Well, March came IN like a LION! The storms that passed through can be winds that cause damage, or the winds that bring change. Let's look at how those winds can affect us. Just like moisture-laden soil in our farmlands, ready to be prepared for planting this Spring, our Lions Clubs can get ready to plant the seed of new membership in their clubs.

In my visits to District 25-G's clubs, a common "wind" of conversation is how to increase membership. And my immediate reply is... How can I help? We all get overwhelmed at times, but admitting you need some help is not a sign of weakness, but struggling alone can weaken your club.

***It's not the load that breaks you down; it's the way you carry it. ~ Lena Horne***

Now is the time to ask! We have so many Lions who can help bring new members to your club. Members who will have new ideas and enthusiasm that will help your club grow. When you succeed, we all succeed! The irony of it is, Lions LOVE to help others in the community, but have a hard time ASKING for help!

Here are a few things that can give you confidence when asking for help:

- How to Ask
  - o Don't hint...ask for it outright
- Be Easy To Support
  - o Be open to the coaching and feedback of others
  - o Let people support you in their own unique way, instead of micro-managing or saying, "Oh, we've tried that before."
- o Allow support when it is offered
  - We are a TEAM
  - o Rely on each other
  - o Take advantage of the training resources at conventions

## Where there's a NEED, there's a Lion!

Have you made your plans to attend the District Convention in Argos, Indiana on Saturday, March 11? The Town Hall meeting with International Director Lewis Quinn will allow ALL of us to brainstorm ideas that bring new members to join. Get your reservations in to PDG Ann Haffner ASAP! Remember...District 25-G is a T.E.A.M!

# The matter of breakfast

Have you thought about how life could be like breakfast? Let's think about this - for a bacon and eggs breakfast you have three things:

The farmer eating the breakfast is interested. He is interested in satisfying his hunger. He can eat or he doesn't have to eat. He may need to fix the meal or even potentially drive somewhere to eat. He may need to give up a little bit of time. There little commitment other than that of convenience.

The chicken was involved. It laid an egg that was then given up to be cooked. The process involved some pain. It wasn't easy. The egg had to be collected, cleaned, prepared and then cooked. But if there is a mistake or other issue - there will be another egg shortly.

The pig, however, was fully committed. It gave everything so that the bacon could be created. There was no turning back, there was not an option for doing it again. There would not be another day.

So, what does this have to do with Lions Club? In all our club dealings, we wind up at one of the same levels - interested, involved or committed. There are things that we only find interesting - if they occur great - if not - no big deal. We may have to expend some energy but not much more. Other items we are involved in – we are then willing to do more and give up more of ourselves in the process. And finally, there things that we are committed to – things that no matter what we make sure happen, we will not stop, we will do nearly anything to make sure that it happens.

So, to the people around us what do they see? Do they see the farmer, the chicken or the pig?

Together Everyone Achieves More

**Nominations and Elections:** March is the month when your club's Nominating Committee should meet to propose a slate of officers for the 2017-2018 Lions year. Elections should be held by April 15 and your officers reported on the MyLCI website by May 1. Either the club secretary or president can do this. Be sure to select term of office and click on 2017-2018 before reporting each officer for next year. All information for your president, first vice president, second vice president, secretary, treasurer, and membership chairperson should be reported. Your club's directors can also be reported if you choose.

It is important that each officer's information is updated before you file the report. You will probably need to add officers' birth years in order to update their information if the year is not already recorded with their entry. Please make sure names, addresses, phone numbers, spouses' names and e-mail addresses are correct. It is very important that e-mail addresses for all officers are included and correct. Most communication is now done by e-mail and your officers will not receive those communications if their e-mail addresses are not known or are incorrect.

As you report each officer for next year, be sure to click "save" before starting to report the next officer. Before you log out, click on "Club Information" and check to make sure the correct days of the month and meeting times are recorded along with the place and address of your meeting place.

Once you have finished, click on "Reports" and then "Lions Club Officer Report for Next Year." Save the report to your computer and then e-mail it as an attachment to 1<sup>st</sup> VDG Tom Polk at [tomkimpolk@embarqmail.com](mailto:tomkimpolk@embarqmail.com) so he can get a head start on his district directory for next year. The report will not include spouses' names, so when you e-mail the report to him please include in your cover note the names of the spouses of each officer.

**Convention Voting:** At our district convention on March 11 each club in good standing with Lions Clubs International and District 25-G on February 24<sup>th</sup> shall be entitled to 1 delegate and 1 alternate for each 10 members, or major fraction thereof, who have been members of your club since February 1, 2016. In addition, each PDG who is a member in good standing of a club in good standing in 25-G has one vote independent of his/her club's delegate quota. If you have a question about the number of delegates your club has, please contact me. If you will have more present at the convention than the number of delegates you are entitled, please send me the names of those who will serve as delegates and alternates. Otherwise, I will certify the first ones to arrive.

**E-Mail Addresses:** If you change or have changed your e-mail address please send it to me at [ann\\_haffner@yahoo.com](mailto:ann_haffner@yahoo.com) and to PDG Paul Russell at [pdgpaul25g@gmail.com](mailto:pdgpaul25g@gmail.com) so that you will receive the district newsletter and other district communications.

Please do not hesitate to contact me by e-mail or at (574) 457-3054 with any questions or concerns you or your club officers have and I'll do my best to help in any way I can. Thank you for your cooperation this year and best wishes to each of you and your clubs as you successfully complete these last 4 months of the 2016-2017 Lions year.

**I look forward to seeing you at the District Convention March 11 in Argos.**

A Dogs Tail Of Love  
By stella Lemons

Hi lions its Stella you asked so here is my story, you all know that I am a dog a dog with a purpose. A big job but i know that now but when i was younger i wasn't so sure but i want to tell you my story from the very start.

i was born April 15, 2013 at midnight for the first eight weeks i had adorn a pink collar, i was known as pink collar dog i had no name but for the first eight weeks i was unsure of everything around me smells, touch, people and sounds. But i worked hard to trust the things around me. I waited a whole two weeks at Leader dogs i played with all the humans i played with all the puppies and even napped with my fellow puppy mates. Again this all would change. but, did i know that it would all change again so soon? till i again was handed to a family they said they loved me but i again didn't understand this. But regardless i went along with my head held high even though i didn't know what was going to happen next. Now heres were the fun happens well at least for a while.

i was raised by this family in Michigan, this family Dan, Lisa, Matt, and Daniel were very interesting people i had a nice home two golden's to play with and sometimes my favorite human Dan. I was given a name they called me stella. Dan and i had a bond that i will never forget i listened to dan more then i did anyone else in the house. When, i went with dan i again didn't understand i was destined for great things but i minded. i mean ok, sometimes i didn't but what puppy minds all the time? All i wanted to do was play and sometimes play got me in all kinds of trouble. When i went out with Dan and the family i adorned a very fashionable bandanna that said Future Leader Dog but i didn't mind this as long as i went with Dan i felt different or maybe special i went were no dog could ever go. i went to restaurants, stores, work, school, and other places, As i grew up and become more adult like i again didn't understand that things would change again. As i was laying next to dan while he checked his email one morning he told Lisa that the letter had come what did he mean? "the letter" what letter? But, in the weeks that followed my human took me as many places and we worked hard on all my commands sit, stay, touch, heel and so on the day my humans talked about was vastly approaching but i again didn't know that things again would change. All i knew is that nothing had really changed or so i thought.

The day arrived i went back to what everyone called LDU Leader Dog University and once again things changed. My humans were sad and i couldn't understand why i tried everything i could think of but nothing worked! apparently something was about to happen. as me and my humans were directed into a room it smelled like many dogs had been thru here before i was given a new tag a new leash a brand new collar this time blue and got to pick from a box of brand new toys. My humans sat on the floor with tears and told me to mind my trainer and that i would do great things. ok i thought, now this i can do ill mind the trainer and come back to them soon right? Well i was wrong again i was taken to a area were there were other dogs all barking and excited and happy. Well i can tell you at this point i was not happy i wanted Dan back not this smelly place full of noise. once again everything changed and i again went with it with my head held high.

i come to discover that i was ok with this change that had taken place in my life. I had a nice sweet trainer and i was learning new things everyday i learned to guide my trainer i learned how to keep them safe and cross streets and how to disobey her and keep her from harm. By this point i had slowly understood what my other family had meant. I was doing something great. But, all to soon something was going to happen once again things changed.

A week or so of my trainer ignoring me and finally she came form me but with a little different pep in her step something was going on I knew it i was taken from LDU and taken to a different building i was shown a different park area and soon was introduced to a new person this person was so happy to see me. All i knew was my human was there and i was ok i was a little resentful and a bit upset for her ignoring me but she was back to not ignoring me. Or so i thought I was given to a lady who pet me and who said she loved me and would care for me till the end of time. But i didn't trust her at all i slowly began to trust her and she trust me.

Now I'm content in my life i know now what I was destined for I'm a dog a dog with a BIG job and i take that job with a ton of responsibility. One more thing i love my human and she loves me!

# Culver Lions host Liberty Day at Culver Community Schools

One of the goals of the Lions Clubs of Indiana is to help Hoosier students in grades 8 and 11 understand what is in the US Constitution and how elected officials are charged with upholding those principles. Culver Lions Susan Elizondo, Lynn Davis, Don Freese, Jim Harper, and Barbara Winters along with Monterey Lion Doug Denton, elected Monterey Town Council President, helped make that happen when they visited Culver Community High School and Middle School on February 27, 2017.

Councilman Doug Denton introduced himself by pointing out that he and the President of the United States are both elected officials and both are elected for four years. Furthermore both he and the President are charged with upholding the US Constitution. And that is what the Councilman does, but in the context of a small town.

The Councilman engaged the students by talking about the Amendments and how they apply to each of us every day, not in a grand and national way, but through our everyday actions and kindnesses. Each of us should follow the law and be upstanding citizens. He spoke of local issues in the Town of Monterey: the sewer system, the collapsed Sportsman Bar, the Neighborhood Watch, and the old Band Stand in the Klectner Park along the Tippecanoe River. He told how he and his fellow Councilmen work to solve those problems always following the law and upholding the ideals of the US Constitution.

Theresa Jacobson, teacher and coordinator with the Lions, commented, "You could tell how much Mr. Denton cares about our system of government and public service. Monterey is fortunate to have him!"

Lion Jim Harper introduced the program, expressing appreciation for the warm reception from the students and the school. Culver Lion President Susan Elizondo told the students about the Lions Club and listed some of the activities the Club brings to the school, such as eye screening, Halloween Party, Senior Awards and third grade dictionaries. She invited the students to feel welcome to come and help with the Lions various projects, especially in July at Lakefest and the Corn Roast.

## **MARCH UPDATE: Lions Clubs International Convention and 100<sup>th</sup> Anniversary Celebration**

While going to the 100<sup>th</sup> Anniversary LCIcon is an experience all on its own, the city of Chicago has a lot to offer while you're there. Just a few suggestions are . . . Make plans now and join your fellow Lions from around the world. Registration is only \$180 from now through March 31, 2017 after which it will increase to \$200. Go to <http://lcicon.lionsclubs.org> for more information and to register.

**NOTE:** More of the official Indiana Delegation Parade shirts (and hats) required for the Parade of Nations on Saturday July 1, are just about ready for you. We are in need of money making donations to help finance our Convention.

I am sure you are all interested in furthering our work in Southern Indiana by helping put us on the map.

For 100 years, Lions have served. Each and every Lion matters because they make their communities a better place for all. In celebration of our century of humanitarian service, we're working to serve more people than ever before. To do this, we need more caring people like you who want to make a real difference in the lives of others. Did you know that every Lions club member serves an average of 70 people per year? That's why inviting your family and friends to join us in service is one of the most powerful ways we can serve more people and address unmet needs at home and around the world.

Plus, inviting new members and sponsoring new clubs is more rewarding than ever before. You and your club are eligible for special limited-edition Centennial rewards, including a pin and certificate, when you induct new members and sponsor new clubs. If you haven't welcomed a new member into your club this year, make it a priority to do so before the end of the Lion year. Thank you for working to expand the service impact of your club and Lions Clubs International!
