The Lakeville Lions Club hosted the district's first training session for school-age visual acuity screening at the Newton Center in Lakeville on Saturday, March 28th.

36 Lions and spouses from 10 district clubs attended the training session. PDG Charles Short from the Lafayette Lions Club in District 25-C provided an interesting and informative introduction to what he called "Operation SchoolSight".

Lions David Miller, Rochester; Leroy Wise, Lydick; Marie Butler, Syracuse (standing) look on while Lions Jack Goodman, Elkhart, Mike Lane, Lydick; Judy Wells, Dunlap; Frank Albert, Greene Twp. & Kay Albert, Greene Twp. takes their turn at practicing their screening skills.

From the Gov-

What's in a word?

The choice we make when using words often can make the difference between success and failure. For example, this past year while I've been making visitations to our district's clubs, I've tried hard to not discuss our membership situation as a 'problem'. My choice for words has been to discuss 'opportunities' to serve. Somebody came up with the term 'membership development' as a more positive description to discuss our need to maintain and increase the number of Lions in our clubs and district. But we're learning the use of 'membership' may also be an instant turnoff when we address this situation.

At a recent seminar I attended on membership recruitment (there's that word again!), the presenter went a step further to add that we should also not use the term 'retention' in our discussion, as it draws attention to the opposite word, 'removing', a very negative term. He went further to add that we should not work on programs to 'retain' members, rather develop programs and activities that 'involve' members. As he put it, 'involved' members won't leave your

club; they will increase their support and activity and become magnets for other members and non-members to get involved.

So now coming full circle, if clubs would work on getting people (current members and prospects) INVOLVED, we would no longer have retention problems, since involved members don't quit! Let me describe this in a mathematical conclusion: If we were to keep one out the five members that chose to leave Lions membership each year, that would mean our loss rate would decrease by 20%. Most clubs would end up on the growth side of the equation. For those of you in sales, you'll quickly agree that it is EASIER to keep customers than it is to get new ones.

The challenge becomes how to recognize the lack of involvement with our members coming up with programs and activities that will interest them so they will get involved. Remember: INVOLVED members don't quit. Rather than create 'membership' growth programs, let's face inward and identify projects and activities that are directed to 'service' growth.

At our district convention that just concluded in Argos, 1st VDG Vic Fischer discussed how clubs can be the best they can be through the CEP available through the district's GLT and GMT coordinators, PDG's David Eisen and Paul Russell. These programs are designed for all clubs to use to help them be the best they can be. This process takes a deep look at your club and community and

will help you chart your own path to success. While some Lions may be of the impression that the CEP is for clubs in trouble, nothing is further from the truth! CEP is a program that takes successful and thriving clubs to new levels of effectiveness. And it also will help struggling clubs become stronger and vibrant. But even if you still don't want to participate in the CEP, there is another tool available that you can use to help identify some areas in your club for improvement. That tool is an LCI booklet, **How Are Your Ratings**, that you can [download from the district website from this link](#).

Getting back to a scary statistic, LCI reports that 34% of Lions clubs in the U.S. did NOT bring in a single new member last year. That tells us that those clubs are losing their effectiveness in service as they continue to lose members for whatever reason. With so many choices that clubs can make to increase their service to their communities, isn't it time to get involved with the tools and programs that are available to us right now?

We can also take a look at the demographics of our members to see if they reflect the community. If we have one or two minority groups, are representatives from those groups in our club? If there are some large employers in our community, do you have representatives from them in your club? You can easily add to this list, but now is the time to reflect on who is in your club and who isn't. Start your 'Involvement' campaign now and increase the number of Lions' paws to provide valuable service.

Greetings Fellow Lions,

The signs of spring are all around us. The birds are back and the flowers are beginning to emerge out of their winter hibernation. A new growing season will be here before we know it. Speaking of something new, we have begun a new service project that everyone can participate in. It's called Project School Sight and has the potential to impact many, many lives throughout our district.

Basically Project School Sight is an visual acuity testing program for 1st, 3rd, 5th, and 8th graders. It also can be used at the high school levels. This near and far sighted testing has been mandated by the state of Indiana and many school systems are struggling to comply with the law. Armed with simple training and an ocular card kit, our clubs will be poised to fill the void.

Working together with the school nurses, our lions will have the capacity to screen our Hoosier children and refer those who need additional attention. We held our first "ground school" training session last Saturday at Newton Center in Lakeville. 36 Lions from 10 clubs participated with PDG Charlie Short (district 25C) as our instructor. He was terrific as usual. The next step is to go in the field with our instructors to fine tune our techniques. We can't wait!

As mentioned during our District Convention, this project is simple, visible and extremely important to our young people. If your club is looking for a new service projectwell here you go! Who knows as this thing spreads like the dictionary project has, you just might find some new members from people that want to pitch and help. And yes it's a lot of fun too. If you're interested, please contact Lion Rose Russell for details.

See ya at the screenings!

Lion Vic Fischer, DGE

How to Make Lionism Unforgettable

After reading a recent article on how to make a truly unforgettable first impression, I immediately saw how valuable an asset this can be for Lions, and help to increase our member levels. Most people try to achieve the achievable – that's why most goals take small steps and are incremental. "Let's get ONE new member a month." We can work to expect more from ourselves and from others and create an unbelievable ride!

Yes, we'll have unexpected roadblocks, but let's focus on the opportunity ahead of us. We can get ourselves in a positive mindset and keep moving forward, growing our membership levels. Showing our humanity through serving others helps make Lions unforgettable. We aren't in Lions to seek credit, but to make a difference.

And no job is too menial. Our Lions roll up their sleeves, get dirty, and do the "grunt" work. We set an example without a sense of entitlement. And we all know who the leaders are in our clubs, whether they hold an office or not...they're motivated and inspire others, working WITH everyone. Make sure to recognize the difference they make in your club.

Do you know your club's goals? Do you help newer members in your club understand those goals and instill a sense of pride? Lions International has larger goals than most clubs can achieve alone, but knowing that each club is part of that world-wide vision is inspiring.

Some Lions are truly, genuinely unforgettable--and in the best possible way. They possess qualities that don't always show up on paper, but do always show up where it matters most: in the minds and even hearts of people who know them, and will never forget them.

Unforgettable Lions inspire others to achieve their dreams: by words, by actions, and most importantly, by example. Be that example!

1dt VDGE Peg VanNevel

CLUB OFFICER ELECTIONS

Nominations and Elections: By now your club's Nominating Committee should have met to propose a slate of officers for the 2015-2016 Lions year. Elections should be held by April 15 and your incoming officers reported on the MyLCI website by May 1. Either the club secretary or president can do this. Be sure to click on the 2015-2016 term of office before reporting each officer for next year. All information for your club's president, first vice president, second vice president, secretary, treasurer, and membership chairperson should be reported. Your club's directors can also be reported if you choose.

It is important that each officer's information is updated before you file the report. You will need officers' birth years in order to update their information. Please make sure names, addresses, phone numbers, spouses' names and e-mail addresses are correct. It is very important that e-mail addresses for all officers are included and correct. Most communication is now done by e-mail and your officers will not receive that communication if their e-mail addresses are not known or are incorrect.

As you report each officer for next year, be sure to click "save" before starting to report the next officer. Before you log out, click on "Club Information" and check to make sure the correct days of the month and meeting times are recorded along with the place and address of your meeting place.

Once you have finished, click on "Reports" and then "Lions Club Officer Report for Next Year." Save the report to your computer and then e-mail it as an attachment to DG Marty Juel at marty@martyjuel.com and DGE Vic Fischer at superduper826@aol.com so that he can get a head start on his directory. The report will not include spouses' names, so when you e-mail the report to them, please include in your cover note the names of the spouses of each of those officers.

E-Mail Addresses: If you change or have changed your e-mail address please send it to me at ahaffner@kconline.com and to PDG Paul Russell at pdgpaul25g@gmail.com so that you will receive the district newsletter and other district communications.

Please do not hesitate to contact me by e-mail ahaffner@kconline.com or at (574) 457-3054 with any questions or concerns you or your club officers have and I'll do my best to help in any way I can. Thank you for all you do, for your cooperation this year, and best wishes to each of you and your clubs as you successfully complete these last 3 months of the 2014-2015 Lions year.

CS PDG Ann Haffner

Deadline Change for July Newsletter

The Deadline for newsletter submissions for the July newsletter will be June 10th. This will be a change for the July newsletter only. In all other months the deadline will remain the 20th of month.

Promote Your Club and Support the District

Use an ad in the 2015-2016 district directory to promote your club's activities, recognize an outstanding member, or show your support for club or district officers. Ad revenue is used to offset the cost of printing the directory. Send your print-or camera-ready ad, with a check payable to "District 25-G" to:

KidSight State Project Proposal

If you have read the *HOOSIER LION*, you may have come across a resolution which the Lions of Indiana will be voting on at the 2015 MD25 State Convention in Columbus. This resolution was adopted by the Indiana Lions Eye Bank Inc. (ILEBI) in November 2014, and proposes that Operation KidSight become a State Project of the Lions of Indiana. In lieu, the Eye Bank would shift from being an "official" state project to become its own unique entity which will remain governed by the Lions of Indiana.

There will be a Question & Answer seminar about this proposal during the 2015 MD25 State Convention in Columbus, Indiana on Saturday, April 25, but in the meantime, you can read some of the background of what has brought us to this point and some answers to some of the questions that may be floating around. [A more complete document may be downloaded here.](#)

2015 District Convention

The 2015 District Convention was held at Argos United Methodist Church on March 7th. The convention was attended by approximately 100 people. International Director Cindy Gregg (pictured left) both inspired and entertained as the keynote speaker. Everyone enjoyed meeting and speaking with ID Cindy and her husband Lion Tom.

Welcome New Members

During the month of February, 5 clubs in our district added 11 new members. We welcome these new Lions and commend their sponsors for inviting them to join the GREATEST SERVICE ORGANIZATION IN THE WORLD. Sponsors, remember this is only the first step in your responsibility. Please be sure to involve your new Lion in all club activities.

Clubs in District Distribute over 6,000 Dictionaries

Congratulations to all the Lions and Lions club in District 25-G that were involved in the Dictionary Project for the school year 2014-15. You giving has surpassed the 6,000 mark for the 4th year in a row. This is a great achievement. You can feel proud of that fact that four years in a row you have contributed to the education of young people in your community. Education is a wonderful thing and your involvement by providing a dictionary that can be used at any time, anywhere and for years to come is part of what we as Lions do. WE SERVE.

Lion Howard Heines, District Dictionary Project Chairperson

2015 Law Camp Information

had wash cloths for each bag and a cereal bars.

What else can Lions do for campers: WATER, WATER, WATER! Law Camps are in June and July. Hot months! They exercise, they march, they work out, they do pushups, sit ups, pushups, dying cockroaches, more pushups, more marching, play sports, attend educational classes, more pushups and marching. And they drink- WATER that Lions provide. If an individual or a club can donate a case of water or money to purchase water we are very grateful. Snacks are always welcome such as crackers and Little Debbie's. Last year one of the DG's donated a box full of t-shirts and the Camp Directors used these for prizes and/or for making squad shirts. It's always great to have some towels for kids that forget or last year it was the nurse that forgot her towels. Also appreciated are a few deodorants and some toothpaste- these are junior high school kids! And even duct tape, scissors, tape- You never know when something needs to be fixed!

Lions are on hand the first day of camp (on Wednesday) to register and assign dorm rooms and give each camper the welcome bag. The first meal at camp is a Lions prepared meal. The kids love the taco parties that the Lions serve. The Anderson Camp has confirmation for its taco party. We still need confirmation for the Vincennes Camp.

Following the taco party we have a Leader Dog presentation

at one camp and eye testing at the other camp. Kids love dogs and trustees love to talk about dogs. Parents love for Lions to check eyes and Lions love to perform this service. A few of the classes the campers are introduced to are: Scuba officers (at the pool), Dangers of Electricity, CSI/DNA scenarios, Prison Dog Program, ERT Demonstration, EOD Demonstration, National Guard Leadership program, FBI.

Both camps have taco parties, ice cream socials, pizza parties, Leader Dog programs, a cook out dinner, and vision testing, all provided by Lions.

Saturday is graduation day where the parents see a transformation in the kids as they march into the hall and are given certificates and awards. This is the day the kids see the troopers in their uniforms for the first time. As the parents see their kids march in they often say, "this isn't the same kid I left here 4 days ago."

One or more of the campers that attend camp could be a future law enforcement officer and will remember the positive and dedicated officers and Lions they interacted with at Law Camp as they start their years of service.

VDGE Betty Weist
Law Camp State Chair
PO Box 41
Markleville, IN 46056
765-623-3553
BettyWeist@aol.com

The time is fast approaching for the 2015 Law Camps. Vincennes University Camp will be held June 17-20, and the Anderson University Camp will be held July 8-11.

The camp fee for 2015 is \$150. Applications may be [downloaded from this link](#). Send the completed applications, along with the checks to the chairperson listed at the bottom of this article. If a club wants to make a donation to help with camp or a scholarship for a camper, send those checks to your district treasurer and they will be forwarded to the state comptroller.

Lions from around the state save items during the year that we put together in a "welcome to camp gift bag" for the campers when they register. In the gift bag is a **Lions of IN Welcome You** card, hotel size shampoos, lotion, soap, toothbrush, pad of paper, pencil, pens (from state projects), squirt gun (these are kids), and any other items that we are given for the bags. Last year we

From _____ Lions Club

The following Lions will be attending the May 9th District Meeting:

Lions State Convention **Is Just Around The Corner!**

“Celebrate the Pride” at the Indiana Lions State Convention, April 24-26, 2015 with our honored guest, International President Joe Preston. The state convention offers a time of fellowship, motivation, learning, and understanding our state organization. It is a time when Lions from all seven districts come together to make new friends, and renew friendships. Everyone will leave with more knowledge than they had before.

The convention will be at the Clarion Hotel and Conference Center in Columbus, Indiana, just a short distance down the road. District 25-F and the Clermont Lions Club are the hosts for this year’s convention.

The State Convention Committee has tried to keep prices as low as possible. For example, the Saturday night All State Banquet is only \$15. Rooms at the hotel are only \$89, which includes breakfast. What a great way to teach new members about Lionism! A registration form is included in this newsletter.

Another way that your club can show your Lion’s Pride is to place an advertisement in the state convention program. A copy of the form is also in this newsletter. Take this opportunity to show support for your officers, your current district governor, your district governor elect, International President Joe Preston, and also inform the state about the wonderful projects which your club supports.

Columbus, Indiana offers many sights. The architectural tour is fantastic. Many buildings were designed by Frank Lloyd Wright. The Edinburg outlet mall is less than ten minutes from the hotel, and Brown County is about a 25 minute drive! There is so much to do outside of the convention itself!

Friday morning begins with a golf outing for those who play golf. Others are welcome to take a tour of the shops in Brown County. On Friday evening, you can help to support the Columbus Lions Club, and go to the dinner they will sponsor. After the dinner you can attend the first business session and go to the hospitality rooms!

Saturday begins with the district caucus sessions, then the 2nd business session, followed by seminars, and the “Celebrate the Pride” luncheon. In the afternoon there will be more seminars, and the receiving line for the All State Banquet will begin at 5:45 PM. Of course, at the banquet, we are honored to have our International President, Joe Preston, as the keynote speaker! I am certain he will give us the motivation we need to get right out there and get those new members!

Sunday brings our Necrology Service where those who have passed are honored. The convention ends with the Awards Brunch, followed by the 3rd business session. You can see that we have much to do during three days!
