

Access to the online District 16L Directory

While each District Lions Club receives a hard copy of the District 16L Directory every year, some Lions find it more convenient to have access to an online version, rather than carrying a book with them, or sharing the hard copy with another club member.

The Directory contains a lot of useful Lions information and links – in addition to the contact information of Club Officers and District leaders and coordinators - that Lions at any level will find useful. So, we want as many Lions as possible to have access to it.

To access the Directory, you will need to login to the Members area of the District 16-L e-district website <http://e-district.org/sites/16l/index.php>. (See the screenshot below.) Your **Username** is your email address, and the **Password** will be provided to you by the site's webmaster, PDG Karen Ressler.

Send an email to karen.ressler4@gmail.com, and she will send you a Password so that you can login and access the online directory.

Once you have your password, you can navigate to <http://e-district.org/sites/16l/index.php>, enter your email address in the Username box, the Password in the Password box, and click the Login button. It will take you to a page where you can view the current (and previous year's directories). Please note that the "Forgot My Password" link does not work.

UPDATES: The online directory will be updated as needed to include dates that were not available at the time of the hard copy publication. Also, any corrections, or changes to contact information will be shown in green, in case you want to mark it in your hard copy.

CORRECTIONS: Please contact Lion Karen if you find any errors or need to add or correct any information, and it will be added to the online version.

The screenshot shows the District 16-L website interface. At the top left is the Lions Club logo. The header reads "District 16-L" and "New Jersey - United States". A vertical navigation menu on the left includes links for Home, Calendar, Projects, Photo Gallery, Contact Us, Full Calendar & Visitation Dates, Resources for 16-L Lions, Charitable Foundation, and Governor's Gazette. Below this menu is a "Members" section with a login form. The form has two input fields: "Username" and "Password". Below these fields are a link for "Forgot My Password" and a "Login" button. Two orange arrows point to the Username and Password input fields. To the right of the login form is a green box containing a Facebook logo and the text "Follow this". Above the green box is a photograph of trees.
