

Community Eye Screening For Children

# Thank You!

Thank you for being part of **Lions KidSight USA** – a national initiative to provide vision screenings to children aged 6 months through 6 years.

Lions clubs across the United States screen more than **500,000 kids** every year.

Our mission is to ensure eye screenings and follow-up care to all kids, because every child deserves to learn and see the world clearly.

## Be part of the world's largest service club organization!

Join a local Lions club and make a difference in your community.

Learn more from the Lions hosting this **KidSight USA** event or visit **[lionsclubs.org](http://lionsclubs.org)** to find a club in your area.
