The past few weeks have been filled with meaningful connections and impactful service across our district. I've had the pleasure of visiting several clubs, including **Southport, Beech Grove, Indy Franklin Township, Ben Davis and Indy Washington Twp.** Thank you to each club for your warm hospitality and continued dedication to service. I always come away from each visit so inspired by all our great Lions and the fantastic work that each of you are doing to make your communities better.

A special highlight was our **Fall District Meeting in Centerville**, which brought together our fabulous Lions in 25F. I want to thank everyone who attended and contributed to the success of the event. A **special thank you to the Centerville Lions** for their outstanding efforts in being the host for this meeting—it was truly a job well done! I also want to give a shout out to PDG Ed Harper for facilitating the eyeglass sorting service project during the meeting. Thanks to the incredible teamwork and enthusiasm of our Lions, we successfully sorted **35 boxes of glasses**, that may be used for future missions, saving PDG Ed from hours worth of work. Fantastic job, everyone!

October 12<sup>th</sup> concluded the first of three [Weeks of Service | Lions Clubs International](#) that are part of the new requirements for the Club [Excellence Awards | Lions Clubs International](#). If your club participated in a Mental Health & Well-Being project, be sure to submit a service activity report in the Lion Portal for your club. This is the only way you can get credit. Club Excellence awards will be determined and distributed by LCI based upon the information in the Portal. A club no longer needs to apply.

In other news, I want to address an important update regarding the future of our district. Currently, all districts in Indiana except for one is in transition, which means the district has fewer than 1,250 members and/or 35 clubs. District 25F currently has **1,211 members and 51 clubs**. At the recent Council Meeting, information was presented regarding the possibility of redistricting the state and consolidating from 7 to 4 districts. Following an executive session, a decision was made within minutes: to **keep all 7 districts as is** and continue our efforts to **grow membership across the state**. Let's continue working together to strengthen our clubs, welcome new members, and build a vibrant future for our district.

Thank you for all you do to serve your communities and support one another. Together, we are making a difference.

Yours in Service,  
DG Angela Locke

### **Time Waits For No Man!**

It's November? October was another busy month. It started with Eye Screening in the schools. The Fall Conference meeting in Centerville was great. DG Angela had a great agenda along with a WONDERFUL lunch. She even ended it with a Service Project of sorting eyeglasses. PDG Ed Harper taught us how to sort them. I think this was a project that about 80% of us had never done. We all got involved. Our club collects them, but Lion Debbie Keith is the only one who has ever sorted them. I am beginning to put my agenda together for next year.

My Area E monthly ZOOM trainings are very informative and my 1VDG training will be November 8th and 9th. For our Service project the Indianapolis Center Township Lions distributed shopping bags with 500 to 1000 piece puzzles to three nursing and rehabilitation buildings. This month we will be participating in and donating turkeys for the Butterball BINGO at Pleasant Run Elementary to help families with their Thanksgiving Dinner. Again, time waits for no man - HAPPY THANKSGIVING !

Yours in Service,  
1st VDG Brenda Wilson

**2nd VDG Joseph Shead, SR.**

### **Greetings Lions**

October has been a blessing for myself and our Clermont Club. Our club was presented the Distinguished Achievement Award for fulfilling the mission of Lions Club International for the year of 2024-2025. I was then presented the State Membership Path Finder Award for having a net gain during the first Quarter of 2025-2026. We are so pleased to receive these awards. As we are increasing our ability to serve and to meet the growing needs of our community, we will continue as a club to strive to meet the challenge of Mission 1.5 by growing our club to serve and to meet the growing needs of the International. I wish to challenge all of our 25F clubs to do their best to increase and retain members while remembering to have fun, smile, and encourage everyone to reach one, and bring them into our Lions Fold.

Yours in Lionism,  
2nd VDG Joseph Shead, Sr

# Camp Woodsmoke

## "The Best"

Greetings District 25F Lions,

Pork Chop Sunday was a huge success. The meal was delicious. Thank You's to Fountain City Lions for cooking the pork chops. Della & Owen Menchhofer for preparing the sides & cookies. Belinda for having the camp in excellent condition.

When you donate to Camp Woodsmoke please note in check memo where donation is to go. If not noted in the memo donation will go to general funds for operational costs or where most needed. The monthly cost to operate the camp is \$3,000 - \$3,500.

Camp Woodsmoke depends on our volunteers to help keep our camp and events great. With your help we can provide an amazing atmosphere for the people we serve and create memories that will last a lifetime.

I want to invite Lion members & others to come and visit the Camp. It needs more awareness in the community and in District 25F. It truly is a hidden treasure. Spread the word! Many thanks to the Clubs and individuals who continue to support Camp Woodsmoke financially as well as participation in Camp events. THE BEST!

**Upcoming events: Fall Cleanup November 13. Start at 9 with doughnuts and coffee. Lunch @ 12:30. Bring a covered dish. Chicken will be provided. Tools to bring: Chain saws if you are cutting wood, leaf blowers, rakes.**

**Please consider coming to get the camp ready for Christmas Drive Thru. November 22 @ 10 set up Christmas decorations and lights for Christmas Drive Thru. We will need many hands to complete this project. Christmas Drive Thru Dates are December 5,6,12,13 6pm to 8:30pm.**

A big thank you to all Camp Woodsmoke trustees and our camp caretaker Belinda for all that you do. If anyone is interested in being a trustee, contact Lion Andy Schwier @ 812-621-1451

We live in the Land of the Free because of the brave. Thank you, veterans, for your service to our country. Remember Those Deployed!!!

# LCIF

“F”abulous Lions of District F,

We have had a bit of confusion lately about what to put on your club or individual donations to LCIF. Our LCIF Area C, Co Leader, wrote an article last month for the Hoosier Lion and she explained it best. I am reprinting this with her permission to get the word out on Empowering service and why.

Empowering Service has been part of Lion Club International Foundation (LCIF) for three or four years, but many Lions do not fully understand how Empowering Service benefits ALL the LCIF donation categories. In the past, Lions have been encouraged to select one of the LCIF causes such as Disaster Relief when making a donation, but now Lions are encouraged to select Empowering Service, even if it is for Disaster Relief, because Empowering Service donations go into the area that needs the most support. If Disaster Relief is low, then it will go to Disaster Relief. If Hunger is Low, it goes to Hunger or any other category. When requested during an emergency, LCIF will see that the money goes to where it is needed! This is a major change from what Lions are used to doing but once Lions understand they will agree it is a win/win for everyone.

Here is how Empowering Service works to help everyone: at the end of the Lions year, clubs that have selected Empowering Service and donated \$5,000 or more, have 15% of total amount placed in a District Community Grant (DCG Grant) which is kind of like a savings account for you at LCIF. Donations may remain in a Club account and accumulate for up to 15 years or be requested through the LCIF Grants department for a project that better the club or area.

Since we all know some of our clubs are not financially able to donate \$5,000, if they donate something to Empowering Service, their donations are totaled together to benefit their district. Their district will be awarded 15% of the total and placed into a DCG Grant where it can accumulate for up to 15 years or be used for the good of the district OR be used to meet the 25% match required when a club or district applies for an LCIF grant.

The ability to use DCG money for a match for an LCIF Grant is a significant asset. Recently one district learned they had \$9,000 in DCG monies. They decided to ask for \$6,000 to buy a trailer to deliver tornado supplies. The LCIF grants department advised them instead to apply for an Emergency \$15,000 Preparedness Grant. They could use that money to buy the trailer and have it painted with Lions Logos. Then take the rest of the money and purchase supplies to put in the trailer. Sounded good, but the match for \$15,000 was \$3,750 which they did not have. The LCIF Grants department suggested taking \$3,750 from the \$9,000 DCG fund. Money is still left in the DCG fund for another project or to continue accumulating; and the district will soon be ready for the next disaster response. Donate to LCIF – Empowering Service and watch your District Community Grant grow. PID Linda Tincher, LCIF Area C Co-Chair.

I hope this clears up some of the confusion of where you want your donated funds to go. Thank you PID Linda!!

Respectfully Submitted,

PCC Sue Topf & PDG Ken Faulkner, District Coordinators

Puppy raisers and breeding hosts volunteers play a vital role in preparing guide dogs that support people who are blind or low vision. While the impact our Leader Dogs will have on their future client is life-changing, the experiences they share in their early life can also be deeply rewarding for you and your family.

You could raise a Future Leader Dog, teaching them the basic cues like sitting, staying and how to behave confidently in busy places. Don't worry if you've never trained a dog before, we'll pair you with an experienced counselor who will guide you every step of the way.

Or perhaps you'd be interested in providing a loving home for one of our Leader Dog moms. She'll live with you as part of your family while she creates the next generation of Leader Dogs. Each of those puppies will grow up to transform someone's life, and you'll be there from their very first breath.

We have recently updated our vaccine requirements for personal pets living in puppy raiser and breeding host homes. Learn more about this update on our [Puppy Raising FAQs](#) or [Breeding Stock Hosts FAQs](#) pages.

Whether you're working or retired, both opportunities welcome you. The most important thing is having a caring heart and the commitment to help change lives. Visit [LeaderDog.org/Volunteer](https://LeaderDog.org/Volunteer) or call 888.777.5332 to learn more and apply.

**P.S.** Not the right time to volunteer as a breeding host or puppy raiser? Please consider forwarding this email to someone who might be a perfect fit!

With gratitude,

Vision Screening has started for the 2025-2026 school year. Many clubs have been submitting their Vision Screening data sheets to Lion Jean Ann and we appreciate you're taking the time to do that. This data not only helps keep this project going, but also helps to keep us informed about procedures which might need to be implemented so that screening is done in the most efficient and time-saving way possible. There are communities which do not have a Lions Club or a Club that is available to do Vision Screening. If your Club is available but do not have the training, please contact me and we will make sure you get the training you need. But sometimes, Clubs are not able to do Vision Screening for various reasons, and that is when other Clubs in the area needs to step up and help with those screenings as much as they can. This might be schools within your District or it may be schools outside your district. If you cannot Vision Screen, I am asking Clubs that need help, please contact other Clubs in your District or even a neighboring District to help. There are some Clubs who are already lending a hand and helping Clubs inside and outside of their District. Thank you so much for stepping up! If you have any questions, contact me. Vision Screening is a very important project in helping our children. Lions Club motto is "We Serve" – but I might add that sometimes it is necessary to... "WE SERVE ....TOGETHER!"

## **Indiana lions Special Olympics Premier Medal Sponsorship Program**

**Gold Medal – donate a min. of \$500.00 annually**

**Silver Medal – donate a min. of \$250.00 annually**

**Bronze Medal – donate a min. of \$125.00 annually**

In 2024 we had all but one district make some sort of a donation.

Thanks to Districts B - D - **F** and G for making the “Lions share” of donations to make this program successful along with **many individual Lions.**

We are looking to better communicate with all District and Clubs this coming year to increase not only donations but volunteer opportunities for our members across the state.

It is our goal and belief that this partnership with Special Olympic can help with membership recruitment and retention by providing new opportunities for additional service hours, not only at these two events but at regional and local events also.

**Together we Can....be the difference that makes a difference!**

**Thanks,**

**Indiana lions Special Olympics Co-Chairs**

**Bill McDonald, Steve Holtzleiter**
