United in Kindness and Diversity

As fall draws near, evenings are getting cooler, gardens are being harvested and school is starting in many areas with some students in classroom settings, some virtual and many students, teachers and parents learning the new role of hybrid learning due to Covid-19. If you would have told me I would start my district governor year training, working and meeting online I would have said you were crazy! Well this the new normal for all of us! I am happy to hear that many clubs are starting to meet in person again. Let's try to find new and unique ways to serve our communities during this Covid-19 time. Can your club volunteer at the food shelf or a food distribution site, as did by the Montevideo Lions, in the middle of August? Chippewa County had food donated by Second Harvest and eligible households were able to pick-up boxes of meat, produce and other canned items at the county fairgrounds, drive thru style, and all workers including Lions were protected with masks and gloves as they loaded boxes into cars. Alexandria Evening Lions have chosen to forgo their meeting meal and donated \$15 gift cards to essential workers at their local grocery stores and child care facilities. These are some of the great examples of new ways we can serve our communities! Please share any ideas you may have that your club is serving its community during this Covid-19 time, we would love to share it on our 5M4 Facebook page and in our newsletter!

District Governor
Kellie Knudson

Our 1st cabinet meeting was on Wednesday, July 29th, via Zoom, and it went well. Times are changing and we need to remember why we all became Lions members, to serve. We need to recruit new members and find ways to keep the ones we have! My membership goal for this year is to grow each club by +2 members by end of June 30, 2021. Can-Do-Canines will be my supported foundation for my District Governor year. Some other important notations from the cabinet meeting were as follows: Northern Pride, which was scheduled for Oct. 30-31st in St. Cloud, has been cancelled and refunds will be mailed. It was also mentioned that our District 5M4 will be hosting the MD5M multiple convention, originally in 2022, in St. Cloud, the year Brian Sheehan is International President. However, that is now moved back to 2023 due to no elections being held due to Covid-19 and the cancellation of the International Convention in Singapore. Childhood Cancer is now officially a foundation and a 501c3 organization...yay! Like Ron Branch said during long range planning, we need to be like a kickstand...keeping our organization upright and keep our connections with clubs. Ruth Neumann reminded everyone to keep in mind the peace poster contest once schools back in session and that Leo's can also participate through their club. Donn Winkler reminded us to remember social distancing if your doing KidSight screenings this fall. He also suggested to wear a mask for all volunteers and a shield if you're operating the camera. Dave Jensen said the Wendell Motorcycle ride, a large fundraiser for their club, has 57 bikes and 12 riders, great job! Please make sure your club officers are input to LCI as soon as possible. I realize some clubs don't meet over the summer months or didn't due to COVID-19 but we still need that contact information for billing and contact purposes. If you are unsure how to do that, please let me know and I will have Kathy Jensen, our district administrator, to assist your club with that process.

Please make sure you are sharing your volunteer events with your community, in the local newspapers, on the radio, on Facebook and also sending the information to us for the 5M4 website and newsletter! This is a great way to recruit new members as well! We need to ask others to join our great service organization to help grow and continue service projects! Also, try have a membership drive for your club, at least quarterly, and ask each member to invite a friend, neighbor, pastor/priest, teacher, co-worker or such as a guest! As 5M10's 1st VDG Susan Winner says, "We all, every one of us, need to roll up our sleeves and just ASK ONE, just BRING ONE, help KEEP ONE, just ADD ONE!" Also consider pairing with other organizations in your community such as Leo's Club, Boy Scouts, Girl Scouts, 4-H groups, etc. You can help each other with community events and ask their parents if their interested in joining your Lions Club!

Please take a few minutes to visit the Learn. Lead. Grow. page on LCI to get educational and training resources! The link is: <https://www.lionsclubs.org/en/learn>. This page includes online modules, webinars and training opportunities. When you learn, lead and grow you make your club and community a better place for all!

Thank you for all you do in your communities and for Lions Club's International, I greatly appreciate it! I am looking forward to serving with and for you this year. Kindness Matters. Please continue to reach out to me via e-mail or by cell phone to schedule District Governor visits. I would be happy to install new club members during your meeting and present any club awards. I can be reached at lionkellieknudson@gmail.com and/or 320-226-4156.

Continue to serve!

As I sit here writing this article, I'm reflecting on the many things that we have missed this year. If anyone has a school-aged child, the things that have been missed this year are astounding. From missed classroom time, to missed athletic events, to missed graduations, the losses are somewhat irreplaceable. If you have gone from working in an office or "on site" to working remotely from home, you have missed many moments of co-worker interaction. Many great brainstorming ideas come during conversations and meetings with co-workers. We as

Lions have had to cancel or postpone many things from local club events/fundraisers, to our Multiple events such as the State Fair booth, and the Northern Pride Forum, to National events such as the International Convention and the USA/Canada Leadership Forum.

One thing we have not had to cancel or postpone is our ability to continue to Serve! The need for our help and service around the world continues to be needed now more than ever. Whether it is in our home towns or across the globe we serve with the same passion as always. Something to keep in mind is to be on the lookout for new members to help in our mission. If you haven't already heard about the North American Membership Initiative (NAMI) you soon will. The North American Membership numbers have been falling and we need to do our part to turn the tide on this. That starts with our local clubs. We really need to all do our part to take ownership in, and always be ready to seek out those potential members. With a future International President in our midst, there is no reason that our District cannot be a leader in this effort. If our membership isn't going forward, we are going backwards.

I would love to be a guest at any of your meetings or events. Please keep me informed of anything that you would like me to attend or help you with. I'm hoping that with the return of fall we can get started with our regular meetings again. Hopefully live and in person!! Again...

Thanks for all that you do!!

1st VDG Lion Marty Athman

What a year so far!

This year has been like no other year of my Lions career. Without the interaction of club meetings and Zone meetings. Everything being done on the computer. Things feel different all around. Together we have to work on keeping all members informed and engaged. Not all members are interested in zoom meetings. Some of our seasoned members are having a hard time with these changes. Together we have to keep these members in mind. Give them a call, stop by and check on them, keep them informed with what is all happened with your club. Even if you are not meeting as a club it is important that we stay in contact with each other. Comradery amongst members is extremely important.

We always have to look at building our membership. Ask to earn a new member. This is truly important, it is equally important to keep current members. Together we can make it happen. If there is anything i can do or if you have any questions or thoughts. Do not hesitate to contact me. I am here to help, along with the rest of the district cabinet.

District cabinet let's take a quick look at that. Your district has some of the best leaders and lions in all of Lions. There are opportunities available to join the cabinet team. If you are interested in expanding your lion's experience let me know. Being on the district cabinet is very rewarding. You not only get the opportunity in Lions to help others in the community you also get the opportunity to help other Lions. Lions are a team effort. And your 5m4 district is a great team. My definition of a T.E.A.M. Is a group of people working hard to make the other person look good. Just like Lions we all work hard to help each other out.

I realize most of this article is geared toward the GLT position. That is because there is not a lot going on in the Vice District Governor position right now. My wife Jo and I are looking forward to getting back to club visits and working with other clubs. We definitely miss the friendships we have gained working with everyone.

One Hundred Service Ideas

Diabetes

1. Organize a "Strides: Lions for Diabetes Awareness" event.
2. Organize a community support group for parents of children with diabetes.
3. Volunteer to serve at a children's diabetes camp.
4. Invite a healthcare professional to speak about diabetes at your club or district meeting.
5. Partner with local healthcare providers to organize diabetes & vision screenings.
6. Distribute educational resources to increase diabetes awareness at a community health fair.
7. Organize a walking club for seniors with diabetes.
8. Provide a diabetes magazine subscription to your local library.
9. Sponsor a child in need to attend diabetes camp.
10. Donate diabetes books to your library with a bookplate to identify your club's donation.
11. Work with your local school to invite a health care professional to speak about diabetes.
12. Post monthly articles about diabetes on your club or district website.
13. Promote diabetes prevention through a radio public service announcement.
14. Sponsor a healthy cooking demonstration for people with diabetes.
15. Organize a school or community vegetable garden to encourage healthy eating.
16. Work with a community podiatrist or foot care specialist to provide foot screenings.
17. Partner with your local diabetes organization to offer programs & materials.
18. Promote community resources and online materials from LCI partners NDEP, DECA & IDF.
19. Promote the importance of an annual dilated eye exam to detect diabetic eye disease.
20. Provide educational materials to schools & physician offices.

Environment

21. Plant trees with the advice of a local environment organization on the best locations and varieties.
22. Clean up a beach, community space or roadside area monthly as a club.
23. Hold an environment-themed photo contest at a school. Plant a tree or another green form of recognition to honor the winner.
24. Challenge all Lions in your club or district to add one green habit to their daily lives.

25. Recognize a local organization or community leader for environmental conservation work.
26. Volunteer with your local park service to maintain trails. Help more people access and enjoy nature!
27. Commit to "Meatless Mondays" or not eating meat one day each week.
28. Collect used cellphones and donate them to individuals in need.
29. Lead an after-school nature walk.
30. Survey homes and community areas for leaks in sinks, communal spigots or water fountains. Contact relevant officials for repairs.
31. Work with city officials to paint "no dumping" signs near road drainage areas.
32. Identify where to recycle toxic items and share the collection schedule.
33. Organize a mural competition to promote environmental awareness. Paint the mural in a prominent community location.
34. Implement a recycling drive where people donate gently-used items to charity organizations.
35. Develop a demonstration garden or landscaping plot using native plant species to restore the habitat and conserve water.
36. Sponsor a training program for farmers on how to make and use organic fertilizers and pesticides.
37. Produce a monthly nature program on a local public radio station.
38. Partner with a local carpenter to build rain barrels. Hold a training session with community members to promote using them for watering and irrigation.
39. Organize an alternative transportation incentive program to encourage walking, biking, public transportation and carpooling.
40. Establish a school garden and composting program to improve school meals & reduce waste.

Hunger

41. Volunteer to deliver prepared meals to those who are elderly or visually impaired.
42. Organize a program at a local school to provide healthy, nutritious meals.
43. Prepare food baskets for families in need.
44. Volunteer at a soup kitchen or homeless shelter.
45. Take families in need shopping for fruits and vegetables.
46. Organize an event to benefit a food bank in your community; use cans of food as admission.
47. Hold a hunger walk and use proceeds to buy food for a children's center or a homeless shelter.
48. Create a cookbook of inexpensive, easy recipes.

One Hundred Service Ideas

49. Create healthy snack packages to be distributed to children in need.
50. Partner with local restaurants or food markets to deliver donations to a shelter.
51. Start a food co-operative to serve as a resource for healthy food at a more affordable price.
52. Collect infant formula and baby food for an organization serving young mothers at risk.
53. Work with healthcare professionals to provide free classes on nutrition & food preparation.
54. Provide fruits and vegetables as a healthy snack for children in childcare facilities.
55. Provide transportation for those who are elderly or visually impaired so they can shop for food.
56. Teach children to bake a loaf of bread they can take home to their family.
57. Invite a local food bank representative to speak at a club or district meeting.
58. Provide needy children with backpacks supplied with food for when school is not in session.
59. Host a picnic or BBQ at a park for the community.
60. Establish a community vegetable garden where local residents can grow their own food.
75. Host a "Beep Baseball" game or tournament.
76. Support a guide dog training program through fundraising or voluntary labor.
77. Develop an assistive technology library so people can access resources as their needs change.
78. Create a sensory garden that engages the senses of touch, smell, hearing & taste. Provide braille or audio recordings of signage.
79. Partner with a school for the blind to support assistive technology & maintenance needs.
80. Partner with an orientation and mobility specialist to provide ongoing support to teachers and employers of inclusive classrooms/workplaces.

Childhood Cancer

61. Organize a braille, large print and audio book collection to benefit a library or senior center.
62. Volunteer to create audio recordings of books & periodicals.
63. Work with local eye care professionals to provide community vision screenings.
64. Sponsor a World Sight Day event.
65. Sponsor visually impaired students through camps, contests or other activities.
66. Create a community arts program for children and adults who are blind or visually impaired.
67. Collaborate with an eye bank to promote the importance of corneal donations.
68. Develop a directory of community resources and services for those who are visually impaired.
69. Volunteer at a visual rehabilitation or vocational training center.
70. Organize an inclusive sporting event for children with and without visual impairment.
71. Host a fundraiser to purchase and donate white canes for those who are blind.
72. Work with local employers to develop an employee vision screening program.
73. Develop a discount voucher program with optical shops for underserved populations.
74. Design a transportation program for those who are blind or have low vision.
81. Provide craft materials, puzzles, books & games to children receiving treatment.
82. Prepare meals for families with children undergoing treatment.
83. Donate gas, parking & food gift cards to families in need or a childhood cancer center.
84. Provide cancer support books and magazines to your local school.
85. Write cards full of well-wishes and share them with a local cancer center.
86. Make or buy new hats, caps, head scarves and blankets to donate to children's cancer centers.
87. Coordinate travel arrangements to and from treatments for a family of a child with cancer.
88. Provide tutoring services to children with cancer and their siblings.
89. Organize a childhood cancer camp or sponsor a child to attend one.
90. Volunteer to assist a family in sharing their story through photography.
91. Sponsor an activity day for children with cancer.
92. Raise awareness through radio public service announcements or social media campaigns.
93. Provide children's entertainment at a hospital or treatment center for children with cancer.
94. Organize a weekend retreat for families with children in remission.
95. Remodel a children's cancer center.
96. Form a support group for those affected by childhood cancer.
97. Familiarize yourself with the bone marrow transplant registry.
98. Volunteer at a housing facility serving children with cancer.
99. Assist at camps for children with special needs.
100. Host a wellness and nutrition day advocating healthy living habits for young people.

MN Lions Childhood Cancer Foundation is pleased to announce an extremely successful **Shave for the Brave!** Fundraiser. In the middle of a pandemic with all our gatherings of conventions and meetings postponed or held online, we persevered and raised over \$18,000! We thank all of you for your supportive contributions and spreading our fundraising information.

MN Lions Childhood Cancer Foundation has also raised over \$100,000.00, during the last Lions' year, which after matches, became \$300,000 for the University of Minnesota Masonic Children's Hospital Childhood Cancer Survivor Program.

We are looking forward to a check presentation ceremony when safe to do so.

Believe award: Clubs donating \$1,000.00 have earned our beautiful, Believe Award. We are so proud of the design and hope your club can display your successful contributions to assisting children with cancer. Currently our foundation is keeping records of all the club donations. Your club does not have to contribute all the funds at once to earn the Believe Award. Donations to the U of M Hospital will be designated for the Childhood Cancer Survivor Program. And the MNLCFF is the leading contributor for this new program!

And we have pins!!!! Please request pins from your district representative, they are \$5.00/each. They are shown as our "logo" at the top of the page.

Two Recent donations: Kamp Kace (Kids Against Cancer Everywhere) <http://www.kampkace.org> in central Minnesota will use \$9,000 to pay for winter camps in the 2019 season by teens enjoying winter camp experiences, and to assist in their needs for the future. Unfortunately, the summer camp for 2020 was postponed due to the pandemic.

Crescent Cove <http://crescentcove.org>: Crescent Cove wants to install a picnic area that will accommodate handicapped children and their families. Because of the unique design and safety features, this will cost about \$15,000. We would propose that the Lions of Minnesota fund this necessary project. The MN Lions Childhood Cancer Foundation will match any contributions by clubs or individuals at the rate of 1.5 to 1. That is, if a gift of \$100 is made, the Foundation will match it with another \$150. If we can raise \$6,000 from clubs and individuals, the Foundation match of \$9,000 will reach our goal. (Note Crescent Cove on the memo line of checks.)

APEX Table Ensemble

Soleris Sunshade

APEX Litter & Recycling Receptacle

Clubs can now write their checks to the MN Lions Childhood Cancer Foundation!!!! (we just got our 501c3 status) and send the checks to Lions Tom McCarthy, (Treasurer of the MNLCFF). Tom's address is 23535 735th Ave, Dassel MN 55325. Lion Tom will keep careful records of all club donations. Again, once a club reaches the \$1,000.00 donation level, they are eligible to receive a Believe Award.

September is Childhood Cancer Month

Lions Clubs International Education Opportunities

The following Institutes will be offered by Lions Clubs International.

Advanced Lions Leadership Institute

Advanced Lions Leadership Institutes focus on building the skills of Lions leaders to prepare them for leadership responsibilities at zone, region, and district levels. Qualified candidates are Lions that have completed a successful term as club president but have not yet attained the position of First Vice District Governor. Candidates must be willing to commit to all days of the institute.

Lions Clubs International will provide meals and lodging according to the dates and schedule of the institute. Please note that a non-refundable participation fee of US\$125.00 will be required to offset a portion of these costs for all institutes. Participants are also responsible to pay for their own transportation and other travel related expenses to and from the institute site.

DATE: MARCH 13-15, 2021 • LOCATION: TORONTO, ON, CANADA

LANGUAGE: ENGLISH • SUBMISSION DEADLINE: DECEMBER 13, 2020

APPLICATION AVAILABLE ON THE LCI WEBSITE/RESOURCE CENTER/SEARCH ALLI

Faculty Development Institute (FDI)

The Faculty Development Institute is a three-day institute that serves to develop and expand the number of skilled Lions faculty available for use in training at the club, district, and multiple district levels. The curriculum is designed to enhance training delivery skills and training techniques that will increase the quality of training and overall effectiveness of Lions leadership development programs. Lions who complete the FDI are expected to be able to effectively deliver training sessions with provided materials. They should not be expected to create their own training materials.

Qualified candidates are those Lions who have some experience as instructors at local Lions training events, have demonstrated basic instructional skills, and have a keen interest in further developing those skills. A candidate's training experience should include using PowerPoint to support training delivery. (Note: Participants will not be expected to create any materials while at the FDI, but it will be necessary to use PowerPoint and other provided materials for some activities. Lions Clubs International will provide meals and lodging according to the dates and schedule of the institute. In compliance with board policy, a non-refundable participation fee of US\$150.00 will be required to offset a portion of these costs. Participants are also responsible to pay for their own transportation and other travel related expenses to and from the institute site.

DATE: FEBRUARY 20-22, 2021

LOCATION: LOS ANGELES, CA, USA

LANGUAGE: ENGLISH

SUBMISSION DEADLINE: NOVEMBER 22, 2020

APPLICATION AVAILABLE ON THE LCI WEBSITE/RESOURCE CENTER/SEARCH FDI

Spotlight on the Glenwood Lions projects

The Glenwood Lions enjoyed the great outdoors - and did some service work at the same time! They replaced the walkway by the Veterans Memorial. They also removed the retaining wall along the public library entrance, and did some trimming of the pine trees by the county museum.

Submitted by Jerry Wright – Glenwood Lions Secretary
