## Keep up the hard work

*Easter has jumped into our rear-view mirrors and we are patiently waiting for Spring to arrive! They say it's coming, but it's really hard to believe them with the cool wet weather that we have been having. I guess that it will make us appreciate the warmth even more when it finally shows up.*

*It's been a busy couple months for me since my last Newsletter column. I was able to spend 3 glorious days in South Carolina golfing with a few of my golf buddies. It was a terrific getaway and great fun. Then I was able to attend our first ever Multiple 5M Faculty Development Institute held in Shakopee.*

*To say that I enjoyed my time there would be an understatement! We were lucky enough to have stellar Instructors, and Lion Dennis Kelly put a ton of effort into making this happen. Can't say enough how fortunate that I felt to attend. As a rule our Multiple gets 1 maybe 2 Lions who are accepted to this each year. By hosting it in our Multiple, we had 27 Lions from 5M attend! That could have taken 10 years or more to get that many qualified instructors, but now our cup is running over with new instructors.*

*We are quickly approaching the end of our Lions year, and we need to keep up the hard work that all our clubs are doing. Membership is always a critical issue within our District and I can't stress enough the challenge to find more members. Buffalo Lake Lions continues to lead the way this year with a +6 in membership. As a District we are a -20 in membership, if we could get that back to zero by June would be an incredible bonus! Keep asking!!*

*Also, the Multiple Convention is fast approaching. It will be in Mankato this year and Next year our District is hosting it in St. Cloud. More news about next year will follow but we will be looking for several volunteers.*

*I can't thank everyone enough for all the effort and time that you all have put into this year. I thank you. Your communities thank you. And you all can thank yourselves for a job well done!!*

## Let's ROAR!!!!

Spring is here I believe. Well I know Lions season is here anyway.. That means it is time to go outside and be active. Be seen around your community, wear your lions pins, shirts and hats with pride. Let everyone know you belong to the largest service organization in the world. Tell people why you are a lion

Being apart Lions is an honor to take pride in. You are serving and helping people worldwide every day. From donating time and resources to your community To donating money to local causes and worldwide relief. Every day Lions are making a difference and it shows. Keep up the great work , and be proud of what you do.

It is no secret that members are the key to our success. Yes we can always use new members, and all it takes is a conversation. Even your family members are not going to ask you how to join, You have to ask them. Ask a friend, a neighbor, a coworker, Ask your brother and sisters. Let everyone you know how amazing Lions are. Give others the opportunity to feel that warm fuzzy feeling you feel when you help someone out. Remember new members are always great, but keeping our current members is just as important. Work together as a team. Situations arise, WORK through them. Just like any relationship not all personalities blend. Look at the big picture. We are Lions to serve and help others. That is what we do. So let's go out and serve.

We have a great opportunity coming up with the return of SUCCESSFEST. This is a lion interactive experience. . This is where lions from our district get together and exchange ideas and talk about the ins and outs of Lions behind the scene. The treasurer, the secretary, the president. How to report and how to maneuver around the lions international website. The dates and locations are coming soon. This event is for all lions, there is something for everyone. We will even have the foundations there to talk to.

I am currently working on filling the district cabinet for 2022-2023 . I have a few vacant spots. If you are interested in being part of the district cabinet just let me know and we will work together to find your spot..

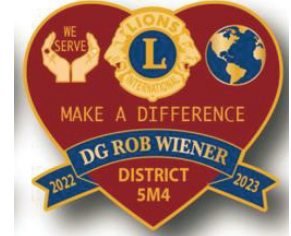

Thanks again for all you do.

## Spring housecleaning!

1st VDGE Sue Kulbeik

Spring should be a time of renewal, growth, and looking forward to the future seasons. In spite of the weather, we could apply that positive outlook to Lions!

Our fiscal year ends on June 30th and the new year begins on July 1st. Let's set a goal to do some spring housecleaning and sprucing up our clubs. We will be holding Zone meetings throughout the District that will include lots of great info for new club officers, how to recruit new members, and fun ways to engage your members.

It's also a great time to be sure your club is reporting your service projects, new officers, and be sure it's all completed by the end of June.

IVP Brian Sheehan will be taking over as President of Lions Clubs International effective July 1st. Let's be sure his home district is setting the standard for how clubs can be their best.

Speaking of growth, Future Leader Dog Olee is having a growth spurt! He's looking forward to meeting everyone at the MD5M Multiple District Convention in Mankato. Please be sure and come and say hi to him and all the Leader Dogs, clients, and puppy raisers that will be there.

Let's all pray for spring to finally arrive!

## LEADER DOGS FOR THE BLIND

LEADER DOG NEWS FOR LIONS  
March 2022

### Lions Match Campaign Launches!

By Pearland Silverlake President Lion Fay Watson

September 2021 the Pearland Silverlake Lions Club (above) held their first "Helping Hounds, A benefit for Leader Dogs for the Blind" at Killen's Steakhouse in Pearland, Texas. Over 70 attendees and volunteers enjoyed a dog friendly evening on the Killen's Steakhouse Patio dedicated to helping raise money for this worthy cause.

The idea of a fundraiser just for Leader Dogs for the Blind was brought to our club by Lions Charise Berry and Sandy Cavazos. The pair decided our club could make an impact if we could donate enough to pay for one puppy to be purchased and trained to be a Leader Dog. The board thought the idea was great and planning began.

Sponsorships were created with names like Hair of the Dog and Best In Show ranging from \$250 to \$2500. There was a dog costume contest as well.

The event resulted in a \$20,000 donation to Leader Dogs for the Blind which will be used as a "Lions club donation match" mail campaign hitting club mailboxes early April.

### A New Podcast Launches

Leader Dogs for the Blind presents Taking the Lead. A podcast where we will take a deep dive into the blindness community.

Our goal is to bring awareness of not only the blindness community but the free services we provide to those who are blind or visually impaired.

Meet one of your hosts of Taking the Lead. Timothy Cuneio was diagnosed with retinitis pigmentosa when he was 12 years old. Throughout his life he has continued to be proactive and never letting his visual impairment define him or hold him back.

Timothy, along with LDB staff, will lead you on a journey as we learn, laugh, and make a difference in people's lives.

Listen to Taking the Lead in your favorite apps like Amazon music, Spotify and Google Podcasts.

### **Lions Strong: Making A Difference**

reflects the following:

L – Leadership makes a difference

I – Individuals making a difference

O – Organizations making a difference

N – Networking and working together to make a difference

S – Solutions making a difference

## STRONG!

We are in the process of securing your speakers for this great event! We some excellent speakers picked out.

Our committee members are out selling ads. If you have a business and would like to support District Governor Elect Rob's convention, please contact me and we can take care of your ad. We are also looking for Silent auction items and prizes for the Chinese Auction. More about those things later.

Check out the registration form in the newsletter. Register early and get a significant reduction in the cost of the registration fee! Just a reminder that the 2023 5M4 Mid-Winter Convention will be held in Alexandria at the Arrowwood Resort from January 27 through January 29, 2023. The room blocks are already available so feel free to call and make your reservations. Water Park tickets will be available after check in for \$10.00 per child per day.

The more we work together the greater the result! What can you do? What can your club do? What can we all do to make a difference? I challenge you to make a difference everyday if only to smile at someone who is having a bad day. Just your smile could turn their day around without you even knowing it. Make a Difference!
