25C Receives Reporting Accolades

Way to go, District C! I am so very proud of you! District 25C ranked 7th in a Service Reporting Contest of all the Districts in Constitutional Area 1 (which is North America.) Thank you to all who had a hand in making this happen, and it takes a lot of people doing excellent work for this to occur! Some may wonder how we are able to succeed at such a high level, so let me share how we do it.

On the 20th of each month, District GST PID Linda Tincher sends out an e-mail to the secretaries reminding them about the monthly reports. Approximately 5 days later zone chairs encourage their clubs to wrap up their reporting. Then on the last day of the month, the VDGs lend a hand to the zone chairs in making calls to those clubs that wait until the last minute. That's three messages across eight to ten days; the average person probably gets more messages than that daily! Nevertheless, I understand some people may think that's too much.

With that in mind I offer the following solution: **GET THE REPORTING DONE EARLIER IN THE MONTH!** For instance, on the first day of the month, log in and report "No changes" in Membership, if you haven't gained a new member. That checks your box and does NOT prevent you from adding new members or making changes the rest of the month. (If nothing happens that month, your report is done.) As for the Activity Report, find something a member in your club has done—it does not have to be the entire club nor a big thing—early in the month, just report it! It can be small: raking leaves, for example, reading a book to someone, mowing someone's lawn, delivering groceries. It all counts! It's entirely possible after your first meeting of the month you could have your reports completed and can joyfully delete any reminding e-mails and never get a phone call!

Feedback is a Reality Check

We all need feedback to be more helpful, and in touch with what is actually happening. This is especially true for Lions during this time of medical restrictions on who we are and how we serve. Many Lions are balancing the health risks to themselves and their family on one hand, and the burning desire to serve on the other.

So as a district, and personally as 1VDG, I am asking for your feedback. What can our district do to help you serve and stay involved in Lions? What can your zone chair, the VDGs and District Governor do to help you and your club serve? Only a relatively few Lions take advantage of the chances to speak their minds by taking part in zone meetings, district meetings or picking up the phone and calling a district officer. Most Lions have ideas about how things could be better to make our Lions Clubs healthier and stronger. Many Lions have a strong interest in other ways to help. If we do not hear from you, how can we help connect you with others of the same interest?

DG Jim Query is holding open Zoom sessions with no agenda and with an eagerness to hear what is on the mind of each of his fellow Lions. Zone Chairs and VDGs can take your comments on how to help make our clubs and district better. We often hear from the same Lions. If you feel dissatisfied or feel you are losing interest, talk with us. Many of the same Lions are at district and zone meetings. Glad to have them come, but there are so many other Lions who have something to contribute to the discussion.

So I am eager to come to any club that would like me to come and LISTEN. No green coat with the big patch, just one Lion coming to share among us what is on each Lion’s mind. Sometimes a different perspective can help bring things into focus. So if your club feels like it is in a rut and just doing the same-old, same-old, let me come and let us talk things out a bit.

Helping Lions serve!

Observations on Fall from a Blind Guy

To most people Fall means: festivals, orange everywhere and the trees turning different colors. To me, not so much... to me it's more football games and being able to open the windows.

The weather is cooler, that's an easy one. Even though the trees have not changed color (so my wife tells me), the wind through the trees makes a little bit different sound in the Fall than in the Spring. Maybe because the leaves aren't as supple- but it's more of a rustling sound in the Fall. Our grass got cut today, however it doesn't have that same "fresh cut grass" smell that you smell in the Summer or Spring.

They're advertising Pumpkin everthing; ice cream., coffee, tea, creamer, candles, bread, etc. My wife spotted pumpkin pie creamer at the store today – she always stocks up to have

enough to last till Spring.

Hope you take a moment in the crazy time to enjoy the sights and sounds of Fall. Share your Joy with someone- perform a random act of kindness.

Stay healthy- wear a mask; get your flu shot.

And, oh yeah, you might want to grab a pumpkin pie creamer before Vic buys them all! 😊

Yours in Lionism,
Lion Bob Hrdy

One Minute for Membership

PDG Charlie Short, MD25 Global Membership Team (GMT)

In many clubs, the first rule of discussing membership is a bit like that line in the movie about the first rule of Fight Club.

We don't talk about Fight Club.

Unfortunately, that's not a winning strategy for growth.

One alternative is to listen to the membership chair beg, plead, grovel and otherwise cry for help during his twenty minute report of gloom and despair.

That's not a pretty thing to watch, especially after a meal. Makes it hard to recruit a replacement and runs off the crew.

So let's agree to grow, while keeping it light! Every club can build into its agenda one minute for membership at every meeting. Create a consistent space in your regular business to allow for membership discussion.

Take fifteen seconds to recognize new members and sponsors.

Take another fifteen to tell something interesting about the new Lions.

Take the third fifteen to pass on any news on the topic that could be useful.

And wrap up with fifteen seconds for the membership to nominate new prospects.

If it's an in-person meeting, throw a fun size Snickers bar to those that volunteer new prospects. If it's online, keep score and reward as you can. Keep it fun.

Talk to your club President and Board to build this into your club's way of doing business. Process helps produce the results that you want for your club. Lions, just talk with each other. It is a good way to check up on everyone, and put some ideas together to figure out how you can continue to not only stay safe, but provide a service, maybe gain a member or even make a little money for our good causes.

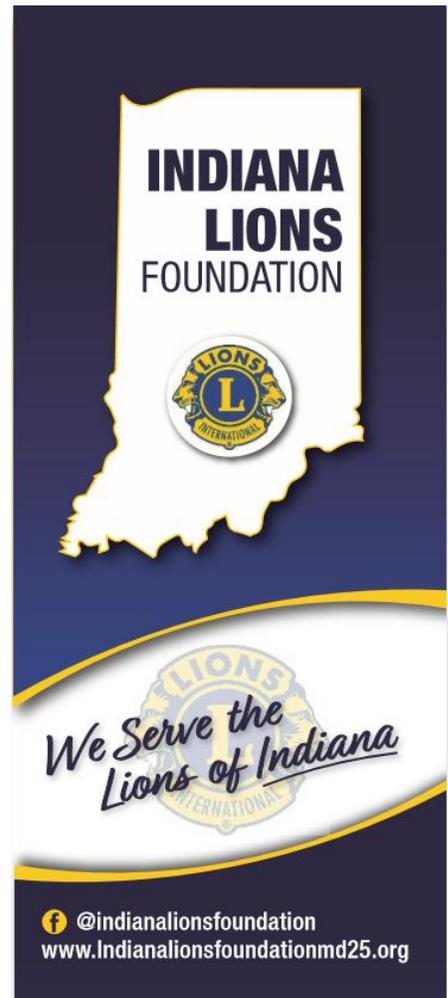

News from the Indiana Lions Foundation

All Lions from the State of Indiana recently were mailed the above brochure expressing the benefits provided by the Indiana Lions Foundation. One of those benefits is the \$750.00 Matching Grant Program. The Program will match, up to \$750.00, of a Clubs contribution to an approved service project.

Due to the cancellation of the Indiana State Fair, Lions from across Indiana were unable to volunteer their time to raise funds for the Indiana Lions Foundation and the Matching Grant Program. Please consider supporting the Indiana Lions Foundation so we can continue our programs for the Lions of Indiana. You can make a one-time donation to the Indiana Lions Foundation via our GoFundMe on-line campaign. Donation options include: Using the QR Code above, going directly to our GoFundMe page, or making a direct contribution to the Indiana Lions Foundation.

If you have any questions, please contact an Indiana Lions Foundation Trustee or visit our website: IndianalionsfoundationMD25.org

As you may have heard the Indiana State Fair has been cancelled this year due to COVID-19 concerns. While you may not be able to support your Indiana Lions Foundation with your time & talents, please consider a contribution to our **NEW ONLINE campaign** via GoFundMe.

Safe, secure one-time donations or set up recurring donations!

A reminder to those of us who usually use part of our Required Minimum Distribution (RMD) to donate to LCIF, Indiana Lions Foundation, other Lions projects, or other charities. Although the RMD is not required this year, please consider still making those donations the same way. We may not be asked about how we want to take our RMD as it is not required. Still the need is there for the charities that we support. Do it today. Thank you.

“Governor, Lion Char, PDG Jim & Spencer Lions Club: What a wonderful night celebrating Jim!

Thank each of you for making Tom & I feel special. Totally surprised me. I wish the Governor, the family and the Club an outstanding year.” That was from Lion Gail Robbins as she displayed her Victorian Cottage roses and Tom’s tiny grocery cart, gifts of gratitude at banner night.

The funds earned from the Riley Lions Club 2nd Chance Prom last February netted \$1800 for Reach Services and \$1800 for The Royal Battalion...a veterans program to help struggling vets find a good home to live in. Note all the contributors to this project on this sign. (Riley Lions Club is in the far left, bottom row.) All these groups helped pay to remodel and even furnish the house to help a vet get started. The Frankfort Lions Club had our first "inside" meeting since the spring on September 8th. We had met in the park for a couple of months so we will see how this goes.

This first meeting we were lucky to have our DG Visit from Jim Query. Jim was accompanied by his parents so we heard lots of good information.

I think a good title to Jim's talk would be "Be Kind". Under our current stressful situation in the U.S. it seemed very relevant. (Photo and caption by Lion Mike Nichols)

Several Lions from around the state came to bid Spencer Lions Club's President Russell "Rusty" Freeman farewell. Rusty just happened to be my "cousin". (His grandfather and my grandmother met as widower and widow and wed when Rusty was 9 and I was 16—that made us "family.") He was big on jokes, usually at my expense. However, he always smiled and said, "You know I'm a funnin'!" and he always tickled my funny bone, just as you see here. He never met a stranger and instantly made you feel like family. Don't forget his big smile and his willingness to help, both as a friend and a Lion. Thanks to those who sent condolences. I'll miss my "cuz."
