## Sign up now to help with KidSight at the state fair!

The Great Minnesota Get Together is right around the corner and again, we will be providing KidSight screening in the Healthcare building at the State Fair! Our 5M4 date is September 1st – however, if this day doesn't work for you, sign up for any day that does!!

Volunteering has benefits! The sign up is watched and before your day, you will receive a parking pass and a free State Fair entry pass for the day, AND if you need, you can ask to be reimbursed for mileage and part of your hotel stay. As you can already see on the sign up from others, when you enter your name, in the memo section enter your district "5M4". This helps track volunteers from our district for reporting our service and makes it easier for Lion Dennis to track you down to sent your pass and ticket to.

You can spend the whole day at the Fair and volunteer for 3+ hours! It's a great time and you can "meet new people and do cool things!" We need you! Please consider giving of your time (We Serve)! If you have any questions, please contact Lion Dennis Kelly III, Chairperson for the MD5M Lions KidSight Foundation at dkellylion@gmail.com or text to 651-788-3486, or our 5M4 Representative, Lion Susan Honken at susandenisehonken@gmail.com.

**Our sign up link is:** <https://www.signupgenius.com/go/5080D45ADAC2FA7F58-48608689-state#/>

**Also, have you provided KidSight screening in your area this year? Have you reported your service? If you haven't and not sure how, please reach out to Lion Susan (email above) and she will help get this done. It is important to report all those we have provided service for.**

## Buffalo Lake Lions

*The Buffalo Lake, Hector and Stewart Lions Clubs have been busy, working hard so they can donate for their BLHS School kids! Donations were given for the kids to go to Legionville School Patrol camp and for the school officer to go to the D.A.R.E. program training to offer drug awareness in the school. The Buffalo Lake Lions Club also donated to the woods class so they could buy better materials for a dresser or coffee table as their final project, in hopes this item will be a family heirloom for many years to come!*

## Lions Clubs International – Public Service Announcements matter!

Lions Clubs International is an organization we are proud to be members of and we provide valuable volunteer and monetary support for our communities and beyond. Lions do so much, and we need to do a much better job in promoting our actions and sharing the impact we make in our communities. These promotions can ensure greater public participation in our club events and projects. In addition, the promotions we undertake can help recruit others to become Lions. One type of promotion that Lions clubs can utilize is public service announcements (PSAs).

A public service announcement (PSA) is a message in the public interest disseminated by the media without charge to raise public awareness and change behavior. You have undoubtedly seen or heard hundreds of PSAs covering a multitude of topics over the course of your life. What you may not know is that the Lions have PSAs available for use by their members.

Lions Clubs International has prepared several public service announcements that cover the following topics:

- Fellowship
- Hunger
- Vision
- Environment
- Service
- Lions as a Global Force for Good

These Lions public service announcements are for both radio and television. The PSAs have varying run times of 15, 30, and 60 seconds in length. The public service announcements are available for download and can be shared with your local radio or television stations.

**Lions Clubs  
International**

The link below takes you to the LCI Lions Press Center website page. On this page, you can find the section containing the various radio and television public service announcements:

<https://www.lionsclubs.org/en/footer/lions-press-center>

The work is already done with these public service announcements so your local radio and television stations can just add a tag to the end of the announcement, if you wish to have a call out for your club. You can also work with the local stations to see if they will work with you on creating PSAs specifically for your club. Make sure your locally created PSAs incorporate all the necessary requirements regarding the use of Lions branding. Please use public service announcements to your advantage. Expand your marketing and public relations efforts by incorporating PSAs into your plans.

# Benson Lions donate to Veteran's Home

Wednesday, April 24, Benson Lions members ventured down to the Minnesota Veteran's Home in Montevideo to present them with a monetary gift. Cindy Wilkens, Public Affairs/Volunteer Coordinator, gave a tour of the facility. The group toured the SWIFT County corridor and observed the old photos from the county. Other corridors were CHIPPEWA, LAC QUI PARLE and YELLOW MEDICINE.

# Lions lend helping hands in Memorial Day Program

The Benson Lions Club members participated in the annual Memorial Day Program held Thursday, May 23 at the Swift County Historical Museum. The Lions decorated tables, etc. After the program, they served cupcakes, coffee and water to all who attended. Red, white and blue sprinkles highlighted the frosting of the cupcakes. Left-over cupcakes were delivered to the Scandi Haven Apartment

Building for the residents to enjoy during their Friday lunch gathering.

### **Leader Dog News – A New Way to Reach Out**

Leader Dog is expanding their free Guide Dog and orientation and Mobility programs to individuals living in the US and Canada who prefer receiving training in Spanish.

For over 60 years, Leader Dog has provided our Guide Dog Program to clients from Spanish speaking countries who could not access guide dog training locally. Now, this exceptional programming will also be available to Spanish speakers in the U.S. and Canada.

Leader Dog is also providing ground-breaking Orientation & Mobility (O&M) program (often referred to as white cane training) in Spanish. O&M training teaches people how to safely travel using a white cane. Clients also learn orientation skills to effectively know and Latino communities where they are, where they want to go and the skills to get to their destination. Skills learned may include crossing streets and problem-solving obstacles along a route, such as maneuvering through barriers, crowds, etc.

“According to the CDC, Hispanic and Latino communities experience a higher risk of vision loss. Offering our free programs to those who speak Spanish allows Leader Dog to meet this critical need and empower more people with travel safety and independence,” said Melissa Weisse, Leader Dog president and CEO. “People often learn best in their native language, especially when acquiring skills as impactful as guide dog handling or orientation and mobility.”

Both free programs will follow Leader Dog’s same exacting standards, simply conducted in Spanish rather than English.

This expansion allows Leader Dog to further our vision that “every person who is blind or visually impaired travels safely and independently.”

Leader Dog could not function without the assistance of LIONS SUPPORT. Do you know a Spanish speaking, visually impaired person that would benefit from white cane training (O&M) or Guide Dog Mobility training? They can get started by applying at [LeaderDog.org](http://LeaderDog.org) or calling 888-777-5332, press 1 to speak with client services.

## A message from Allan - District LCIF Coordinator

A big **THANK YOU** to all clubs and Lions members in 5M4.

You are all awesome and you are truly making an Impact!

Please continue to support LCIF, our foundation, with your ongoing donations. The need is great both in our district and everywhere the Lions serve. I will be our district's LCIF Coordinator once again for the coming year. I would enjoy being with you at a club or zone meeting or at one of your events. Please reach out to me.

Continue to use your MJF credits to give a Melvin Jones Fellowship to someone deserving within your club or community.

Google LCIF Grants Toolkit at [www.Lionsclubs.org](http://www.Lionsclubs.org) to learn more about the grants that are available, how to apply for them, etc.

Google LCIF Stories of Pride to see videos of projects Lions and LCIF are doing around the world. It's pretty inspiring!

If you want any printed materials about LCIF and its grants or programs to give out; I'd be happy to provide. Just let me know.

Sincerely,

Allan Ulbricht
