What's Your Legacy?

I think that if you ask any District Governor, or Past District Governor, what the favorite part of their governor year was, the answer would be the visits to the clubs. With 41 club visits down and only 16 visits left to go, that is my answer.

The club visits this year have reinforced what I learned 20 years ago while visiting clubs around the old District E-1 clubs,

"All clubs are the same, and all clubs are different."

The amazing thing is that our similarities and differences all happen at the same time. We all have the heart of a Lion, however the way we get things done varies from club to club.

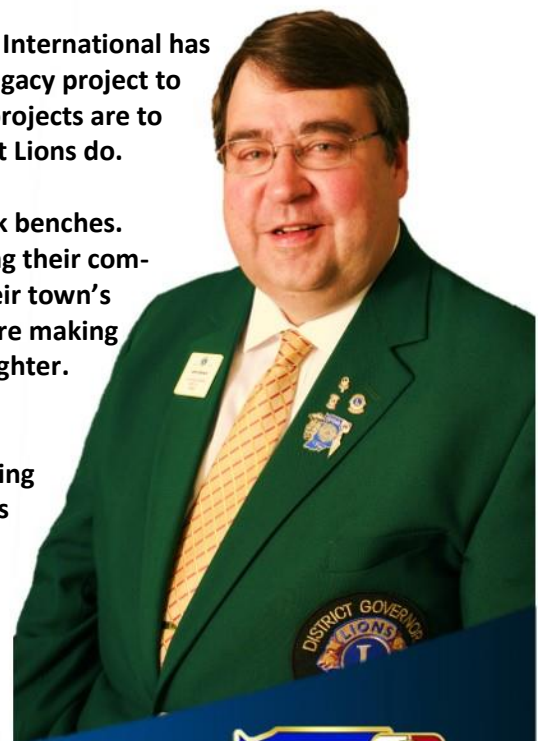

The most important way that we are all similar is that our individual communities come FIRST, and that's how it should be. Before we can go out and impact the world, we need to take care of our own little corner of it. This is the legacy that we are leaving our community with.

A legacy takes all sorts of shapes and sizes. Lions Clubs International has been challenging the clubs to come up with a specific legacy project to commemorate our Centennial Year of Lionsim. These projects are to stand the test of time and be a lasting reminder of what Lions do.

Clubs have erected flag poles. Some have installed park benches. Others have freshened up their signs for people entering their community. I have heard of clubs putting up flags along their town's streets and playground equipment in the park. Some are making plans to recognize the community's favorite son or daughter. The ideas are only limited by your imagination.

One of the ways that Lion Jennifer and myself are wanting to create a legacy is in the children of our schools. Lions do a great job already in the schools with our vision screening programs, but we can do more.

While we were in Japan this past June for District
(continued on page 2)

Governor School, the partners in service (the spouses and other life partners of the District Governors) were challenged by Lions Clubs International First Lady, Lion Dianne Corlew, to become a "Partners in Education" or Π (Get it? PIE).

Π stems from the time when a little boy growing up in Tennessee was struggling in school. It was determined that his vision was poor and he needed to be referred to the Tennessee School for Blind. The only problem was that the boy could not be admitted because he didn't have a week's worth of clothes. Students stayed at the school during the week and went home on the weekends, and this boy didn't have a week's worth of clothes. The local Lions Club heard about this and bought the boy a suitcase and filled it with a week's worth of clothes.

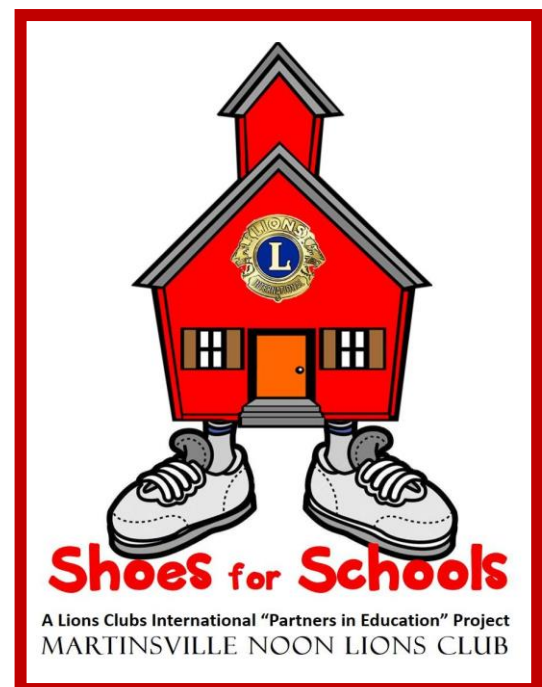

The boy went on the graduate from the school and went to college, which eventually led him back to the blind school where he was the dean for nearly 30 years. All this because a Lions Club helped in the most innocent of ways. Wow, what a legacy.

Lion Dianne's challenge was to find a way to impact a local school. Maybe supplying something as little as paper and pencils or backpacks with food. One idea was sending home a box of cake mix, some icing, and some birthday candles so that a child come celebrate their birthday.

Lion Jennifer contacted our local school and found out that they needed shoes. Not expensive shoes, but just ordinary shoes. From that "Shoes for Schools" has been born with the cooperation of our home club, the Martinsville Noon Lions Club and the Martinsville Noon Lions Foundation.

This is what we're doing, and Lion Jennifer would love to hear what your club is doing jennifer.drapalik@sbcglobal.net. She will be meeting with Lion Dianne when she and International President Bob Corlew come to our Multiple District (State) Convention in Evansville later this April, and Lion Jennifer would be thrilled to share what all of our clubs are doing.

THE DEADLINE TO FILE FOR 2nd VICE DISTRICT GOVERNORS, ANY OF STATE PROJECT AND INDIANA LIONS FOUNDATION TRUSTEE POSITIONS, OR TO SEEK ENDORSEMENT AS A CANDIDATE FOR INTERNATIONAL CONVENTION COMMITTEE IS FEBRUARY 9, 2017. SEND YOUR LETTER OF INTENT AND YOUR CLUB'S ENDORSEMENT TO PDG BILLY CHASTAIN AT billchastain@comcast.net.

Busy, Busy, Busy

The next few months are going to be busy for everyone, both in your Lions family and in your home life. The perennial flowers are starting to come through the soil, so there will be lots of cleanup around the house and yard for those who like to keep their yard pretty. But don't let that stop you from doing what you normally do with Lions. Let's try to make this Centennial Year (January through December) a special year with our service projects that we normally work on, and find another couple of projects to do as well.

As I'm writing my column, we are just finishing up another successful MMR and SAR month in January. Secretaries, don't forget that your SAR's can include such events as "filed MMR report" and also that you had a meeting during that month. Meetings are activities, filing reports are activities, and including that kind of information in your SAR's can let the District Governor, and LCI, know that your club is active. If you don't file a report, no one knows what your club is doing.

At the District 25C Cabinet Meeting in Lebanon on Saturday, January 28th it was announced we would have a candidate for Second Vice District Governor for the upcoming year. It is wonderful that we have people stepping up for the governor positions, as well as the trustee positions for the state projects. As you know, both the governor positions and the trustee positions are elected. You still have time to determine your eligibility and put in a letter of intent and club endorsement for this upcoming year. If you think you might be interested in future years, speak with DG Ross, myself or 2VDG Doug to find out the requirements and what is entailed. We'll be glad to talk with you.

Last month I spoke about the gifts we are all given, and how we can share them. Have you thought about having a meeting just to talk about all the gifts that your members have? Maybe there are some things you don't know about a person, or don't recognize within yourself.

As for the busy time of year, my schedule will be pretty full this Spring. I have two weekend training dates in February, we'll have the District Convention at Turkey Run State Park in March (look for the registration form in this newsletter and on the District 25C website), and then we'll be getting ready for State Convention in Evansville in April (there are registration forms and you can register on-line as well). Then it will take May and June for me to get ready for the International Convention to be held in Chicago, since I will be going in as District Governor. I am looking forward to all of the training, as well as the conventions.

I have started accepting dates for the 2017-2018 DG visits. If your club has a specific time period that you like to have the DG come and visit, please let me know. I am looking forward to this next year, so that I can make new friends in all the clubs, and hear more in detail about the service projects that you do.

May you have a wonderful year of 2017!

Isn't it Great to be a Lion

Time is marching on and there is an abundance of work ahead to make 2016-17 a successful year. Membership is down 49 members, and together we can turn this around by JUST ASKING OTHERS TO JOIN. Look for the opportunity to start new clubs.

If you haven't made plans for the International Convention in Chicago, you need to GIT'ER DONE. Lion Shelia and I are looking forward to our first International Convention, and it sounds like the entertainment is going to be great.

Also keep a look out for information about our District convention at Turkey Run State Park on March 11. It would be nice to have every club represented at this convention. Talk to your clubs and convince someone to take part in this meeting.

The District Leadership Team is encouraging everyone to take part in all the great opportunities, hospitality, learning experiences, and just plain fun at the conventions. The experience gained will make you a better Lion.

Thanks also goes out to the secretaries and others who continue reporting their Monthly Membership Reports (MMR) and Service Activity Reports (SAR). Keep up the good work.

Zone 2 has launched a Lions Club sign "change out" program. Many of the signs along the highways entering our communities are faded and in need off change. How about that faded and cracked sign on your clubhouse or the park shelter house. Zone 2 has a solution for you. For \$55 you just give us your old sign, and we will provide you with a refurbished 30" diameter sign. The best part, the profit earned on this exchange will be donated to LCIF in your club's name.

So your club gets a new sign, your club gets the LCIF credits, and LIONS are showcased all around our district. Sounds like a no-brainer.

We are also working on the cost for the smaller 18" signs. Contact 2VDG Doug Eversole at deversole@tds.net or call him at 304-203-6877 for more information.

District 25C Wins Another Contest

In the January edition of the *District 25C Chronicles*, it was announced that the District 25C Peace Poster drawn by Meghan Chagdes won the Multiple District 25 contest. Well for the second straight month, District 25C took top honors in the state in the International Convention Pin Contest.

This pin was designed by DG Ross Drapalik, and District 25D DG Steve Holtzleiter summed the design up best..."Lions are just winners!"

Congratulations DG Ross.

<http://lions100.lionsclubs.org/EN/about/centennial-coin.php>

First of all, a huge thanks to all Lions/Clubs who donate money to this State Project. Since the early 2000's, the Lions of Indiana have raised close to **\$615,000** through club donations, the LCI/Anthem project and LCIF grants --- funds used to enhance the learning/living experiences our State's blind and visually impaired students.

YOU ARE AWESOME!!!

Jim Durst, ISBVI Superintendent, states that *"You have had a truly positive impact on the school's ability to provide services. The finances and manpower provided by the Lions has greatly assisted us in fulfilling our mission of providing quality learning, living programs and opportunities for Indiana's blind/low vision students."*

ISBVI FACTS

- ISBVI currently serves 430 students through on and off campus programs throughout the State
- Majority of students, including infants/toddlers, are served by ISBVI teachers in local communities
- Six travelling outreach consultants/teachers and 3 ISBVI Short Course teachers serve 300 students (including 33 infants) in the State

WHAT'S HAPPENING?

- Several new Smart Boards (grant from IN. Blind Children's Foundation and funds from LCI) have been installed/in use
- October 24 – International President Corlew/Lion Dianne Corlew and several District Governors visited the School. IP Corlew installed the officers of the Leo Club and presented at check for \$3,500 for the purchase of a smart board. He also toured the school and even rode one of the trikes around the Letterman Track.
- Cane Quest – February 10-12 at ISBVI...orientation/mobility contest for students grades 3-12

WHAT ARE YOUR TRUSTEES DOING?

- Brian's Trike Race – thanks to your participation and support, this event outperformed its budget. Next year, the timing of this event may be changed to take into consideration the trimester system being implemented in many local schools.
- November 12 – Lions/Anthem Volunteer Day (sponsored by the Speedway Lions Club) – A number of ISBVI trustees and Speedway Lions assisted approx. 60 Anthem volunteers in updating one on-site house used for intensive independent living experiences for senior students. Work included painting interior walls/outside porch and air vent, cleaning inside air return vents, cleaning flower beds, removing unwanted brush from around the house, raking leaves and mulching. A new refrigerator, microwave, blinds, and steel front door were purchased along with general work supplies such as paint. The initial grant was for \$1,000, but once LCIF/Anthem saw the project scope, this was increased to \$2,000! Anthem has indicated that they would like to do this again in 2017, and the Speedway Lions have agreed to sponsor the event.
- A spring 2017 workday at the school will be announced shortly.

Please encourage your clubs to contact their district trustees. Find out what your trustees and the school are doing for our State's blind/visually impaired students and how they can help.

ENJOY WINTER ---- THINK SPRING!

Wow, next week it's supposed to be close to 60°! So, it's time for all of us to start thinking about Spring events.... fundraisers, service projects and membership drives. Everyone is eager to be outside right now being active, so plan a service project and ask for community help...put a help wanted ad in the local paper, ask your local radio station to do a service announcement or put up help wanted posters around town. Bring new folks into your circle of kindness...let them know their efforts are valued, let them see how much those we help appreciate Lions' efforts to ensure their needs for vision, food and warmth...basic needs are being met. You'll quickly identify those who have Lions hearts and once you do, remember to invite them to join you in future projects. Take time when working on projects to tell them about our great organization and to let them see how motivated and caring Lions are. And remember, that if you want them to join your club --- you do need to ASK!

As an added incentive, until June 30, 2017, our entrance/join fee is still \$25, but after that (effective July 1) this will be increased to \$35. A \$5 increase doesn't seem like much (two cups of coffee!), but this may be good motivation for some to sign their application for membership. By the way, this additional \$5 in the entrance fee does bring other benefits.....see following announcement from LCI.

While taking a few minutes out recently for a cup of coffee and to catch up with Martha Stewart, I saw listed her "Keys to Success." And as usual, I saw where these could equally be applied to Lions and our clubs, especially **membership growth and retention**. So here they are (with a *Lions focus*):

1. Build your success on something you love (*service to others*)
2. Focus your attention on the basic things that people need and want (*vision, hearing, food, FUN*)
3. Create a plan that allows you to stay true to your big idea and focus on the details --then be flexible to change as it grows. (*service projects and fundraisers*)
4. Teach so you can learn (*educate your club members to everything Lions do and personal growth opportunities*)
5. Use smart, cost effective promotional techniques (*local paper/TV/radio service announcements, flyers, posters, handouts, club website and Facebook page ----- ask for help*)
6. Strive for quality in every decision, every day (*if your club members do what they like to do – they will do it well*)
7. Build an A-team (*recognize members' talents/ideas -- make them part of the team*)
8. So, the pie isn't perfect? Cut it into wedges (*don't overload dedicated members --- retain them by making sure the pie is always divided into reasonable wedges*)
9. Take risks, not chances (*new members will challenge the old ways and suggest new opportunities.... keep an open mind and support their enthusiasm.....and keep them engaged!*)
10. Make it beautiful (*let your club be a beacon of light in your community*)

As Lions, we are all about SERVICE -- remember that sometimes just a smile or "good morning" is a form of Service and giving.

PDG Pat Short -- District 25C GMT Chair

As you talk to your family, neighbors and other volunteers, make sure you share these numbers with them and ask if they want to be part of this great success worldwide.
