

Lions Year is Half Over

Half of my year as District Governor is over. Now on to continuing the work. Soon we will have our district convention, two district cabinet meetings, district elections, Council of Governors' Meetings, State Lions Convention and then passing the football to 1VDG Bob Hrdy. CC Jim Query symbolically passed a football to me.

I have enjoyed my official visits to many clubs. I marvel at how diverse our clubs are and the variety of activities that they do for their community. But I have many clubs to visit to complete all 54 club visits. Please give me a call to schedule your club's governor visit.

Our district is plus eleven as I write this. Hopefully we will not have many more drops during December. Well done, Lions Clubs and Lions!

Many of our clubs have been filing various reports in MyLCI and MyLION. Our goal is to get every club to file something.

The next big club task is election of new officers, then entering them into MyLCI. A few clubs last July found that they had no officers listed in MyLCI and so no one in the club could enter new officers, etc. Please help 1VDG Bob by holding your club elections before April or early May, then report them. One of the hardest part of the DG job is getting an accurate district directory out at the beginning of the Lions year on July 1. Timely club election reporting and active verifying of member's contact information in MyLCI really help. If it is not done timely, many headaches follow.

I am excited about our district convention Saturday, February 26, with pre-convention events on Friday, February 25. Our International Visitor will be ID Larry Edwards and his wife, Susan. They will be at the Drury Inn in Lafayette. There are about 20 hotels

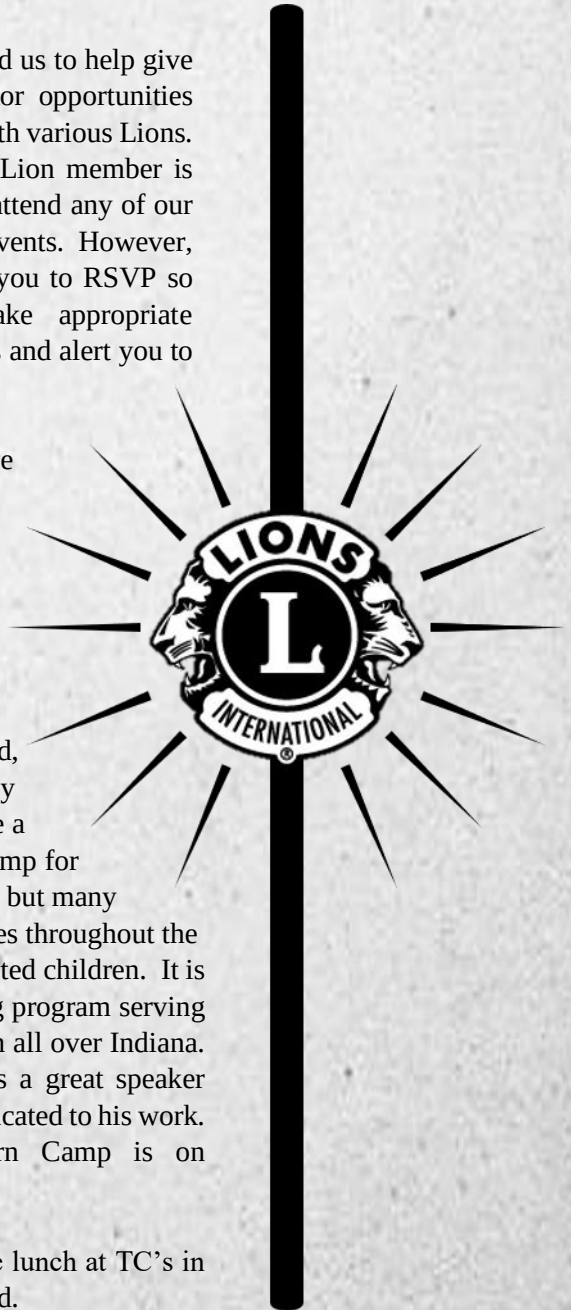

at the Interstate Exit 172 with a wide range of prices. These are all within three miles of our Saturday convention site.

LCI has asked us to help give our ID Visitor opportunities to interact with various Lions. Any district Lion member is welcome to attend any of our convention events. However, we do need you to RSVP so we can make appropriate arrangements and alert you to any changes.

On Friday, we will visit Lion Mark Koopman at the Hoosier Burn Camp office in Battle Ground, Indiana. They not only have a week long camp for burn victims, but many other activities throughout the year for affected children. It is an interesting program serving children from all over Indiana. Lion Mark is a great speaker and very dedicated to his work. Hoosier Burn Camp is on Facebook.

We will have lunch at TC's in Battle Ground.

From there we go to the Tippecanoe Battlefield Museum, with exhibits on William Henry Harrison's battle with Tecumseh. ID Larry Edwards has expressed his interest in history.

Our Friday evening dinner with our ID Larry Edwards and his wife Susan will be another time to meet and talk with our ID. We will be having an Italian buffet at Bruno's, 212 Brown Street in West Lafayette, Indiana.

Bruno's is a favorite of many Purdue greats, including Drew Brees. The decorations are memorabilia of Purdue athletics. They only do carryout and private parties now. Sorry for the price of \$21.00, but everything seems to cost more.

Saturday, our district convention will be at Faith East Community Center, 5572 Mercy Way, Lafayette, IN 47905, which is less than two miles from Exit 172. Lunch will be by Buttery Shelf, Lions Anna and Cherrie Buckley.

The cost will be \$ 14.00. We will need to set up the tables, chairs, etc. that morning starting at 8 AM. If you can help, please let me know.

The venues are close to the Interstate or on heavily used (school bus route) roads. After all, it sometimes snows in Indiana in February.

We hope to see you there. Watch for the flyer coming soon by email to the clubs, and on our district calendar.

We serve and help others to serve.

DG Jim Roth

Happy New Year to My Fellow Lions!

1st VDG Bob Hrdy, Lion
Vicki, and Leaderdog Finn

Hope everyone had a Merry Christmas and a healthy and happy start to their New Year.

It is hard to believe that we are halfway thru this Lions year. Hopefully as we move further into this year things will become more “normal” and we can continue to get out into the community and do what Lions do best -Serve!

I know DG Jim has been out meeting many of you, encouraging the clubs in our district to rejuvenate.

I would encourage everyone who is able, to attend our Mid-Minter Conference on January 22 at the Crowne Plaza Hotel in Indianapolis. This is will be a great opportunity to learn what is happening not only in our district but around the state, helping us all to be reengaged.

Stay safe and I hope to see you at the conference!

I have been busy these last few months learning a lot about being District Governor next year. One of the most important things I have come to realize is how important it is for ‘frontline Lions’ to have their voices heard at the district level. I would encourage you to think about volunteering to be serve on one of our District committees. If you have an area of particular interest, or any questions, please reach out to me. You can reach me by email, phone or look me up at the Mid-Winter Conference.

Yours in Lionism,

VDG Bob

Happy New Year!!! Hope everyone had a Happy Merry Christmas!!! The weather was warm, which is nice for the ones who have to travel around.

As the New Year approaches means new adventures to come. What new adventures will all the clubs come up with? New projects, new fundraisers, new assistances, or being able to do vision screenings in the schools? Does your club do Liberty Day at the school? Our club does which is scheduled this month!! Have you seen the Liberty Day booklet that is given to the students? I have and it's so cool to look at and read it.

Clinton and Cayuga Lions Clubs

The Clinton and Cayuga Lions Clubs have once again provided free vision screening to students enrolled in grades 1, 3, 5, and 8 as mandated by Indiana Senate Enrolled Act 533, which states that students in those grades be checked for possible vision problems. Both near and far vision is checked along with testing to determine if the student has problems associated with depth perception or lazy eye, which if not detected, may lead to blindness.

Equipment used by the screening teams consists of Optic 5000 vision machines, Snellen, LEA and Sloan letter and symbol charts as well as the Stereopsis equipment used for depth perception and lazy eye testing. No medicine or eye drops are used in administering any of the tests.

Schools in Vermillion, Parke, and Fountain counties are currently visited by our screening team each year. This year our program began on Monday, November 8, 2021, and ended Monday, November 22, 2021. A total of 968 screenings were conducted with 275 referrals made for follow up testing or treatments. Since our program began in 2007, a total of 21, 181 screenings have been conducted with 5,068 referrals made. The nurse at each school visited is given the screening forms at the conclusion for her records. The only information the screening team maintains are the total number of students screened and the number of referrals.

The Lions School Vision Screening Program not only provides a valuable service to the students and their families, but also greatly aids the school nurse by freeing up time she would normally spend doing the screenings to attend to other duties she must conduct each day. The vision screening program falls under the direction of the Indiana State Board of Health, Indiana Department of Education and the State Legislature. All screeners are trained each year prior to visiting the schools.

Cayuga Lions screeners were PDG Ron Spivey and Terry Hennis. Clinton Lions were Ken Colombo, Ray Colombo, Joe Cox, Garry Dal Sasso, Tom Frey, Chuck Gedrick, Dennis Holland, Charles Jackson, Dennis Jones, Larry Rardin, Dr. Charles Rutan, Bob Spence, Jeff Williamson and Dean Strohm, Chair.

For more information concerning this program, please contact Chair Dean Strohm, any Cayuga or Clinton Lions Club member.

Lion Gretchen with her date at the Speech and Hearing luncheon at the Indiana School for the Deaf. So where's PID Nick? (Photo by PDG Pat Short)

Actually, Nick was there, along with several other District C Lions who helped celebrate our Indiana Lions Speech and Hearing celebrate 40 years of working in that field with the doctors of Riley Hospital. In addition to celebrating the students of the school, several scholarships were awarded to college students to further their studies and research in the area. Lions, your assistance reaches above and beyond simple dollars. (Picture by PDG Pat Short)

New Zionsville Lion Jean Robbins went with PDG Tom & Gail Robbins (no relation) to the Indiana Lions Speech & Hearing Holiday Lunch. Jean had a chance to meet so many Lions and the guest speaker Dr. Miyamoto! Note to Jennifer: we are so proud of Speech and Hearing, watching your group give away \$52,000 in Scholarships and support to Audiology Departments. The money Speech & Hearing shared came from club donations and recycling parts from unusable hearing aids. We learned so much! (Pic by Lion Gail Robbins)

The Indiana Council Chair Jim P.M. Query hosted a party for the governors, vice-governors, 2nd vice-governors and leaders from around the state at the Carmel Lions Clubhouse. The festivities centered around an evening of eating a delicious meal catered by Lion Joe Shead, sharing a favorite holiday dessert, a little fudge and a good time sharing stories. One highlight was the Christmas sweater contest. (Some might even have called them “ugly”, but most were cute.) VDG Bob Hrdy won the men’s title while Lion Vicky’s pink flamingos in Santa suits was also a hit. Finn was “Top Dog” in his handsome candy cane covered vest! (Photo by PDG Pat Short)

IN December Lafayette Lions members met for a Christmas celebration at the Buttery Shelf Restaurant in Lafayette. While enjoying starters, they wrote and signed their names to cards of encouragement and good wishes for 40 residents in a local community transitional housing facility. Each resident will receive at least 4 cards with a Christmas stocking. Pictured left to right are Lions Aki Kamsali, Carl & Chris Landskron, Anna Wilson, several guests (vision screening volunteers), and Lions Larry Fisher and Hugh Pence. (Pic by PDG Pat Short)

In December Lafayette Lions Club members delivered hot meals to close to forty vision-impaired friends in local communities. Each household also received a freshly baked artisan loaf of bread/homemade jam, a Christmas stocking full of snacks and nuts. PDG Charlie Short is shown enjoying a chat with a gift recipient. The Delphi Lions have been busy this winter helping with the Delphi Christmas Parade, Christmas Baskets, and Salvation Bell ringing at the local grocery store. Lions Dave Beale, Brad Fisher, and Dave Maxwell are shown in the photo ringing the Salvation Army Bell. (Photo provided by Lion Jenny Meek)

Like many other Lions Clubs, Spencer Lions hosted Santa for children at the Christmas on the Square Festival, where children got to convey Christmas wishes to Santa and received a bag of candy and fruit. Santa also was at the Spencer Lions building the following week for those who didn't make it on Saturday. There they received candy and fruit, a free book, a toy and picture taken with Santa. Candy was also donated to the Head Start and Weekday Religious Education programs in town with Christmas gifts and food provided to a family of 6. (Photo by Lion Anton K. Neff)

PDG Pat Short shared some thank you wishes their club received during the Christmas season. "Thank you for my dinner. God bless the Lions Club!" Our pick up point for the meals also serves as a collection/pick up area for "Cover Lafayette" donations (used clothing, blankets, coats, etc.) There was a woman picking out clothing for Christmas presents for her children. When she saw we were Lions, she was overjoyed to tell us that when she had been in prison she had worked for the Lions sorting, classifying, and cleaning donated glasses. She was really thrilled to have been a part of this Lions project to provide glasses to many outside the USA. Something we don't think about is how this seemingly small task for people in prison builds their confidence in being a contributing member of society. It was certainly a WOW moment for us!

Thanks for sharing, PDG Pat. It's nice to hear that Lions make a difference.

HAPPY NEW YEAR to all Lions and their families from the Zionsville Lions Club.
