30 Days Left to Finish Strong

There are just thirty (30) days left in this Lions' year, and now is the time to finish strong. Looking at our goals, we are just short in two categories...membership growth and adding one new club to our pride.

NEW MEMBER FEES WAIVED

Lions Clubs International has announced that new member application fees will be waived through June 10, 2017.

Now is the perfect time to add members to our Pride as we celebrate 100-years of Lionism.

Here's the best part, Lions Clubs International is waiving the application fees for new members now through June 10, 2017. Now would be a great time to invite that friend you've been meaning to ask or maybe your spouse.

Finishing strong also includes filing those Monthly Membership Reports (MMR) and Service Activity Report (SAR) each month. Looking above at the trophies, you can see that we made it to nine (9) consecutive months of 100% filing. "When we do it again, that will make ten" is the theme for this month.

One of the surprises for this year has definitely been that we have 100% of the District 25C club having qualified for the 1-gem Centennial Service Challenge Award, and we're less than a handful from having 100% of our clubs qualifying for at least a 2-gem award. This is entirely due to the job that our secretaries and others (Punky at Cayuga) have done filing their activity reports each month.

We're also on pace to have 100% of our District 25C clubs participate in giving to LCIF with a minimum donation of \$25. This will mark the second year in a row that our district will have met the challenge of all of our clubs making a contribution to our Foundation.

At the Cabinet Meeting on May 20th, there was only enough business conducted to call it a cabinet meeting.

We approved the minutes of the January Cabinet Meeting, we reviewed the financial report, and then we celebrated and recapped the year. We have so much to be proud of and so much to brag about ourselves. Maybe the worst trait that Lions have is that we are way too humble.

We celebrated our wins in the MD25 Peace Poster Contest (Meghan Chagdes, sponsored by the Zionsville Lions Club), the MD25 Environmental Photo Contest (Lion Jenny Meek, Delphi Lions Club), and the MD25 International Pin Design contest (myself), completing the sweep of the big three contests in the state.

We celebrated the fact that we had seven (7) of our Lions receive LCI Presidential Certificates of Appreciation (Lion Norman Beck, Flora Lions Club; Lion Sheila Eversole, Young America Lions Club; Lion Paul Morrison, Brownsburg Lions Club; Cabinet Treasurer Karen McKellar, Zionsville Lions Club; Lion Dave Roloff, Martinsville Noon Lions Club; 1VDG-Elect Doug Eversole, Young America Lions Club; and DG-Elect Chloe Weyrauch, Prairie Creek Lions Club).

We celebrated the fact that we had two (2) Lions receive LCI Leadership Medals from International President Bob Corlew (Lion Leroy Postel and Lion Tom Williams, Martinsville Noon Lions Club), and we celebrated the fact that Lion Owen Matz, Jr. (Frankfort Lions Club) received one of the two LCI Presidential Medals presented by IP Bob Corlew for the entire state.

We celebrated our MMR and SAR filing, we celebrated our Centennial Service Challenge Awards, and we celebrated our pathway to 100% LCIF participation.

We celebrated the MD25 endorsement of the District 25C candidate for International Director, PDG Nick Xinopoulos, and we celebrated PDG Richard McKellar being elected to the International Convention Committee for a three-year term. We also celebrated myself being elected by the 2017-18 Council of Governors as next year's MD25 Council Chair.

And just when you thought the celebration was over, we went over to Nick and Gretchen's and celebrated a little more.

One of the words that I have personally grown to dislike this year has been the word "team". Not because of the concept of the word itself but the fact that too many times it becomes over used and underutilized. Just because someone says that you're a team doesn't make it a team.

Many times, throughout this year, I have referred to Lions as a pride as in saying to a new member, "Welcome to the pride." Simply stated, a pride is a family of Lions. As your governor for the past eleven months and pushing forward for these last 30 days, I can honestly say that I am so proud of our pride.

This is definitely a year when we will all be able to look back and say, "Remember when...?"

DG/CC-Elect Ross, Lion Jennifer, and Cub Danielle

Thank you

LIONS!

Happy Birthday Lions - June 10, 2017

As announced earlier this year, there is going to be a 13th edition to the *District 25C Chronicles*, a picture edition of nothing but pictures celebrating how our communities are celebrating along with us our Centennial Year of Lionism.

The goal is for the Lions of 25C to get as many businesses to put something on their message boards promoting the Lions Clubs International 100 years of service on Saturday, June 10, 2017. If they would put it up for even longer that would be great as well. Here are some examples:

Your challenge is to go around to as many businesses around your community and ask them to put up the message for at least one (1) day, preferably June 10. Take a picture of the sign and send it to me for inclusion in the special edition of the newsletter.

Get creative. Maybe even get a message on the Jumbotron in Ross Aide Stadium, the scoring pylon at the Indianapolis Motor Speedway, or the IPL Building in downtown Indianapolis. Maybe a contractor on one of the highway projects or a digital billboard. Anywhere will work.

A Lions flag flying above the courthouse or at the golf course. It doesn't have to be just a sign.

What about prizes? The club that submits the most photographs will receive a \$50 LCIF donation in their club name to jumpstart their 2017-18 contributions. The club that submits the most "unique and interesting" photo will receive a \$25 LCIF donation.

All photographs must be received by DG Ross Drapalik by June 20, 2017, and prizes will be awarded at the 1st Cabinet Meeting in 2017-18.

“Our Year” Begins in Chicago

I want to thank everyone for filing their Club Officer Report. This will make my job a lot easier in putting together the new District 25C Directory!

Have you heard the good news?? From June 1 to June 10, 2017, entrance fees for new members to Lions Clubs International are being waived. As of July 1, 2017, entrance fees go up to \$35.00 per member, so this is a significant savings for those who hesitate because of the entrance fee. There will not be any retroactive waiver, so if your secretary has already entered a new member into the system, it does not apply. And if you wait until June 11, it also will not apply—no exceptions. Take time to talk to those people who may have been sitting on the fence about joining.

Have you had someone say, “Well, why should I have to pay dues and an entrance fee to do volunteer work?” Do you know how to answer that question? We have two different kinds of funds. Administrative, and public. Any money obtained from the public, i.e., fundraisers, etc., must be used for helping the public, i.e., scholarships, donations to food banks, eyeglass vouchers, etc. Where does our money come from that pays for our building, our supplies for our club, or money to send people for training? That needs to come from something other than the public. In addition to members working concession stands from private companies and other things, it has to come from local dues. District dues go for things done by the district, one of which is the District Convention. State dues go for things done by the state, one of which is the State Convention. International dues go for things done by International, which are many. The training and accompanying lodging and food that is offered for a very minimal charge has to be paid and/or subsidized for some way, as well as the cost for maintaining the International offices. The minimal cost for the International Convention itself is also a steal! The International dues and entrance fees are the funding source for these costs.

Training for new club officers for the 2017-2018 year took place in May. If your club was not able to send your officers to one of the five sessions throughout the District, there will be other opportunities throughout the next few months, possibly at Zone Meetings and other happenings, on a smaller scale. If your President, Secretary, Treasurer or Membership Chair is in need of a refresher or short lesson, please do not hesitate to give me a call or send me a message, and I will work on arranging something in the first few months of the year. It’s important for your officers to know how to do required reports!

I am looking forward to the Lions International Convention in Chicago. As District Governor Elect, I will be spending the three days prior to the convention in training, which I understand is intense. However, with the knowledge that we are going to have a good year in 2017-2018 in District 25C, it will be worth it.

As I’ve said several times, this will be “Our year.”

Take care, have a good summer, and I hope to see you in Chicago!

Yours in Lionism,

DG-Elect Chloe Weyrauch

Adapt and Be Flexible

What a great year we have had! Just as Governor Ross has been guiding and leading our district this year, next year's governors have selected him to serve as their Council Chair to continue to guide and inspire our clubs state wide.

Incoming Governor-Elect Chloe Weyrauch is getting set to take over District, and she has been preparing for the last few years to lead our district to even greater heights. She has ideas that will help our district grow and continue leading the state.

We are blessed with great leadership in our district and how willing our Lions are to step up when needed. Governor Ross highlighted the district's accomplishments and handed out several individual awards and beautiful gifts to his cabinet members at our final Cabinet Meeting on May 20, 2017.

The meeting was hosted by the Brownsburg Lions, and what a good job our hosts did. Thanks to the members of the Martinsville Noon Lions Club who provided a wonderful cookout through the cool damp and stormy day.

On my way home from the meeting, the heavy rain really came down by the time we got to Kirkland, and as we approached the exit for Forest, a tornado took out the fire station! That is Indiana weather for you! Just like the weather, all Lions must be flexible enough to adapt to any situation.

We have until the end of June to finish with a positive membership growth. In order to finish positive for the year, each club in our district needs to grow by adding (1) one new member with no drops in membership for the month. Wow, what a comeback story that would be to "Remember when...?" about.

Take the time and ask those in your community to become a Lion. I know we can do this. Also, don't forget to get the "Happy Birthday, Lions" signs on your electronic boards and flyers around town.

LIMITED TIME OFFER – Entry Fee Waiver

In celebration of our 100th birthday on June 7th, 2017 we are **waving entrance fees for all new members added between June 1st and June 10th**. Not only will new members help us make an even bigger impact, they will belong to a distinguished group of "Centennial Lions," in recognition of this unique moment in our history.

So, how does it work? As you celebrate the founder's anniversary of Lions on June 7th and induct new members, as they're entered into MyLCI, subsequent billing will reflect this special promotion. This is a limited, one-time offer that does not apply to new members added prior to June 1st or after June 10th of this year. No exceptions will be approved. Charter and transfer charter fees do not qualify for this one-time waiver.

So, invite family, friends and colleagues to make history with us. If you have any questions or concerns, please feel free to contact our Accounts Receivable Department via phone at 630-203-3810 or via email accountsreceivable@lionsclubs.org.

If your clubs do business with your local Walmart for your eyeglasses, there is grant funding from Walmart. My store has approved a \$2000 grant for the past 2 years. I applied this morning for the max of \$2500. The site is Walmart Foundation, I suggest you contact the facility manager by phone after you apply. The application process is very simple. I have spoken with some Lions at conventions and understand that local Optical shops are taking care of your needs and some of them are in your clubs and that is great. Think about where our needy shop?? Walmart? As a 20 optician, I am asked frequently from people who cannot afford glasses where they can get help. Most Lions Clubs do not have a phone number in the phone book so I didn't know where to send them for help before I became a Lion. I would say contact your local Lions club. Most elderly do not know how to use a computer to visit Lions Clubs International site to apply for help. My vision center is used for 4 different clubs for help with eyeglasses and I or another optician in our clubs interview the people inside the store. The process works great. Also, Walmart has a program with the Lions clubs for recycled eyeglasses. We box them up and send them on a Walmart truck where they are sent to Lions sorting centers. EASY! I now send glasses from another optical shop on our truck.

Your local Walmart Opticians make great Lions. Lion Joie Mills and John Lewis stumbled into my vision center one afternoon wanting to talk with me and the optometrist about the Kid Sight Program. 6 months later they started a new club in our community, and that is when 4 people in our office joined that club. Walmart has a program called Volunteerism Always Pays. For every 25 hours volunteered by an associate, Walmart pays the organizations \$250 up to 5 times per year. That money can be used in your business account! Think about a convention on a Friday and Saturday--25 hours can add up fast.

The Martinsville Noon Lions Club is getting ready to fire up the grill before the rains started falling. They were troopers and the food was fabulous. Pictured are (front row) Lion Ed Edwards, Lion Tom Williams (back row) Lion Roger Chalkley, Lion Pam Roloff, Bonnie Edwards, and Lion Leroy Postel. GREAT JOB LIONS!

District Governor-Elect Chloe Weyrauch was presented with an Lions Clubs International Certificate of Appreciation during the May 20, 2017 Cabinet Meeting / Celebration. As 1VDG, Chloe was an integral part in helping push the district to 100% club participation in MMR and SAR filing, working with Zones 4, 5, and 6.

Nearly 50 Lions from District 25C gathered to celebrate all of the successes that our district has had this year, **and more are certainly to come before the end of the year.** 100% LCIF participation, 100% 2-gem Centennial Service Challenge Award, a new club are all possibilities in the coming weeks. May even an International Director! Good luck in Chicago PDG Nick.

1st Vice District Governor-Elect Doug Eversole was also presented with an Lions Clubs International Certificate of Appreciation during the May 20, 2017 Cabinet Meeting / Celebration. 2VDG Doug covered the northern part of the district in Zones 1, 2, and 3.

President Gail Robbins, who is a Leader Dog trustee, gave a program about Leader Dog to the Zionsville Lions Club with the proceeds of a 50/50 drawing going to LD! We played the Prison Raiser DVD, then had Puppy Raiser Alaina Rudin speak on the joy and heartache of raising a puppy to let it go, followed by powerful story of Pauline's life and Satchmo standing (well actually, laying) by her side. The very Dog Alaina had taught! To add to the night, our cooks treated us to a meal laced with fun dog- looking items to eat, including our biscuits that looked like dog bones!

A handmade (and heartfelt) thank you from the preschoolers at Creasy Creek for the books donated by the Lafayette Lions Club. It doesn't get any better than that, folks!
