially its leader, Chairperson Judy Loken. It is my pleasure and Lion Al’s to present her with a Presidential Certificate of Appreciation.

PIP Al Brandel also presented a Presidential Certificate of Appreciation to CC Earl

2016 Convention Report – PID Maynard Rucks: We are hoping that we will have an even greater event for our International Guest, Bob Corlew, than we had at this great convention. We already have 135 people that are pre-registered. The registration table will be open after this meeting, so “Come and Canoe with 5M2 at the Bend in the River 2”.

First Timer Report – 1st VDG Elect Pat Findley: We had a small, but very energetic group that participated in the contest. The second place winner is Lion Kathy Johnson from the Pillager Lions Club. She will receive a free hospitality book at next year’s convention in Mankato. The first place winner is Lion Mary Piper from the Caledonia Lions Club. Lion Mary will receive not only the free hospitality book for the Mankato convention, but the hotel accommodations as well.

2. All the reserve funds have been transferred from the Blackrock Bond Fund to the University of Minnesota Foundation Fund. PDG Lion Joe Schlichenmeyer, Long Range Planning Committee Chair:

MN Lions and guests, this is the Long Range Planning Committee's Annual Report.

The committee met nine times during the 2014-2015 Lions year. This included three special Friday evening meetings, four regular MLVF meetings, and two Saturday conference calls.

The main concern of this committee was the creation of a new MLVF long range plan to replace our outdated plan. We started the year with a SWOT analysis and then sent out a questionnaire to our stakeholders to collect information for our new Long Range Plan. The information we collected helped us complete our goals and Strategies. We have now started the tactic plans to support the goals and strategies. We are working on five different tactic plans that will complete our Long Range Plan. This work will take us well into the new Lions year.

Lion Wayne Tieman, Public Relations Committee Chair:

The primary goals of the Public Relations Committee of the MLVF are;

1. to assist the Minnesota Lions Eye Bank in providing information to Lions members and the public on the Lions Sight Program at the University of Minnesota
2. To assist in the preparation and implementation of fund raising for the MLVF.

The 2014-15 highlights include:

1. holding a training session in July for new and returning board members;
2. getting MLVF information out to Lions members at community and club meetings
3. maintaining a booth at the MN State Fair to further public awareness;
4. helping to organize special events like tours and the Thanksgiving For Vision
5. Helping to develop a Signature fund raising event.

Several enhancements have been made to further communications and public relations through the MLVF, and they include:

1. A new Facebook page as part of MLVF communications.
2. New handouts will available for distribution at the MN State Fair.
3. A revised communication plan is being developed, which tracks our outreach with Lions Clubs and community organizations.
4. The MLVF is looking to partner with the Hearing and Diabetes Foundations for "Lions Day at the Twins".
5. The PR Committee is looking to work with businesses statewide for fund raising opportunities. Davanni's Pizza and Shopko have expressed interest in working with us.

In addition, we are encouraging our clubs and members in MD5M to recognize more Lions members, individuals, businesses, or organizations with the Helen Keller Award.

Minnesota Lions Vision Foundation

PDG Lion Dave Moen, Chair:

That concludes the Committee Reports, thank you Chairpersons.

Thank you to Lion Frank Loreno for his many years of service to the Foundation as Treasurer. I also want to thank District Governor and Council Chair Elect Kathy Jensen who served as the District Governors Liaison and announce that Lion Todd Neuman will serve as the District Governor Liaison in the coming year. I will continue as Board Chair.

Motion to approve the board appointees' by DGE Lion Jay Norby, second by PDG Dave Thompson (5M8). All in favor please raise your delegate card, opposed, motion passes.

Before we adjourn, I have one presentation to make. We had a somewhat complicated and drawn out transition period between the time Treasurer Frank Loreno retired and Lion Dave Thompson became Treasurer. Two Lions spent a great deal of time and effort during the transition period making sure that all the Treasurer's duties were completed. Lion Jennifer Marshall from the Minnesota Lions Eye Bank was recognized at our last meeting. PDG Lion Roger Badenhop was the other person. He also acted as interim Treasurer and was a valuable resource as we transferred our reserve funds to the University of Minnesota Foundation. Lion Roger, thank you for all your work. *(An Award of Appreciation was presented to PDG Lion Roger Badenhop by PDG Lion Dave Moen; on behalf of the MLFV)*

As you heard in the Financial Committee Report, we will be paying off our \$3 million commitment to the "Fund to Prevent Blindness in Infants and Children" by the end of this calendar year. At our Board meeting held on March 21st, 2015 the MLVF Board voted to

Minnesota Lions Vision Foundation

take on a new fund raising project and gave concept approval to the University of Minnesota Department of Ophthalmology & Visual Neurosciences to establish a \$4 million fund to create the Minnesota Lions Eye Surgery Center at the University of Minnesota.

Are there any questions? Hearing none, Is there a motion to adjourn?

Motion to Adjourn By Lion Lyle Goff (5M7), Second by Lion Judy Hoofnagle (5M8). All in favor please raise your delegate card, opposed, motion passed, we are adjourned.

Thank you for coming.

Canadian Report

Report to the MD5M Council of Governors

Governors:

I am pleased to submit the following report about the Canadian Division of the MD5M Lions Hearing Foundation.

The Canadian Division of the MD5M Lions Hearing Foundation was set up as an autonomous committee of the Lions Foundation of Manitoba and Northwestern Ontario ("the Foundation"), with its funds segregated from those of the Foundation. This was done a number of years ago to save administrative expense and to give a central point for the hearing activities to be based. The main focus of the Hearing Committee has been to assist with the provision of hearing aids and devices for those who need them. A second focus has emerged with the opening of the Lions Children's Hearing Resource Centre in the newly renovated and expanded office space in Lions Manor at 320 Sherbrook Street in Winnipeg. We are fortunate to enjoy a good working relationship with the Lions Club of Winnipeg and its Housing Board. This is a place where parents can come to access information and resources about hearing loss in their children. We work in cooperation with a number of hearing professionals who volunteer their time and expertise. There is counseling available as well as courses in sign language. This is just the start of what we will be able to offer as we grow into this large area of need in our community.

In 2014 our two fundraising endeavors were very successful. It is there where we must place our energy in the coming year to fully enhance the operation of the Lions Children's Hearing Resource Centre. At present, the Board is wrestling with its role, some seeing it as a policy board instructing administration to carry out its mandate, others want to have a more hand on approach in managing its mandate. This debate continues.

The Hearing Foundation Year in Review

In July we had our training at the University of Minnesota. A number of the doctors explained what they do plus we instructed the Trustees about their duties. The training ended with a banquet with the Vision Foundation. The first Board meeting was the day after the training, and the Board met 3 more times during the year.

In August and early September, our Trustees worked the State Fair booth in the Education Building along with the Vision Foundation.

In September we helped with the Cochlear Implant Picnic, grilling, setting up, and doing children's games

In October of each year Dr. Bevan Yueh presents the Foundation with 8-12 research requests between \$100,000 to \$125,000. Each request represents seed money to be used by the researchers to develop their projects to be able to apply for full funding from various Government entities such as the National Institute of Health. This year we were able to provide Dr. Yueh with funding of \$125,000.

Also were pleased at this meeting to find out that 10 physicians from the department were named Best Doctors in the October 2014 issue of Minnesota Monthly magazine.

In January and February all conventions had display tables for the Hearing Foundation and several conventions had patients or University staff as speakers. And this year we were also pleased to be able to provide our Trustees with new updated displays.

In March we hosted the DG E's on a tour of the clinic and a banquet with Vision that evening.

Also in March the Foundation voted to provide welcome bags with LING objects for cochlear implant children. LING objects are small toys whose sounds represent the range of sounds that each child with a cochlear implant or hearing aid needs to be able to detect, discriminate and produce as they work through the auditory hierarchy toward spoken speech and language. The Speech Language Pathologists train the families on how to use these concepts at home.

Being able to provide each family with a set of these objects is an awesome way to promote the technique at home.

In April we did Tour Guides at the U of M.

Currently we are working with camps on a raffle, silent and live auctions at this convention.

Throughout the year, our Trustees have been visiting clubs and zones meetings to explain the various programs of the Hearing Foundation.

We continue to request that you collect used hearing aids and put them in the used eyeglass collection boxes so we can provide hearing aids to those who cannot afford them.

Hearing Research Fellowship have been provided to those Clubs who have raised \$1,000 and chosen to honor individuals in their clubs or communities.

We find more and more people are accessing us on our website www.5mhf.org

Our 2014 D-Feet Haring Loss walk completed last year raised over \$142,000.

Our fourth annual D-Feet Walk for Hearing Loss will be held on Saturday, June 6, 2015, at the University of Minnesota Landscape Arboretum in Chaska. We will have three walks of various lengths to accommodate all walkers. We are requesting donations from clubs and individuals. For \$25, a walker will get free admission to the Arboretum for the day, a t-shirt and lunch after the walk. Please stop at our display tables to get more information on registering and or donating for the walk. We hope you will join us for this GREAT Day!

Thank you for your continued support that makes a difference in those adults and children who are hearing impaired.

Meeting adjourned.

Some of our Trustees will be leaving our foundation this year:

Lion Emmy Koch, Lion Ken Harwick, Lion Mike Potocki

At this time I would like to present PDG Ken Harwick with a Dream Catcher Award for 6 years of service to the Foundation. The first progressive pin is from his club, Madison Lions Club, and the second one is from the Foundation.

I would like to present Past District Governor Wayne Swanson with a Dream catcher Award for his service to the Foundation. He was always available for advice and help when I asked.

I would like approval of the following Lions as 2015-2016 Board.

Chair: Judy Loken

Vice Chair: Bernie Braegelmann

Secretary: Mark Eyre

Co-Treasurer: Doug Olson and Greg Langbehn

Executive Secretary: Bill Bard

Public Relations Report:

"Lion Deb Weston will give a report on our Awareness Program for the upcoming year."

Lion Deb Weston, 5M7, reported on the Foundation's 3 year plan on diabetes awareness. She stated that the Foundation is ahead of schedule and though 25% of the general population is at risk for diabetes the results show that the lions surveyed are 60% at risk. She also reported on holding a State wide diabetes project in 7 communities on Saturday November 14, 2015.

"Thank you Lion Deb."

"Lion Eileen Schirer will give a report on the Strides Program."

Lion Eileen, 5M6 spoke on the Strides Program and the materials available from LCI to help promote the program. Strides is not just about walking, it can encompass any physical activity. Strides promote diabetes awareness and healthy living.

"Thank you Lion Eileen."

The Foundation has worked hard this year on branding.

I would like to thank PID Brian Sheehan for the webinar we have used for our committee meetings.

We gave out 3 grants this year to the University of Minnesota:

We renewed the \$250,000 pledge for the Minnesota Lions Islet Imaging Lab Fund- This research focuses on viewing transplanted islets inside the body pre- and post-transplant.

We renewed the \$50,000 pledge for Diabetes Cure Research Using Immune Regulation and Tolerance-This research is focused on identifying and selectively removing the destructive cells that cause diabetes.

We pledged \$25,000 for Diabetes and Metabolism Research Fund- This research is looking at how long standing diabetes affects the brain. The research focuses on how developing abnormalities may contribute to cognitive dysfunction, dementia, and/or diminished executive function.

I request a motion to adjourn."

Motion to adjourn at 8:25 am by Lion Bernie Braegelmann, 5M5, and seconded by Lion Judy Hoofnagle, 5M8. Motion carried.

Respectfully submitted, Lion Mark Eyre 5M10

Al Jensen Leadership Award

1997 to present

Alvin “Al” Edward Jensen was born on September 19, 1931 at Oak Park Illinois to Alvin and Helen Jensen. Al grew up in Chicago. As a boy he was active in the Boy Scouts of America and for many years played on a Drum and Bugle Corps. In high school Al participated on both the Swimming and Basket Ball teams. After high school, Al attended Wright Junior College where he also participated on the swimming team. Al then went to attend Northwestern University.

On October 2, 1954, Al was married to Shirley Headke. Al and Shirley have five children (1 girl and 4 boys) and several grandchildren.

In 1961, Al and Shirley moved to the Twin Cities where he worked several years for the Honeywell Corporation. He then went into the clothing business.

Al became Lion Al Jensen in 1975 when he joined the Golden Valley Minnesota Lions.

Lion Al’s contributions as a Lion were many and varied. From the beginning he was a dedicated worker and a strong leader. He held most club offices and served willingly at the District level In 1983/84. Lion Al became Governor of District 5M5 and in 1984/85, he moved on to the position of Council Chairman. For his effort and tireless work for Lions he was honored with the Lions Ambassador of Goodwill Award, the International Presidents Award, two Melvin Jones Awards and the Lions Distinguished Service Award. PCC Al also served for many years as the MD5M Representative to Leader Dogs for the Blind.

PCC Al Jensen is mostly remembered as Lion Al Jensen, a caring, effective, dedicated but quiet leader. He was a man who taught by word and example. A man that could make meaningful suggestions without putting a person down. A man who knew when someone needed advice and how to give the advice in a way that strengthened their confidence and their leadership ability. A man who could affect change without making waves or causing problems. A man who was always available when advice was needed. A leader who helped people build their skills and self-confidence. Lion Al was well known and highly respected from the grass roots level of Lionism in MD5M to the very highest offices in our association as a man who gave much and expected little in return.

Lion Al Jensen had a deep love for what Lionism meant and he did everything he could to share that love with others.

Lion Al died of cancer in 1995.

The type of award is for a Lion’s member with ‘under 5’ years membership or ‘over 5’ years of membership at the time the award was presented. In 2003 the award was changed to include only Lions with over 5 years of membership.

Past District Governor Association Cap Baker Award 1963 to Present

Lion Chilton C. Baker was a Captain in the Spanish American War and was a charter member of the Grand Rapids Lions Club. He was known as C. C. “Cap” Baker.

Lion Baker was the guiding light for 47 years among Lions on a local, district and international sphere. CAP Baker spread the motto “We Serve” all over the District and through his dedication our Multiple became special.

The award came about by the Past District Governor members wanting something special to denote Past District Governors who have gone far beyond the call of duty asked of Past District Governors.
