

Corrections to 2016-2017 District 16 L Printed Directory

Updates and Errors: If you find an error, or have updated contact information, please contact PDG Karen Ressler at karen.ressler4@gmail.com or 856-428-2363. Changes will be made to the master digital copy, and the district membership will be notified via a correction list. Please alert her to changes in club officers or meeting time and location.

If you have moved, gotten a new email address or phone number, make sure you **ALSO** tell your club secretary to make the change in the MyLCI system when they do their monthly report. Only club secretaries can make updates to your information. Most contact information in the directory is taken from whatever your club secretary has in MyLCI, so if it is wrong there, it will likely be wrong in future directories if not corrected.

Digital Copy Available: If you would like to receive a digital copy of this directory, please email Karen Ressler and she will send you a .pdf file.

A copy is also posted on the e-district house: <http://www.e-district.org/sites/16L>. Click on the photograph of the directory cover on the home page to access it. The digital copy will contain all updates or corrections in red.

The following information and corrections were received after the publication deadline. **Most recent changes are in green font.**

Governor's Message

Dear Fellow Lions of District 16 L,

In this the Centennial Year of Lions International, the Lions of 16 L can look back with pride in what we have accomplished and we can look forward toward a future where we accomplish even more. Over the last three years I have traveled our District and I am amazed at how much the Lions of 16 L are doing. Whether it is a vision screening, working at a food kitchen or helping a family in need, the Lions of New Jersey are there.

Not only do the Lions of 16 L help their fellow man, they have fun doing it. Lions are friends working together to accomplish goals which no one else is willing or able to see through to the end. When International President Bob Corlew stated his theme for this year, "New Mountains To Climb," he recognized that Lions face new challenges as we enter our second hundred years. But these challenges are really opportunities. We have the opportunity to use social media to introduce ourselves to a new generation. We have already expanded our service beyond sight to include all special needs. We now fight hunger, measles and illiteracy. We do these things globally and locally.

During the next year I know my fellow Lions in 16 L will help me spread the word about all the service done by Lions. I look forward to meeting each and every one of you and hearing from you how we as Lions can have a future with as much service as our first 100 years.

Yours In Service,

Bob Freidel

Lions 16 L Express (District wide email)

Any Lion in the district with an email address entered into MyLCI (membership data base maintained by each club's secretary) should automatically receive the 16 L Express messages unless they unsubscribe.

Items such as the district's newsletter, (*Governor's Gazette*), the State e-newsletter (*NJ LION*), as well as club and project event announcements, and information about training, district and zone meetings, and other news of interest to Lions, are sent out periodically on the 16 L Express.

Time sensitive information, such as a funeral announcement or an event cancellation due to a snow storm, will be sent out as soon as possible. But otherwise, 16 L Express e-mailings will be limited to a few times a month so as to not clog up your inbox. It may be a week before something you send in gets sent in the 16 L Express e-letter so plan ahead.

If you have not been receiving the 16 L Express and want to subscribe, or view past messages sent on the express, please visit: <http://www.lionsdistrict16l.org/express.php>. As is the case with many mass emails, the 16 L Express messages may wind up in your spam folder, so double check there if you are not receiving them. You can also use the above link to edit your preferences for the format you receive it in. (opt out of .html version and you won't get pictures in the message).

Press Releases

To raise their profile, Lions Clubs should regularly write and send press releases directly to local media outlets about their events and service projects. Sample press releases on topics ranging from promoting your Centennial Legacy Project to announcing you newly elected club officers can be found on www.lionsclub.org. Type "sample press release" in the search

box by clicking on the magnifying glass icon at the upper right corner of the website, for word document templates and additional tips about reaching the media.

Clubs should create a list of media contacts for their region so it is handy and ready to use whenever the need arises. Please note that sending a press release to the *NJ Lion*, *16 L Express* or the *Governor's Gazette* does not mean those publication editors are going to send your message out to the media for you, but may include information contained in the press release as part of their publication.

Sharing your News

If you want an event or information shared on the

- District's e-clubhouse calendar or
- District website calendar or
- 16 L Express

please send your information or flyers to the District Governor (srfesq@freidellaw.com) or the District's Public Relations and Lions Information Chair (karen.ressler4@gmail.com)

DISTRICT 16 L SOCIAL MEDIA IMPACT AWARD

Awarded to the district club that has made the best use of Social Media as a public relations tool to share how they make an impact on the lives of those they serve.

Clubs should send the District Governor the appropriate information needed to locate examples of their social media presence (such as a Facebook URL, Instagram name, twitter handle, etc.) by March 1, 2017. Posts made between July 1, 2016 and April 30, 2017 are eligible for the contest.

A committee appointed by the District Governor will review and judge the submissions. Points will be given for quality of content, frequency of messages, shareability, and reach. Content should be action or results oriented. For example, a photo of a Little League team playing in their new Lions sponsored uniforms, or Lions stocking a food pantry shelf, would earn more points than a photo of an oversized check presentation. Donations are very important but for this contest we want to "see the impact" the donation makes.

J. HANLEY WILKERS ZONE PUBLIC RELATIONS CONTEST

Presented to the club in each Zone for development and implementation of a public relations program which embraces all facets of community activity and media relations. Internal as well as external public relations postures will be weighed in the competition. Each club should submit a portfolio of their public relations efforts undertaken between May 1, 2016 through April 30, 2017 to the District Governor for judging. The deadline to submit the portfolio is April 30, 2017.

All materials should be assembled into the portfolio and mailed or delivered at the same time. A portfolio can include items such as:

- Samples of the club newsletter or e-newsletters
- Photographs of visible promotions such as an installed Centennial Legacy Projects, Lions Highway signs, street banners, Little League ballfield sponsor signs, highway billboards, etc.
- URLs or QR codes of club websites or Facebook pages;
- Newspaper or magazine clippings;
- Videos (provide a hyperlink or put on a DVD)
- Short essay describing an activity that promoted the club such as a booth at a community day or hosting a holiday parade.

Clubs are welcome to share newsletters, links to TV spots or clippings from newspapers with the District Governor as they occur, but only items sent in the final portfolio will be considered for judging. Clubs should save an extra copy of a clipping or newsletter, etc. for the contest submission.

HAROLD P. NUTTER CLUB FELLOWSHIP AWARD

(16 L Club award for visitations)

For a Club to qualify for this award, members must, on visiting a neighboring Club at its regular meeting, have the secretary of the host Club sign a visitors slip. This slip should then be turned in to the secretary of the home club. The secretary of the home club will in turn send it to the District Governor. (Scanned and emailed slips will be accepted.)

This contest applies to visitations made by all members of all clubs in District 16 L other than:

1. International Counselors or Past Governors on official visits.
2. Zone Chairman on official visits.
3. Members seeking office and their campaign associates.
4. Members of a club who have canceled their own regular scheduled meeting for the purpose of visitation.

The object of this award is to improve Lionism and Lion's Fellowship through visitations in addition to regular scheduled meetings of a members own club.

This contest will run from July 1, 2016 to April 30, 2017 after which time the Lions Club showing the most members making visits to neighboring clubs, by virtue of slips in the Governor's hands (or email inbox), will be awarded the "Harold P. Nutter Fellowship Award" at the State Convention.

Harold P. Nutter from the Camden Lions Club, was the International President in 1951-1952.

This District 16 L Program is a "hands on" Lions project to detect lazy eye and uncorrected refractive errors in children ages one through six. The testing procedure utilizes a portable hand held screening device. After a short training on how to use the device, Lions can quickly and easily detect vision issues for children as young as 6 months of age. The device screens both eyes at once from a nonthreatening 3-foot distance. The touch-screen display allows for one-touch activation, and simple management of patient data entry. The information acquired is used to automatically assess a child's vision in as little as five seconds. The result is then transferred to the South Jersey Eye Center for further review.

The program is a part of South Jersey Eye Center and Lions Clubs International Foundation's SightFirst Project which is an initiative to build and improve eye care systems to fight blindness and vision loss and assist blind and visually impaired persons in underserved communities. Along with LCIF, this program is funded and supported by the clubs of District 16 L, South Jersey Eye Center and other philanthropic agencies and organizations.

COMMUNICATIONS FROM LIONS CLUBS INTERNATIONAL

Lions Magazine. Every Lions member gets the magazine in the mail. If you prefer to read your magazine online go to www.lionsclubs.org/EN/news-media/lion-magazine/index.php to read it on the go and view past editions.

Lions Quarterly Videos. Looking for a video to show at a prospective members presentation or inspire you club to take up a new project? Videos on a wide variety of topics can be found through <http://www.lionsclubs.org/EN/news-media/videos/lq.php>

Online Radio. Lions Clubs online internet radio is free streaming music for your listening pleasure, as well as news and announcements for and about Lions. Go to google and search Lions Clubs Online Radio and then click a play button to enjoy a station of your choice.

Email. Based on your position with LCI/LCIF, you will receive important email messages from Lions International from time to time. For example, new club officers will receive a message instructing them how to use MyLCI when their term is about to begin. Zone Chairs will receive the monthly Health Assessment for the clubs in their Zone. So it is important to have your email address listed in MyLCI so you do not miss something you need to know. There are very few communications from LCI that come from the post office.

There are many other types of email messages that you might also want to receive, or not. Below are the messages for which you have the ability to manage your preferences. At the bottom of any email from International there is a message "Click here to unsubscribe and/or manage your subscriptions". You can click or unclick any type of message you do not want.

- Newswire
- LCIF Chairperson Message
- LCIF Special Initiatives
- LCIF Disaster Relief
- Lions Quest Leader
- Leadership/Training Webinars
- Leader Network
- Lions Merchandise and Special Offers
- Membership Pulse
- Membership Webinars
- Campus Club News
- Leo eNews

Please be respectful of your fellow Lions' time. Do not forward a mass email message from LCI unless you know they want to see it. Chances are they already received it if it is critical to their position.

Lions Blog. Another Lions email communication that you may want to receive is the Lions Blog. Go to <http://lionsclubs.org/blog/> to subscribe.

<http://www.abanj.org/>

This Association became a state project in 1983. Lions provide funds that enable blind New Jersey athletes to compete in national and international "Blind Olympiads." Since 1972, The Helen L. Diller Vacation Home for Blind Children, located at 126 27th Street in Avalon, NJ has been providing a sea-shore escape for visually impaired children, with supervision from experienced and certified counselors and administrators. Since many of these children come from families with limited financial means, the vacation experience is provided to them at no charge. The camp operates for eight weeks during the summer months, from mid-June to mid-August, with approximately 20 children (ages 7-15) attending weekly.

Since 1891, St. Joseph's School for the Blind has been providing specialized services to individuals with visual impairments across New Jersey. Founded by the Sisters of St. Joseph of Peace in Jersey City the school has evolved into Concordia Learning Center. Concordia is home to the SJSB Early Intervention Program, St. Joseph's School for the Blind, In-District Support Service, Adult Services (RAP) and an Early Childhood Education Program. Concordia Learning Center is now and always has been a non-profit, non-sectarian agency accepting children of every race, creed and national origin. Most importantly, the school remains the only school for the blind in New Jersey and today includes services for those with multiple disabilities.
