## Happy Thanksgiving, Safe Harvesting 5M4!

And there is certainly a lot to be thankful for – including YOU! I continue to be humbled by the warm welcome I have received at your club meetings and events. I am truly grateful for all the incredible work you are doing in your community and enjoy hearing about the projects you have done and are planning. To date, I have had the pleasure of visiting 32 of our clubs, and I look forward to seeing the rest of you soon! Our district spans a 2 ½ hour drive, through 12 counties for me. Watching the harvesting (and for deer!) is a great pastime as I drive to greet you all!

Mission 1.5 is in full swing and PCC Rob has been busy supporting clubs as they plan membership drives. If you are interested in hosting one in your community, please reach out to him or myself, we'd be happy to help you get started. Membership drives are a great opportunity to showcase who you are and the impact you make within your community!

Service – it's the reason we are all here! IPDG Jacque shared many great ideas for promoting Mental Health and Well Being week, and it was inspiring to see so many clubs participating! I enjoyed hearing about some of your activities and attended a couple of events myself. Moving forward, the next Club Excellence Award service week is in January, this initiative focus is on Hunger. And don't forget, November 14th is World Diabetes Day. Our Diabetes Foundation offers many excellent resources to share with your community. If you need more information, please reach out to Lions Lori or Ken.

Exciting news!! Our Multiple District has once again been awarded a LCIF Marketing Grant! This is our second year in a row, and our district will receive \$1000 to put toward our 5M4 marketing efforts ~ any suggestions? We would love your input. How can we best use these funds to help promote your club and Lions International? PDG Sue will be working with district leaders to coordinate efforts, please share your ideas. Hopefully, you have already displayed the colorful posters IPDG Jacque distributed last year. They were a great way to catch attention in your community! We value your suggestions; this is YOUR grant too! Please share your ideas!

Have you marked your calendar yet?! Plans are underway for our Mid-Winter convention, set for February 6-8, 2026 in Willmar. It is shaping up to be an informative and fun weekend that you won't want to miss! Be sure to get your registration in by December 20th to take advantage of the early bird savings. A registration form is available within this newsletter, and informational packets with all things convention will be arriving at your clubs soon.

Our second Council of Governor's meeting (COG) was held in Alexandria, I enjoy catching up with fellow Governors who have now become friends. A highlight of the meeting was a zoom visit from International President AP Singh. This is the second time he has addressed us ~ I am telling you, as he has told us, our Multiple District is leading the way with the Mission 1.5 initiative! "You are the best role model for the world." I challenge you all to take a look at your communities, identify needs, and plan how your Lions club can make your community better ~ service is what engages members!

A big congratulations to our 5M4 Service Coordinator, IPDG Jacque, for receiving this quarter's Quack-Tastic Award in recognition of her outstanding leadership as a GST leader! This fun duck award celebrates her active participation and enthusiasm in our Multiple District Service meetings. She consistently participates, offering creative ideas that keep everyone motivated and engaged, and is never afraid to ask questions so she can learn more about helping our district serve. Thank you IPDG Jacque for your dedication and leadership!! Another round of applause goes to the Sauk Centre Lions Club for this year's Multiple District Kindness Matters Award. We'll share more about this awesome recognition at our upcoming convention! Congratulations, and well done!

The MN Lions Hearing Foundation continues to make a difference through their "Affordable Hearing Aid Program", in partnership with the Starkey Foundation. If you know of someone in your club or community who could benefit from this program, please reach out to our Hearing Foundation representatives for more information!

Through the Lions Mission Foundation, Lions are headed to Guatemala! During the 2024-2025 Lions year, the Vision Foundation collected over 475,000 pairs of glasses, and this upcoming mission trip will help distribute to those in need. Planning for the 2026 trip will begin next year, if you are interested in joining or learning more, please reach out to IPDG Jacque. If you have any questions about the Vision Foundation, please reach out to PCC Rob or Lion Craig.

We closed out October with our 5M4 Cabinet Meeting in Olivia. These meetings, along with our Council of Governors meeting, help to ensure important information is shared across each district and passed down to our Zone Chairs. Keep an eye out for your November Zone Meeting announcement and make plans to attend! Cabinet and zone meetings are open to all members! They are a great way to learn, stay connected, and be informed.

*As always, if you have questions or would like a district leader to visit your club, please find us on the last page of the newsletter and reach out! We would love to hear from you!*

## *So much to be thankful for in District 5M4!*

As we enter this season of gratitude, I am reminded of just how much we have to be thankful for here in District 5M4. Lions throughout our district continue to live out our motto, "We Serve," with compassion, dedication, and teamwork.

This month, I want to express deep appreciation for two incredible LCIF grants coming into our district — one in Buffalo Lake and another in Ashby. These grants represent the strength of our Lions Clubs International Foundation and how, together, we can make a lasting impact in our communities. Thank you to the clubs and leaders who worked diligently to make these grants a reality — your efforts embody what it means to serve with heart.

We are also very thankful for Lion Ed Bolas, who has stepped up to serve as our new 2nd Vice District Governor. His willingness to lead and serve our Lions family is truly appreciated. Congratulations, Lion Ed, and thank you for your commitment to 5M4! In the coming months I will be reaching out and trying to put together our cabinet for 2026-2027, if you are inspired by something please let me know and we can line up an opportunity for you to join our cabinet team for the upcoming Lions year.

On a personal note, I had a wonderful time at the US/Canada Lions Leadership Forum in Atlantic City. It was an inspiring weekend filled with learning, leadership, and Lions fellowship. If you ever have the opportunity to attend one of these forums, I encourage you to do so. It's an experience that deepens your passion for Lionism and connects you with incredible Lions from across North America.

As we move into the holiday season, let's also remember to give the gift that keeps on giving — the Special Olympics Golf Passports. This initiative continues to make a difference for athletes with special needs, and it's a meaningful way to share our spirit of giving this season.

Please also save the dates — February 6-8, 2026 — for our Mid-Winter Convention in Willmar. It promises to be an exciting weekend of celebration, learning, and connection.

Between now and then, let's be sure our clubs are ready:

- Have your club officers attended the trainings? Success-fest?, Zoom training? Or via the portal?
- Have you submitted nominations for the "Heart of the Lion Award"? (Details and qualifications for this special recognition are listed this months newsletter.)
- Special Promotion for First-Time Mid-Winter Convention Goers: If you've never attended a Mid-Winter Convention before, this is your year! Be sure to take advantage of this promotion designed for first-time attendees — you won't want to miss the fun, the fellowship, and the inspiration that comes from being surrounded by Lions from all across District 5M4!

Finally, I want to thank each and every one of you — for your dedication to your clubs, your communities, and to Lionism. You are the heart of our organization, and I am truly grateful to serve alongside you. Together, we are changing lives every day.

Wishing you all a safe, happy, and gratitude-filled Thanksgiving season.

In service and thankfulness,

Lion Jason Kerfeld First Vice District Governor, 5M4

## Can Do Canines to have open house on Saturday, November 8

Can Do Canines invites you to attend an open house on Saturday, November 8, from noon to 2 p.m., at its Can Do Canines campus (9440 Science Center Drive, New Hope, Minnesota). Potential volunteers, clients, or anyone who might be interested in finding out more about our organization can join us to learn how an assistance dog changes the life of a person with a disability.

Through a self-guided tour, attendees will be able to watch a trainer working with an assistance dog, hear from a volunteer dog host, talk with staff members from the volunteer department, pose questions to client services coordinators about the application process, and meet graduate teams from five of the types of dogs Can Do Canines trains: hearing, mobility, seizure, diabetes, and childhood autism.

There is no pre-registration for this event, though attendees will be asked to share some contact information when arriving.

To request a sign language interpreter for the Open House, please contact Laurie at [lcarlson@candocanines.org](mailto:lcarlson@candocanines.org) or 763-331-3000 at least two weeks in advance. We'll do our best to accommodate late requests, but availability is not guaranteed.

More information about Can Do Canines is at [CandoCanines.org](http://CandoCanines.org).

## Buffalo Lake Lions host speaker

## Buffalo Lake Lions and Olivia Lions host mental health event

DG Susan, the Buffalo Lake Lions Club and the Olivia Lions Club hosted Dr. Amanda Black from 2B Continued ([www.2bcontinued.org](http://www.2bcontinued.org) – education, outreach, and resources for suicide prevention and mental health). Her presentation explained the well known book, written by Jonathan Haidt, “The Anxious Generation”. She did a great job explaining the correlation of screen time, following social media and gaming, with the anxiety in our children to 40 attentive students of parents and grandparents! This was an eye opener for many, but completely understandable!

## Morris Lions have 4 new members

Morris Lions Club welcomed 4 new members at September meeting. New members are Joe Glasrud, Tegan Peterson, Tony Reimers, Jim Greenwaldt.

## Morris Lions donate for literacy

Morris Lions attended the second graders book fair at St Mary's school. We give each second graders \$15 to purchase books for reading. They were so excited.

## Danube Lions get in touch with their community

Danube Lions sponsored "Fill Your Freezer. Fall is busy with farming and school activities, so these ladies came and made meals to freeze to use when they don't have time to make a meal. It gave us an opportunity to tell them about Lions. We also did a Community Potluck in September to let others know what we do as Lions and to get new members.

DG Susan visited with the Elbow Lake Lions club on October 21.

# Three Lions' Club create a great playground

The pre-school youth at Little Stangs Learning Center in Buffalo Lake had a "ribbon cutting" ceremony in celebration of their new outdoor play space! The Buffalo Lake Lions Club cleared rock from the playground at the Center, then with additional donations from the Hector and Stewart Lions too, they were able to cement a path for outdoor activities on wheels, which created a space for a wheelchair bound youngster to play with others as well! They also added a sandbox to their outdoor space. Thank you to the three clubs for their monetary donations, to Top Level Concrete (Ryan Kramer), the Buffalo Lake Lions Club for their labor clearing the ground, Lion Brad Krumrey for the use of his equipment, and Lion Kevin Weispfennig for building the sandbox!

## Busy Cedar Mills Lions!

The Cedar Mills Lions Club distributed Mental Health & Well Being signs in support of suicide awareness after their October 12th meeting.

The Cedar Mills Lions Club served treats to the 4-H youth and volunteer adults who helped them clean their road ditch in October.

## LEADING THE WAY

Leader Dogs for the Blind – Lions Newsletter

Our top priority is ensuring each client receives customized instruction so they can develop exceptional skills to travel independently with a white cane or a guide dog. Below is the story of Winter, a Leader Dog who works with a client who is DeafBlind, like honorary Lion Helen Keller was. **In 1992, Leader Dog became the first organization to train guide dogs specifically for the DeafBlind community.** To learn about other adaptive services for clients with physical and intellectual disabilities, scan the QR code or go to [LeaderDog.org/blog](http://LeaderDog.org/blog).

### Leader Dog Winter's Story

My name is Chelsea, and I am an apprentice Guide Dog Mobility Instructor (GDMI) on the DeafBlind and Adaptive Services team. I hope you will find the tale of this small black Labrador as inspiring as I did.

Winter was an absolute joy to train. **She is a certified good girl – she quickly picked up on the work and loved every second of it.** When we were looking for a match for a DeafBlind client who uses American Sign Language to communicate, I immediately thought of her. The first time she saw me signing, with my hands flying around, she wagged her tail excitedly and tilted her head back and forth (a signature Winter move).

**During training with her client, Winter would patiently sit and stare up at her while she signed.**

Her client uses both hands to expressively sign and one hand to track (receive ASL signs from the person she's signing with) which doesn't leave very many hands to hold the leash and manage a dog. It is critical that Winter is comfortable and patient while her client signs.

**Because of support like yours, we can not only provide folks with the independence that comes from working with a Leader Dog – we can provide folks with their perfect match.** We can take the time and resources to train our dogs specifically for their client. The greatest part of my job is graduating a team and watching them walk away beaming with pride. Thank you for your support.

The Lions Clubs International Foundation (LCIF) supports and magnifies the impact of Lions' humanitarian work in their local communities and worldwide. LCIF empowers Lions by providing grant funding for projects that address a wide range of global and local needs, turning small-scale volunteer efforts into large-scale service projects.

## How LCIF empowers Lions' service

- Provides grants for larger projects. LCIF offers various grants that allow Lions clubs to undertake ambitious projects that would not be possible with fundraising alone. MD5M Lions sponsoring 2026 USA Special Olympics is one such example.
- Matching grants: Help clubs and districts fund major equipment or construction projects. Projects such as the West Central School Greenhouse Project, Ashby Greenhouse Project and Clara City Playground.
- District and Club Community Impact Grants (DCGs): Allows our District to purchase school supplies, food packs, Ukraine supplies and hygiene kits.
- Funds global and local humanitarian efforts. LCIF provides the resources for Lions to deliver services in their core areas of focus. Examples of LCIF-supported projects include 5M4 Lions KidSight Cameras.
- Disaster relief: Delivering aid for Tornado Cleanup in Forada.
- Environment: Funding projects for the 5M4 tree planting, and access to clean water.

**Maximizes every donation. LCIF is a highly rated charitable organization that uses investment income to cover administrative expenses. This ensures that 100% of every donation goes directly toward funding humanitarian grants and programs.**

LCIF Grants are possible because of the support of Lions Clubs and individual Lions. The district has raised \$8,001 toward its goal of \$47,616 for this year. Please keep supporting our communities with a donation.

*Check for Special Olympics should be made out to LCIF–Special Olympics*

## USA Special Olympics 2026

Lions of MD5M (Minnesota, Manitoba and NW Ontario) have pledged to raise \$250,000 for the USA Special Olympics 2026. Please consider a donation to help fund this event. Donations should be made to LCIF –Special Olympics MN 2026 and sent to me. Keep selling Special Olympics Golf passes as these are good all off next year also. LCIF Grants are possible because of the support of Lions Clubs and individual Lions.

The district has raised \$5,790 toward its goal of \$47,616 for this year. Please keep supporting our communities with a donation.

## Filing Funds Information

**Lions: Please remember that all Lions clubs, districts and multiple districts** that have annual gross receipts of less than US\$50,000 and do not have to file Forms 990 or 990-EZ must file the [e-Postcard](#) (also known as 990-N). **If your Lions club, district or multiple district has a foundation, which is a separate legal entity, the appropriate form will need to be filed as well.**

All filers must register at IRS.gov prior to filing their next Form 990-N. This is a one-time registration if the designated Lion files annually. If the designee changes from a prior year, the new designee must register with the IRS.

Please refer to the following chart regarding annual filing requirements:

2024-2025 Tax Year*	Form to File
Gross receipts normally \$50,000 or less	990-N
Gross receipts greater than \$50,000 and less than \$200,000, and total assets less than \$500,000	990-EZ or 990
Gross receipts \$200,000 or greater or total assets \$500,000 or greater	990

The e-Postcard is due by the 15th day of the fifth month after the close of your tax year. Lions clubs operate on a fiscal year, July 1-June 30, and the e-Postcard is due by November 15 each year. Please note that *an organization cannot request an extension for filing the Form 990-N*.

**If you do not file, you risk losing your tax-exempt status.** Any Lions club that fails to meet its annual reporting requirement for three consecutive years will automatically lose its tax exempt status. A club may [apply](#) for reinstatement of its tax exemption even if it originally fell under a group exemption.

Every club and/or district (single, sub- and multiple) must have an employer identification number (EIN), even if it will not have employees. The EIN is a unique number that identifies the organization to the Internal Revenue Service. To apply for an EIN, you should obtain a Form SS-4 and its instructions from the IRS. You may also apply for an [EIN online](#), by telephone (1-800-829-4933) or by fax (fax number at the location accepting applications from your state). It is important that clubs and districts use the correct EIN for their annual filing.

Please note that Lions Clubs International is not authorized to provide guidance regarding your club's filing. For frequently asked questions about tax issues and regulations affecting Lions clubs and leadership, visit the [Lions Tax FAQ](#). Visit [www.irs.gov/eo](#) for complete details and to sign up for Exempt Organization's free email newsletter, *EO Update*, to receive up-to-date information posted on the charity pages of irs.gov. For specific questions please contact a local tax professional or the IRS.
