The 2nd Annual Canadian Young Lions Retreat is looking for you

Attendees are given the opportunity to complete a meaningful service project together.

Dear Lions,

This year's Canadian Young Lions Retreat will be held March 20-22, 2020, in Newmarket, Ontario. Attendees will meet other Young Lions and Leos from across Canada, have the opportunity to hear keynote speakers on leadership and will be given the opportunity to participate and brainstorm in Leo and/or Young Lion Pathways.

Young People are a moving force, working to change the world for the better. Last March, over 50 young Lions and Leos from across Canada gathered in Woodstock, Ontario to discuss young Lions in Canada and Leos moving forward into Lions. The genesis of this were the issues brought forward by young Lion Kyle Boutillier, then International Board Leo Liaison which created discussion and curiosity for Leos and Lions alike.

This year, we are bringing together Leos and young Lions at the 2nd Annual Canadian Young Lions Retreat to continue the discussion. By asking themselves several questions, such as; how do we create an environment that encourages young Lions to remain involved and move forward in Lionism? How do we attract new, young members? How can we empower young people, enhance their skills, enthusiasm, and leadership to change the world through serving as Lions?

Without the support from Lions Clubs that we received, the retreat would not have been possible, and so we are again asking for your support both financially, and organizationally. We need sponsors to support the Retreat. This year we have restructured our donation platform. With bronze, silver, gold, and diamond sponsor categories, we are asking clubs to donate what they can. Clubs that donate will receive a banner patch to acknowledge them as supporters of the future of Lionism in Canada.

|-----------------|-----------------|---------------|-------------------|
| Bronze \$100 | Silver \$250 | Gold \$500 | Diamond \$1000 |
|-----------------|-----------------|---------------|-------------------|

With the help of your club, we will be able to make this event inclusive and accessible for young lions and Leos. This is an opportunity for the youngest members in our organization to connect, develop Leadership, knowledge and become empowered to make a difference in their communities, their districts, and the world. We hope that we can unite these and all young Lions and Leos to move lions international in Canada, into the future.

Help us connect with young Lions and Leos in Canada, by sharing this information and letter with them. Last year's retreat was an outstanding success, and the 2020 retreat will have a similar impact. Should you have any questions, please do not hesitate to contact me.

We deeply appreciate the time and consideration you have given us.

Sincerely,

Lion Zone Chair Kate Hewitt
