## Lions are the Real Thing

We show it in constantly by our actions of kindness and caring. Whenever we are presented with a need, the first question is always: "How soon can we help?". The questions of funds, volunteers, and planning fall quickly into place afterwards, but the first thoughts are always "Let's go!"

It was great to see everyone who came out for Organization Day on July 15th. Organization Day is our annual First Cabinet meeting that the District is to hold within the first thirty days after the closing of the International Convention. This was the first of four District Cabinet meetings that will be held this year. Information regarding the dates, times and places of these may be found on the District website: [www.indianalions25f.org](http://www.indianalions25f.org). Yes, we are required to hold these meetings as written in our Constitution and By-Laws...and you just thought we got up there to give reports, have speakers and demonstrations "just because".

A great turnout of ninety (90) people enjoyed some of the freshest and tastiest fried chicken around. We ordered our normal number of pieces, a wonderful thing, but were surprised at the larger size of pieces so a bit was left over. I believe that everyone was so full that most forgot to help with the cleanup afterward. Our new caretakers, Paul and Betty Bowling, took some extra time cleaning up after us that afternoon. Maybe we can all find some time to come help them out on a camp cleanup day soon.

Only half of our clubs picked up their secretary packets or planned for another Lion to pick them up. Approximately \$350.00 worth of mailings went out this past Monday. Invoices for those costs will be going out to Clubs affected very soon. As of 10:58 on 07/26/2017:

Is your club one of the few 15?

A short reminder to those great secretaries sweating and toiling out there in our lovely Indiana summer – include Organization Day in your monthly reports.

“Where there’s a need, there’s a Lion”. Where a Lions Club exists, there are procedures that keep us all in line and on the same page – wherever you happen to be in the world.

As I said on Organization Day: We are Going back to Basics.

Lions 101 (\* thanks Jerry L!) for our 101<sup>st</sup> year.

- *Who are we?* The Lions (Lions Clubs International, headquartered in Oak Brook, IL 1917.)
  - *What do we do?* WE SERVE!
  - *How?* We serve where we live, assisting our communities and its citizens in any way we can.
  - *When?* We can fill a need, especially in areas of Vision, Hunger, Environment, Diabetes, and Pediatric Cancer.
  - *Why?* **Kindness. Compassion. Love.**
1. Who are you as a Lion? Worker-bee, organizer, leader,” just a Lion”?
  2. What do you do? Is there more you’d like to know? Do you know how to find those answers?
  3. How? Where do you serve? Is there something else you want to do to make Lions Clubs better?
  4. When? Lions are always busy, probably the busiest people on earth (besides nurses and parents!). When is your best part of the day to accomplish things? I’m sure Lions makes it in there somehow.
  5. Why? Only you can answer that.

Why am I a Lion? I’ve received more than I will ever be able to give within this wonderful organization. Literally received assistance: wheelchair ramp at my home after an illness, the kindness of visits and meals during an extended recovery, breaking me out of my shell by “dragging” me to club meetings.

I continue to serve to honor my father-in-law’s long-time service before his passing, as well as my sponsor’s life-long service.

Through this year’s newsletters as a part of Lions 101, I’ll be giving out some trivia along with facts and figures.

I’ll start this month with our Constitution and By-Laws. These are the life-blood of our organization. Not popular reading by any stretch of the imagination, they are essential to the day to day work of Lions.

Each Club is to have their own set of Constitution and By-Laws, if they do not, then they are to follow the District’s Constitution and By-Laws. Lions Clubs International Constitution and By-Laws supersedes all of this if a conflict ever arises. A club’s Constitution and By-Laws allows for a more permanent knowledge of the club’s workings for

those members who will come afterwards to maintain our high standards of work.

Always show the PoWEr of Action and the PoWEr of Service. WE are the LIONS – WE SERVE!

Take care of yourselves and each other!

*DGE Melissa Baker*

## Looking Forward to an Enjoyable Year

*1st VDG Ron Bigham CW Trustee*

Greetings Fellow Lions of 25F,

I am looking forward to visiting many Clubs this year. I am a Trustee for Camp Woodsmoke “The Best” and I will make myself available as much as possible to make a presentation to your Club if you will contact me at lionronb@gmail.com or cell phone 317-695-0683, for which text or voicemail are quite acceptable. When leaving a voicemail message, please speak slowly and distinctly.

It was good to see so many Indiana 25F Lions at Chicago. Enjoyed visiting with other Lions from around the world along with the Beach Boys concert, good local cuisine, wonderful accommodations.

Organization Day had wonderful weather, great food, and good fellowship. DG Melissa presented goals for the year. Let’s get behind her and give the support that she needs.

Remember that the State Fair is coming soon and the Indiana Lions State Foundation is in need of help working at the entrance gates at the Fair. This provides funds for grants and many other needs within our State for Lions. If a Lion is willing to work the gates, the Lion can earn points toward a W. P. Woods Fellowship for themselves or for another Lion.

Also, if any Lion would care to earn money for their Club, the Indy-Washington Twp. Lions Club is always in need of help at their Sweet Corn Stand. They pay for entrance, parking, and you are paid for your labor to your Club. Just Google Indianapolis Washington Twp Lions Club and the website will have directions as to how to sign up to work the corn stand.

Looking forward to an enjoyable year getting to know Lions wherever I travel in 25F. Bite’em!!!!

## Brian’s Trike Race Update

*Lion Pat Henninger, Trike Race Coordinator*

The Indiana Lions for the Indiana School for the Blind and Visually Impaired State Project’s fundraiser “Brian’s Trike Race” will be held in the spring of 2018. This change will better align with the ISBVI’s calendar and allow students and faculty to participate more fully. Additional details and final dates will be forthcoming!

## Cabinet Secretary's Update

Lion CS Ed Harper

Organization Day at Camp Woodsmoke on Saturday, July 15 was a beautiful day weather-wise and a great improvement over some of the hot Organization Days in the past. There was lots of good food and great fellowship with Lions from District 25F. At the end of the meeting I had 35 information packets that were not picked up by clubs in the district. These packets will be mailed to these clubs by the last week in July and the clubs will be charged an assessment fee of \$10. This fee will be added to the club's state dues in the January 2018 statement.

## Serving

Don Mullen, 2nd VDG

"We Serve." A very simple but meaningful motto we can interpret multiple ways. For our purposes, only two really count. "We Serve" can be accomplished as a group or as individual Lions. As Lions, it really doesn't matter whether we serve as a Club or as individuals, as long as we faithfully serve. That is all that really matters.

So, ask yourself how you serve as a Lions Club and as an individual Lion. Recognize the many impactful ways you serve those who have a need. We serve by supporting state projects with our dollars and our time. We serve by impacting people in our communities with our dollars and our time. We serve by recruiting new members, particularly younger members, who will continue our legacy.

When we take all this into account, we recognize and should be encouraged by the effect we have on our friends and neighbors. We encourage you, as good Lions, to look at what you've accomplished and its positive effects; but realize that as Lions we do not rest on these achievements. We identify what more needs to be done from financial support; the giving of our time to physically help for those in need; and the recruiting of those to continue to carry our charge; and we attack these challenges with the vigor and resolve that only a Lion can.

Is your Club event on the District Calendar? Check here: <http://www.indianalions25f.org/calendar.html>

If not, send me an email with please add event as the subject  
– no phone calls please.

## Cabinet Treasurer's Report

*Lion Pat Bigham, Cabinet Treasurer*

What a wonderful day at Organization Day! Great weather, training, socializing, meeting and especially great food! Thank you Betty for the wonderful fried chicken.

Thank you all Presidents, Secretaries, and Treasurers who attended the early-morning training sessions. For the Treasurers who were unable to attend any one of the four training sessions, if you would be interested in receiving one of my training manuals, please contact me and we can make arrangements to get you one.

Hopefully by now, all of last year's financials have been closed, audited and filed away. We are ready to move forward.

If you need any assistance, please feel free to contact me. See you at the Indiana State Fair!

## Vision Screening Program Change

*Jack R. Salsbery, Past President, Vision Screening Program*

On 4 June 2017, the District 25f Vision Screening Program Board of trustees held its annual meeting at Camp Woodsmoke. Many items were discussed and the consensus of the Board was that the program was performing an outstanding job of providing vision screening services in District 25F.

The main item of discussion was the "Change of Command":

- Lion Ed Harper (Pike Township Lions Club) was selected as the new President of the Board and the program, replacing PDG Jack Salsbery.
- Lion Dr. Carrie Schlotter (Columbus Lions Club) was selected as Vice-President.
- PCC Steve Winegardner (Pike Township Lions Club) and PDG Jack Buckland (Richmond Lions Club) will serve as Secretary and Treasurer, respectively, as in the past.
- Lion Chris Reinhold (Indy-Washington Township Lions Club) was appointed the new Region 2 trustee replacing PDG Jack Salsbery.
- PDG Jack Salsbery assumed an "At Large" one-year appointment.

These can be found on pages 26 & 27 of the 25F directory. Please show these new leaders the same support you have shown me the last 13 years.

*PCC Steve recognizes Don Stowers (Audit Cmte Chair), Chris Reinhold (Diabetes Cmte Chair), Alescia "AJ" Johnson (Parliamentarian/Sergeant-at-Arms), and Ken Faulkner (Nominations/Elections)*

*Camp Woodsmoke Trustee David Straughn introduces our new caretakers: Paul and Betty Bowling.*

*HAPPY 80th BIRTHDAY PAULINE!!!*

*PCC Steve Winegardner congratulating Zone Chairs Mike Bender and Carlton Curry on their exceptional service.*

**Starting July 1<sup>st</sup>, 2017, ALL club service activities are to be entered in MyLCI online.**

“Points” will ONLY be accrued via service activity entry into MyLCI.
