**Two Blondes talking. . . "I read that by law, you have to turn on your headlights when it's raining in Sweden. How the hell am I supposed to know if it's raining in Sweden?"**

A Scotsman and his wife walked passed a swanky new restaurant.

"Did you smell that food", she asked, "It smells absolutely incredible!"

Thinking he's a kind-hearted Scotsman, he thought "What the hell. . . , I'll treat her!"

So he turned her around and walked passed it again.

## PANCAKE BREAKFAST AND FOOD BANK

**Lion Walter Cormier** reported that the pancake breakfast had the best attendance for **10 years** and 233 people bought meals. A great success and boost to our communities fundraising! **Lion Walter** moved that any remaining food from the Breakfast in the Park be donated to the Ailsa Craig food bank, seconded by **Lion Paul Rau**, carried. **Lion Walter** also requested that Thank You notes be sent to those who donated Eggs, Maple Syrup etc. **Lion Walter** added that development of a new building for the food bank had been cancelled and the property was for sale. There were lots of certain types of food such as noodles at the bank but that cash donations were required to buy other food that was needed.

## ILDERTON LIONS CLUB
