C How We Serve ?? District 25C

From the Desk of DG Bob Hrdy

Fall is here and life is getting busy for everyone.

Lion Vicky: Finn and I have attended several Banner nights and are gearing up for Club visits.

If you are not busy Saturday Sept. 10th, come join us at Zi-
onsville's Fall Festival! We will be in the Leader Dog tent after the
parade. If your Club is having a festival or event, I encourage you
to reach out to neighboring Clubs and invite them to join you in
service. Many hands make light work and as IP Brian Sheehan
says: "together we Can."

I want to welcome our newest Team C member Lion Sue
Ahlbrand, from the Brownsburg Lions Club. who has stepped up
to be the Zone Chair in Zone 4. SE. I want to thank her for taking
this opportunity to serve our District, so, when you see her out
and about, introduce yourself and welcome her to our Team.

Everyone serves in many different ways: Some clubs have specific
service projects- in Lafayette, our club members help at our local
food bank twice a month; other times it's a random need in the
community; or a neighbor an individual Lion helps. All of these of
examples of service hours. I encourage each of you to let your
Club secretary know how you have helped those in your commu-
nity. If you are a Lion and you are helping/serving others it
counts. Toot your own horn!

If any of our Clubs are having difficulty entering their information
into LCI please reach out to your Zone Chair or our District Ad-
ministrator Lion Gretchen Xinopoulos.

I hope to be seeing you soon! Remember if you have any questions or ideas send them to me – Ask the Gov at DG.25c@inlions.org

Yours in Lionism,

Spencer Lions

Spencer Lions Anton K. Neff (left) and Mark Rogers(right) had the pleasure of passing out dictionaries to all 3rd graders in Owen County's 4 elementary schools. While all students in the system do work from chrome books, the teachers are delighted the students have a dictionary of their own. Teachers remarked that it gave them a "hands on" lesson where all could learn how to use a "real" dictionary. As you can see in the photo, 3 different students' hands are reaching for the one dictionary!

The Zionsville Lions Club had a fabulous time at their 1st ever Diabetes Awareness Day in Zionsville Lions Park. Lion (Dr) Mel Prince, an Endocrinologist and works as a advisor for our Lions International Diabetes committee, chaired Zionsville's Diabetes Fun Day in Lions Park. His co-chair Lion Sue Bowron-White made sure everything was set up correctly in the kids games and crafts and Bingo areas.

Mel brought in a team of Professionals to do the screenings of over 40 adults .

If any Club would like to talk to Mel about doing an event like this or would like him or Brandon Bischof to speak to your club please reach out to him. Mel.j.prince@gmail.com Or Zionsvillelions.com

This is a comprehensive life skills and prevention program for youth of all ages. It builds social and emotional competencies by promoting self-awareness, self-management, social awareness, social and relationship to improve outcomes in homes, schools and communities. Logansport already has this program in place and the Lebanon and Oxford Lions Clubs are looking at introducing Quest into their local communities.

For more information on how Quest can help your community and available grants contact PDG Charlie Short (Lafayette Lions Club).

A Message from 1st Vice District Governor Patti Foxx

It's September!!! Hello Everyone!!

I have been busy helping District Governor Bob getting directories out to our Zone 5 Clubs. I have met with Brazil, Cloverdale and Gosport Clubs so far and the rest of the Clubs by the end of the month.

If you volunteer at the Indiana State Fair this year we had BIG inflatable Spider-man assisting us. Our club had 4 members helping one Sunday and 2 members help out on another Sunday. It was great to see other Club members and learn what they were doing in their Clubs.

Brazil Club is getting ready for their first Bingo Fundraiser on November 12th, 2022 at Harmony Community Building. Doors open at 5:00pm. Tickets are \$20.00

Cloverdale Club is getting ready for their Cloverween & Blood Drive & Parade on September 24th, 2022.

Gosport Club was getting ready for their Lazy Days Dash fundraiser.

Bainbridge serving Biscuits and Gravy on September 3rd, 2022.

There are all kinds of Fall Festivals going on so let us know what's going on in your area. Did I say Fall, oh no the summer is almost over with swimming, garden veggies and the State Fair.

Friendly reminder that the next Cabinet meeting will be here at my home town of Brazil on October 22, 2022. Location at the Brazil YMCA Community Building. Start at 10:00am. Lunch is \$10.00. FYI the Covered Bridge Festival is that last weekend so adjust your driving time accordingly. You might want to avoid US 36 and take the route thru Greencastle on US 231 then turn on US 40 into Brazil. You might want to take the Cloverdale exit (69?) instead of Brazil since St Rd 59 might have a lot of garage sales going on. Hope to see you there!

A Message from 2nd Vice District Governor John Waymire

Every month is a good month to promote the service and leadership of Lionism. One great way to show what Lions do and where Lions donation money goes is to invite a trustee from each of the Indiana Lion's State projects to your club to give a presentation on the project. It is amazing what you will learn about all the great things Lions do and what good your support does. This is also a great time to invite prospective members to show the community what Lions do. People may have heard of Lions but do not fully understand Lionism. Publicize your community project in your local medias. You can also share your Lions projects with other Lions by sending articles and photos to District C Newsletter Editor Terri Delp leetd@hotmail.com and District C PR Chair for Gail Robbins gail45rob-bins@gmail.com.

The Lions State projects are: Indiana Lions Cancer Control, Indiana Lions Eye Bank, Lions for Leader Dog, Lions Speech and Hearing, Indiana School for the Blind and Visually Impaired, and Indiana Lions Foundation.

Continue to support Lionism by reporting your MMR and your SAR.

Together We Can.

John Waymire 2nd VDG

Thank You for Your Support of the Indiana Lions Foundation. On behalf of the Indiana Lions Foundation State Fair Committee, I want to say "Thank you" to all who worked at the Indiana State Fair. Due to changes in staffing requirements, we had more positions to fill than in any previous year. As a result, we started the fair with many unfilled positions, but in typical fashion, the great Lions of Indiana stepped up. Thanks to your support, the Indiana Lions Foundation will be able to continue

to support clubs and districts as they serve their communities. We saw many new faces this year and I enjoyed meeting each of you, as well as greeting old friends who worked in prior years. I hope all of you had as much fun as I did. Over the next few weeks, I will compile the statistics about individuals who worked from each district and club, and will share that information, but for now please accept my heartfelt "Thank you". Lion Rose Russell, Trustee Indiana Lions Foundation.

I was thinking how fun it would be and what a powerful statement it would make if we could get some Lions to come as groups to walk in our October 15th5K/10K Walk / Run for Diabetes Awareness, from every Lions Club. The bigger /the more people that do the walk the more attention it gets. And who knows maybe, just maybe people will pay attention and it'll help to make Lions , as well as our friends and family more Aware of how to prevent type 2 Diabetes.

Ask a couple people, sign up and car pool to Zionsville. We'd love this to become the biggest Parade of Lions and friends showing the world we want to find a way to educate individuals til we all stay healthy!

LAFAYETTE AND OXFORD LIONS CLUBS

CALL FOR VOLUNTEERS

**Feast of the Hunter's Moon
Saturday/Sunday ---- October 1&2, 2022**

Each fall, local Lions Clubs operate the Croquignole Booth at Lafayette's Feast of the Hunter's Moon. The Croquignole Booth is always popular for its period "donuts." The Lions are proud to be involved with the Feast as a food vendor and a supporter of the Tippecanoe County Historical Association. The Croquignole Booth is a major fundraiser for the Lions in the area, but it can't happen without a good deal of volunteer effort – we need to fill 90 slots. In return for volunteering at least 1 x 4 hour shift, you will receive a button good for admission on both days of the Feast! If you enjoy the Feast, music and good food, tepees, Indians or you just love the Croquignoles ---- sign up now!

FINN'S TALE

Hello everyone... here I am again....your roving reporter on the job. We attended DG Eric Schumann's Banner Night (25D) on August 5th in Greentown at the 4-H fairgrounds. Sad to say, I was the only animal there at this time. Bet this is a lively place during 4-H events. Saw our old friends, IPID Nick Xinopolous and Lion Gretchen, and made lots of new friends. People like DG Bob, that guy I keep on a leash, so they also like me too and they dedicated their 50/50 raffle funds to Leader Dogs for the Blind. Made me proud.

What else did we do? Well DG Bob and Lion Vicky worked a few shifts at the State Fair but unfortunately I was not invited ...something about I couldn't go on the rides and they wanted to once their shift was finished.

The other thing we did together was help out with the Lafayette Club's Soft Serve sales at the Lafayette August Mosey.

Boy, was that fun... I got to meet lots of new canine friends, sampled ice cream with them too. We dogs called this quality control. Lions are good enough to provide us with cooling cones when the weather is hot...but just small ones! Mosey Down Main Street is a loud, fun, event held monthlylots of food vendors, music, booths selling all kinds of things. The most amazing thing to me was seeing those uppity dogs being pushed around by their staff in small prams....too spoiled to have to walk. I ask you what is the world coming to. Come join us in for next Mosey on September 3 from 4 pm to 10 pm. There is no charge. And don't forget to drop by the Lafayette Lions club trailer and get a wonderful soft serve cone. We will be at 9th and Main on the south side of the road west of the Buttery Shelf Eatery. We'd love to see you.

Well this has really been a light month so I guess I'll have to encourage DG to get out more. Want to see him, Lion Vicky and me, then call and book a visit from him. He is a great guy and truly encouraging as well as entertaining--- get on his calendar for an official visit or invite him to any of your fundraisers or service projects. I can help get his attention ---just text me at 765/426-9027 or email me at lionbobhrdy25C@gmail.com.

See you soon... Lion Leader Dog Finn
