What is a Lion!

June 2024

Lions of 25D,

As I shared last July, my theme for this year has been: **What is a Lion?** Lions are many things and my newsletter articles and club visits have highlighted some of the many answers. My hope has been that when you are asked that question, you will be armed with your answer and ready to share the great things that Lions are.

As I wrap up my year serving as your district governor, the answer is: **Someone surrounded by a great team.** As I've shared in my club visits, we all have many opportunities to volunteer in our communities. We join our Lions Clubs because we want to be part of a like-minded group who work together to do more than we can do alone. This is true in our clubs and in our district leadership. I have been surrounded by a great **team** and together we have accomplished even more than the goals we set in spring 2023.

Our first goal is service, and our goal was to have at least 85% of clubs report service. Lions Clubs International (LCI) asks that we report service so that we can show the world how and where 'We Serve.' Due to the extra efforts by Global Service Chair **Anita Hines**, I am thrilled to share that 100% of our clubs have had service reported this year. As of this writing, District 25D has reported 669 service activities serving 85,874 people since July 1, 2023, and I suspect that's a low count.

Our second goal is membership, and our goal was to have one new club and have each club add at least one new member. Under the leadership of Global Membership and Extension Chair **Jeff Kozicki**, we have restarted the Muncie Lions Club and are 75% of the way to starting the Gas City Lions Club. More importantly, 24 of our 35 clubs have added at least one new member. As a district, we are plus 32 in membership for the year. We know that many clubs clean their rosters in June before the invoices come on July 1, but I am confident we will finish this year with positive growth.

Our third goal is leadership, where our goal was train 83% of our zone chairs and 25% of our club officers. Our Global Leadership Chair **IPCC Scott Smith** achieved the zone chair goal and was close on club officer training last summer. If you are a club officer who has completed Lions online training, let us know so we can get you recorded. We had a great club officer training in Matthews to get next year's officers started and you can go on the Lions Portal to do additional training at your convenience.

Continuation of the message from DG Julia

On the topic of leadership, our district has been incredibly well served this year by our district officers, including PDG **Betty Weist**, our cabinet secretary, PDG **Kathy Lozier**, our cabinet treasurer, Lion **Christine Woodward**, our newsletter editor/PR chair, Lions **Frank Faulker, Jeff Larrison, Mike Careins, Jeannie Stiers, Linda Janney and Jeff Manning**, our outstanding zone chairs, and most especially our vice district governors, **DGE David 'Rocky' Simpson and 1VDGE Jim Dubeansky**. **Rocky** and **Jim** have shown up to serve wherever needed, whether visiting clubs, supporting extension, surveying damage or providing supplies and service when the tornadoes hit. District 25D will continue to lead the state in achieving our goals under their leadership.

As of June 1, I will have visited all 35 clubs in our district and I am impressed every time by the great work our clubs are performing. The service we provide strengthens our communities and combats the epidemic of loneliness for our members and our neighbors. Our **team** is ready to support the work of our clubs and I am grateful to have served with each of you this year.

Yours in Lionism,

DG Julia

PS – club presidents, I look forward to signing your Club Excellence award applications. The application is attached to the newsletter.

Message from District Governor Elect Rocky

“Underway for Service”

June is always a wonderful month of the year. Families going on vacation or busy planning their vacations as the weather gets warmer and the grass starts growing. If you didn't already know this but on June 26, 2024, Julia's tenure as our District Governor is over and my tenure begins. Please be aware we are not seeing the last of Julia as I'm happy to say she will be the States Council Chair during my year as your District Governor. She continues with the 25D Team and helps maintaining the momentum of this past year.

Some notable successes are, a new club in Muncie and almost one in Gas City. Fishers will be the next city for a Lions Club along with Hartford City. (We have a Plan). The decline of Lions members in our District has stopped and we are plus 32 members and maybe 26 before the end of this month. All Clubs reported Service to the Lion's International making this District to Report 100% Reporting, Thanks Anita Hines, we'll do it again "this next year". Officer Training was attended in Matthews Lions Club and we have a significant jump in Officer Training Percentage as well. Our Lions Club International Fund had a significant jump in participation because of Noblesville, they carried the state in meeting and exceeding the State Fund raising goals.

So what's Next ? ? ? ?

My Plan, and the 25D plan is to continue to follow Julia's goals of growth. Adding two clubs or even three are not out of the question. Adding membership and retaining Lions are also in this years Plans. Reporting Service will also be key as we have found a formula and Club Secretaries to report service in the New Lions Portal. LCIF is near and dear to this plan, knowing what Selma and Winchester went through, I don't see any reason we should miss our mark on Clubs and Lions missing our Goal of \$14,000.00 for this year. I have already discussed with PDG Mike Imbler and PDG Steve Holzliter on concentration a litte more on Legacy Donations. Leaving your mark with LCIF is a great gift. The big news this year is that PID Doug Lozier is taking on the Training of all the Club Officers and Zone Chairs this year. PID Doug has training the states District Governors for the past three years and will be a huge asset for our district to complete our officer training this year. So, we have a plan, and it includes all our District 25D Lions.

I commence my Governor year with a slogan from my Navy Years as Underway for Service. I had a very successful Navy Career and I would like to take those Leadership skills and put them to work with our District. Lions is a volunteer organization and so is the Navy, my leadership is centered around people who want to Serve. I'm looking forward to the "We Serve" motto and look forward to a very successful year as your District Governor.

Onto what's happening this summer. I asked PID Doug Lozier to reserve August 10th for 25D District workday at the State Fair. If you wish to sign up for the work day you can go on the website below or call PID Doug Lozier to schedule your time. <https://indianalionsfoundationmd25.org/what-we-do/indiana-state-fair-volunteer/#signup>

As you can see, ZC Frank Faulkner had a picture of me leaving the Nimitz Flight deck and getting ready for my year as District Governor. Frank used AI to significantly reflect me in the picture, I lost some weight and I was told, I need a haircut. Let's Do our Lions work, Have Fun in the process and let others know that the Lions in 25D are changing the world for Good.

Message from First Vice District Governor Elect Jim

Hello Fellow Lions:

Well, first I hope everyone had a great Memorial Day weekend and remembered the reason for this special day we celebrate.

I want to thank the Matthew's Lions Club for hosting the 4th Cabinet Meeting. It was a great day. They have a very nice club house and the turn out for the Officers Training was a great success. I had to leave early due to prior arrangements but heard it was a great time.

I've had a few hiccups with my health and ended up in the hospital and found out my heart rate was low and some other issues, but by time you read this the cardiologists have gotten me fixed up. I am headed in a better direction and the orthopedic specialists are getting my broken ankle fixed up. Prayers would be a blessing right now. You just never know, so always get a routine physical. If I would of, maybe this might of been caught. Who knows, anyway, I am feeling better. Not much keeps me down.

Good luck and safe travels to the ones going to Australia. Have fun, I will be thinking about you all.

I want to Congratulate all the New Incoming Club Officers and thank you to the out going ones for your service and time you put in.

Looking forward to making visits with our District Governor to the different clubs this year, as many as I can and be there to support him the best I can.

Well, I hope everyone has a fabulous summer and always keep your eye out for that new member or someone who could use a friend or want to be part of a fabulous club like the Lions. We all could use new members so keep talking about the good things your club and all Lions do. Maybe we will win a new member.

Drive safe on your trips and may God bless you all.

GMT/GET—Global Membership Team and Global Extension Team

Greetings to all Lions of 25-D!

As we come to the end of the Lions year on June 30th, two thoughts keep coming up in my mind.

First, THIS HAS BEEN A GREAT YEAR!!! Every club in the District has done service (no shock there) AND reported it, so that we are one of only a handful of Districts on the planet with 100% reporting!

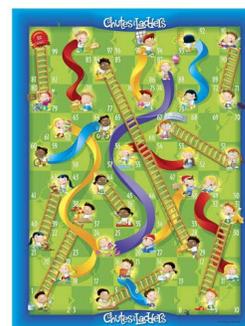

I encourage every club to have a big year-end celebration. This is a chance to reach out to every club member and invite them to the party to look back on the past year and all the wonderful things that have been done. Then, continue the celebration with the investiture of your officers for the coming year. It is going to be an even greater year!

The second thing is that many people are worried about the membership drop that happens every June when clubs have to update their numbers with LCI before paying dues on July 1 for past “members”. Since I like games so much, I started thinking about “Chutes and Ladders”. This game was designed to help kids practice basic math as you try to get to the final spot at the top of the board. Along the way, you may get help going up but you may also land on a slide and go back down. These ups and downs are inevitable and what I remember most about the game is the determination to push through the “downs” and work to get to the “ups”.

If you have some downs in your membership, just regroup and be determined to pursue the ups.

Thank you for being a part of the greatest service organization in the world and remember that more ups are on the way.

Cyber Clean-up for Security

So, just how many online accounts do you have?

How many of them use your cell phone for two-factor authentication?

How many accounts use your email as the logon id OR use your email for two-factor authentication OR account recovery? Chances are it is way more than you think.

Because I am cancelling an internet phone and will have a new cell phone number in the near future, I thought I would start logging on to all of my accounts, cleaning them up, and setting them straight in anticipation. As of this article, I have spent several hours, verified 58 accounts and alphabetically I am ONLY UP TO K! There is a similar number remaining.

Half way through this process, I have some thoughts for you.

- **Use a password manager.** Having passwords securely locked into a manager will make it easier next time to move through accounts when changes are necessary. I use LastPass, but there are several other good ones out there.
- **Have a trusted backup person** with whom you can share your password manager master password. Otherwise, if you expire unexpectedly your family will spend countless hours trying to get into your accounts or getting them terminated.
- **Setup two-factor authentication** when available. If not offered when logging on, go to your account's settings.
- **Delete unused accounts.** Fewer accounts, less headaches. 'Nuf said.

There are services that will help you delete old online accounts and subscriptions. Experian has one of the newest services. Just search online with keywords *cancelling unwanted subscriptions* to find articles and services.

What are you waiting for? Get started when you don't have to so it's not panic time when you do. Send me an email if you have questions.

Musical Notes—Lion George Smith

As I open this happy Lions Musical Notes for June, 2024 and the last for District Governor Julia Kozicki's tenure, I am once more humbled to write this (sort of a) tribute to Lions everywhere.

My persistence as a Lion over the years since June of 1965 AND my dear wife Norma's understanding of what I wanted to achieve in life from the very beginning of our marriage July 1, 1956 has cumulated in success in every endeavor (or most, less I sound like a boaster). I have been afforded assignments in Lionism all over the world as Indiana Local, District and State + Lions International official organist/pianist. A major prayer and wish that a young man I dreamed to be know everywhere (the Lions is only one achievement, and I will add a 'whopper' of a wish) Persistence, my fellow Lions pays off if your desires are driven by a solid life of a positive thrust. In Lions meetings, I have listened to wonderful speeches and talked with the guest speakers so as to get the full intent and drive of the messages. As a music minister, I knew that as I played before and during the meals, my music would rev up the crowd of Lions to listen to the message of the speaker. Now to deter this, read on:

A few metaphors (and I will explain why I chose these later) 1. a light metaphor: he's rather dim; the light's on, but nobody's home; 2. food metaphor: he's short a few cookies, short of a dozen, his pail is empty, his kernel never popped, he's two sandwiches short of a picnic, somebody blew out his pilot light. You get the idea. This is a splendid way to get an audience's attention in order to convey why you're speaking to them and building a foundation of why Lionism is the world's largest and best service organization.

My fellow Lions, as we approach a new Lions year, 2024-2025, think back over the past Lion's year as to your achievements. Have I had an outline to do the hopes and wishes of District Governor Julia and my club president? Has each Lion in my (and your) club paid attention to her hopes for a better District 25D? Think back to both Lion Jeff and DG Julia's teamwork as they together applied their knowledge to make OUR year stand out. To add and thrust new ideas into our minds and local activities of our individual clubs. Did we make them proud? Did our club get new members through inviting a friend to a Lions meeting? Have we had an information meeting telling the story of Lionism? Remember that the old, old story of Melvin Jones and his fellow men sitting around a table in Chicago in 1924 imagining a world-wide thrust to help their fellow man achieve goals to make this a better world. Fellow Lions, it gives me goose bumps to think that I'm now a part of this powerful and explosive thought process and can through my mind and fingers follow and do my part of the TRADITION and let it glow through eternity. I promised an explanation as to why I chose the metaphors above: a chuckle is needed in life to carry through a giant pattern and adhere to our club's successes as we do a fundraiser to make money for world-wide needs and our own local communities. So these patterns of an introduction to your speech in front of your Lions meeting is so important to let your audience know that you are an important Lion leading the way to another exciting week of their Lions path of victory of Lions International.

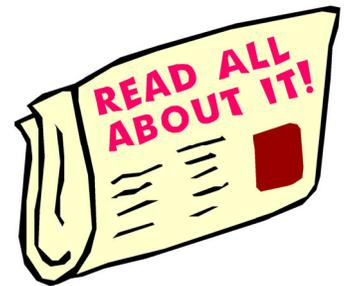

As I close this column, I look forward to the new year with DGE David 'Rocky' Simpson and his District 25D Cabinet Officers. There is a very important request that I make, take the importance of meetings to heart and as you can, attend and take part. As we carry on our traditions we need to be aware of communications and stay tuned into information that pertains to Lions. Make yourself available so that you can know the very latest goings-on and be present to show your interest. Lion Kenny Olvey and myself will try to visit clubs. My cell is 756-623-3787 or my business number of 765-642-0243.

The Carmel Lions Club held their annual golf outing at Brookshire Golf Course this past May. After a week of rainy days, it ended up being a beautiful day and a great way to make money for our club to help the community. We want to thank all the sponsors, golfers and volunteers! We hope to see you again next year.

Carmel Lions Clubs

The Carmel Lions Club recently held elections for next years officers. We want to thank our outgoing president Bryan Ferry for his year of leadership and look forward to see what incoming president Matt Best has in store for us! You can join us for a meeting on the 2nd or 4th Tuesday of each month. Dinner is at 7pm and the meeting starts at 7:30pm.

The Union City Lions Club held its Spring Fellowship Night on Tuesday evening, May 21, 2024. The Lions and their guests enjoyed the meal catered by Bouser's Barn of chicken, scalloped potatoes, green beans, and pie. The group enjoyed a time of conversation and fellowship with other Lions and their spouses. Lions President, Troy Rose presided over his final club meeting as he will be handing the gavel over to incoming president, Len Hindsley. The Union City Lions will have a busy summer as they will be involved in preparing the food at the Randolph County Airport Fly-in Breakfast, they will be helping in the food building at the Randolph County 4-H Fair, they will be involved at State Line Heritage Days in August, as well as the Rodeo in Harter Park. A new year of club meetings will begin on the 2nd Tuesday in September.

"Raise the Roof" Golf Outing presented by the Westfield Lions Foundation

Pebble Brook
Golf Club
3310 Westfield Rd.
Noblesville, IN

Help the Lions "Raise the Roof" on the new clubhouse! Proceeds to the Westfield Lions Foundation.

For 94 years, the Westfield Lions Club has been a pillar of the community. The inaugural Westfield Lions Foundation Golf Outing will play a crucial role in the mission of raising funds for the "Raise the Roof" campaign, helping to renovate the new Westfield Lions Club community building. The club offers its facilities free of charge to non-profits like the Boy Scouts, Girl Scouts, 4H, student/club functions and others. Despite facing relocation due to new development, the clubhouse remains a true gem for the Westfield community, a testament to the Lions Club International motto of "WE SERVE".

The cost for the event is only **\$125/golfer or \$450/foursome, if you register before June 14th**. This price includes an 18 hole golf scramble format, riding cart, swag bags, lunch, awards and door prizes! Mulligans, 50/50 raffle tickets, putting contest available at check-in, with the awards presentation, drawing for door prizes and raffle winners announced directly after golf at the clubhouse. You don't have to have a foursome, single golfers are welcome too!

Registration form, sponsorship and payment options are available on the reverse side.

We thank you for your participation in helping build the community!
