"Sharing The Pride"

This time of year we see so much activity with our local clubs working hard to share with those who are in need and in many cases without them their family would not have a Thanksgiving or a Christmas. Many of our clubs have traditions of selecting families or individuals and to provide them with loving gifts of things they need and usually a few things they don't need, many of the things we take for granted in our own homes. I have heard of clubs, not only selecting families, but also providing Christmas to our seniors that may be shut in. Many of our Lions ring bells, sell Christmas fruit, and perform acts of service and many times goes unnoticed to most except to members of that club.

Membership! What great news to hear that you have Shared The Pride with others by bringing them into your club so they can experience the joy that service brings. We are at a plus membership at this time and that is great news! I want all of you to know how proud I am of you and the great efforts you have made to increase our membership. Keep up the good work and don't forget to **Ask 1** this holiday season. This is a wonderful opportunity to ask others to come and visit your club and enjoy the fellowship of Lions at a meeting or hands on at one of your service/fund raising projects. It is very important to continue this forward movement!

We have three very important gatherings that need to be part of your future plans, not only

DG Column Continued on next page

because of what you will learn but also because of what it means to this district and multiple district. First, Mid Winter Conference will be held on January 10, 2015 and will be a great opportunity for you to meeting and learn from some very knowledgeable Lions. Of course this conference is for all Lions but is **highly** encouraged for club presidents, secretaries, zone chairs, and any Lion looking to go up the leadership ladder. Second, District 25-B Convention March 21, 2015. We have a wonderful international officer coming as our guest and keynote speaker. You will want to meet PID, appointed board member Carolyn Messier and hear firsthand what is happening in our association in the United States and around the world.

Third, our multiple district All State Convention being held in Columbus April 23-26, 2015. We will have as our guest International President Joe Preston. President Preston is a magnificent speaker and loves to share his insights and things he has observed during his term as vice president and president. It is a honor that cannot be touted enough to have a sitting International President as our guest and keynote speaker. Many of our Lions will be honored during this time and will receive their awards directly from him. Attendance is extremely important and club and district officers are highly encouraged to attend. Our district goal is to have at least 55 of our members there above our sitting district officers.

Again, thanks for Sharing The Pride and keep working to serve others and change their lives. You touch so many people in ways that effect the rest of their lives.
Bite Em!!!

CLUB EXCELLENCE

Submitted by PID Dave Fiandt, District Global Leadership Chair

Club Excellence is something that all clubs should be striving to achieve. Those clubs that earn the "Club Excellence Award" will have had a successful year. Those that attempt and fall just short will also have had a good year and will benefit from the attempt.

These clubs earned the award for the 2013-2014 club year:

Angola
Auburn Classic
Bippus
Cedar Creek
Cromwell Kimmel
Ft. Wayne Central
Shoaff Park
Hamilton
South Milford

Congratulations to all of them!!

There might have been other clubs that earned the award but did not apply; often due to miscommunication between the club president & secretary. There might have been clubs that might have earned the award if they had known about it and made the attempt.

What the award means is that the above clubs: paid their bills on time; were current with their reports; provided leadership training for their members; served their communities by conducting at least 3 service projects; supporting Lions Clubs International Foundation by making a donation and developing their membership and growing their clubs. All of the things that any Lions Club should be attempting to do. It takes some effort; it takes setting some goals and it takes some planning. It takes some leadership; the challenge to all club presidents is to provide that leadership, set some goals, put some plans in place and involve your members in being an Excellent Club! Your club will benefit; your community will benefit.

VICE DISTRICT GOVERNOR'S PAGE

Submitted by 2nd Vice District Governor Alan Arnold

What an exciting district we have!! I have had the privilege of doing some official visits for DG Steve. I have heard of fantastic projects and service activities that are going on. From a minstrel show, renovating parks, Halloween parties for children, Christmas tree sales, and many more, Lions in District 25B are alive and doing well. We have even seen a slight increase in membership in our district. Keep up the great work Lions!!

Remember, if any club or zone would like to donate something for the silent auction at Mid-winter Conference, please let me know ASAP. The item should have at least a \$20 value. Money raised from this silent auction will go towards Lions Youth Projects in our state. Thank you to the three clubs (Monroe, Huntertown, and Zanesville) that have already graciously donated something. If your club decides that they would like to donate, I need to be notified by December 20.

Thank you,
2nd VDG Al Arnold

MEMBERSHIP KEY

Our District is the perfect example of what happens when a goal is presented to promote membership. October was Lions membership month. Any Lion who sponsored a new member would receive an award. Fifteen clubs added 23 new members in October. That's fantastic!

Because of your efforts 25B is +4 as of October 31. The Ask 1 button is a good way to remind each of us that we need to ask one person to join our club. Since the beginning of the year 35 new Lions have joined our pride. Are you making sure that every member is learning who the Lions are and getting involved with the great service we do? Lions are always giving. Help our members, new and long-time, experience the joy of serving.

Congratulations to these clubs for having an increase in membership ...

LEO NEWS

December 5th is International Leo Day. It is suggested you plan a project with your sponsors and reach out to other Leo clubs. You can do that by going to www.lionsclubs.org and using the search box to get to the Leo zone and/or The E Leo Clubhouse.

Leos wishing to go to the International Youth Camps next summer, the time to start applying is now. Check International Youth camps are on the Lions website.

25B Lions, please remember.

I agreed to resume being 25B Leo chair for this year to sort of recircle the wagons and give the program an anchor. But understand I will only do it one year. I thought if I ran it from Tennessee, someone willing and able would say, gee if it can be run from another state I don't have to fear trying here. History has shown it's a valuable resource. But running it from another state can't be a permanent solution. If you are willing to step forward, I will show you how.

Leo Chair,

3,000 Dozen Donuts

We also have several dinner meetings for the various holiday celebrations. Our club has served the Woodburn and surrounding community for over 75 years and **WE NEED YOU!** Our organization is open to men and women ages 18 - ??? ARCOLA LIONS CLUB 65TH ANNIVERSARY

DG Steve presented Melvin Jones Fellowships to Lions Homer Ohlwine and Bill Brumbaugh. They have a combined 98 years of service to their community.

PDG Paul Brumbaugh was presented with a Presidential Certificate of Appreciation by PID for his 65 years of Service to his community through Lionism. Charter member PDG Paul was presented a 65th Anniversary Chevron by DG Steve and was also recognized for 65 years of perfect attendance to the club's meetings and activities.

HUNTERTOWN LIONS CLUB HALLOWEEN PARTY

Huntertown Halloween party held at the Huntertown fire station on Halloween night. Over 600 people attended; all enjoying free hot dogs, popcorn, and drinks. Each year the Lions give out free door prizes to all the kids both old and real young. Lions Philip Ginder and Howard Gudakunst made the popcorn, and Lions Bob Framme, Tom Sodano, Linda Sodano and myself Ken Krauter cooked the hotdogs. While Lions Lynn and Bobby Ables handed out door prize tickets and Lion Barbara Wagner worked at the prize tables. Lions Victor Scheele, Jerry Moser, and Whitney DeHaven served the drinks and helped with the games.

MID WINTER CONFERENCE

The deadline to register for the Mid-Winter is getting closer. The date for pre-registration ends on December 24, 2014. There will be onsite registration and the cost will be \$ 40.00.

District B has been given a goal of 41 Lions to attend the conference. This number is based a percentage of members in the district. District B hasn't reached the goal in the last several years. This year let's reach the goal or beat it.

Hamilton Lions will be having at least 6 Lions attending with 4 of them being first time attendees. This is a record attendees from Hamilton.

Please talk to your club members and plan at day with other Lions from around the state. You can get some new ideas that will help you or your club.

The info and form can be found elsewhere in the newsletter.

Again this year there will be a silent auction. Last year every district made an outstanding effort to make the auction a great success and nearly \$1000 was raised for Youth Programs.

If you have items to donate for the auction please contact 2VDG Al Arnold, who will organize our district's participation. Another option would be to make a monetary donation and then 2VDG Al would purchase a nice "prize" with that money. Please respond to 2VDG Al Arnold at 260-692-6610 or pama-larn@centurylink.net by December 20, 2014.
